

## **Covenant and agreement with death and Sheol (the place of death)**

*When we look at our lives we see the fruit of death. These fruits include accidents, near death experiences, miscarriages, suicide, premature death and the like. These all indicate that we have a covenant with Death and Sheol. We find the outline of this covenant in Isaiah 28. We have to remember that a covenant means that all of yours is mine and all of mine is yours. Therefore, with this covenant which we have with Death and Sheol, our life has been traded for death.*

*It is vitally important that we understand what we pray, because then all of our will, thoughts and emotions can engage with our spirit. So, let us consider some definitions and explanations of terms.*

### **Sheol**

*Should you do a Word study on 'Sheol' you would find that the word means the place or the world of the dead as if a subterranean retreat including its accessories and inmates which include the grave and the pit. From this we see that there is a place or a region of death in which we can reside either by choice or as captives to the dark kingdom forces. Often, we think that death or Sheol only applies to us when our life here on earth has ended – when we have died. But, the reality is that some parts of us are spiritually dead and are held captive in death even though we still live and breathe.*

### **Death**

*A Word study on 'Death' reveals that this is a place or a state also known as Hades indicating figurative ruin or pestilence. In this place of the Dead many rituals and sacrifices are done to dedicate our humanity to the kingdom of darkness. These rituals also have the purpose of bonding us to this place and the powers and principalities at work there. Through prayer and the blood of the Lamb, Yeshua can come and break this bondage and utterly destroy the altars to which we are attached in the place of the Dead.*

## **(Start by reading Is 28 as background before praying)**

### Entering His court

Father, I come before You in the name of Yeshua, representing my seed line and blood line in all time, space and dimension. Your word in Is 28 describes the generational covenant and agreement that I have made with Death, the place of death and the resulting destruction. It is the desire of my heart to bring this matter before Your court today. Father, I know that the Accuser has a lot of paperwork against me. I acknowledge that I am guilty. Father God, as Daniel saw, I ask now that You convene court and review my case. Open the books of my life and generations including all I represent in the spirit. Please identify all occurrences where either I or my forefathers have entered into a covenant of death and

destruction with the kingdom of darkness and all associated entities. I ask Father, that You would summon all parties associated with this covenant and agreement to Your court. I ask that Yeshua, as my Advocate will step in and correct anything that I state incorrectly, or do not yet fully understand. Father, I ask for a seize-fire in the spirit. I pray that Yeshua's blood will be over all parts of me and my loved ones as I bring this case before Your court. In the name of Yeshua I declare that there will be no backlash or reprisals in the spirit because of my petition today.

We bring the memory bank of my fore fathers' trust in the spirit before You as well as the ancient spirits, legions, fallen angels, Nephilim and dead human spirits as well as human interjects attached to it. I repent for the hold that the sin, iniquity and transgression of my generations have over my seed line and blood line in all time, space and dimension. I also bring me and my legacy in the spirit's cell memory, skin memory, sensory memory and death estate as well as my thoughts, emotions and will before Your throne.

### Repentance of pride and rebellion

Father, I acknowledge before You that I am a drunkard. For too long have I thirsted after the occult wine of sin, iniquity and transgression. Father I acknowledge and repent that I am staggering in the spirit from the strong drink of pride, haughtiness, greed, self-sufficiency, self-righteousness and unrighteousness. Because of this, Father, I acknowledge that I am confused, that I cannot see clearly and cannot judge according to Your standards and plummets. I acknowledge that I have fed my 666 nature and have lived a double life; I acknowledge that parts of me lives in the light and others in darkness. Father, I see the vomit of my thoughts, deeds and actions all around me. I repent that I liked living here and in this way. I repent that all my senses are defiled because of this filth which I chose to live in. I ask that the blood of Yeshua will come and wash me clean from the vomit and will purify my senses to be able to function according to YHVH's will and purpose. I repent that Your Word, prophetic warnings and righteousness has just been like repeated words to me. Forgive me that I have ignored Your Word precept upon precept and rule upon rule.

Father, forgive me that my ears were not open to Your guidance and teachings. I repent that my spirit could not grow according to Your will and purposes. I repent of rebelling against Your instructions and Words. Father, forgive me for ignoring Your prophetic words over my life and for shunning Your prophets. Forgive me where I, as a prophet in Your house, have been so deceived and confused that I could not discern and follow You from a place of purity and truth. Forgive me for deceiving others through my false prophecies.

Father, forgive me for always complaining against You, forgive me for always seeking the fault in others, blaming them and You for the state that I am in. Today, I come and take full responsibility. I know that because of my pride and disobedience I cannot enter into Your true rest and happiness.

## Covenant with Death and Sheol

Father, I now see that because of my covenant and agreement with Death and Sheol - Destruction could come into my life. Father, I now see that through this covenant injustice could continue in my bloodline and over my seed without being detected in society. I ask for Your glory light to come and expose all these injustices. It is the desire of my heart to repent of these in order that my DNA and seed may be set free through the blood of the Lamb. I repent of angering You for so many years with my ignorance, disobedience and self-assured attitude. Father, forgive me that these spiritual entities have become my shield and fortress. I strongly denounce and renounce their hold upon my life. Father, there are parts of my life that have been overwhelmed by the storm waters and the destruction of hail. I have repeatedly been swept away, taken back, have been broken and ensnared by this. Father, parts of me, my seed line and blood line are trapped in and aligned with Death and Sheol - I need Your resurrection power! Father, I now see that Death and Destruction goes hand in hand. Forgive me for surrendering to them. I ask Father, in the Name of Yeshua that their bond over my life will be broken. I ask Your glory light to expose all of these in Your perfect timing. I bring every area of my life before you where damage and destruction was caused by the tempest of hail, destroying storms and flood water. Father, for too long have I lived in terror because of the stronghold of Death and Sheol over my life. In this place of death, I have lost all capability to feel – my senses are numb and I no longer know who I am. I ask for Your glory light to find me here. I ask Your resurrection power that has conquered death to come and rescue me from this place. I thank You that You have come to set the captives free. I thank You Yeshua that Your death on the cross has conquered Death. I thank You for Your blood.

I repent Father, for my hard heart that did not want to follow You in truth and righteousness. I repent for mocking Your judgments and righteousness. I now see that the bonds binding me have been made tighter because of my attitude.

In the Name of Yeshua I renounce and denounce the Lazarus death curse, the stupid and crazy curse, the 666-sex curse and the doing harm in secret curse over my humanity including my seed line, bloodline DNA and RNA. I bring all my raw parts and wounds, valleys, ditches and walls in the spirit in all time, space and dimensions before You and ask Your glory light to shine Your truth over it. In the name of Yeshua I renounce and denounce the false Lamb, the sex ram and all false orders and rankings which I carry in the spirit. In the Name of Yeshua I sever all ungodly soul ties, emotional as well as time and place ties in the spirit.

## Double life, double calling

Father, not only did Death and Sheol cause destruction in my life. I repent that I have also been an agent of Death, Sheol and Destruction. I acknowledge that I have lived a double life - a double calling – one of light and the other of darkness. I repent that I have been operating in my 666 (occult) anointing of killing, stealing and destroying. Father, I have hurt so many people because of my covenant with Death. My slander,

gossip and vain talk have torn down the walls around their spirit and caused them to be taken captive by Death. With my words have I caused people's emotions, lives and spirits to be destructed.

*But I tell you, on the day of judgment men will have to give account for every idle (inoperative, nonworking) word they speak (Mat 12:36).*

I repent that my words and actions have destroyed parts of people's spirits and have caused them to be trapped in Sheol. Your Word states that life and death is in the tongue and I repent that I have used my tongue for both purposes. Father, through betrayal have I also torn down the walls around people's spirits and could Death, Sheol and Destruction enter. Forgive me for being an agent of destruction. Forgive me for operating as an assassin in the spirit. You have intended me to be a life giver, but, I repent that I am a destroyer. I take full responsibility acknowledging my double character my mixed seed before You - please forgive me. Today I choose to surrender my weapons of destruction, my mantels, scrolls, crowns, calling, anointing and ranking of falsehood and lies.

Father, I acknowledge that I and my generations before me have used divination and witchcraft to control and manipulate others. I repent that my 666 thoughts, words and deeds are like a shadow – a double person - that follow these people where ever they go. I acknowledge, Father, that this is a *following curse* which I have spoken and have released over them. In the name of Yeshua I repent of this witchcraft and acknowledge that it is still effectively and continuously manipulating and influencing their choices. I ask in the Name of Yeshua that these words and deeds of mine will now be cast down according to Your word in Is 54:17.

Father YHVH, please open the books of my generations to every place where this double following curse came into effect, to every instance where me and my seed are still following and cursing people and their generations in the spirit. I ask You in the name of Yeshua and by the blood of the Lamb to blot out every instance of this curse and double person, in all time, space and dimension. Thank You that I can also apply the Blood to my seed, DNA and RNA as well as to every double person activity of witchcraft and all demonic attachments around it. Switch on Your Glory Light over my life, Yeshua, so that no shadow will be able to find me, ever again. In the Name of Yeshua I loosen the hold of these demonic assignments, agreements and attachments over those I have cursed, their seed as well as myself and my seed. I renounce my partnership with every double following curse and assignment in the name of Yeshua. I command you to leave me and my seed in the Name of Yeshua – never to return. I declare that these curses will have no effect ever again.

Father, today, I surrender the ruins that my words and deeds have caused in people's lives. I hand it over into Your hands. Father, I ask in all humility if You would restore that which I have torn down. I ask for Your resurrection power in their lives. I bless them with restoration and healing. Today, I prophetically place these people that I have hurt - on Yeshua as their Cornerstone, Rock and sure foundation and safe fortress. I pray *Ps 19:14 - let the words of my mouth and the meditation of my heart be acceptable in Your sight, O Lord, my [firm, impenetrable] Rock and my Redeemer.* Father, search me and sieve the false seed from my life. Today I choose life. I choose to be a bringer of life.

## Renouncing the covenant and agreement

Father, I repent of the covenant(s) which I have made with Death and with Sheol (the place of the dead). I bring these ungodly covenant(s) before Your throne. I acknowledge and repent that I have made lies my refuge and falsehood my shelter. Forgive me for feeding and strengthening these covenant(s) through so many agreements in my life. Forgive me for every place where I have said it is better to be dead, tried to kill myself, where I have rejected life, did not want to live, gave up on life and desired to be someone else. I repent of every curse I have uttered against myself. In the name of Yeshua I unhook myself from the Luciferian control centre sitting over this covenant and I destroy this curse by the blood of the Lamb. Holy Spirit please remind me of every agreement that I have made with Death and Sheol. It is the desire of my heart to cancel all of these agreements. I strongly denounce and renounce them. I choose today to break with this covenant, to annul the agreements and to divorce the principalities involved. I repent of every altar I have erected and serviced for Death, Sheol and Destruction. Forgive me for the reference and fear of death that has taken hold of my seed where there were accidents, violence, near death experiences, death, funerals and the holding on to mementos of deaths and parts of them. In the Name of Yeshua I demand all sicknesses that has attached to my seed, DNA and RNA because of the Death covenant to leave me now. In the name of Yeshua I cut all control bonds and payments of these sicknesses and diseases into my DNA and RNA. I bring my time before You and in the Name of Yeshua I cut my time loose from the covenant, agreement and altars of Death and Sheol in all time, space and dimension. Today, I choose for my seed line and blood line in all time, space and dimensions to come out of this shelter of falsehood and bonds of lies that have entrapped me. Father, I choose to come and stand on the Cornerstone, on Yeshua. Today, I declare and decree that I choose to trust in, lean on and rely on Yeshua as my sure foundation. I thank You Father for the promise in Your Word that whoever trusts in, relies on and adheres to Yeshua shall not be ashamed or have to run away in panic ever again. I am done with running away. I ask You to remove the mantels of guilt and shame that my spirit carry because of my double life. I commit my body, soul and spirit onto You. Thank You Father, that I can now surrender to Your justice as measuring line and to your righteousness as my plummet. Thank You that I can be safe in You as my Rock and Shelter.

Death and Sheol you have been conquered by the death of Yeshua on the cross. He has paid the ultimate price the complete wage of death. I have been baptised in Him – I no longer live but, Christ lives within me. By my own free will choice do I declare, today that I choose life. Yeshua You hold the keys of death and Hades (Rev 1:18). Yeshua, you came to set the captives free, come and rescue me from these death places, I pray. Father, I ask in the name of Yeshua that You annul this covenant that does not stand on Your justice and righteousness.

I ask Father for punitive damages in order to punish the enemy for their reckless and wilful acts against me. I ask Father, in the name of Yeshua, that You would release

the scourge of Your judgment to the people and demons who put this covenant on me.

### Coming out of the place of the Dead

Father, I ask that You would send Your angels to open up a passage for me to leave this place of Death. You are my Rock and my Fortress; therefore, for Your name's sake lead me and guide me. Ps 31:3

Please, loosen and remove the bonds that have kept me captive here. I ask you to remove any and all traces of my assassin part, the double still left in my seed. I ask You to rescue me from the stronghold of the Devourer. I ask You to breathe life into my dry bones, just as You gave life to Adam. Please breathe on me and restore my strength to me. I ask Your light and life to bring heat to my limbs, soul, spirit and organs and to remove all traces of death from me. Father, please open up the wells in my spirit so that Your life-giving water can start flowing through all parts of me. Thank You that through these waters Your truth is established in me. I ask that Your waters of life will destroy my shelters of falsehood and refuge of lies still around me.

I believe and declare that Yeshua is the truth, the way and the life and that the Truth will set me free. I belong to Yeshua and on the grounds of this covenant with Life do I ask that the documentation for my release will be issued in the spirit.

Yeshua please lead me from this place, for I am weak. Bless me with Your Resurrection power in all areas of my life!

Prophetically I walk out of the regions of Death and Sheol into Your Light and Life. I come and stand on the Rock as my sure foundation. I thank You that as I declare the following scriptures that the bondage of Death, Sheol and Destruction will depart from me and that Your abundant life will strengthen, uphold and restore me. In the name of Yeshua and through the blood of the Lamb, I now clean my DNA and RNA as well as the cell memory carried in the epigenetics. I wash these genetic cells with the Word and load them with these words of Life.

*The Lord is my Strength and my [impenetrable] Shield; my heart trusts in, relies on, and confidently leans on Him, and I am helped; therefore, my heart greatly rejoices, and with my song will I praise Him. (Ps 28:7)*

*With God rests my salvation and my glory; He is my Rock of unyielding strength and impenetrable hardness, and my refuge is in God! (Ps 62:7)*

*There is none holy like the Lord, there is none besides You; there is no Rock like our God. 1Sa 2:2*

*My God, my Rock, in Him will I take refuge; my Shield and the Horn of my salvation; my Stronghold and my Refuge, my Saviour--You save me from violence. 2Sa 22:3*

*The Lord lives; blessed be my Rock, and exalted be God, the Rock of my salvation. 2Sa 22:47*

*Be to me a rock of refuge in which to dwell, and a sheltering stronghold to which I may continually resort, which You have appointed to save me, for You are my Rock and my Fortress. Ps 71:3*

*Yeshua, only is my Rock and my Salvation, my Defence and my Fortress, I shall not be greatly moved. Ps 62:2*

I declare that the Rock on which I stand is Yeshua. The Corner stone, the Rock of ages. I choose not to drink of the world's drink as in Is 28, but to drink from You my Saviour. And they all drank the same spiritual (supernaturally given) drink. For they drank from a spiritual Rock which followed them [*produced by the sole power of God Himself without natural instrumentality*], and the Rock was Christ 1Co 10:4.

Thank You Father, that Your Word says that because of my place on the Rock that You will annul the covenant and agreements that I have with Death and Sheol. I ask this for my humanity, seed line and blood line in all time, space and dimension. Thank You for Your blood Yeshua.

YHVH, I acknowledge You as the author of life and death. In the Name of Yeshua I cut myself loose from any and all ties which I might still have with Death and Sheol as place and from the spiritual beings appointed over it. In the name of Yeshua I cancel all covenants and agreements which I have made with Darkness, Fear, Maat, Moloch (Molech), Apollyon, Abandon and the place of dragons and forgetfulness or any other applicable but not specifically mentioned. On the ground of my covenant with Yeshua and through His blood do I ask You, Father, to rule in this case and to judge in my favour. In the name of Yeshua I ask that all other souls attached to me in the regions of death will be cut loose from my humanity. Father God, my justification in this request is simply the body and blood of Yeshua. Yeshua took the full punishment for me and my seed line and blood lines' sins, transgressions and iniquities. By this precious blood, I ask that you now blot out the record of my covenants with idols and demonic powers, and those of my forefathers, now and forever. I am asking that You annul all ungodly trilateral covenants - covenants established in the spirit and natural realms between myself and spiritual entities other than the Lord Yeshua. I personally repent and renounce all personal and generational covenants, I forgive my ancestors for entering into these covenants. I renounce all covenants made between myself and these entities, and I renounce all covenants made between my forefathers and these entities.

Further, I ask that you dismiss from my life and seed all forces that have been empowered by these covenants. Please dismantle all seats of authority, where demonic powers have had legal authority to rule over my generations through these covenants.

Father God, I ask that you grant me a judicial restraining order against these demonic powers, in Jesus' Name. Let this restraining order be enforced beginning now!

I ask You to remove all assignments and designs of these spirits from my life and destiny. I ask that everything that was stolen from me will be restored to me according to Your precept of abundant life.

In the name of Yeshua I close the passage way to Death and Sheol, in all time, space and dimension which was opened by the covenant and agreements I've made. I declare that I will have life in abundance according to John 10:10.

Now, that I am standing on the Rock as foundation - I ask that You would restore my foundations and that You will start the restoration and building of the walls of my life in every area. I seal my spirit, soul and body off with the armour of God, armour of righteousness and armour of Light. I ask that You would restore and heal every part of me that was fragmented because of my double life in Death and Sheol. I ask that You would unite me with every part that was removed from me. And I ask that You would shelter me in truth and righteousness.

I now reset covenant with You, Father God, in the Name of Yeshua. I give myself to You without reserve, spirit, soul and body. I give to You the seat of authority over myself, my family, my possessions and my generational seed line and blood line.

Father God, I am asking to be betrothed to the Lord Yeshua, and Christ alone, redeemed by His body and blood alone. I receive Yeshua as My Lord, Saviour, and Bridegroom, In Jesus' Name, AMEN!

Father, I acknowledge that your Word states that it is unlawful to be married to more than one spouse at a time. I am married to Yeshua, my eternal bridegroom. It is my desire to be married to Yeshua alone. I acknowledge Your lordship over every part of me. On this ground and because of my repentance I ask to be divorced from the powers and principalities abiding over Death, Sheol and Destruction.

Signed on this day.....in.....

I also bring all land before You upon which these covenants were made and ask that You would come and loosen all parts of me from these places.

Father, I bring the soil of my life before You. I ask if you would plant the seeds of righteousness, judgment, truth and love in me. Father, I ask that as Your Word states that You would train each of these seeds correctly in my life. Teach me and instruct my seed Father to follow after Your precepts and rules. I ask this in the Name of Yeshua.

In the name of Yeshua I loosen myself from all death magic circles, incantations, chants, altars, coffins, graves and cauldrons. I come and blow out all candles and fires in the spirit, I break the circles and smash the altars Yeshua, please remove all ancient spirits, any souls still present and legions from me and my seed. I ask You Holy Spirit to come and fill every part of me. I seal everything that was done today with the Blood of the Lamb.

Thank You Father, for saving me because of Your wonderful counsel and excellent wisdom and effective work in me. To You be the glory and the power and the honour forever.

Father, I ask that you now place all of me that was rescued from Death and the regions of death in Your heart. Let Your life become my portion, I pray.

In the name of Yeshua, we pray
