

## **Breaking covenants prayer**

Father, in the name of Yeshua, we come through the blood of Jesus Christ, through Your wounds and we enter into Your courts. We come today, with a petition in our hand and we admit that we are guilty. Father, I come representing my seed line and blood line on my father's side and on my mother's side. I ask that as we pray today, that all that we represent in the spirit will be covered by the blood of the Lamb. In our blood line and seed lines we are bound in our genetics. We have agreements with fallen angels, principalities, powers, Leviathan, Lilith and Kundalini. We repent that we have made agreements and covenants with all the workers of the dark kingdom. We acknowledge that we are guilty.

We want to renounce this. We bring the Word as our witness. Your Word in 1 John 1:9 says that *1Jn 1:9 If we [freely] admit that we have sinned and confess our sins, He is faithful and just (true to His own nature and promises) and will forgive our sins [dismiss our lawlessness] and [continuously] cleanse us from all unrighteousness [everything not in conformity to His will in purpose, thought, and action].* By our own free will do we bring every one of our iniquities – each of the unrighteous covenants we are bound to - before Your courts. We repent on behalf of every hidden part, every cult loyal part and every broken part of us that have entered into these covenants.

Father, as I pray, I include my family by name (include their names). I also include my father's generational line (mother and father) as well as my mother's generational line (mother and father) on both sides of the family all the way back to the generations of Adam and Eve. As I stand before You, I repent and take full responsibility – I am guilty.

Father, I repent and take full responsibility that our free will was traded. These covenants have made us one with the demonic dark kingdom. We acknowledge that we are bond servants and false disciples of Lucifer. We repent and acknowledge that we have accepted the false Jesus, the false holy spirit, the false god and the false anointing. We repent of accepting sicknesses as part of Your kingdom. We repent of every sickness, illness and disease which we have adopted and have accepted as our heritage. We repent of worshipping idols and familiar spirits. We repent of consulting mediums and dead human spirits. We repent of every covenant we have made with these as well as with live human spirits and soul copies.

We acknowledge that this has granted them legal rights to my life and spirit. We surrender our demonic time line before You with all the demonic gates and portals that have been activated and opened. We ask Your forgiveness, in the name of Yeshua, on behalf our ourselves, our dark parts and our generations who have done this. In the name of Yeshua, I also pray for every soul copy attached to our humanity. I come and intercede on their behalf as well.

So, Father, in heaven, I come before You in the mighty name of Yeshua. I renounce every fallen angel, every principality and power, the anti-Christ, cult, illuminati, free-mason covenant and heritage in our blood and seed line, in our genetics, in the third DNA strand, in our bone marrow and in all cellular programming. I also include all the markers and curses and all the powers of darkness associated with these and we serve them a bill of divorce. All of our

humanity, in and out of time, wants to divorce them. I ask that You extend your deliverance to all time, space and dimensions where these covenants have been applied. We ask that all the hidden documents will be exposed by Your glory light and that these will be brought into Your court today. We include every contract, certificate and vow, annulling each entangling us and we command that these will receive a three-fold stamp of the blood of the Lamb. In the name of Yeshua, I pray that Your heavenly host will be put on assignment to discover and apprehend every alter part that belongs to us, that is loyal to the cult, anti-Christ bloodline. I pray that these parts will be escorted before the throne of YHVH in heaven. I ask that these parts will be washed by the blood of the Lamb. We repent on their behalf. We ask that they will be stripped of all the components of these dark fallen angels - including their seed, blood, essence and assignments. We ask that You will deliver and heal these parts and that they will be placed in Your heart where you will wash them with the Word and introduce the truth to them. And then when the time is right I ask that You will put them back in my heart.

I now surrender all territory, in us, including our brokenness. We surrender all that has been occupied with cult, angelic, fallen angel, satanic, dark genetic codes, our bone marrow, markers, third DNA strand with its cellular programming, as well as all sentient creature and their intelligence. We also include all their demonic anointing, agendas and dark time lines. We cancel these in the name of Yeshua, and choose to be divorced from each mentioned as well as all those applicable but not specifically mentioned. We surrender all to You, and invite You to occupy the throne in our brain, spirit heart, humanity and soul. We ask that You would utterly destroy and remove the demonic structures in and around us. we ask that You would utterly destroy the false ark and all altars that are associated with us in the generations. Please cut us loose from all the territorial control centres. We ask that all the soul copies attached to these will be united and placed in Your blood judgment. I ask in the name of Yeshua that a new altar will be established in our spirit heart, spirit mind and brain sealed by the covenant that we enter into with Yeshua.

We also repent and acknowledge that our minds have been traded. We repent of every bit of darkness in our minds. We willingly give all that we have gained from the kingdom of darkness up. We give all intelligence, power, wisdom, understanding and knowledge back to the kingdom of darkness. We repent of having traded our minds, anointing and destinies to the kingdom of darkness. We renounce and ask for our minds back. In the name of Yeshua, we unlock that which you have destined and designed for our minds. We want to surrender all of our minds to You as a living sacrifice. Please wash our minds by the blood of the Lamb. We decree release and restoration over our minds.

In the name of Yeshua, I bind the gate keepers. In the name of Yeshua I cut my humanity and all that I represent in the spirit loose from all spiritual children. We renounce the covenants we have made with them and choose to divorce them. I ask that you will remove all such children from us, cut their ties with us and that Your angels will place them in your blood judgment. Through the blood of the Lamb we close every portal and or access point used by the kingdom of darkness to summon, control, visit or access any part of our humanity. Father,

please hide these entry points with Your bloods so that no worker of the kingdom of darkness will be able to find me again. I ask in the name of Yeshua to be stripped of and be cut loose from all of their anointing, their inheritance, portions, DNA, intelligence – everything which they have packed me with, have injected into me, have controlled me with or have in common with me. I willingly give these up as I divorce them today and annul their covenants with me. In the name of Yeshua I also wash and seal every chakra in me with the blood of the Lamb. We repent for opening these up. We renounce the occult program and activation which now runs through us. Please wash and destroy these programs and assignments with Your blood in all time lines, realms, dimensions, past, present and future, in and out of time into eternity. All of these are brought under the power and authority of the blood of the Lamb. I declare that they are now permanently deactivated in all time, space and dimension, including every direction – all placed in Your blood judgement.

In the name of Yeshua, I surrender all their territory back to You. I give you my body, soul and spirit, senses, genes, blood, bone marrow, conscious, sub-conscious and unconscious mind, even to the sub-atomic level. I give it all over to You. All that pertains to me and is recognisable as parts of me in the spirit. Father, I also include any and every form of implant in me. I ask that any and all such implants will be rendered useless and inactive in the name of Yeshua. Please command Your angels to come and remove any and all such implants and to destroy them in the name of Yeshua. I call them null and void. I burn them with the fire of God. Father, I ask that every bit of darkness, in and outside of time, in any shape or form, any level be removed from my humanity. I ask that it will not expand from this day forward. All darkness is placed in quarantine, its works and spreading are from this moment cancelled in the name of Yeshua and through the blood of the Lamb.

I take the sword of the spirit and cut all that pertains to us, our humanity, parts and generations loose from the cult, demonic, illuminati, freemason, dark, double and blindness curse present in our genetics, bone marrow, third DNA strand, markers and cellular programming. We curse every curse to its very roots and declare that me and my house will NEVER eat of your fruit again. We curse these curses to cellular level, and those situated in our blood. We renounce the demonic inheritances, intelligence, anointing, jobs in all time, space and dimensions. We renounce these and willingly give it back to the kingdom of darkness. We lock this vault declaring that me and my father and mother's house never want these back again in all of our generations.

I return every form of counterfeit inheritance including all promised wealth, health, position, status, calling, ability, power, pride, genetic code, seat, office and every form of counterfeit inheritance - everything that was promised us as a dark reward and or inheritance. We sever ourselves our seed- and blood line, generations from their control bonds in the name of Yeshua, in all time, space, dimension and in every direction.

We choose to divorce every familiar husband or wife. We choose to divorce every dark mother, father, caregiver and sibling associated with us. We choose

to receive our inheritance only from Yeshua. We also declare that Your Word says that the wealth of the wicked is stored up for the just. We receive here in the court today, all of our inheritance held hostage by the kingdom of darkness and their dark workers including the anti-Christ, Nephilim, fallen angels, powers and principalities. We claim back our inheritance of health, position, wealth, all that has been held hostage from us because of these dark covenants. We claim all that is ours in the name of Yeshua. Our physical children are an inheritance of Christ we petition for their redemption in the name of Yeshua. We renounce all spiritual children relating to the cult, illuminati, anti-Christ, fallen angel blood lines. And we undo all the quantum entanglements from family lines involved in their creation. We command their judgment, we divorce them and ask that the realms which they occupy will be flooded by the blood of the Lamb – making it impossible for them to operate in and from. We give all these over to be judged in and through Your blood. We thank You for the blood transfusion from Yeshua, which we can now receive. And in the process, we declare that all cult, fallen angel, anti-Christ, front doors, side doors, trap doors, courts, wires, cables, chips, mother boards, computers, chains, programs, back up programs and power sources with their back-up receptors are all destroyed in the name of Yeshua and through the blood of the Lamb. All residues of these are now being purged through the blood of the Lamb, making them of no effect on our humanity.

Father, we ask in the name of Yeshua that all forms of blinding and mind binding will be broken over us, our children and genetic lines in the name of Yeshua. Please remove the devices from our eyes which the god of this world has placed over our eyes and spiritual senses. I reclaim and proclaim freedom for every captive – for all I represent in the spirit today. I ask that Your warrior angels will go forth to open up every prison cell, every place where we, or parts of us are held hostage. We ask in the name of Yeshua, that You will take the rescued parts of us and our blood- and seed lines and that you will place them in Your heart. In the name of Yeshua we ask that all the gates of the second heaven will be locked. I ask that all control bonds and feeding tubes of the octopus will be cut on both sides – making it impossible to feed us, or any parts of us with darkness. In the name of Yeshua we break the power of the mind binding spirit. In the name of Yeshua we denounce and renounce the law of sin and death. We cut us loose from the Luciferian control centre with its bonds. We cut ourselves loose on both sides. I ask that You will take all soul copies and unite them and place them in Your blood judgment. We curse the curses presented here, known and unknown in our lives, we curse them to its very roots – we will never eat of your seed again. Father, if any soul copies remain I ask that they and their remaining legal right will be exposed by Your Glory Light.

I appeal to Your justice according to Gal 7 which says that exactly what a man sows he shall reap. I pray that this cult, fallen angels, anti-Christ, Nephilim, illuminati, Freemason, darkness plantations will be uprooted and declared null and void in my life. Please bring Your blood judgments over this. We now take authority over every evil spirit on our inside or outside which have been operating because of these covenants and agreements and the dark kingdom workers. We break these in the name of Yeshua, we divorce the dark powers behind them. In the name of Yeshua we bind You and place You under the authority of Yeshua and His blood. We declare that you have been discovered,

apprehended, pierced through, thrust out of us for blood judgment. We also declare that where any of these has become part of our genetic components that they will be separated and removed from our genetics and cells in the name of Yeshua and through the blood of the Lamb. We declare that their control bonds and cords – even cords within cords – are now cut, including all dark three-fold cords are cut and separated in the name of Yeshua. I declare that none of these have any effect over my humanity and all I represent in the spirit. I declare that all demonic components, whether dead or alive, which are associated with these dark workers and their control bonds are removed from us, in the name of Yeshua.

We declare that all of you are now being sent to where the true Yeshua has commanded. We pray that every spiritual object, label, jewellery, devices, crowns, sceptres, markers, power sources, grids, tracking devices, systems, watchers, secret agents in every part of us, that anchor us in this dark occult anti-Christ system and order will be consumed now with Your holy fire. We declare that all of these are totally dissolved and stripped of all power in the name of Yeshua.

Now we close every door, known and unknown, seen and unseen and call them completely sealed in the name of Yeshua. We declare that all of our confession, today, is established in every time line, every age, realm, dimension, space, in and out of time, past, present and future to eternity and we ask that you send Your angels to dismantle every gate and to seal with Your blood.
