

## Prayer to remove the octopus

*The enemy has devised a very clever strategy by using an octopus as a mind binding device. An octopus has 3 hearts and 9 brains – so a very specific strategy is needed to kill it.*

Father, I come before You today, thanking You for the Blood of Your Son, Yeshua. I cover every part of myself and all that pertains to me with His Blood. What a precious gift of protection and safety. I thank You and Bless You and honor You – King of kings and Lord of lords. I thank You that as I pray today there will be no ill effects or reprisal. I thank You for You are my Rock and Safe tower, my ever-present help in need. Blessed be the Lord Most High!

Father, I need Your help today as my Deliverer and Redeemer. I call upon your Name and Presence as the Sword of the Word. Father, I know and take full responsibility for my ways. I acknowledge that my thought patterns and actions are not aligned with Your Kingdom. I repent Father, that my spiritual senses are defiled, veiled and polluted. Father, I repent for the legal right that gave the 666 - octopus dominion over my thoughts, will, emotions and wounds. I repent that I have listened to, agreed with and have empowered this octopus – surrendering the Life within me to it. Father, because of this I am confused, double minded and like a puppet in the enemy's hands.

Father, the octopus has blinded me with His ink and therefore I am confused. I ask, in the Name of Yeshua, that You will stir the waters in and around me and that You will wash away this ink of confusion from the spiritual atmosphere and environment around me, with Your Blood.

The octopus can camouflage itself to blend into the environment and therefore I do not see its operation in my life. Father, flood me, my spirit, soul and body with Your Glory Light and expose this 666 - behavior with it's true colours.

I take full responsibility and repent Father, for being

- **Self-centered.** Seeking my own will, always looking after me, myself and I, first.
- For being a **lover of money** and having a desire for wealth. I repent for considering this to be my safety net, legitimacy and provision. I repent of stripping You from Your name and Authority in my life to be Yehova Jireh – my Provider.
- **Proud, arrogant and a boaster.** Father, this is a learned behavior to cover the shame and guilt which my spirit carriers because of the pain I carry. Please forgive me for despising humility.

- **Abusive, speaking blasphemous and mocking people.** Once again Father, this is a learned behavior to belittle others so that I can feel better about myself. I repent and know that these words reveal the true condition of my heart – being broken and uncertain and not grounded in You. I repent of not being a lover of people and encouraging them and building them up.
- **Disobedient to my parents.** Father, there has been so many instances where I wanted to follow my own head, fleshly desires and have scoffed their wisdom and experience. I repent of this my King. Not, valuing their walk and not submitting myself to their guidance. Even today, where I may be an adult I repent for not respecting my parents with time and honoring them.
- **Ungrateful, unholy and profane.** Oh Father, I repent for taking so many things for granted. I know your Word states that we are cursed because we did not serve the Lord our God with joyfulness of mind and heart in gratitude for the abundance of all with which He has blessed us. (Deut 28:47). I am guilty of this my King. I take full responsibility and bring my ungrateful, unholy and profane heart before You today, to be cleansed by the Blood of the Lamb. Have mercy upon me. There is a saying that states out of the abundance of the heart the mouth speaks. Father, this is me. It can be heard in all the profane, unholy things I utter and speak. Please forgive me. Cleanse my heart Father, I ask this in the Name of Yeshua. I repent Father for the unholy condition of my spirit, soul and body.
- **Without human affection.** Father, your very nature is one of love, affection and care. But, this is not my nature. Father, I have a hardened heart. I repent of this my King. I have built so many walls of self protection and pride and unbelief. Your word states that unbelief shuts us out. Forgive me Father, for building these structures, removing me from Your presence and then blaming You for being far from us and not being interested in us. I ask like David that You would create in me a clean heart, one that is filled with Your affection. I pray Your Word in Fil 1:9-11 over my heart: *that your love may abound yet more and more and extend to its fullest development in knowledge and all keen insight that your love may display itself in greater depth of acquaintance and more comprehensive discernment So that you may surely learn to sense what is vital, and approve and prize what is excellent and of real value recognizing the highest and the best and distinguishing the moral differences; and that you may be untainted and pure and unerring and blameless so that with hearts sincere and certain and unsullied, you may approach the day of Christ not stumbling nor causing others to stumble. May*

*you abound in and be filled with the fruits of righteousness of right standing with God and right doing which come through Jesus Christ the Anointed One, to the honor and praise of God that His glory may be both manifested and recognized. In the Name of Yeshua, Amen.*

- **Slandorous, trouble maker.** Father, I repent that I am the cause of so many people's pain and feelings of rejection. I repent that I do not wash others with Your Word, encouraging them and building them up, but that I often vomit on them with my opinions and judgments. I repent my King.
- **Uncontrolled, fierce and haters of good.** Oh, my King, I am often out of control. My hatred, anger and rebellion flame up like a destroying fire, burning everything in its path and all that remains is the stubble of burned down relationships. I repent of this nature within me. Please forgive me.
- **Betrayers.** Father just like Peter we say that we will never betray you, but we do. Over and over again through our thoughts, will, actions and emotions. Please forgive us, my King. Please forgive us for this part of our nature and character which is far removed from your image and likeness. I take full responsibility and today I admit I am a betrayer at heart.
- **Self-conceited.** Father, I repent for the excessively favourable opinion I have of myself. Taking credit for so many things where the credit and honor should be given to you. Forgive us for being puffed up in self-importance. I repent my King.
- **Lovers of pleasures.** Father, I repent that I am trapped in a mindset and culture of pleasure seeking. Father, I repent that I often make decisions based on the fact that I want to and I find pleasure in it – even though I know that this very thing opposes Your character. I repent that I seek pleasure rather than seeking You. I repent that a relationship with You have been so watered down by religion that I would rather watch TV or movies or play on my smart phone than spending time with You. I repent that my pleasure centers are completely defiled and over stimulated. Please wash these with the blood of the Lamb.
- **Having a form of Godliness but denying the power thereof.** Father, I repent that I am trapped in a mindset of godliness. This is a mere copy of the true power and life which is found in you. Father, I choose today to be stripped of these imitations. I want to know You more. I need to return to my first Love. Help me to find my way back to You.

Father, these things listed above are stated in 2 Tim 3. I understand that these are mere delusions, substitutes for the truth of Your character and who we are in You. Father, over each of these an octopus arm sits; feeding me these delusions and lies. Father, today I take the Sword of Your Word and I cut these arms off in the Name of Yeshua. I come and I wash the wounds and marks they have created on my spirit, soul and body removing every trace of a tentacle.

Father, in the Name of Yeshua, I destroy, unplug and smash every one of the 9 brains and 3 hearts of the octopus. I declare You will not rewire, you will not reestablish a connection with any part of me, you will not regrow. I renounce and denounce the control you have over me, my senses and subconscious. Father, please destroy the data banks, the defiled memory banks that were build up because of the dominion of the octopus over me in spirit, soul and body – in all time, space and dimension over the seed and sperm in the womb as well as over my wounds.

In the Name of Yeshua, I ask for a Godly 777 blood transfusion, removing every trace of the blue 666 false royal blood I was fed by the hearts of the octopus. I am a new creation in Christ, it is no longer I that live but Christ in me. Father, I surrender every thought, will and emotion that is defiled to be washed and renewed in the Name of Yeshua.

I come today in the Name of Yeshua and I take the head of the octopus and I turn it inside out. You will no longer be able to find me or see me in the Name of Yeshua. On the grounds of my covenant with YHVH I strip you of your dominion and power over me. I am no longer subjected to your government. I am no longer opposing the truth because the Word states that the Truth will set me free. I declare that I am no longer in bondage to any part of the octopus. In the name of Yeshua and through the blood of the Lamb I remove every trace of venom from my spirit, soul and body that was injected by the bites of the octopus. Any wounds I sustained I now bind up in the Name of Yeshua and through His blood I declare, by His stripes I am Healed.

Father, where my senses have been stimulated by the octopus drawing me into a web of sexual stimulus I ask that You would remove the web I am entangled in. Father, where the one arm of the octopus is like a sexual organ, I come in the Name of Yeshua and cut it off and remove it from any part of my spirit, soul or body where it was inserted. I wash my senses from this defilement, I cancel the memory banks and blot the mirrors with the blood of the Lamb carrying these memories of defiled love and affection.

Father, I strongly denounce and renounce my alliance with Lilith as the head of the octopus – as the control centre and manifestation of this device in the spirit. Through the blood of the Lamb I cancel all agreements, covenants and contracts I have with her.

I choose to annul these in the Name of Yeshua. Father, I ask in the Name of Yeshua that You would come and fetch me and remove me from the octopus' den. I choose not to be fed and cared for by it any longer. Thank you that You can come and save me from my captivity in the waters.

Father, please wash my physical and spiritual minds from all corruption, deprivation and every counterfeit image and belief I have hooked upon. Your word states that as a man thinks He is. Father, I am all these things but, I thank You that Your Word also states that our minds can be renewed. I submit and surrender my mind to Your dominion, government and training in the Name of Yeshua.

I remove every one of the eggs of the octopus in the Name of Yeshua, Killing its offspring and babies in any part of my humanity.

In the Name of Yeshua I now come and smash the octopus over the head – killing it instantly. And I thank You whom the Son sets free will be free indeed!

I thank You for the restoration power of Your fire and light which I switch on in my brain! I am a new creation.

I pray this in the Name of Yeshua
