

Petition to clean the temple inside of us

Father, I come before You in the name of Yeshua and every part of me and all that pertains to me covered by the blood of the Lamb. I wrap and place my being in the surety and safety of Your Name. You are my Rock and sure foundation, the ever-present help in trouble.

Father, I ask in the name of Yeshua, that the temple as it is described in Ezekiel 8 -11 inside of me and/or in all time, space and dimensions and my DNA and generations will be the focus of my prayer today. I ask in the name of Yeshua that You as the Man with the appearance of fire and light will go before me as I pray today (Ez 8:2).

Father, as we enter this temple at the entrance of the door to the inner court which faces the north I repent of the seat of the idol of jealousy that is situated there. Father, I repent for me and my generations' worship of this idol. I repent of the tolerance of this idol. I repent of every act and sound of the provocation of jealousy that is the result of this idol in this door. Lord, I understand that I, my seed line and blood line are subject to jealousy because of this idol's presence.

Today, Father, I choose to denounce and renounce my worship of this idol. I come in the name of Yeshua and break the covenant with this idol. In the name of Yeshua I divorce the spirit of jealousy and all dark kingdom workers associated with it. Father, I ask that the worship of this idol will be silenced in my generations and humanity. I ask that the altar or seat on which it is placed as well as the image of this idol will be utterly destroyed in the name of Yeshua and through the blood of the Lamb. I ask Father, that all control bonds of jealousy – working as feeding tubes - will be completely cut from my humanity and all those I represent in the spirit. Please place all soul copies operating in jealousy in Your blood judgement. I come now and through the blood of the Lamb curse this curse of jealousy over every part of my being. I declare that I do not love, honour or serve this god of jealousy and I ask that every imprint and effect of the worship of this idol will be completely removed from my DNA, RNA on micro and macro level. I bring this northern gate of the temple before You and wash it with the blood of the Lamb. I dedicate this gateway to You, YHVH and mark it with the blood of the Lamb. Father, I ask again if You would grant me the gift of Your presence again in this temple. I want You Lord, I need You Lord, forgive me that my jealousy has driven You from your own sanctuary. I desire that I may be in Your presence day and night in this temple.

Father, we now walk to the hole in the wall and ask that the hidden door in this wall will be exposed by Your truth and light. Father, I repent for every wicked act that is done here. I repent for my part in these acts, knowingly or unknowingly. Father, I repent and take full responsibility for the pictures which I and my generations as priests of this temple have placed upon these walls. I repent Father, for being the artist and for allowing these imprints to be placed on the walls. I choose to break the covenant with the creeping things and loathsome beasts and the idols they represent on these walls. I do not love, honour or want to serve these. Father, I repent for my generations' position as one of the seventy men serving in this temple. I willingly give this position up and ask that the control circle will be broken. I ask in the name of Yeshua that this position will not be transferred to any others in my seed line or blood line. Please remove our names from all documentation marking us and designating us as defiled priests in this temple.

Father, I choose today, to divorce any association with Jaazaniah the son of Shaphan the scribe. I choose to lay down the censer of incense which depicts the prayers to these gods. I repent of every prayer uttered to these gods, in my generations, and ask that Your wind will dissolve the

thick cloud of dark prayers in my generations offered to these gods. Father, I repent of every dark act which I and my seed line or blood line have partaken in, in this secret chamber. I repent for doing this in secret – thinking that my acts and words will be hidden from You. I ask Father, that Your presence will flood this chamber with Your light of truth. I repent for ignoring Your presence. Please forgive me. I repent for choosing other gods' presence above that of intimacy with You. In the name of Yeshua I ask that every soul copy either human or animal associated with the worship of these animals and creatures will be placed in Your blood judgment. I ask that all control bonds associated will be completely severed. In the name of Yeshua do I curse the curse of worshipping these animals and creatures. I willingly bring all wounds to You, for healing, Yeshua.

Father, I repent for this north gate where the Babylonian god Tammuz, is worshiped. I repent for every tear that was shed at the feet of this god. I repent Father for the generational belief that Tammuz died annually and that it subsequently had to be resurrected. I wilfully denounce and renounce this god. I do not love, serve or honour this god. I ask that every covenant with this god will be renounced and denounced. I ask for a divorce between my humanity and those I represent in the spirit and this god. Father, I willingly give up my position of mourning before this god. I repent for every tear that was given in worship to this god. I ask in the name of Yeshua that this god will be utterly removed from my presence. I silence the worship of this god in all time, space and dimension. I dedicate this gate to You and mark it with the blood of the Lamb. In the name of Yeshua I ask that the altar of this god will be utterly destroyed as well as all control bonds be completely severed. Father, please place all soul copies associated with the worship of Tammuz in your blood judgment. I curse the curse of the worship of Tammuz in the name of Yeshua and bring my wounded humanity to You – placed in your heart for healing and restoration.

O Father, we now come to the inner court of Your house between the porch and the bronze altar. Father, I repent of my generational position as one of the twenty-five men present here. I repent of turning my back on your temple in order to face east and to bow down and worship the sun. Please forgive me. I willingly give up this generational position and ask that the names of my seed line and bloodline will be removed from all registers marking us as priests of the sun god. I repent my King, for every word and action done by myself and those I represent in the spirit that was acts of worshipping the sun god. I choose to break my covenant with this god and to divorce all associated workers.

Father, I ask that all of my humanity and those I represent in the spirit will be unhooked from the sun, the path of the sun, the energy of the sun and the love of the sun. I choose to utterly destroy the altar of the worship of the sun. Please cut me loose from the control bonds of the sun temple and its worshippers. In the name of Yeshua I ask that all soul copies attached to me will be removed and placed under Your blood judgment. In the name of Yeshua I curse the curse of sun worship and declare that I want to worship the Sun of righteousness with healing in His wings. The sun is no longer my source of healing. I therefore submit all wounds to Yeshua for healing and restoration.

Father, I repent and take full responsibility for filling the land with violence. I repent for turning my back upon your Kingdom of peace and for provoking You to anger. Please forgive me. I repent Father, for every act of superstitious worship, which I and those I represent in the spirit have partaken off. I willingly surrender all such worship rites with their tools to be burned by Your fire. Please cleanse my senses from the imprints of this false worship, by the blood of the Lamb.

Father, I know that Your wrath was kindled against me and my seed line and blood line because of these abominations. I ask for Your mercy today. I ask Father, that your retribution as stated in Eze

8:18 that Your eye will not spare me, nor will You have pity on me as well as that Your ears will not hear my voice will be removed by the blood of your Son. Please forgive me.

It is the desire of my heart that I will be able to dwell in Your house and that our relationship will be restored to Your original blueprint.

Father, I now respond to Your voice which asks for those who have charge of the city as executioners to draw near. But first, I repent for every instance where I have taken up the position of judge and executioner but, dealing without Your Wisdom and instructions. I repent of receiving my instructions from all these other gods. Father, I willingly lay down the defiled generational position and surrender every destroying weapon to You. Please forgive me for everyone I have destroyed, hurt and killed. I repent of being one of the dark six men having a generational position here at the Upper Gate. I ask that the position that I am to take as executioner of Your will, will be marked by Your blood. Make me one of Your six at this gate, my King.

Father, I come today and submit all of my faculties to You. I acknowledge the man in white linen with the writer's ink in his hands. I add my voice today to those who are groaning over the abominations that have been committed in our midst. If I have found favour today, I ask that I and my generations will also be marked with the inscriptions of your Kingdom. I thank You for the mark of Your blood at the cross – which is the sign of my covenant with You. I choose today to wrap all of my humanity around Your sufficiency. Christ in me my only hope of glory. I choose today to follow the man in white linen and to smite all those who have done these abominations. Father and at the same time I ask for Your mercy upon those parts of me that have done these vile things.

Lord God! Will You destroy all that is left of Israel in Your pouring out of Your wrath *and* indignation upon Jerusalem? I repent my King for the iniquity and guilt which is exceedingly great before Your throne. I repent of all the blood that is filling the land and is constantly crying out. I repent. Lord I repent of my part in filling Your city with injustice and perverseness. I repent for saying that the Lord has forsaken the land; the Lord does not see what we are doing. Forgive us our ignorance and secret acts, I pray. Lord, you are the righteous judge of all ages. I know that You need to judge our wickedness. I repent my King and come before Your throne room of grace with a penitent heart. I was blind but did not see and I was deaf to Your instructions, please forgive me.

Restoration of Your presence in the temple

Father, it is the cry of my heart today, that Your presence will once again fill this temple. I want You Lord, please come and dwell again in the midst of my humanity and generations. I want to stand in covenant with You. Would you again come with Your living stones, will you come and place Your throne of sapphire in me and take up Your place? Father, please command the cherubim, I need Your fire, Lord. I welcome Your Shekinah glory in my inner court today. Please restore Your temple of Your presence in me. I need the reality of Your Glory and Lord please gird up my loins that I may stand in this holy place. Let Your Shekinah cloud replace the dark cloud of incense that was here before. I thank You that Your Glory has mounted up and now fills the court with the full brightness of Your glory.

I thank You for restoring Your voice in this temple. I invite Your wheels of fire in my midst. I thank You Father for Your presence and the blood of Yeshua that sanctifies the four directions represented by the doors of Your temple. I thank You for the eyes of the living creatures which

now fill the walls of the temple, replacing the eyes of the vile creatures that were here previously. O Father, I thank You for the presence of the Lion, the Eagle, the Man and the Ox on the four walls of Your temple. I invite their presence and thank You for Your mercy and kindness.

King of Glory thank You for Your cloud which is now rests above the cherubim. I thank You for the restoration of the East gate.

Judgment on Wicked Counselors

Father, I repent of my generational position in this East gate as one of the twenty-five men. I repent of being one of these who devise iniquity and give wicked counsel in this city. Please forgive me. In the name of Yeshua do I choose to give up this generational position. I ask that my association in the spirit will be broken with and that I can divorce Jaazaniah the son of Azzur and Pelatiah the son of Benaiah, princes of the people, as well as all others associated but not specifically mentioned. I repent Father for keeping the people away from Your house and presence. I repent of every seed of fear which I have sown to keep people from seeking Your face.

Father, I repent of every vile misplaced thought. I repent for multiplying the slain in the city and for filling the streets with death. Father, I repent for every instance where we did not want to stand up for that which is right in your eyes. I repent for tolerating wickedness.

I repent Father, I am guilty, I have not walked in Your ordinances but, have acted according to the ordinances of the people who are not called by Your name. I repent my King, I am guilty. I understand that the wages of sin is death. Please forgive me. I choose today to give up all other citizenships with their customs. I want to be one of Yours.

God's New Heart and Spirit

Father, I acknowledge that just as Your word says in Eze 11 that I have gone far from You, my Lord, and my iniquities, sins and transgressions have removed me from Your land which You have given me as a possession. I repent for our sexual sins and all our heathen religious practices. I thank You Father, that even though we were removed by our own doings from Your presence and Your land that You have still been to us a sanctuary in these dark foreign places.

I thank You for Your Word and Your mercy and kindness as You answer my petition in Your Word today:

Eze 11:17-21 Therefore say, Thus says the Lord God: I will gather you from the peoples and assemble you out of the countries where you have been scattered, and I will give back to you the land of Israel. And when they return there, they shall take away from it all traces of its detestable things and all its abominations (sex impurities and heathen religious practices). And I will give them one heart [*a new heart*] and I will put a new spirit within them; and I will take the stony [*unnaturally hardened*] heart out of their flesh, and will give them a heart of flesh [*sensitive and responsive to the touch of their God*], That they may walk in My statutes and keep My ordinances, and do them. And they shall be My people, and I will be their God. But as for those whose heart yearns for *and* goes after their detestable things and their loathsome abominations [*associated with idolatry*], I will repay their deeds upon their own heads, says the Lord God.

Father, today, anew, me and my house chooses to serve You. I give You permission to strip all idolatry practices, places and entities from my humanity, time line, seed line and blood line. I want to be Yours alone. I want to serve You. I want to live in the presence of Your Glory and therefore ask that You would lift up Your countenance over me.

I thank You that You grant me to live in the presence of Your glory. I thank You that even now You are changing me from Glory to Glory.

For ever I am changed and restored. Yeshua thank You for working inside of me and for finishing what You have started.

I thank You that all the aspects of Your temple are now washed down by the blood of the Lamb. I thank You that every element of the outer court, inner court and holy of Holies are sanctified and rededicated to You. I thank You Father, that the blood of Yeshua now marks this temple as holy unto YHVH.

I repent for making Your house a house of trading and tax collecting. I repent for defiling Your purposes and intent with my own desires, thoughts and imaginations. I repent of changing Your house to be a religious place of gathering where men's thoughts, achievements and desires are fulfilled, and the focus was taken from worshipping You.

Today, I thank You for restoration and healing!

I pray this in Your Name and seal it with the blood of the Lamb.
