

Petition on spiritual rape

We are aware of the devastating consequences of physical rape, but have very little understanding of spiritual rape. With spiritual rape things such as our life essence, time, hope, finances, dreams, abilities, intellectual property and knowledge are taken from us and used to build another's kingdom. With rape things are taken from us without consent and we are forced into a covenant based on intimidation, greed and violence. In the act of rape, we are either predators or victims and this has a huge impact on our spiritual progress and health. In spiritual rape our dreams, visions, wholeness, authority and power are stripped from us – we become the slave of a controller in our physical, emotional and spiritual lives. The effect of this in our lives is devastation, hopelessness, abandonment and rejection. Unless the control bonds are broken you will never be able to live your own life and walk out His plans for you in your life.

Father, I come before You in the name of Yeshua and through the blood of the Lamb. Father, I stand here in your courts today representing all parts of me, my seed, time, life and blood lines in all time, space and dimensions.

Father, I acknowledge today that there is a spiritual law that says that exactly what you sow you shall reap (Gal 6:7). Father, today I take full responsibility for the harvest which I see in my life which is connected with rape. I understand Father, that I and those I represent in the spirit had to have raped others in order to give the legal right to spiritually rape me.

Father, the focus of this petition in your courts comes from the foundation of physical rape, but also includes the effects of spiritual rape as a consequence. Father, I ask that the books concerning me, my seed line and blood line will be opened regarding this matter.

Father, rape is a violent act where something is snatched away without consent. This act often goes together with threats of injury and are accompanied by force. Father, I see where your promises, relationships, finances, health and dreams have been violently removed or raped from my life. I repent and take full responsibility for the legal right which the spirit of rape has in my life to accomplish this.

Repenting of being a rapist

Father, I base my prayer today, on the example of rape as it is given by You in 2 Sam 13. I repent Father, for every instance where I, my seed line and blood line, have been rapists. Father, I repent for every instance where I like Amnon were driven by my desires, my lusts, my wants and my needs. I acknowledge that my desires have made me sick with longing and has enveloped and taken over my whole being. I repent for being greedy. I repent that these emotions and desires were so strong that I have ignored Your council. I repent of my rebellion of wanting it NOW and being willing to do anything to get it. I repent where the lusts of my soul, flesh and spirit have become like a vexation – a force or tsunami of desire – which I could not and did not want to contain. I repent Father, where my desires and lusts have prompted me to take matters into my own hands. I repent for every instance where these lusts have supercharged me with my own and demonic strength to accomplish and push for that which I want and desire. I repent for every person where I have wounded, hurt, overpowered, climbed on, ignored and yes, Father, raped others, in order to satisfy my needs. I repent for not listening to them pleading me to stop. I repent of forcing my will onto them. I repent Father, for every act where I and or my seed line and blood line have browbeaten others, have dealt harshly and looked down on others. I repent of exercising force and ravishing others to satisfy my needs and desires. I repent for every foolish, wicked

and vile crime against other people's spirit, soul and body in all time space and dimension which are connected in any way to abuse, victimisation and rape.

I repent Father, for taking something or someone outside of Your Kingdom principles and protocol. I repent of taking matters and their timing into my own hands. I repent Father, where I did not have patience and have forced matters – including forcing my will unto others. Father, I can see the cycle repeating itself in my life where I am still like this, or are now eating the fruit of this – where others are treating me in this way. I choose today to give up all control I have gained from others. I repent of every act of intimidation and manipulation I am guilty of. I repent of being crafty and for lying in order to get my will. I repent for listening to the advice of others who were not connected to Your will and purposes. Please forgive me.

Healing for the rape victim

Father, I also come and stand, like Tamar, before You, not as the one raping, but as the victim of rape. Father, I choose today to forgive the predators in my life and generations whom have raped me. I forgive those who have misused me and have forced their will, their agendas and their hunger for prosperity and success on me; having no regard for my humanity and well-being. Father, I even forgive those inside of my family who have done this to me. I willingly bring every wound in spirit, soul and body caused by these rape incidents before you. Submitting them to the healing and resurrection power of Yeshua.

Father, I bring the burden of shame that the rapes have caused in me, before You. I admit that the rapes have caused me to be stunned, stupefied, devastated and feeling overwhelmed and destroyed. Yeshua, would You please come and wash these wounds with Your blood. I ask in the name of Yeshua that the trauma cycles will stop, that the memory banks with their imprints of fear, anger, resentment and hurt will be washed and neutralised by the blood of the Lamb. Father, I ask that all my senses will be unhooked from the time and land and dimensions where the rapes took place. Please remove me from these altars. I ask that the sounds will be silenced by your Spirit of Peace. I ask that You would come and remove and mobilise my humanity from the place and time of the rape where I got stuck.

Father, you are aware of every instance where I have gone into self-blame and shame because of the cycles of rape in my life. I ask that Your truth will come into these cycles as well as my mind and thought patterns – including the victim programming which I have been subscribed to. In the name of Yeshua I ask that the motherboard with its programming of victimisation, abandonment and rejection will be shut down and unplugged from my humanity in the name of Yeshua. I repent for every thought I have generated of 'this is my portion, I am not worthy of anything more, I will always be a victim'. I denounce and renounce these lies in the name of Yeshua. I repent for every act of appeasing my rapists – of towing the line, of fearing them, of sacrificing myself to their demands and slavery – in order to keep them from raping me.

Father, I ask in the name of Yeshua that the dignity and the right to choose and to say no will be restored to my spirit, soul and body, today. I claim this back in the name of Yeshua from those whom have taken it from me. I ask in the name of Yeshua to be clothed with dignity and strength – I don't want to be naked any longer. I also choose to wear the garment of worth which You present to me today. I choose to set aside the ashes of scorn, devastation, loss and death which have cloaked me in the spirit, soul and body because of the rapes.

As a family member of the rape victim, I choose today to let go of the resentment, anger, hatred and revenge I have planned against the rapists of those I have loved. In the name of Yeshua I forgive you and I set you free. I surrender and give all judging over into the hands

of the Righteous Judge of All ages. In the name of Yeshua, I declare that every trap set for me by the enemy will seize and desist.

Dealing with the curse

Father, I see in 2 Sam 13:13 that there is a curse resulting from these actions of overpowering and forcing my will unto others. I see that Your Word states that such a person will be considered a stupid fool. Father, I understand that the cause of this curse is disrespect, to wilt and fall away. This curse also causes me to faint and be despised as well as being disgraced and lightly esteemed. This curse also means you will come to naught. Father, I see the fruit of this curse in my life and in those of my seed line and blood line. I repent.

Father, I see that the effects of this curse is to have no satisfaction and joy from the thing which you have desired so much. Your Word says you will end up hating the very thing you wanted and loved so much. 2 Sam 13:15

Father, I acknowledge that my actions and those of my generations have placed me under the law of the spirit of death. I can see the wages of death in my life.

I repent for every instance where I did not want to face and take responsibility for raping others. I repent for not valuing people I repent for discarding them when my desire is spent. I repent for every instance where I have said 'get out and go!' I take full responsibility and repent for being selfish and self-centred.

Father I understand that the wages of my actions also include anger and revenge from those and the families of those which I have raped. Father, it is the desire of my heart to declare in Your courts today, that I am guilty but repent. I come in the spirit and ask forgiveness from every individual, group and family which I have either raped, or are attached to those whom I have raped in this way. I repent and take full responsibility for the hurt and shame which I have caused.

Divorcing Jezebel as the spiritual entity behind rape

Father, I understand that Jezebel functions as a spiritual rapist – taking over and wanting to control our spirits, souls and bodies. In the name of Yeshua I repent for every covenant, agreement and vow I have with Jezebel, and those working for and with her either as predators or victims. In the name of Yeshua I ask that all applicable covenants with her and any other entities working with her will be annulled as of this moment. I choose to divorce Jezebel, her co-horst and everything connected with her kingdom. I ask that her dwelling place in me will be utterly destroyed today. I repent where I have traded my Godly gifts of power, light and authority with her. For every instance where Your spiritual gifts in me were taken by force to build her kingdom, I repent. I claim Your essence, life force, power and authority back in the name of Yeshua. I repent for not valuing these as precious gifts in our generations. In the name of Yeshua and through the blood of the Lamb I choose to break the covenant of the law of the spirit of death which is associated with rape. I choose life today and therefore ask in the name of Yeshua to be grafted into the law of the spirit of life! I ask that every violent covenant which I was forced to enter into will now be annulled in the name of Yeshua. I declare that all of mine is no longer yours and all of yours is no longer mine! Please restore me through your life, and blood Yeshua.

In the name of Yeshua I bring every control bond, every spider's web of entanglement and control, associated with Jezebel and her workers, including all rapists before You and I cut

them on both sides from my humanity. Everything that was deposited into me by these rapists will now be removed and their effects annulled in the name of Yeshua. I ask in the name of Yeshua that every controlling device either inside or from outside of me will now be utterly destroyed. I ask that the black widow spider with her venom and fear bonds of intimidation will be utterly destroyed from my spiritual, emotional and physical life. Please untangle me from her web and utterly destroy their hold upon every area of my life. I also ask in the name of Yeshua that Your fire will utterly destroy her eggs and babies.

In the name of Yeshua I take the keys of the kingdom and unlock my calling on earth. I ask that the foundation stones of faith, hope and love will be restored in my spirit, soul and body. I choose to be anchored to these with Yeshua as chief corner stone.

I repent of my worship of Baal. I ask in the name of Yeshua that every part of my humanity will be removed from the altars of Baal. I cancel any and all dedications and service which I have taken part in as worship to Baal. In the name of Yeshua I ask that every Baal altar on which I was dedicated will be utterly destroyed, the power circle broken and the false fires extinguished. In the name of Yeshua I break every cycle of trauma, desperation, depression and destruction as well as all others associated. I thank You that You remove every label on my epigenetics on every level marking me as a rapist or a rape victim.

In the name of Yeshua I ask that all soul copies attached to me representing the rapists, other victims, Jezebel and her kingdom as well as all others applicable but not specifically mentioned will now be removed from my humanity and placed in Your blood judgements.

I ask in the name of Yeshua that every curse associated with rape, the spirit of rape and the kingdom of Jezebel will be cursed. I bless my humanity with restoration, fullness, joy, hope and love. I bless my humanity with wholeness and healing as I place all of my wounds and vulnerabilities in the Name above all names - Yeshua. I bless my being with the presence and love of YHVH. I bless my humanity to know His faithfulness and protection. I bless my humanity with seasons of provision and progress. I bless my humanity with restoration as I no longer stand under the control of the dark spirits. I thank You that the hedge of protection of your blood and love is once again restored over my humanity. I yield all of my humanity unto You, YHVH as a living sacrifice. I ask for healing and restoration on my understanding of intimacy. Please heal the wounded areas of distrust and uncertainty.

I thank You that I can declare this song over all of my humanity. I thank You that the banner of Your love and protection is now over me.

I am no victim, I live with a vision. I am covered by the force of Love - Covered in my Saviour's blood

I am no orphan, I am not a poor man. The Kingdom's now become my own and with the King I've found a home

He's not just reviving; Not simply restoring. Greater things have yet to come. Yes, greater things have yet to come.

He is my Father. I do not wonder if His plans for me are good. If He'll come through like He should

Cause He is provision and enough wisdom. To usher in my brightest days. To turn my mourning into praise

*I AM WHO HE SAYS I AM
HE IS WHO HE SAYS HE IS*

*I'm DEFINED BY ALL HIS PROMISES
SHAPED BY EVERY WORD HE SAYS
HE IS MY FATHER.*

I pray this in the name of Yeshua and seal it by the blood of the Lamb. Thank You that You have heard my petition today. I am blessed as your child.
