

Prayer dealing with seals

Father, I come before You in the name of Yeshua, covered by the Blood of the Lamb. Father, as I stand on the sea of glass I want to repent of the sin, transgressions and iniquities that are still marking my spirit, soul and body. I repent Father, for the condition of my heart, body and spirit. I repent, Father, of my ignorance and rebellion regarding the things that removes me from Your presence. I repent that I do not seek You as my first and foremost necessity.

Father, today I want to pray and ask something that I have never brought before Your court. And this is the issue of my original self – Your special seal and signature upon me. Just as an artist signs his name on his masterwork, so have You marked my design with Your seal. Ps 139 says that *my frame was not hidden from You when I was being formed in the secret and intricately and curiously wrought as if embroidered with various colours in the depths of the earth a region of darkness and mystery*. I know your Word states in Jer 1: 5 that You have known and approved of me even before I was born. Father, this implies that my spirit was in a relationship with Yours even before my time on earth. John 1:3 states that *ALL things were made and came into existence through Him and without Him was not even one thing made that came into being*. This means, that I was created by You, in Your image and likeness (Gen 1: 25). Father, I understand that You have placed Your seal on me, Your signature, Your image and likeness as You have seen fit when You created me.

Father, although I read this, it is hard for me to understand. It feels far off and at a distance from me here, where I am praying today. I know that this should be a deep seated 'knowing and belonging' in my spirit – sealed by Your presence - and not merely a comprehension test; involving my brain. Father, I repent that there are so many things hiding and clouding Your original design of me of my understanding of your seal (signature) upon my design. Father, I repent that my bloodline, seed line, history, all the sin, transgression and iniquities in all time, space and dimension, generational memory banks, DNA, epigenetic changes, rituals and dedications have obscured, changed and perverted my understanding, accepting and walking in my original design. I repent that these things have removed Your seal from me and was replaced by a seal of darkness.

These things have caused me to become 'unplugged' from Your life-giving presence. It has removed me from the presence and experience of Your love. I repent my King that no one in our blood or seed line has ever petitioned You for a return of original self, of Your seal upon us to be restored, before now. But, this is the desire of my heart. This is my petition today. I want to be that which You have created, I want to carry Your seal, Your signature in the spirit. Father, I know from Your Word that it is good and life giving. Father, this distance or state of being unplugged from Your presence has caused me not to trust, lean on and rely upon You but, to seek other forms of love, assurance, strength and power.

I repent Father, where I and my seed – and bloodline in all time, space and dimension have turned towards other gods, despotisms, rulers, powers, master spirits, principalities, as well as all others applicable but not specifically mentioned for security, strength, love and acceptance. I repent Father, that from my deep seated desire to belong, that I have started to mold myself

after their image and likeness, imitating them and becoming like them. I repent for being marked by their seals and signatures in the spirit. I repent Father, for every vow, contract, agreement and covenant which I have made with these spiritual entities. I repent that my identity is sealed in the kingdom of darkness. In the name of Yeshua and through the blood of the Lamb I ask that these would be annulled and canceled in Your courts today. Yeshua, You are the One, worthy of breaking the seals. And therefore, I call upon You and the blood which You have shed on the cross in order for the dark seals to be broken.

Father, not only have I relied on other spiritual forces, signing over my life and identity to them but, I have become my own source. I repent for the importance of SELF in my life. I repent that I have replaced Your seal with my own. I repent where I am self-assured and not God-assured, I repent of being self-reliant and not God-reliant, I repent of being self-confident and not God-confident. I repent of being selfish and self-absorbed and not full of Your radiant glory. I repent Father, for not liking myself. I repent for not loving myself. I repent of ignoring myself. I repent for not looking after myself. I acknowledge that I hate myself or parts of me. I know that this is a grave sin, because You have called me and created me to be Your peculiar people – Your special treasure, set apart for You. Father, I understand now, that this is Your glory within me, Your light, Your image and likeness which I was called to carry and display in this world. Father, I acknowledge that this self-loathing, self-hate (no matter what has caused it, being trauma, hurt, pain, opinions, memories) has opened me up to Satan's attacks. I repent that this enabled him, to purge and steal Your glory; using it as his light and splendor. I repent Father that I have not resisted this, but through my not valuing Your glory as gift within me, have allowed Your glory to be used for Satan's purposes. I repent that my free will has removed Your seal upon my life. Your Word states in *2Co 11:14b for Satan himself masquerades as an angel of light*. I repent Lord, that I have given away Your light, Your glory in me to strengthen the kingdom of darkness and to enlighten Satan. I bring this sin of myself and my generations under the blood of the Lamb. I echo and agree with these words from *Son 8:6 Set me like a seal upon your heart, like a seal upon your arm; for love is as strong as death, jealousy is as hard and cruel as Sheol (the place of the dead). Its flashes are flashes of fire, a most vehement flame [the very flame of the Lord]! Seal me upon Your heart and upon Your arm, my King*. I ask that in the spirit realm it will be known that I carry Your signature, sealed by your love and strength. I repent for trading Your seals for powers, strength and other dark gifts of the kingdom of darkness.

Father, but that is not all. As I grew up and became aware of who I was, I started judging myself, weighing myself against others, listening and valuing their opinions of me above Yours. I was jealous of the seals that others carry in the spirit. I was not content with what I saw but, found myself to be lacking according to the world's and others' standards. I repent of this generational mind control – conforming us to what the world expects us to be. Father, I repent for judging and despising Your design, your unique seal upon me. I repent for comparing myself to others. Father, Your kingdom does not consist of cookie cutter people – molding and transforming us all to look the same. Father, this spirit of comparison is not off you – it is Satan's tactic to remove our individual design and to transform us into cookies – all looking the same. I repent of bowing and surrendering to this spirit. Please remove its shackles from my mind, self-worth and identity. Please remove this demonic seal from me. Father, I repent that I was swayed and fashioned after this world. I repent that this scripture is true of me. *Eph 2:2 In which at one time you walked [habitually]. You were following the course and fashion of this world [were under the sway of the tendency of this present age], following the prince of the power of the air. [You were obedient to and under the control of] the [demon] spirit that still constantly works in the sons of disobedience [the careless, the rebellious, and the unbelieving, who go*

against the purposes of God]. Please forgive, me my King. I repent of all the time, resources and strength I have put into becoming someone other than what You have designed me to be. I repent of despising and rejecting Your seal upon my life. I repent of all the sacrifices I have made to these other gods, trading my original design so as to become someone else. I repent for every instance where I have traded Your seal upon my life for another. I repent for blotting out Your inscription upon me.

I repent Father, for every instance where I have coveted another's identity or their image and likeness, wanting to be like them. Your Word states over and over again that we should not covet – we should not lust after another's precious or treasured things – Your seal upon their lives. I have done this so often, my King. I repent. There are so many instances where I wanted to be like, look like, someone else or have what they had in spirit, soul and body. Father, I thank You that Holy Spirit reminds me of all these instances. I repent Father, where I have stolen their identities acquiring them for myself. I repent Father, where these things of others' nature and personality I have coveted and have grafted them onto me. I repent of the sin of stripping others of their seal because of my coveting jealousy. I repent Father, that my original design now carries these grafts and has become so much a part of me that it is impossible for me to discern who I really am. I have become lost my King! I ask in the name of Yeshua and I give You permission to do the necessary surgical operations to remove these grafts, these super imposed seals from my spirit, soul and body so that I can become me again. I ask Father that the things that I have coveted and stolen either purposefully or through ignorance from others will be restored to them. Forgive me, my King for my jealousy, lust and coveting! Please remove these seals from me.

Father, this has gone on for such a long time that I have no idea who I am any more. I need Your help. I need You to start stripping me from all my acquired identities - the acquired seals - so as to be able to become myself again, in spirit, soul and body. Please, Father, I am asking to be washed by the blood of the Lamb. You are the only one worthy of opening the seals. Today I choose to separate myself, my design from all other images and likenesses. I choose today to be loosened from all other copies of me and others that are super imposed on my design. I ask that You wash me with the blood of the Lamb destroying these copies as You see fit. I understand that these are not necessarily parts of me, but additional seals or signatures I am carrying in the spirit. I thank You for the safety of Your procedures as I surrender to You. I ask in the name of Yeshua that the spiritual death accompanying these demonic and copy seals will be removed and that the spirit of life will be restored to me.

Father I also bring the demonic seals before You that were put in place to stop Your glory from being displayed in my life. I repent of the agreements, vows, covenants and contracts that have enabled this to happen. Father, I ask that Your gifts, plans and purposes which are blocked in me, in my time and destiny will now be opened up in the name of Yeshua. I bring these before Your throne under the blood of the Lamb. I understand that for this to happen, healing needs to take place. I therefore, surrender my brokenness before You, being willing to surrender and work through my pain in order for Your design and seal to be restored in and to me.

Father, I also bring the demonic seals before You over my memory banks. I repent of every veil of denial that is keeping these seals in place. Once again I call upon the name of Yeshua, the One who is worthy of opening the seals to remove the demonic seals over my memories. I place each memory bank under the blood of the Lamb; saturated by the light of His truth and the

blood of His salvation and safety so that I will be safe even as these seals are being opened. I also ask in the Name of Yeshua that all demonic seals caused by curses be removed from me. Please wipe these inscriptions from my spirit, soul and body. I also bring the inscriptions of others' expectations of me which is not in line with Your design before Your throne. I ask that You would teach me discernment so that I would not cling to or aspire to become what others think I should be. I repent Father, for fearing man and pleasing man. I repent of these seals upon my being. Grant me to be deeply rooted in you.

In the name of Yeshua I ask that I would once again be plugged into You. I ask that the love and strength which I am supposed to received from my union and Your inscription in me be restored in the name of YESHUA. I ask that the altering of my epigenetics because of these dark inscriptions or seals will be restored to original design by the blood of the Lamb.

Father, in Your timing I ask that You would introduce me to, and show me the glory of my original design. I thank You for the careful design of me. Teach me to love and display Your glory in me. Teach me to be content in this and to say as You did in creation: 'it is good'. I know this is only possible through Christ Yeshua in me. Christ in me, my hope of glory. It is no longer I that live, but, Christ in me. Your grace is enough for me. I am a peculiar people, set apart for YHWH. I am a treasure and from this day I choose not to throw my pearls at the swines so that they can trample me. Grant me to be Your shadow, Your representative on earth.

Set me as a seal upon Your heart, as a seal upon Your arm

I pray this in the name of Yeshua
