

## Release of my genes from the Baal system

This prayer focuses on the Baal worship, altars and associated I have in the spirit with Jezebel, Ahab and their offspring.

Father, I thank You for the privilege that I can come before Your throne today. I approach Your throne of grace covered by the blood of the Lamb. I thank You Yeshua for the pathway which You have opened up for me on the cross. Today, I want to petition the release of my genes from the Baal system and the spirits and the community involved. Father, I pray this for all I represent in the spirit, for all parts of me in all time, space and dimension. I thank You that Your blood keeps me safe as I pray. I ask Yeshua as my advocate that You would intervene and rectify all that I do not bring in the proper manner to this court today. I thank You that I and all that pertains to me are safe as I pray today.

Father in numerous places in Your Word you state that we have to come out of Babylon and that we should uproot ourselves from the Baal system. Father, we have dealt with some of these aspects in prayer but, today we specifically want to bring the enmeshment of the Baal system and its associated community on my genes before you. Father, I want to bring the place of Baal worship within my mind, my soul, my will and emotions before You today in repentance. Through our acts of worship we have erected Babylon within us. Just as Your temple is supposed to be within us. I thank You that You anoint us for this great task. Father, today I choose to respond to Your call and the task given in 2 Kings 9: 7:8 *You shall strike down the house of Ahab your master, that I may avenge the blood of My servants the prophets and of all the servants of the Lord [who have died] at the hands of Jezebel. For the whole house of Ahab shall perish, and I will cut off from Ahab every male, bond or free, in Israel.*

Father, I acknowledge today, that the house of Ahab and Jezebel is inside of me. I repent that this legacy has been deeply rooted into my genes because of my fear of man, my involvement in Baal worship and my dedication and bondage to Jezebel. Father, I acknowledge before You that parts of me are slain (prophet portion) and that I have slain other prophets because of my dedication and work for Jezebel. Because of this alignment there are blood on my hands. I repent my King. Today, I come and wash my hands and silence the outcry of the prophet's blood through the blood of the Lamb. Thank You for Your provision, my Father.

Father, I repent of the discord and strife in me caused by the fornications of Jezebel. Father, I repent that my genes are imprinted with the image and likeness of Jezebel. I repent Father, that she is like a mother to me in the spirit. I repent of what I have learned from her. I repent that I have become just like her. I repent Father, that I manipulate and control people in order to survive in her temple. I repent of every act of victimization and being a predator that I have acted out in the spirit in all time, space and dimension.

You state in Your Word that we are just like our father the devil... and today I acknowledge that we are also just like our mother Jezebel. Please forgive us my King. Please forgive us our search for power, please forgive us our need for dominion and rule, please forgive us that we have such an inferiority complex that we need to trample upon others to make us look good. Please forgive me my manipulating and controlling schemes and actions.

Father, I ask today that You will deal with the spirits of king Ahaziah and Joram. Father, I repent of my allegiance to them. I repent that I feared and revered them above Your name. Father, I repent of every instance where Jezebel has lured me into her confidence. I repent Father, that I was deceived by her beauty and the offerings of power, control and dominion she has made. Father, I ask that You clothe my spirit with Wisdom so that I will be able to see her for what she really is. Father, I ask in the Name of Yeshua that You would release me by Your sword from the manipulative schemes she has entangled me with. I repent of my agreements and covenants with her and choose for these to be annulled today. Father, Jezebel is like a black widow spider and I am trapped in her web. I am like Ahab doing her constant bidding. Father, I am also connected in the spirit world to all other followers of Jezebel. I repent that I am connected, involved in and triggered by all their international schemes and take-overs. I repent Father for my involvement of their international schemes and strategies. I choose today to be set free – please rescue me from the web of deceit and power. You are the only true power. I worship You!

Father, I see Jezebel at her high place within me in the spirit – sitting at a window - seeking to lure me into her presence. Father, I decree today that I will no longer follow and fear her. I repent Father and choose to look to You as an answer and not to her. I willingly denounce, renounce and divorce her and her power base system in all parts and in everything that pertains to me. Father, you have called for her to be thrown from her high place from her vantage point – and today I ask that the same will be done from her place in my mind, my will, my thoughts and emotions. Father, I choose today to distance me from her kingdom, her place, position, power and legacy. I choose the Kingdom of Light. Father, I thank You that through Your love and power You are able to remove all parts of her from me so that nothing of her is left to be found. I wash my genes with the blood of the Lamb, removing all traces of the Ahab, Jezebel, control manipulating curse. I curse this curse in the name of Yeshua, removing it from the place, time and community in all time, space and dimensions.

Father, I also acknowledge that I need to be set free and removed from the legacy the genealogy and the community that Jezebel and Ahab represent in the spirit. Father, I therefore ask that I be set free from the curse of sonship of Jezebel and Ahab. It is the desire of my heart to be Your son – restored into Your image and likeness. Please remove the imprints of their character, their image and likeness, from my genes. I curse this curse in the Name of Yeshua. Father, in the spirit I am still being surrounded by the kinsmen, the great men the familiar friends and the priests of Baal. Father, I choose today to distance myself and all parts of me from my alliance with these. Please destroy their meeting place within the spirit, soul and body. I come under the shelter of Your wings and declare that from this day no part of the Jezebel, Ahab community will be able to find me again. I shut down all generational portals and communication systems through the blood of the Lamb. I repent Father for the position of friendship and authority they have taken in my life. Father, I repent that I am considered to be a prince as a son of Jezebel and Ahab. I strongly renounce and denounce this legacy. In the Name of Yeshua I now come and sever all soul, emotional, spirit and time and place ties with these mentioned. Father, I also ask that the daughters of Jezebel and her legacy will be removed from my genes. I choose today not to operate under the spirit of Athaliah or any other in the community of Ahab, Jezebel and Baal. Forgive me Father, where I have operated under the dominion of these

spirits. Forgive me that I have trusted in, relied upon and leaned upon them for wisdom and guidance and strength. Please purge my genes through the blood of the Lamb from their imprints on my senses and genes.

Father I pray that You would once again fill me with Your zeal! I want to see Your restoration and kingdom come within my genes. Thank You Father. Your Word states that we must be aglow with Your fire. Thank You that you are igniting Your fire of faith and trust and truth in me. Thank You that Your light and fire expose the kingdom of Babylon within me.

Father, today I want to repent that I am one of the worshippers of Baal in the spirit realm. Father, I repent that I form part of the community of Baal worshippers, dressed in the garment of praise for this dark kingdom. Father, I repent and acknowledge before You that should the worshippers of the Lord and the Baal worshippers be separated as in 2 Kings 10:23 that I would be counted as a Baal worshipper. Father, please forgive me and my genes for our roles as worshippers, prophets and priests of Baal. Forgive me for every act of worship which I have imprinted my genes with. Forgive me for the sounds, the smells the rituals, the dedications, the offerings, the movements and actions I partook in; in all time space and dimension. Father, please forgive me for every trade I have made of Your Legacy; Your kingdom; which I have used as payment to buy my place and status in the kingdom of darkness. Please forgive me for everything that I was given authority over which I have traded with Jezebel in order to appease her. I repent my King of my bad, unwise stewardship. I repent Father, that I follow her out of fear and that this has caused me to hide from You at more than one instance. I repent that I fear her retaliation. Father, please remove these imprints from my genes. I curse the curse of Baal worship from my genes in the name of Yeshua and remove every imprint upon my cell memory and every other memory bank in my system in the Name of Yeshua. I ask that Your legacy will be restored back to Your kingdom.

Father, I beg of You for mercy. I am guilty my King – dressed as a Baal priest and worshipper. Please forgive me. I choose today that the place of Worship – the Babylon in me – in my genes be demolished in the Name of Yeshua. I ask You to remove the high tower of pride and self to be removed and cut down within me. Father, I renounce and denounce these roles which I have fulfilled. Please slay the counterfeit worshippers, priests and prophets in me and where necessary redeem them making them whole and once again part of me.

I thank You today, Father, that as I pray, you start demolishing the pillars of the house of Baal in me. I declare this is unclean even to this day. I thank you that every root of Baal is being uprooted from my genes as I pray for You are mighty, Oh God. Father, please remove the rubble from my system – as You remove the control centre of fear of man from my mind, my will, my thoughts and emotions. Thank You Abba that You are setting me free from the manipulating, controlling, victimization, predator arms of the octopus over my very being. I respond to Your call: My people come out of mystery Babylon.

I repent Father, for every drink I have drunk of idolatry. I repent that my spiritual senses are defiled because of this. Please wash my memory banks with Your blood and purge this

idolatrous wine from my genes. I curse the curse of longing and being addicted to this wine in the Name of Yeshua.

Father, the abominations the atrocities that I have partaken in as the child of the mother of prostitutes (idolatry) I repent of. Father, please remove the name from my genes associated with this Rev 17:5. Wash my forehead from this inscription in the spirit world. Father, with Your mighty right hand I ask that You would rescue me from this fallen place Babylon. Please remove every part of me that is still trapped here guarded by familiar spirits and demons and principalities and powers. I call upon Your name my King for deliverance from her. I thank You Father for Your Word in Rev 18:21 as I decree this over me, my parts and my genes in the Name of Yeshua. I thank You my King that because of Your faithfulness and integrity I can decree this and state

Father, today I ask that the resurrection of Your temple, the rebuilding of Your house within me will commence. Father, I thank You that this will be done under Your supervision. Thank You that my genes will be the Godly, cleaned corner stone carrying the image and likeness of Your Son, Yeshua. I thank You Father, that Your will and purpose will be established in me. Dwell in me Son of the Most High God.

I pray this in the Name of Yeshua.
