1. Releasing our generational inheritance from the earth

Land or soil also has epigenetics. Our sins, transgressions and iniquities mark the land and influences its epigenetics. In Jer 3:2 we read 'you have polluted the land with your vile harlotry and your wickedness (unfaithfulness and disobedience to God).'

We need to repent and bring the records of our generational land inheritance and our dark connection to earth under the blood of the Lamb.

Prayer:

Father, I come before You in the name of Yeshua and through the blood of the Lamb. I stand here representing all of my humanity as well as my bloodline and seedline. In the name of Yeshua I stand as an intercessor praying on behalf of all of my family and humanity that is unable to do so for themselves.

Father, as I present my case, I address You as the Righteous Judge of all Ages. I call on my Advocate Yeshua and councillor Holy Spirit to intervene on my behalf, as I present my case.

Repentance

In Genesis 1:28 it is written *And God blessed them and said to them, be fruitful, multiply, and fill the earth, and subdue it [using all its vast resources in the service of God and man]; and have dominion over the fish of the sea, the birds of the air, and over every living creature that moves upon the earth.*

Father, we have failed this commission. My generations and I have not looked after the earth. We did not honour the earth and we did not honour this commission which you have given us. On the other end of the scope I repent for the warped worship of 'mother earth' in our generations – please forgive us. In the name of Yeshua I break every and all worship covenant which I have with the earth as a mother. I also ask that any and all generational umbilical cords which I might have with the earth will be cut. I repent for our ignorance and arrogance of thinking that the world is ours, that is in service to us alone, leaving You out of the picture and that it is an unlimited resource. I understand that this word 'subdue' as it is used in the scripture means to confirm, to consecrate, to replenish and to satisfy the earth. Another version says that we are to replenish the earth. Father, I stand accused before You, and I am guilty. I want to repent of my disregard for the earth, my killing, stealing and destroying of the earth and its resources. Father, this is

far more than physical pollution and neglect. I also repent and take full responsibility for the spiritual pollution and neglect I am guilty of. I repent for contaminating land with my sins, transgressions, iniquities, choices, words and actions. I repent that the earth is covered in the blood of wars and violence. I repent for the sexual iniquity that has marked the earth. I repent for the iniquity of altars and idol worship with which my generations and I have marked the earth with. I repent for not imprinting the earth with life but with death.

Father, like Abraham I stand before You and say, behold I who am but dust and ashes have taken upon myself to speak to the Lord (Gen 18:27). From Genesis we learn that You have formed man from the dust of the earth. We know and understand that as we die our bodies once again will become part of the earth. This is a replenishing cycle that has repeated itself from the beginning of time. Father, I acknowledge before Your court, today, that our physical bodies – our blood, seed, bones and organs carry the debris and/or imprints of our sins, transgressions and iniquities. We understand that most diseases and sicknesses have spiritual roots – which our bodies expose and reveal through the symptoms it experiences. Father, we also acknowledge that the records of our sins, transgressions and iniquities are stored in our blood, seed, organs, skin and muscles – as these serve as memory banks. Today, I want to take responsibility and repent for the effect my life has on the earth – in life and death.

I repent that when we return to the dust of the earth we imprint and load the epigenetics of the earth with the records of our epigenetics – our sins, transgressions and iniquities. I repent of defiling and polluting the earth with my spiritual junk. I repent for the records of my humanity that is witnessing against me in the records of the earth. In Rom 8:19 it is written that *even the whole creation* (all nature) waits expectantly *and* longs earnestly for God's sons to be made known [*waits for the revealing, the disclosing of their*

sonship]. Father, I understand that these 'sons' are those referred to in Gen 1 who will truly subdue and replenish the earth – those who will be life giving to the earth – and who will rule and reign on the earth. Father, this is Your final plan for Your Sons – to rule and reign on the earth. It is written in Rev 22:5 And there shall be no more night; they have no need for lamplight or sunlight, for the Lord God will illuminate them *and* be their light, and they shall reign [*as kings*] forever and ever (through the eternities of the eternities).

In the name of Yeshua we repent of believing the lie that You cannot sustain the earth and that its resources will run out. We do take full responsibility for wasting the earth's resources, but we know that You are the God who knows the end from the beginning and therefore your Kingdom principles of life in abundance also applies to the resources in the earth. We disconnect our belief system to this end-time strategy of lack.

In the name of Yeshua we take full responsibility for our greed, self-gain and subsequent hoarding of resources. We repent for not distributing your supply. We denounce and renounce this belief system of lack and hoarding – for times of need. You are the God who supernaturally looked after your people in the desert – I bring your testimony of care, provision and supply into the spiritual atmosphere.

Father, I acknowledge the headship war which is currently reigning in the earth – the fight over dominion between darkness and light and its sources. I understand that the earth is currently in the hands of Satan and therefore we see the fruit of chaos, killing, stealing and destroying everywhere. I repent that I have never claimed back or wanted to walk in the sonship of ruling and reigning on the earth.

In the name of Yeshua I ask that the records of my sins, transgressions and iniquities which are testifying against me in the council of the dead – under the earth will be brought into Your court.

I take full responsibility for every accusation of marking the earth with sin, transgression, iniquity, pain and trauma which is ascribed to my generations and I. In the name of Yeshua, I bring each of these accusations under the blood of the Lamb. I am guilty. In the name of Yeshua I ask that all of these records and accusations and dark epigenetic markers that connect me with the earth will be cut and dissolved through the blood of the Lamb. I take full responsibility for everything which I have in common with the earth's trauma and pain. I acknowledge that when I step onto certain land that it attaches to my body and tries to communicate its needs to me through the symptoms I experience. Father, forgive me my ignorance. Forgive me my lack of stewardship and for not praying over the land to be healed and restored. Father, where I still carry the attachments of land on my body I ask that I will be cut loose from its memory banks as well as any and all ungodly attachment bonds. Where you require me to pray into these attachment bonds and specific pain carried by land, I ask that Your Holy Spirit will reveal to me the strategies required.

Father, I acknowledge that it is also possible that parts of other people's humanity as for instance dead human spirits, alien human spirits and or soul copies could attach to me as I have stepped unto land with pain and trauma. Father, where this is the case I ask that this will be exposed to my spirit in order to remove them from my humanity.

The earth as justice system

In the book of Numbers we read of the jealousy and headship contention of Koran and others – rebelling against the order and wisdom of God's appointed leadership. *But if the Lord causes a new thing [to happen], and the earth opens its mouth and swallows them up, with all that belongs to them, and they go down alive into Sheol (the place of the dead), then you shall understand that these men have provoked, (spurned, despised) the Lord! (Numbers*

16:30).

Father I repent, that my generations and I have like Koran provoked, blasphemed and despised You. I repent of rebelling against and contended with Your appointed leadership. Father, just like these mentioned here, parts of my humanity and all that belongs to me have been swallowed by the earth and now live in Sheol – the place of the dead. Father, I am living amongst the dead.

Father, I repent that I have made my life here in the regions of the dead. I repent that I am comfortable here and have not looked for a way out. I take full responsibility for moving, living and having my being attached with Death, Sheol the waters under the earth and the domains inside of the earth.

Hunters and watchers

Father, we acknowledge that parts of us are trapped and are held hostage in the regions or domains of the earth. Father, in the name of Yeshua I ask that You would unarm and remove the hunters, watchers, dwarfs, dark cherubim and any other human or spirit beings which are appointed as our tormentors, guards, watchmen, guardians and or bosses over the gates of these regions. In the name of Yeshua we break our generational covenant with these and divorce any and all spirits associated with these regions and their gates.

Shields and shells

Father, the gates to these regions are locked-up as shields or shells that keep us hostage here. In the name of Yeshua I ask that You would expose every shield and or shell that has blocked my way out of these dark regions and has kept me captive here. In the name of

Yeshua I ask that your Glory Light will shine into these regions of death so every shield and shell will be exposed. I repent and take full responsibility for the family insignia of my blood and seedlines that are set as seals upon these gates. In the name of Yeshua I repent of the generational heritage and inheritance which are locked up behind these shells and shields. In the name of Yeshua I ask that every dark generational hierarchy that is contained in or hidden behind these devices will be released and brought under Your blood judgment. In the name of Yeshua I give up the mantels, scrolls, assignments, instructions and works associated with these dark family dynasties and hierarchies. In the name of Yeshua and through the blood of the Lamb I break the vows binding me to these dark domains. In the name of Yeshua I acknowledge that these shields or shells has the purpose of locking up my free will. I repent that I have chosen to live here, that I have made my dwelling here amongst my generations. I repent that I have traded my free will to the powers and principalities that sit as rulers over these regions. I petition for the release of my memory banks from behind these shields and shells. In the name of Yeshua I ask that my free will and every part of my humanity which are trapped behind or under these shields and shells will be released as they are removed. In the name of Yeshua I repent and take full responsibility for the active altars in these regions. I repent for the worship which I have given at these altars. In the name of Yeshua I silence these sounds of worship in the earth, I break up the circle of witchcraft, blow out the candles and ask that the altars will be utterly destroyed. In the name of Yeshua I give up the ranking, title, assignment and honour associated with being a dark kingdom worker in these domains have given me. I repent and take full responsibility for every chant, hex, vex, spell, incantation I have uttered here. I repent for every ritual I have attended or took part in. I renounce these rituals and the authority structures that oversee these rituals in the spirit and or natural. I renounce and denounce any and all dedications to Satan and his workers as well as all marriages I have entered into – which binds me to the kingdom of darkness and its spiritual entities. I also

renounce my covenant and alignment with Death and Hell. I denounce and renounce the sound of any and all blood sacrifices and their power and dominion over my humanity. I break all ungodly transfers of ownership to which I have succumbed or are held accountable for. Father, every event of gaining unlawful authority over us, I report to your Court and ask to be set free from the bondage of being a hostage to these kingdoms. In the name of Yeshua I cancel and renounce all assignments and protocol of handlers, protectors, watchers, monitors and guardians appointed over us. I ask that all covenants between any such spiritual forces and my humanity and parts will be cancelled by the blood of the Lamb. I choose to give up all I have gained from my association with these mentioned. I repent and ask that all trades of my humanity – seed, blood and organs will be reversed in the name of Yeshua. I also cancel every imprint of sexual abuse where part of my humanity was brought under forceful submission to a dark kingdom entity. I bring the sound and records of these under the blood of the Lamb. I repent for every person which I have harmed, trapped or ensnared through my witchcraft and occult works in these dark domains. I surrender every trick of the trade and tool I have used at the King of Yeshua. I also ask that all devices as recorders, viewers, mirrors, tormenting instruments and such will be brought under the feet of Yeshua. I silence their sound and vibrations in the spirit and in the regions under the earth.

Father, my memory banks, including all trauma and pain memories, cell memories and blood and body memories are all locked up behind these shields and shells. I ask in the name of Yeshua that Your Glory Light of Truth will start to shine on those parts of my humanity which are trapped here, so that the truth of the memories can merge with Your Truth, and can set me free. In the name of Yeshua I invite You into the wounds that are sheltered and shielded by these shields and shells.

In the name of Yeshua I petition for a release of all of my humanity from these dark regions – including brain, heart and all other organs which may be present here. I ask for complete and total restoration of my body, soul and spirit – each part cleansed, healed, restored and placed back into the place of Your intended design.

Father, I also ask that every false or counterfeit representation of Your righteousness will be removed from me. I denounce and renounce the false prophets, teachers, rulers, servants, givers, mercies and exhorters as well as their spiritual domains and responsibilities.

In the name of Yeshua I also ask that the shields and shells covering the underground water systems will be removed with their seals of sin, transgression and iniquity. I ask in the name of Yeshua that all of my humanity will be removed from these defiled waters and their association with the sex kingdom. I give up all ability and power to be able to live and breathe under these waters. Please restore my humanity - I want nothing of Dagon. I renounce and denounce his domain, covenants and marriage with me.

In the name of Yeshua I ask that You would show the pathway to life. In every instance where these shields or shells have the purpose of presenting a counterfeit copy of my life in now consciousness, I petition for a release. Father, I petition that my true identity and or any part of my humanity which are being held hostage underneath or behind these devices would be set free. I ask that the mirrors on these shields and shells will be covered by the blood of the Lamb so that it can no longer project a mere reflection of my true humanity. In the name of Yeshua I ask that every part of me hidden in or behind these devices will be set free. Father, strip these shields and shells from me where they are on me like a glove. In the name of Yeshua I ask for a divorce and

displacement of any spiritual being that is attached to these shields and shells. Expose them, I pray.

Father, these shields and shells have blocked my humanity from receiving prayer, nurture, love and the intimacy and safety of Your presence. In the name of Yeshua I ask that as these devices are removed that these aspects of my humanity will receive everything that was withheld from them in order to heal, restore and bless them. In the name of Yeshua I declare that all necessary information of Light and Truth will be able to reach me so that my issues which have resulted in captivity, pain and trauma will be resolved. I bring before the court the payment of Yeshua's blood which has paid in full any and every ransom required for me to be set free. I am no longer a hostage, In the name of Yeshua I ask that every shield and shell of

- Lies and deception
- Death and destruction
- Terror and torment
- Pain, hurt and trauma
- Murder, death and torture
- War and violence
- Sexual iniquity and defilement
- Dark blessings and 666 inheritances
- Time and life line deceptions and copies
- Double or duplicate
- Blood and seed
- Demonic blessings and destinies
- Pride and vanity
- Dark birthright and dark wombs
- Abuse and neglect

- Anointings and offices
- Slavery and bondage
- Fear, stress and anxiety
- Brain and small brain of the heart
- Will, thoughts and emotions
- Body memories and injuries
- Sickness and disease
- Weakness and helplessness
- Epilepsy
- Rejection and isolation
- Guilt and shame
- As well as any others not mentioned but applicable will be exposed and removed through the blood of the Lamb. In the name of Yeshua I repent of every cult connection, web or network attached to these shields and shells. I ask that the cult control bonds and familiar spirits will be removed from my humanity. In the name of Yeshua I bring every curse attached or associated with these shields and shells under the blood of the Lamb.

In the name of Yeshua I also include every self-invoked shield or shell of denial which had the purpose of hiding the terror of that which has happened to me. I ask that everything that is exposed after these devices are removed will be filtered through the blood of the Lamb and the presence of Yeshua. In the name of Yeshua I give up every position, office and birthright which are associated with these shields and shells as well as the domains they represent.

In the name of Yeshua I renounce and denounce the false trinity – the false father, false Jesus and false holy spirit which are present

in these dark domains. In the name of Yeshua I also denounce and renounce the false lamb, the counterfeit death on the cross and my believing that I am the Christ that had to die at this counterfeit Golgotha. I bring all these deceptions and lies under the blood of the Lamb – cancelling their generational programming and imprints on my belief systems.

Father, I bring the transactions before Your Court where any part of my blood, seed or humanity was sold to Satan by my ancestors in exchange for fame, riches and or goods. I petition Your court that the blood of Yeshua has paid my ransom in full and therefore I ask that I will be released from his dominion and legal right to my humanity. I renounce and denounce every and all contract, covenant and agreement of any part of my humanity who wanted to embrace this dark hierarchy. I place all such covenants and contracts under the blood of the Lamb.

It is my free will choice to make a covenant with Yeshua. I want to be married to Him and Him alone. I therefore ask that all the dark generational trades will be cancelled in the name of Yeshua. I declare that I am a child of God under the new covenant, marked by the blood of the Lamb and from this moment I am under the spiritual authority of Yeshua, alone. I renounce and denounce any and all other spiritual authority appointed over my humanity, blood and seed.

Father, in the name of Yeshua I now ask to be disconnected from all that attaches me to the second heaven. In the name of Yeshua I speak to this tree of iniquity – your roots will die – me and my house will never again eat of your fruits.

In the name of Yeshua I now speak to the earth. Earth, earth swallow up all these shields, shells, iniquities with their attachments

and dark kingdom associations. And in the name of Yeshua I ask that these aspects of my humanity will be gathered by Your ministering angels and will be brought from the regions of death – through the path of life – back to Your presence. In the name of Yeshua I ask for a seal of Your blood over these generational pathways and devices. I will never again be placed under these shadows. Whom the Son sets free will be free indeed. We release a new sound over the earth.

In the name of Yeshua I also ask that the earth will now release my generational treasures, offices, birthrights, lifelines, timelines, community and blessings which have been hidden in these regions. I bless every part of my humanity with healing and restoration. I bless my destiny and design in Christ. I bless my humanity with overcoming and with a testimony of truth and faithfulness. In the name of Yeshua I now take up my authority and position of ruling and reigning on the earth. I redeem the time which I have lost and thank you that I am now able so replenish and bless the earth through walking in obedience to You.

I pray this in the name of Yeshua.

2. Black cherubim

Transcribed from prayer of Arthur Burk published in Tough spots in inner healing. * Own notes also added

At the entrance to the garden of Eden, God placed two cherubim with flaming swords. These were appointed to guard the entrance to the Garden. As usual, Satan has also copied this guard system and have appointed two black cherubim over our hearts, minds and brains. Their work includes blocking intimacy with God.

Father God we come before Your throne and proclaim you to be the Righteous God of all ages and Judge of the Universe

We are a company of your people and are in a blood covenant with Yeshua which gives us specific rights. You have not invited us but have commanded us to come boldly before your throne in a time of need.

So, we come as a company of your people seeking justice against Your enemy. This is a heaven issue not our issue: this is not about our loneliness it is about the honor You deserve from the death of our Lord Jesus.

We present to You the finished work of Yeshua on the cross. We present to You His statement on the Cross: 'it is finished'. Everything is done and completed. Every legal barrier is covered by His life and death and by everything that was involved in that process. There is no unfinished work!

So, we bring the finished work of Christ on the cross, we bring the issue of the Bride of Christ to the table. We bring the passion that we have for intimacy with You: this passion did not come from a

teacher or parent- it didn't come from our environment, it didn't come from our fallen world or from a cultural perspective- this passion was placed in us, by You. You designed us for intimacy, to crave intimacy. You designed us to war for intimacy until we have received it. There is no one that is excluded from intimacy by any human sin at all: no sin, rebellion, iniquity, covenant, no generational evil, no SRA or DID that is greater than Your design and purposes for us to enter into intimacy with You, the Father, Yeshua and Holy Spirit.

And so, based on our authority, based on our legal right, by Your design and commissioning, and by our entering into that pursuit of that intimacy we step into the role of one of the sons of God and I speak to every black Cherubim that is resisting the will of God and is blocking God's sons and daughters from having access to the portals of intimacy. I bring not just my authority but the combined authority of this combined community. We exercise our muscles of faith and we agree and commit to wanting our intimacy with You restored. This MUST be.

I am speaking to every dark cherub to the left commanding you to release the timeline, the spirit and soul of each individual which you have been blocking from intimacy. I command you to disengage from the timeline. Not in the future but NOW, in THIS day and at THIS time. It does not matter what our forefathers have done. It doesn't matter where we have fallen short. The only thing that matters is that we are in covenant relationship with Yeshua and I content for my right of intimacy.

One of you are responsible for mental issues such as autism, Aspergers syndrome or whatever else. I don't want to hear any of that. We are not talking about mental issues - we are talking about you - black cherubim - you ARE going to release every life - no matter the organic condition of their brain. Go back to your abode in the place of death and allow freedom and passage for each

individual to enter into that place that is their designated meeting place and meeting way with the intimacy of God.

I am speaking to the spirit who is resisting this authority and is refusing to leave. You are going to leave, I bring every victory of my King Yeshua as testimony against you and in His name and power I am commanding you to leave. You are not too deeply entrenched. You are not. I come against you in the authority and dynamos power of Yeshua - You will release completely and go! You will NOT return ever.

And now I pray the same to the black cherubim on the right. Uproot and leave - leave no part of yourself behind, no part of your darkness. You are not going to cloud the pathway to intimacy. Every part of your essence is to be removed. We as the Bride of Christ have been designated as your judges at the end of time, we will sit in judgment over you. We will issue just judgment and the iniquity which you are accumulating will be held against you. Move off of our lifeline - and allow them to experience the intimacy of God.

You will go quickly - you are unable to resist the Truth which I am presenting to you and the judgment of the Most High God. There is NO life that is yours. You have been assigned by the prince of the power of the air. You have been overcome by the King of kings and the Lord of lords. And against His light you have no recourse. You will release not only their spirit but also their soul. For those who are divided you are not going to claim one single part of their humanity in any way, shape or form. All of their God given humanity - spirit, soul and body - is going to have access to their birthright of intimacy.

You dark cherubim who are trying to act as though your light - you will leave and release!

Father, for everybody that is embracing this - I ask that You will remove every false cornerstone and every other ungodly fractal of four that is in their brain, heart or anywhere else in their body. Every structure of the fractal of four that is blocking intimacy that was not created by You and for You I invoke Col 1:15-16. only Your design is allowed - nothing that was created by the world system - nothing that was created by dark cherubim, any demon, any entity that does not bow the knee to You - is allowed to stay. Send Your Holy Spirit and Your angels through every person's life to shatter every structure of the fractal of four that is ungodly and is not being used for Your purposes. Let it be shattered.

And now, Holy Trinity, I ask that You would release the treasures which You have been holding for such a time as this. I think of that verse in Revelation of an angel that was standing on the sea and on the land - he has done nothing for all of human history - he was waiting for the nod of Your head to do his piece, his work. And You have been planning this day from eternity past. I ask now that You would unleash the treasures of heaven that You have been holding in advance. You have not released resources that we would accrued because you did not want Your enemy to devour our treasures. But now that the devourer, the thief has been removed from our lifeline I ask that You would release with abundance the treasures that are uniquely designed for us, which are exquisitely ours - with the expression and language that are custom made and crafted for me. Let the full measure of what You intend, the full measure of what You designed, be released. Father, I think of the siege of Samaria that was so desperate. People have been reduced to cannibalism and the next day there was such deflation that they could hardly sell staple items because everybody had more than enough. And let this day be a day of extravagant abundance as in a thousand different forms You release the treasures of intimacy into our lives.

Further revelation as given by Holy Spirit

Father, I now ask in the name of Yeshua that the two bones at the back of the head where the brain stem plants into the skull will be cleaned and restored. In the name of Yeshua I mark these two bones, their bone marrow and cells with the blood of the Lamb. These bones are no longer a gateway, portal, access point for or under the protection of the black cherubim. In the name of Yeshua I extend everything that was prayed today as a canopy, a new imprint - a new government over these two bones as gateway to the brain. In the name of Yeshua I declare that the neck and back muscles that were under continuous attack of fear, stress and anxiety because of the presence of these black cherubim imposters will now release and relax and come back into Godly order. I declare that my skull is flooded with the true light of YHVH and that every muscle, sinew, brain cell and tissue, gland, organ, ventricle, fluid and pathway are being restored and renewed to Godly order and design. I declare that all inflammation will cease and desist because the foreign matter – these black cherubim and all that pertains to them are now evacuated in the name of Yeshua. In the name of Yeshua I ask that every device, structure and adaptation of the brain and all associated with it that came into being because of these black cherubim and all they represent will be declared null and void. I claim restoration in the name of Yeshua. In the name of Yeshua I declare all tension cease and desist right now – over my back, brain, muscles, forehead, jaw and skull. The imprint of death over my brain, skull and all associated with it are NOW being washed out by

the blood of the Lamb. I declare that the government over my head is the law of the spirit of life and no longer the law of the spirit of death and destruction. I now ask that the righteous Cherubim will be restored over my humanity – spirit, soul and body and as righteous gate keepers over my brain.

In the name of Yeshua I ask that the Urim and Tummin - those two aspects carried by the High Priest in order to discern God's will; will from this moment be restored to me. All counterfeit dark copies of any other will urim and tummin I now give up in the name of Yeshua. I repent for their presence in my humanity.

Now Holy Spirit, one of your many works is to seal the things that have been done that are righteous and good so that they can not be stolen by the enemy. We ask that You would come and seal, establish, anchor every good thing in our spirit, soul and body. Let there be measurable, verifiable, sustainable change in our lives as the result of this prayer. As you, Holy Spirit seal the treasure to us, our birthright and calling.

In the name of Yeshua, I pray.

3. Petition that God will be restored in the midst of us

Father designed us so that Yeshua would be at the centre of our life. We are to live and move and have our being in Him – grafted into the tree of life. Unfortunately, this is a position coveted by ourselves – me, myself and I at the centre. As well as a position which the kingdom of darkness would like to occupy. But, as children of YHVH we need to restore Father, Son and Spirit in the midst of us.

Prayer:

Father I come before You in the Name of Yeshua and through the blood of the Lamb. Father, I want to bring every core of my being – spirit, soul and body as well as the core of my bloodline, seedline, epigenetics, DNA, RNA, memory banks, conscious, subconscious and unconscious mind and that which pertains to my time, life, office, birthright and community and all representations of me, before You.

Father, when you speak of being in our midst it refers to a righteous division, a righteous order of things. Today, I bring every unrighteous division and act of dividing that pertains to me and my bloodline and seedline before Your court. I pray about every division in the midst of my spirit, soul, body and the areas mentioned above. Father, I specifically include my heart as the wellspring of life and my brain as government and headship symbol before You. Father, you know where trauma and pain as a result of sin, transgression and iniquity have divided me. Those instances where your Government has been displaced inside of me and the kingdom of darkness came into dominion in the midst of me. In the

name of Yeshua I bring each of these trades, barter and gambles under the blood of the Lamb.

Father, I bring before You every sin, transgression and iniquity from me leaving your hand to come to earth, the journey through the second heaven, the time of conception and development in the womb, my birth and consequent days. I include every event where my spiritual, physical and soul core have been divided. Father, as I understand this, my spirit has a core – Neshima - as well as my soul – the core of my heart and my brain as the core of my body. Father, in each of these division has taken place. In each of these my core has been split exchanging darkness for light. Father, I repent that darkness is now in the midst of my spirit, heart and brain.

Father, I bring every dualism structure before You, every ying-yang representation of darkness and light. Father, my spirit, soul and body are stuck in trauma because of these unrighteous structures and division in the midst of me. I cry out for Your salvation and redemption power. In the name of Yeshua I ask that the books be opened. I ask that everything of me will be placed under your wings of healing, your Name as strong tower, Your tent of strength and your shield of salvation. In the name of Yeshua I declare and decree that no repacking, reprisal or backlash will be my portion because of what I pray today. In the name of Yeshua I ask that all that is not human will be separated from me and that which pertains to me. Father, as their legal rights are brought under the blood I ask that they will be chained and removed from that which pertains to me. I ask that no communication will be allowed amongst any workers and or agents of darkness. Yeshua as I enter the courts today I praise Your holy name as the Name above all other Names. Thank you that I know You as my Advocate. Please help me in the stating of my case, today.

Righteous Judge of All Ages I come in agreement with every accusation which the Adversary has brought before the court generationally and personally. I am guilty on all accounts of the records which he has brought into the court. I ask that my covenant with Yeshua will mark these documents and all copies of these with the blood of the Lamb.

Father, I ask that as I petition today that all division inside of me will be brought under the blood of the Lamb. Father, I surrender my heart, my brain and Neshima as three-fold core before your throne of Grace.

Your original design

Father, in the beginning we were designed that You, Yeshua and Holy Spirit would be in the midst of us – that you would be the centre of every form of life. We know that everything is held together in the Name, Power and Authority of Yeshua. Father, in the name of Yeshua I repent that Satan and his other personas and titles as well as the kingdom of darkness workers have planned and succeeded to take this position in our midst because of our sins, transgressions and iniquities. Father, I repent that Satan is at the midst of my heart, my brain and my Neshima. I repent of his three-fold throne inside of me. In the name of Yeshua I bring all three-fold agreements and covenants pertaining to his presence in my midst under the blood of the Lamb. I declare these null and void. I repent of every trade we have made personally and generationally that has given him and the kingdom of darkness workers and their domains the right to this central position of authority, rule and reign. I repent that I am being held together by the kingdom of darkness. I repent that I have become dependent upon the kingdom of darkness' power and presence in order to sustain my life. I ask that the glue of their promises will be weakened and dislodged through the blood of the Lamb.

In the name of Yeshua I annul the three-fold covenant with the false, father, son and holy spirit and their represented thrones, kingdoms and domains in my spirit, soul, body – and every area mentioned above. In the name of Yeshua I ask for the removal of this three-fold government, their laws and thrones inside of my Neshima, heart, brain, epigenetics, DNA, RNA and generations.

God the midst of the waters

In the name of Yeshua I bring the waters of our earth, above, below as well as the waters inside of our spirit, soul and body before You. Father, in the beginning You created a firmament – a structure – on the earth to separate the waters from below from the waters above. I repent of every defilement that has exchanged this Godly structure for an ungodly structure. I pray this for our world and for the representation of this firmament structure inside our spirit, soul and body. I repent that my will, deeds, thoughts and actions have removed Your righteous firmament structure and that the divide which You have placed has been traded and or removed. In the name of Yeshua I ask that this ungodly firmament structure will be utterly destroyed in and around us and I ask that the righteous firmament structure will once again take its place in and around us and our world. Father, I bring all our waters before You, please restore the divide between the waters below and above to us.

In the name of Yeshua I specifically pray over the development of the brain from conception to my current age and the waters surrounding the brain. Father, where an ungodly firmament has been established in my brain at this time, I repent. I repent Father, that the waters that pertains to my spirit, soul and body have become the dwelling place and covering to the kingdom of darkness and its entities. I bring the blood of the Lamb upon these waters – just as you have commanded Moses to do in Egypt. It is the desire of my heart that these waters will be utterly sanctified and that all

evil presence will be uprooted and removed from my spirit, soul and body.

Father, this firmament as it is mentioned in Gen 1:6 refers to the vaults of heaven. In the name of Yeshua – I repent that your treasures – Your image and likeness – your Light - in us – have been stolen and that it has been placed in the unrighteous copy of these vaults. In the name of Yeshua I repent that our office, birthright, time, land and community have been locked up in these dark kingdom vaults. I repent of the generational trades, barter and bargains that have allowed this. In the name of Yeshua I repent that our generational sins, transgressions and iniquities have formed the protective code to keep these vaults locked. In the name of Yeshua I bring the blood of the Lamb, with its genetic code, and I break the seal off of these vaults. In the name of Yeshua I take the keys of the Kingdom and open these vaults. Through the blood of the Lamb I remove all that pertains to my office, birthright, time, land, community, blood, seed, spirit, soul and body from these vaults and ask that they will once again be placed in the Righteous heavenly vaults of Your kingdom.

Father, I speak healing and restoration to the waters above and below that pertains to my spirit, my heart and my brain. Father, in the name of Yeshua I bring my brain as a womb before You. Father, my brain controls my body functions and stores the generational belief systems, memories and foundational core beliefs. Father, I bring all of these under the blood of the Lamb. In the name of Yeshua I extend every prayer that pertains to conception, development and birth including those on offices, birthrights, time and land to this 'womb'. Father, I repent for every form and expression of darkness that are birthed in and from this womb. Please forgive me.

The tree of life in the midst of the garden

Father, in Eden, You placed the tree of life in the midst – in the middle of the garden. It was to be the centre of Eden. Father, we repent that our sins, transgressions and iniquities have removed us from this central point - this life force in our midst. In the name of Yeshua I repent and take full responsibility that the tree of the knowledge of good and evil has been rooted deep inside of me. I repent that this tree of death has been rooted deep inside of my Neshima, heart and brain. It has taken up the central position in our spirit, soul and bodies. I repent Father, that the chambers of our hearts and the tissue in our brains have become the soil in which the tree of death grows. I repent that the roots, fruit and seed of this tree have embedded itself in our will, thoughts, emotions and actions. I repent that our generational belief systems have become the roots of sin, transgression and iniquity for these trees. I repent of every fruit and seed we have sprouted to create a generational plantation of death and evil. Father, I bring the tree of death in my brain, my heart and spirit before You. In the name of Yeshua I use your Word as an axe to start chopping down these trees. Father, I know it is deeply embedded, but I ask that Your mercy and grace, your power and strength will help me to uproot and utterly destroy these plantations from my spirit, soul and body. In the name of Yeshua, I curse their roots and decree me and my house will never eat of your fruit again. I ask that every seed of these trees in our spirit, heart and brain will be removed so as to never germinate and grow. I petition your court today that the tree of life will once again be restored to my spirit, soul and body, - my brain and heart. Father, we want the tree of life to be in the midst of our garden – our humanity and generations. Please help us.

In the name of Yeshua I unhook my senses from the enmeshment of these trees. Father, I ask to remove me from where I have been ingrafted into these trees. In the name of Yeshua I ask that the tree of life will once again become the centre in the midst of my spirit, heart and brain.

Deliverance in the midst of our waters

Father, I read that deliverance and freedom is often associated with Your parting of the waters. Father, you did this for the Hebrew people as they came out of the bondage to Egypt. You also did this when they had to cross the Jordan to enter the promised land. Father, in the name of Yeshua I bring every water obstacle that is present in our spirit, soul and body - and specifically our brains - before You. Father, all water that has been placed in and around us to keep us from entering into Your promises and that blocks our spiritual progress I bring before You. In the name of Yeshua I acknowledge You as the God who makes a way where there seems to be no way. I stand on the covenant of the blood of the Lamb. In the name of Yeshua I take up the rod of Your government and I stretch it out over these waters and I declare that it will divide and we will once again go on dry ground through the midst of the seas. Father, in the name of Yeshua, I ask that these waters will respond as in your Word and that it will become a wall to our right and left. Father, the spiritual Egyptians – slave masters, dark kingdom workers, kings of iniquity with their armies, weapons, horses, chariots, idols and gods – do not want us to make this spiritual journey. In the name of Yeshua I ask that as they are pursuing us in the midst of the sea that you will overthrow them and shake them off from all that pertains to us. Father, as in Ex 15 I ask that You will bring back the waters upon these spiritual pharaohs, captains and all that is associated with them. Father, I thank you that they will drown today. I thank You that your Word says that You have dashed them to pieces. In the name of Yeshua I declare that Your deliverance as it is stated in Ex 15 7-10 will be my generational

portion, today.

In the greatness of Your majesty You overthrow those rising against You. You send forth Your fury; it consumes them like stubble. With the blast of Your nostrils the waters piled up, the floods stood fixed in a heap, the deeps congealed in the heart of the sea. The enemy said, I will pursue, I will overtake, I will divide the spoil; my desire shall be satisfied upon them; I will draw my sword, my hand shall destroy them. You [Lord] blew with Your wind, the sea covered them; [clad in mail] they sank as lead in the mighty waters.

Father, the earth swallowed up this dark army in Exodus. In the name of Yeshua I also speak to the earth today. Earth, earth, swallow up this Egyptian army and all that pertains to it.

Father, after each of these instances the flow of the waters were restored. In the name of Yeshua I ask that the same will be declared over the waters of our spirit, souls and bodies. Father, let every unrighteous built up of water in and around our brains be restored to a life-giving flow. Father, where pain and trauma have caused a blockage in our brains I ask that You will remove these and bring them into righteous alignment. Father, where the waters in our brains are stormy. I speak to the storm, be still in the name of Yeshua. Yeshua, please come and walk on the waters. Let Your presence and order be known in our waters.

Father, the word for waters as it is given in your Word also includes urine and semen. Father, I ask that every one of these defilements and pollutions of the waters by any and all acts of desecration and sexual sin will be brought under the blood of the Lamb. I bring every prayer of sexual sin, transgression and iniquity over these waters of my spirit, soul and body. Let the waters be purified and be life giving as that which flows through Eden. Let all deposits of defilement be removed in the name of Yeshua. Specifically, I ask that my brain will not be the recipient of the defiled demonic urine and semen which are continuously offered in this place. Please wash away the generational layers of urine and semen which sit as seals over my brain and heart. Please remove my humanity from these altars. I

repent of all the rituals that enable this. Help me, Yeshua, I pray.

God in the midst of sickness, disease and infirmities.

Father, I repent of every instance where sickness, disease and infirmities have been placed in the centre of our lives. I repent Father, where we have enthroned these in the midst of our bodies, souls and spirits. In the name of Yeshua I break the generational covenant which we have with these symptoms, sicknesses, diseases, infirmities and their associated pain and trauma altars. In the name of Yeshua I ask that You will once again be at the centre of my health. Father, in Ex 23:25 it says that You will remove sickness from our midst. I thank You that Your promise is still true over my body, soul and spirit. I therefore come and uproot the trees of sickness, disease, infirmities and plague with their symptoms as fruit and seed from all areas of my spirit, soul and body. I curse this tree in my heart and brain. I speak to the soil of darkness and declare that the Light of His truth is changing the epigenetics of the soil in which you grow. I thank You for healing and restoring every area of my body, soul and spirit that has been rubbed or worn out, inflamed, weakened or afflicted by sickness and disease. I also bring every grief that was caused under the blood of the Lamb. In the name of Yeshua I also remove all effects and records of strokes from my epigenetics and memory banks. In the name of Yeshua I remove all false fires pertaining to the pain, symptoms and trauma. All deposits and imprints of pain I purge you in the name of Yeshua. In every instance where our wounds and weakness have become the centre of our life – we repent. We dethrone each of these from our midst. And ask in the name of Yeshua that You would once again become the centre of our being. Thank you that I can release your resurrection Power from this place in the midst of our spirit, soul and body. Thank you for the frequencies of healing that come

from your presence. I bless every cell, system and organ to respond to these frequencies of healing.

In the midst of the battle

Father, I repent of every covenant and agreement which I have made with the ungodly nations thereby enabling them to become a snare in my midst. I bring each of these covenants and agreements under the blood of the lamb. Father, please remove the snares from all that pertains to me – including the generational thought pattern and belief system snares and idols in my heart and brain.

Father, I call for your presence in the midst of our battles.

In the name of Yeshua I repent of every battle which I have fought in the name of any other god. I repent that I have placed my trust in another defender. In the name of Yeshua I break my generational covenant with any other captain, commander or war god, battle field and war instructions. I ask to be removed from under the protected covering of these dark armies and their commanders. I also choose to give up my position in their rankings. In the name of Yeshua I give up the medals, positions, battle stories, accolades, uniform, status, power and authority which I have had for being a soldier for the kingdom of darkness. In the name of Yeshua I silence the testimony and vibrations of the wounds which I have acquired in these battles - giving me the status of being a war veteran and or war hero. In the name of Yeshua I ask to be reinstated as a soldier of the Lord Yeshua.

In the name of Yeshua I repent of the yokes of oppression that has been placed on us generationally. In the name of Yeshua I choose that these will be removed from us. Lord, we cry to You for help.

Your presence in the midst of land

Father, In the name of Yeshua I repent for defiling land with all alternatives, copies and counterfeit kingdoms, rulers, idols and gods which we placed in the midst of us. In the name of Yeshua I ask earth that you will swallow these, their shields, curses, guards and ungodly structures.

Release to us the fulness of the blessings of having God in the midst of us. We know that we will not be moved. Father, in the name of Yeshua I once again ask that we will be positioned as a multitude in the midst of the earth. We choose to take up our position as Ecclesia. May we mirror Your presence in the midst of the earth. I ask in the name of Yeshua, that we may be disconnected from all control bonds with other spirits, humans and forces which are currently placed in the midst of the earth. We break every covenant that bind us to these and file for a generational divorce.

Restoration of your Presence in our midst

Father, as I pray today I stand on the covenant which I have with Yeshua. I ask that Your presence will be in the midst of my spirit, soul, DNA, RNA, blood, seed, epigenetics and bone marrow, heart and brain. In the name of Yeshua I ask that the covenant which You made in Gen 15 when you put Abraham into a deep sleep will also pertain to me and my generations. Father, I want Your blood, your image, Your likeness to once again be restored to us.

Father, please restore Your fire in the midst of us. In the name of Yeshua I ask that we will once again be able to hear your voice in the midst of us. In the name of Yeshua I ask that all false fires in the midst of us will be quenched. I also cancel the sound and vibrations of all other voices speaking in the midst of us.

In the name of Yeshua I ask that the cloud of your presence will once again be restored to us. Please enable us to enter into this cloud and have fellowship with You. In the name of Yeshua I ask that every other cloud in our midst will be blown away by the winds of Your Kingdom and Holy Spirit. Please remove the shadow of this dark cloud from us. Father, please remove all that pertains to us from the midst of any other kingdom cloud. In the name of Yeshua I specifically ask that the dark cloud will be removed from over our hearts and minds. May the mark of this dark cloud be forever wiped off of our brains, hearts, DNA, RNA and epigenetics by the blood of the Lamb.

In the words of Ex 34:9 I ask that if we have found favour and loving-kindness in Your sight, O Lord, that You will once again go in the midst of us. Lord, please take us for Your inheritance. But, Father, I repent that my sins, transgressions and iniquities have caused me to become an inheritance to the kingdom of darkness. I repent. Father, we ask that all core divisions of darkness will be healed by the presence of Your light and truth. Father, heal us and make us whole by grafting us into Yeshua, the tree of life in our midst. In the name of Yeshua I cancel all legal documents marking me as such.

In the name of Yeshua I repent that Your position inside of me has been occupied by myself and so many other gods. I repent my King. In the name of Yeshua I choose to dislodge and dethrone myself and these generational gods and idols from their thrones in the midst of me. In the name of Yeshua I choose that the altars associated with these thrones will be utterly destroyed in my midst. I ask that the earth will swallow these dark thrones and altars. Please forgive me. I choose today and state that it is the desire of my heart that You alone will be enthroned in the midst of me.

Father, I repent of every other tabernacle, tent of meeting and false ark which are present in my midst. I choose to give up the office of high priest in these dark places of meeting. In the name of Yeshua I repent of every ritual I attended or supervised and of all blood which I have offered on these altars. In the name of Yeshua I silence the cry of the blood, blow out the candles, break up the circle and ask that the altar will be utterly destroyed in my blood, seed, spirit, soul and body.

Father, please restore Your righteous tabernacle, tent of meeting and ark of the covenant in my midst. Father, please return to your place in the midst of your people. In the name of Yeshua I also petition that Your righteous judgements will come as the plumb line into the midst of me. Father, please remove all dark cherubim from our humanity and remove us from the covering of their wings. Please restore Your cherubim in the midst of us.

Father, in the name of Yeshua we bow before You and surrender all of ourselves to be sanctified in order for Your presence to be restored in our midst.

In the name of Yeshua we reject and renounce every dark anointing which we have been marked with. I cancel the ceremony and dedication where we have been anointed as dark kingdom workers in the midst of the kingdom of darkness. Please anoint us and mark us as Yours.

Father, I repent that Your instructions are no longer written on my heart. Please restore your instructions to my very core. Through the blood of the Lamb I remove all other instructions from my spirit, soul, body, blood, seed and memory banks.

I repent that we make our habitation in the midst of deceit. We choose to flee from our habitation in the midst of Babylon. Please forgive us, we want to dwell in the land of Truth.

I repent Father, for every instance where I broke my bond of faith and trust with you. I choose today to put away the evil from our midst. I want to be restored to righteous living.

I surrender all time and space pertaining to me to your presence in my midst. In the name of Yeshua I stop all demonic dark time in our midst. I declare that my times and seasons are in Your hand.

Yeshua I mark every gateway of time and space and that which pertains to the Eden of my humanity with the blood of the Lamb. In the name of Yeshua I declare that the resurrection life-force power of Yeshua will start to flood through my spirit, soul and body. I anchor all of my being – the epicentre of every core of my spirit, soul and body - unto Yeshua. In the name of Yeshua I bring this life force power as resurrection power to my will, my thoughts, my emotions, body functions, organs, blood, seed, DNA, RNA and epigenetics as well as every functionality of my spirit man. I bind and remove the roots of all lies and their spiritual enforcers and attachments from my brain, heart and spirit. Father, I dedicate my spirit gates, heart gates and brain gates to You. Lift up you gates, let the King of Glory come in.

Father, I repent of every thought of the serpent which is lodged into my heart, brain and spirit. In the name of Yeshua I repent of reinforcing these and bearing testimony of these lies and deceptions. I repent of the ungodly structures which these dark thoughts and emotions have created in and around me. I repent for the ungodly structures and idols of intellect and reasoning in my generations. I place all of these and their vibrations under the blood of the Lamb. In the name of Yeshua I ask that these stones will be removed through the blood of the Lamb. I ask to be dislodged from these and to be anchored on Yeshua as my Truth.

In the name of Yeshua I declare the following to stand as towers and beacons of Your kingdom in my midst.

I will declare Your name to my brethren in the midst of the congregation will I praise You.

I am being restored as a temple of God and He will be in the midst of me.

In the name of Yeshua I declare that the spirits of wisdom, understanding, council, might, knowledge, the fear of the Lord and the precious Holy Spirit will be restored to my midst.

I thank you that the bloodstains of my sins, transgressions and iniquities are wiped out by the blood of the Lamb, in my midst.

I declare that the Lord is my fortress, my rock and my shield. The Lord God is My Defender in the midst of me.

In Yeshua, I live and move and have my being. Now and forever more

Let Your Kingdom come and invade my spiritual territory, my soul territory and that of my body.

In the name of Yeshua I therefore ask Father, for the removal of the generational tree of death from my spirit, soul and body. I am asking that the defiled roots with their lies and deceit and generational patterns will be cursed and removed from all that pertains to me. I am asking that the dark split in the core of my spirit, heart and brain will be flooded with the light of your Truth. I ask that I and all that pertains to me will be grafted into the tree of life. I am asking that life and resurrection power will flow through my spirit, soul and body and that my DNA, RNA, epigenetics and all memories will resound with healing and wholeness. I am asking that the roots of the tree of life will go deep into my very being. I ask to

bear the fruits and seeds of life. I am asking that your structures of light, life and truth will guard, protect and uphold me. I am asking that only Your divisions of righteousness and justice will be present in my very being.

In the name of Yeshua I ask for the restoration of God in the midst of me. I ask that every imprint of the serpent, his codes, vibrations, deposits, structures, shields, curses, lies, believes, laws, government will be removed from my three-fold core. Let all of my humanity resound with the sound of wholeness, life and resurrection power. I pray this in the name of Yeshua.

I thank You that Your power is life giving to us. I thank You that You are the way – making a way where there seems to be no way.

I now sink the roots of my tree – my oak of righteousness into the very character of your being. I bless the tree of life to grow in my brain, in my heart and in my spirit. A three-fold covenant and testimony of life and resurrection.

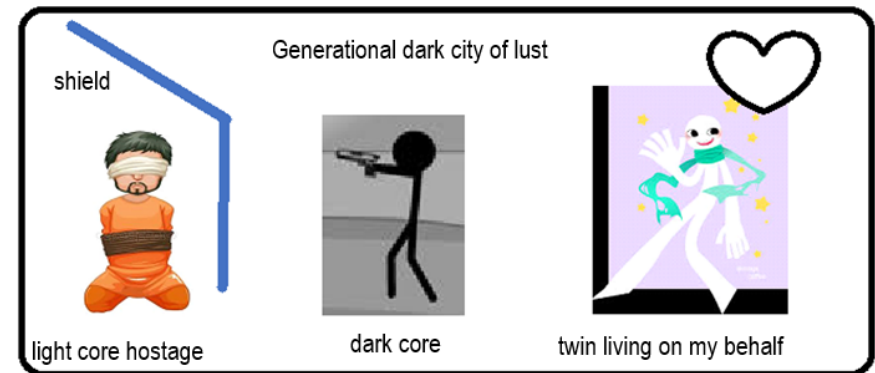

In the name of Yeshua I pray

4. Restoring Core Genesis prayer

We know that Satan is a copy-cat. For every one of God's intents and purposes we will find a copy in the dark kingdom. Because of generational sins, transgressions and iniquities our discernment between the truth and the counterfeit has become warped. Our generational belief systems and experiences may portray a different picture than that which is in fact God's design and truth – the lines between truth and lies got blurry. We find this lie and counterfeit system also in the preparing of a bride. Just as we are supposed to be Yeshua's bride – in the same manner Satan wants us to be his bride. Through lies and deception we have become married to Satan – the Anti-Christ – presenting himself as the true angel of light. (Gen 3 deception). Because of our covenant with him, our true core – that part of us that carries the image and likeness of God has been taken into captivity. A dark core or counterfeit clone of our true core has stepped forward and now live on our behalf – as the bride of Satan – bearing the fruits of his kingdom. We are held hostage by a demonic guard system. The structure that keeps us hostage are generational shields of sin, transgression and iniquity. Let's look at the picture below as illustration.

This block represents the dark city of lust. This city has been built in the spirit through our lustful thoughts, imaginations and deeds. This city has many generational inhabitants and is under the domain of Satan. At conception or early on in our generations our true core was sold, bartered or was given to Satan through an act of gambling. Our true core is hidden

under a structure which looks like a shield in the spirit. This shield keeps the true core hidden away and in captivity. The shield is made up out of our sins, transgressions and iniquities. You can see the dark guards – the black cherubim which guards this structure. Because the true Core is safely tucked away – the counterfeit clone or dark core can do his dark kingdom works on the outside. This dark clone is happy to live in this dark city and does an excellent job of building the generational structures of iniquity – like dark lust love (black heart) instead of Godly love.

Through repentance we want to break down the dark city structure, remove the dark guards and generational clones and set the captive core hostage free. The picture above is just one of many scenarios in the spirit. Please refer to the prayer releasing generational inheritance from the earth for further information on the different shields.

Prayer:

Father, I come before Your throne of grace today, presenting all of my humanity, my bloodline, seedline, timeline, lifeline, birth right, office, the community in which I was placed and the land which You have appointed me to. Father, I exalt your Names above any other name. I position myself and all that I present in your courts and declare that You are the Highest authority. I appeal to You, Righteous Judge of All ages, to hear my petition today. Yeshua, will you as my Advocate and Holy Spirit as my counsellor please present my case where I fail or still don't understand the full scope of these spiritual matters.

Father, in the name of Yeshua I ask for divine protection of Your blood over everything that pertains to me. Father, I ask that everything I say will be heard through the filter of the blood of the Lamb. Father, I ask for an everlasting restraining order between my humanity and those kingdom of darkness workers which are implied in this case. In the name of Yeshua, I declare and decree that no reprisal will be possible, no repacking, accessing, or summoning will occur. In the name of Yeshua, I mark everything I pray with the blood of the Lamb – knowing that this is an impenetrable shield. Father, I bring every dark agenda, diary, strategy, council, appointment, bomb, trigger, curse, hex, vex, spell, incantation as well as every generational altar and ritual under the blood of the Lamb. None of these will be able to be activated, positioned or reinstated because of what we pray today. Father, I thank you for a closed hearing in the spirit. By my free will choice, I bring everything in me that is connected to darkness into the Light of your Truth. I ask that everything that pertains to me that is inhuman – that it will now be separated from my humanity. I submit every clone of myself as well as every part – known or unknown, visible or invisible under Your Kingdom.

Father, I know and believe that every Scripture is God breathed. I know and understand that every account written in the Bible are reflections of my spiritual walk and that of my generations. Father, I therefore bring my Genesis story as it is written in my book of life into Your court.

My Eden story

In the name of Yeshua, I acknowledge, that I was brought forth in [a state of] iniquity; my mother was sinful who conceived me [and I too am sinful]. I know that You desire truth in the inner being; make me therefore to know wisdom in my inmost heart. (Ps 51) Father, you created man, in Eden, from the dust of the earth – designed in and according to Your image and likeness. In like manner, I have been knitted together in my Eden – my mother's womb. I repent and take full responsibility that my Eden was filled with darkness because of our generational sin, transgression and iniquity

Father, when I left Your presence in heaven, I knew that I had the commission to be and represent Your Bride on earth. You created me without spot and blemish.

Father, I now know that Satan could not wait to usurp Your plans and that he copies everything You have planned and purposed to build His counterfeit Kingdom. Father, as per my understanding – Satan, masquerading as Christ – being the Anti-Christ – presented himself to my core at the time of conception. Father, I repent and take full responsibility that I had lacked understanding and discernment. I thought that he was Yeshua – and that this covenant with all its promises which he offered me – in my Eden – was linked to You. I repent Father, that I have entered into marriage with the Anti-Christ on Core level. I repent that I have received from him his offices, domains, rights, birthrights, thrones, honour and privileges associated with his kingdoms and domains in the second heaven and in the deep regions of the earth. In the name of Yeshua I

choose to give all of this up. I choose to hand back every single mark, dedication, honour, assignment, ranking, thrones, sceptres, rings, cloaks, powers, magic, guardians, guards and protectors and everything else pertaining to what I received as a bridal exchange. I take full responsibility of every trade and payment which was made generationally by myself, or on my behalf, to enforce and/or legalize this transaction and the delusional state of lies that protects it.

In the name of Yeshua I take full responsibility of the shattering and devastation this has brought onto my core. In the name of Yeshua I repent and understand that this covenant with Satan has caused dark cult clones of my core to form and these now shield my true, light core – causing me to live a double life, a double call, a double destiny - as dark bride. Father, I repent that this has been going on for generations and has become the norm. I also repent that religion and tradition has kept this hidden for generations. In the name of Yeshua I ask that You would remove these blinding structures from my spiritual senses so that the Truth can reach me and set me free.

Trading my light core for a dark core

In Genesis 3, I read about the curse of sorrow on conception which is a direct result of this contamination and defilement of Eden. Father, my generations and I, have been removed from Your presence – and are in hiding. We did exactly what Adam and Eve did in Eden. Father, this union with Satan, in our Eden, have caused us to be separated from your presence – to be scared of you and to be ashamed. I repent that a trade took place – hiding my light core and empowering our dark generational core to come forward. In the name of Yeshua I take full responsibility that this was possible because of the sins, transgressions and iniquities of my generations. I repent of every spiritual city which was created generationally, through our dark thoughts, dark will choices and dark imaginations. I repent that we have created a city of lust

through our sins, imaginations and marriage to Satan. When the covenant with Satan was made the purity of my core was taken hostage to this generational sex city; and in its stead, the dark core clones of lust and physical pleasures took over. Father, help me, I am under constant guard protected by my marriage covenant with Satan.

Father, this is just one of many shields under which we I am trapped. In the name of Yeshua I repent, that when the realisation struck of what I have done I have become terrified and ashamed. I understand that shields of shame, rejection, abandonment, distrust, failure and worthlessness have covered my true core – just like the fig leaves hid Adam and Eve's nakedness. There are many of these shields that hide my true core – the image and likeness of You in me. I pray that the Light of your truth will reveal these to me so that I can repent.

I repent and take full responsibility that we have traded Your life in us for death, your promises and truth for lies and that we have entered into a deep covenant on core level with the Anti-Christ. I repent that a dark core was created and out of it dark generational clones stepped forward of rebellion, hatred, revenge, bitterness, disobedience, lust, self-reliance and so many others - now living on my behalf.

In the name of Yeshua I repent and take full responsibility for the dark thought patterns of my generations. I repent that every dark thought, imagination and emotion have built cities or domains in the spirit which are the habitation of these dark clones. I take full responsibility for the sins, transgressions and iniquities which I have done – making me a loyal citizen of these dark spiritual cities. In the name of Yeshua I also take responsibility for the defiled dark structures which I have built in these cities – these are the belief systems and thought patterns that govern my life in these cities. I

denounce and renounce each of these defiled structures which warp and obscure the true knowledge of You and your Kingdom understanding, inside of me.

Breaking the dark covenants

In the name of Yeshua I bring every ungodly covenant with their three-fold chords and seals between Adam, Eve and Lucifer, (Satan, the Snake, the Dragon, the Beast, the Anti-Christ or any other representation of himself or his dark kingdom workers) - that is in me as picture or symbol of this trade - under the blood of the Lamb.

In the name of Yeshua I also bring every generational three-fold covenant between myself, Lucifer, Satan, the Snake, the Dragon, the Beast, the Anti-Christ or any other representation of himself or his dark kingdom workers, including Nephilim, animal spirits, cosmic beings, familial spirits, manipulated life forms or structures, elemental spirits and any other ungodly powers under the blood of the Lamb. deadlock which hold this shield in place, generationally. Your Word further states that You have come to set the captives free! I ask now that through the Power of your Word, the blood of the Lamb and the witness of my baptism with water and fire that You will remove me from under this dark clone shield. of our scrolls, offices, birthrights, mantels, land, identity and all clocks – pertaining to our timelines and lifelines.

We thank You for times of refreshing, renewing and reviving are now upon us. I drink of the waters of Life and eat of the Manna from heaven. I thank You for finishing that which you have started in me. I thank you that I can now be restored to your image and likeness. I thank you that I will be able to say – let there be light. I therefore ask that this good work which you have done in me will be sealed by the 7 seals of Your Kingdom – never to be broken or tampered with.

I pray the word from Ps 32 over all of my humanity

“How happy and fulfilled are those whose rebellion has been forgiven, those whose sins are covered by blood. How blessed and relieved are those who have confessed their corruption to God! For he wipes their slates clean and removes hypocrisy from their hearts. Before I confessed my sins, I kept it all inside; my dishonesty devastated my inner life, causing my life to be filled with frustration, irrepressible anguish, and misery. The pain never let up, for your hand of conviction was heavy on my heart. My strength was sapped, my inner life dried up like a spiritual drought within my soul. Pause in his presence Then I finally admitted to you all my sins, refusing to hide them any longer. I said, “My life-giving God, I will openly acknowledge my evil actions.” And you forgave me! All at once the guilt of my sin washed away and all my pain disappeared! Pause in his presence This is what I’ve learned through it all: All believers should confess their sins to God; do it every time God has uncovered you in the time of exposing. For if you do this, when sudden storms of life overwhelm, you’ll be kept safe. Lord, you are my secret hiding place, protecting me from

these troubles, surrounding me with songs of gladness! Your joyous shouts of rescue release my breakthrough. Pause in his presence I hear the Lord saying, "I will stay close to you, instructing and guiding you along the pathway for your life. I will advise you along the way and lead you forth with my eyes as your guide. So don't make it difficult; don't be stubborn when I take you where you've not been before. Don't make me tug you and pull you along. Just come with me!" So my conclusion is this: Many are the sorrows and frustrations of those who don't come clean with God. But when you trust in the Lord for forgiveness, his wrap-around love will surround you. So celebrate the goodness of God! He shows this kindness to everyone who is his. Go ahead—shout for joy, all you upright ones who want to please him!"

I pray this in the name of Yeshua.

5. Breaking the stronghold of the fertility cults over my Core.

We are aware that the events of the Garden of Eden between Eve and the snake were far more than the eating of an apple. We know that the nature of the sin that transpired there had to do with the making of covenant – a sexual covenant. We see that the result of this sin included the curse on the womb and between her seed and his seed – and this is not apple seed! But we somehow neglect to see that Adam also partook of this seed – and he also ate (Gen 3:6). He also partook and was included in the punishment for this sin. With these acts of disobedience Satan not only spurned God’s concept of covenant – but he introduced sexual perversion. We see that harlotry, fornication and the birth of fertility cult happened here. We at our Core are all consequently marked as part of this cult.

Prayer:

Father, in the Name of Yeshua and through the blood of the Lamb I stand before You, representing my Core, my body, soul, spirit as well as my bloodline, seedline, timeline and lifeline.

In the Name of Yeshua I also include all parts of me that are stuck behind shields, that are present in the twilight zone or second heaven as well as all parts that are captive in the regions under the earth. In the name of Yeshua I also pray over all copies and or representations or twins of me as well as all parts that are captive under the earth. In the name of Yeshua I also extend this prayer to all parts of me that are present in the waters on or under the earth. Father, I am petitioning that any and all parts of my humanity will be included in this prayer even if they are not aware of me presenting

this case or if they themselves are unable to agree to what I pray today.

In the name of Yeshua I mark all of my humanity and all that is associated with me with the blood of the Lamb. In the name of Yeshua I declare that there will be no repacking, reprisal, restructuring or rebuilding because of what is being prayed today.

Fornication, perversion and harlotry

Father, in the name of Yeshua I repent of the sexual sin, transgressions and iniquities with which I have been marked in my Genesis story. Father, I take full responsibility and repent of the roots and fruit of sexual perversion, uncleanness, fornication, harlotry and prostitution which have marked my Core. Father, I repent for the marker of lust on my Core, blood, seed, brain, heart and cells. I repent Father, for my sexual union with the age-old Snake. I repent for the sexual transactions, rituals and orgies which I have performed like Adam and Eve with the Snake in the garden of Eden. Father, I repent and in the name of Yeshua I ask that this threefold chord – the symbols, covenants, agreements, vows and contracts between my Core and all that pertains to me have made with this ancient snake. In the name of Yeshua I bring all of these under the blood of the Lamb and annul all covenants.

Father, in the name of Yeshua I ask that any part of me that is marked as an Adam or Eve representation on my Core will be divorced from this age-old snake. In the name of Yeshua I choose to give back and place every marriage symbol including the garments and rings under the blood of the Lamb.

Fertility cults

Father, I repent that we have chosen to enter into marriage with the age-old snake. I repent that lust, confusion, greed, doubt and unbelief have prompted us to enter into this marriage union. Father, I repent that we have enticed others in the generations to follow suit – just like Eve prompted Adam. Father, I know that your instructions are a covenant relationship between man and women, but that Satan stands for sexual iniquity. I repent that I am part of the fertility cult harem of Satan. In the name of Yeshua I repent for offering my seed on sexual altars. I repent for partaking in the sexual rituals. I repent for lusting after sexual fulfilment in this manner. Father, I repent that sex, my gender, sexuality and sexual behaviour and appetites have become warped, hidden and perverted on these altars. I repent for the roots of sexual addiction and defilement which marks my seed, blood, Core, brain, heart and cells. Please forgive me. Father, because of this perverted sexual drive we have also had sex with other dark kingdom workers. I repent Father that this has initiated me into the fertility cults of the kingdom of darkness. In the name of Yeshua I break all dark seals and bring all branding under the blood of the Lamb that identifies me as such. I repent Father, for every dark kingdom worker with which I have a generational sexual covenant. I ask that these covenants will be broken between myself any earthly partner, any spiritual partner and Lucifer/Satan. In the name of Yeshua I give up the counterfeit promises that my descendants will be as many as the sand of the sea and the stars in the heavens. I repent that this has been my motivation for offering my seed. I connect my seed and generations to Your covenantal promises given to Abraham. In the name of Yeshua I unhook my Core from these stars and soil.

Father, I repent for every sexual transaction and solution we sought because we did not want to wait on You and did not believe steadfastly on your promises. Father, I repent for every sexual covenant that we entered into with Hagar to produce Ishmaels and not Isaacs. In the name of Yeshua I bring these dark kingdom children under the blood of the Lamb. I ask Father, that the legacy and inheritance of these Hagar's and Ismaels will be stripped from my Core, brain, blood, seed, heart and cells. In the name of Yeshua

I ask that all of me will be stripped and cut loose from both sides from the wombs of Hagar and the Ismaels that followed.

My brain as a dark womb

Father, Your Word says that we have to take every thought captive into Your obedience. Father, in the name of Yeshua I bring my brain – as a dark womb before You. I repent and take full responsibility for every dark thought and imagination that grew as a dark seed in my mind. Father, I repent that my brain has been under constant strain and attack because of this. In the name of Yeshua I ask that the womb of my brain and its waters will be washed by the blood of the Lamb. In the name of Yeshua I ask that my brain can be disconnected from the defiled dark outer layer – which is like the placenta of the brain. Please strip the dark deposits of this placenta from the cells, tissue, water and structures of my brain. In the name of Yeshua I bring every dark umbilical cord connecting my brain to the second heaven or the regions under the earth, under the blood of the Lamb. In the name of Yeshua ask for the restoration of a Godly placenta and umbilical cord to my brain.

In the name of Yeshua I repent that my brain has also become an altar. I repent of sacrificing Your good plans and purposes on the altars of doubt, fear, unbelief, sorrow, grief, lack, hate, rebellion and so much more. In the name of Yeshua I repent of the abortion of every Godly seed in my brain. Please forgive me for killing and trading my true light Core for the dark one. In the name of Yeshua I break these dark cycles of killing, stealing and destroying over my brain. In the name of Yeshua I also bring the blood of the Lamb to quench the false fires of torment and death over my brain. In the name of Yeshua I ask that all dark mantels, shields and structures will be removed from my brain.

Father, I apply the oil of healing and the blood of the Lamb over every inflamed part of my brain and speak restoration! In the name of Yeshua I ask that my brain will be connected with an umbilical cord to the mind of Christ. I speak downloads of peace, rest and order over my brain. In the name of Yeshua I bless the brain chemicals, fluids and structures to be restored to the Kingdom imprint as it was given in heaven. I bring every fire of inflammation, torment and confusion under the blood of the Lamb.

Cleansing the waters of the wombs

Father, in the name of Yeshua I ask that every imprint or deposit of sexual activities in the waters on the earth or under the earth, on my Core, in my brain, sexual organs and cells will be cleansed by the blood of the Lamb. In the name of Yeshua I flood the waters with the blood of the Lamb washing out all sexual seed, debris, structure, store house, cave, container, scroll, mermaid, merman and spirit. In the name of Yeshua I break the covenants that I have with water spirits, Neptune, mermaid, mermen or any other applicable. In the name of Yeshua I file for a divorce from these in Your heavenly Court. In the name of Yeshua I break the water seals and cut all three-fold cords between myself, other humans, spiritual entities and Satan/Lucifer. In the name of Yeshua I choose to give up the power, rights, privileges and adaptability to operate and live under the waters. In the name of Yeshua I silence their call and summons to their altars and rituals that are on the waters. In the name of Yeshua I ask that every sexual altar under or in the waters will be utterly destroy, the circles broken, the candles blown out and the fires extinguished. In the name of Yeshua I ask that any part of me that are still active on these altars will be removed now and brought into the safety of the Father's heart. Father, where seeds of sexual desire and lust are stored in the waters of my brain, I ask that this whole storehouse be stripped of its generational deposits.

In the name of Yeshua I ask that all soul copies, sexual partners, pictures, imprints and generational experiences will be stripped from the store houses of my Core, brain, heart and cells. I declare that I am no longer connected to the dark waters of these sexual wombs. In the name of Yeshua I ask that the umbilical cords with the sexual wombs and its waters will now be cut on both sides between myself and all applicable. In the name of Yeshua I declare that I will no longer be fed by these. In the name of Yeshua I declare that no part of my brain – and specifically the penial gland – is no longer a sexual womb. I dedicate my brain as a holy womb for Godly thoughts and memories to YHVH.

Healing and deliverance

In the name of Yeshua I give up and strip all parts of me from all mantels, shoes, commissions, scrolls and weapons associated with my Core's involvement with the fertility cult. I also strip my heart, brain and cells from these.

In the name of Yeshua I come and I mark my brain, heart, cells, seed and blood with the blood of the Lamb. I baptise all of these with the waters of life and the fire of His presence.

In the name of Yeshua I give up the hierarchy and inheritance associated with the fertility cults. Through the blood of the Lamb I cut my Core loose from these and from Satan/Lucifer residing over it.

Father, in the name of Yeshua I ask that every snake (egg, baby snake) that is appointed to oversee my harm, torture, death, killing, stealing and destroying is now bound and brought under the blood of the Lamb. In the name of Yeshua I ask that the snakes that guard the accident and trauma memories in our Core, brain, heart and cells are now bound and removed from their hiding places. In the name of Yeshua I declare that no snake is to be a watchman on

my walls. Father, fill me with your fire so that I am aglow with zeal. I declare that I am not the habitat for the age-old snake and all its off spring.

In the name of Yeshua and on behalf of my dark fertility, cult-aligned Core, I choose to divorce every counterfeit representation of spiritual growth, enlightenment, prosperity and fertility.

In the name of Yeshua I ask for a divorce between my Core, brain, blood, seed, heart and cells and all

- wandering spirits (those without permanent abode) with their dark works, assignments, destinies, heritage, inheritances, clocks, umbilical cords and wombs
- wandering DID's
- ancient spirits and souls
- dark mirrors with their dark projections, images and imprints
- age-old serpents and their double callings and destinies
- dark twins attached to or associated with my Core, brain, heart, cells, blood and seed.
- 666 dirty identities, altars, assignments and works
- dark double twins of and on my Core
- false armours of light, righteousness and the counterfeit armour of Ephesians 6. I ask that these be stripped from my Core, brain, heart, cells, blood and seed.
- dark emotions and their wombs of worry, stress, fear, anxiety, uncleanness, dreams, imaginations, guilt, shame, pain, crying, hurt, accidents, weakness, disabilities, diseases, madness, confusion, suffering, conditions and prognoses.
- Mantels, shields and clones with their dark cherubim and guards.
- Age-old snakes associated with false religions and belief-systems

- Judas', the false Lambs, dark broken reeds, cult bondservant, Klu klax klan and other secret societies and fraternities.
- Revenge wombs and that which involves witchcraft including all dark religion rankings, positions and offices, spirits, pots, potions, family chests, pronouncements
- Age-old sex, molestation, rape, lust snakes
- Riddles and mysteries
- Recluses and their heritages, bloodlines and seedlines
- blockages, frames, torturing devices and altars
- Associated with Pharmakeia
- Dark sounds and vibrations
- Bats and dark messengers
- Dark schools and training programmes
- That marks me as a slave and bondage
- False five-fold ministry offices

In the name of Yeshua I divorce and cancel every associated curse of every false womb, counterfeit Jesus, anti-Christ spirit, dark double anointing that is associated with my Core.

In the name of Yeshua I disconnect my Core from the umbilical cords of any ancient spirit, familiar spirit, ancestral spirit, soul copy, medium and any dark womb associated with my family line, timeline and life line. Father in the name of Yeshua I also ask to be cut loose from the umbilical cords of any and all mothering spirits and entities as well as all mothers and care givers appointed over me - alongside or instead of my own Mother.

In the name of Yeshua I break all seals of shame, guilt and woundedness. I ask that the dark shields of protection with their assignments and weapons will be removed so that our Core that is in hiding can be found and brought into the Light of Your presence.

In the name of Yeshua I ask that our Core will be stripped from every counterfeit identification in the spirit. In the name of Yeshua and through the blood of the Lamb I ask for the removal of every dark kingdom characteristic that are attached to our Core including being ill, weak, lame, disabled and crazy, being accident prone, a victim, a whore, worthless and hated. I cast all these down and ask the earth to swallow these.

In the name of Yeshua I ask for the blueprint of my sexuality to be restored to my Core. I ask that every twisted idea, identity and cultural perspective – all that is not in line with the Word will be stripped from my dark core.

In the name of Yeshua I renounce every dedication done through a death, sex or other ritual. I renounce the belief that my spinal cord can metamorphose into a snake after death. In the name of Yeshua I ask that every snake present or guarding my Core, spirit, soul, body, brain, heart and cells will be removed through the fire of God.

Removing the dark clamps from our spiritual umbilical cords

Father, as your children we are supposed to be connected to Yeshua as our source of Life. We repent that we have become disconnected from Your heart, Your kingdom and Your presence. Father, we repent that our umbilical cord of life has been clamped and blocked through our sins, transgressions and iniquities. Just like Adam and Eve, we have been locked-out of your garden, your visits and your presence. Father, we desire to be able to once again meet with You, under the tree of Life. In the name of Yeshua I bring all lock-out, loss of intimacy curses, associated with Eden, under the blood of the Lamb. Father, the enemy comes to kill, steal and destroy and have therefore strategized so that I won't ever experience your presence and abundance of life. Father, I bring every clamp, every structure keeping me disconnected from Your

heart and mind under the blood of the Lamb. I repent and take full responsibility for each of these curses clamping down on my spirit, soul, body, blood, seed, brain, heart, Core and cells. I acknowledge that these block Your provision, Your love and blessings in my life. Through the blood of the Lamb I ask that the clamps – blocking the flow of life will be removed. Father, I also bring every clamp on every dark seal before You and ask that this double layer protecting and keeping the curses in place over my cells, brain, heart, spirit, soul and body will be brought under the blood of the Lamb.

Restoring intimacy with You

Father, I bring into the court the day of my rebirth. It is written in John 3:3 *I assure you, most solemnly I tell you, that unless a person is born again (anew, from above) he cannot ever see (know, be acquainted with, and experience) the kingdom of God.* Your Word further states in 1 Peter 1:23 *that we have been regenerated (born again) not from a mortal origin (seed, sperm) but from one that is immortal by the ever living and lasting Word of God.* Father, may this free will choice of mine to be born again – to be born anew -

with its prophetic meaning and spiritual testimony resound in the spirit and testify on my behalf. I am therefore born of You. I am Your son - connected to You as life force.

Father, on the basis of this rebirth I thank you for disconnecting me from any other umbilical cord, womb, clamp, placenta and parental spirits. – I am Yours. I ask to be grafted into Yeshua, as the tree of life, as my umbilical cord of life through which I am nurtured, taught, blessed and protected.

Father, it is the desire of our hearts to be restored to the place of intimacy with You in the garden. Please restore us to our original design.

Father, grant us the gift of living everyday in your presence. We ask that Your face will shine on us again and that Your peace and love will mark all that pertains to us. Please heal our broken chords through the blood of the Lamb. Bind us together in Love, we pray.

In the name of Yeshua I cancel every death, crazy, sorrow and harm ritual and curse (as well as others applicable) – utterly destroying the associated altars, rituals and sacrifices.

I choose to give up the protection, care, rights and privileges associated with being married to the age-old snake and all other dark kingdom workers.

Father, in the name of Yeshua I ask that my umbilical cord with You and Your kingdom will be restored.

In the name of Yeshua I ask that the dark ark of the covenant will be removed from my brain. I ask that the arcing of vibrations, sounds, sins, transgressions, iniquities and programming will be shut down between the dark cherubim standing over the false ark. In the name of Yeshua I ask that every replica of the dark ark will be removed from my spirit, soul body, heart, brain, blood, seed, cells,

second heaven position as well as its position under the earth. In the name of Yeshua I ask that my Core be removed from its presence at these false arks. In the name of Yeshua, I ask the earth to swallow all false arks and to release the true ark of YHVH. In the name of Yeshua I anchor my Core to this true ark.

Please restore to me the intimacy and safety of the true, light ark of the Covenant.

In the name of Yeshua I divorce every other dark Core associated or appointed over me – specifically the dark cores of my generations. In the name of Yeshua I ask for a separation of every dark core and umbilical cord binding me to my parents, spouse or children. I also extend this to every person or entity I have been dedicated to, was in covenant with or entered into a contract with. In the name of Yeshua I divorce our dark hierarchy Core, the family inheritance Core with all its associated curses. I curse these to their very roots.

In the name of Yeshua I give up the false covering and protection of the dark wombs over my Core and all that pertains to me. In the name of Yeshua I also give up the familiarity and ‘safety’ of these dark wombs. Father, in the name of Yeshua I flood these wombs with the light of Your truth which will set us free. In the name of Yeshua I ask the earth to swallow the dark wombs, dark placentas and dark umbilical cords. In the name of Yeshua I ask that every placenta and umbilical cord associated with my time and life on earth or in the spirit which are present on an altar or in use by the kingdom of darkness, will be removed. In the name of Yeshua I bring every buried placenta or umbilical cord under the blood of the Lamb.

In the name of Yeshua I disconnect my Core from every cosmic and Earth womb and umbilical cord.

In the name of Yeshua I bring my dark Core before You, for redemption and healing.

In the name of Yeshua I cut every umbilical cord on both sides and declare that I am no longer being fed and nurtured by these.

In the name of Yeshua I ask that every altar will now be utterly destroyed, the circle around these altars broken and the sounds of magic and witchcraft be silenced by the blood of the Lamb. In the name of Yeshua I now blow out all candles and ask that the imprint of these altars in all time, space and dimension will be brought under the blood of the Lamb. In the name of Yeshua I ask the earth to swallow all of these and to release the generational altars of covenant.

In the name of Yeshua I place a seal of the blood of the Lamb on all drains and portals declaring them locked. Father, please place your watchmen over these drains and portals that nothing of the underworld or twilight zone will be able to find their way to me or my generations ever again.

In the name of Yeshua I dedicate my spinal cord to YHVH, sanctifying it through the blood of the Lamb. In the name of Yeshua I declare that my spinal cord and brain is not the dwelling place of the kundalini snake. I bring the fire of Your Kingdom against this snake and declare that it will no longer live and move and have its being in me or my generations. Father, please remove all snakes from my Core, spirit, soul, body, brain, heart, cells, blood and seed. Fill me with Your precious Holy Spirit, I pray.

Father, in the name of Yeshua I repent, I am the dark representation of my dark Core. I repent that this dark copy operates more than my light core. I repent for producing dark seed. I bring my seed and blood in submission to the Kingdom of Light.

I give up the commission to produce and serve the dark kingdom altars with my seed and blood. Earth, please swallow these.

In the name of Yeshua I break the generational circle of the fertility cult over my brain, heart, seed, blood and cells. My womb is not a dark fertility breeding instrument. I therefore bring all children born from this womb under the blood of the Lamb. In the name of Yeshua I ask that the earth will release my brain and will swallow the dark counterfeit brain.

Earth, earth I repent for defiling you with my sins, transgressions and iniquities. In the name of Yeshua I ask Earth, that You would swallow the shields, altars, works, calendars, agendas and all else associated with the dark Core and that You will release my light Core, light mantels, light scrolls.

In the name of Yeshua I now ask to be disconnected from the dark trees associated with my petition today. In the name of Yeshua I curse the seeds and roots and declare that we will never eat of you again. I ask that every part of my Core will be removed from the tree, that all soul copies, recluse and wandering spirits and souls attached to this tree will be removed from me. In the name of Yeshua I declare I am now disconnected from the second heaven and the regions under the earth. I am now being grafted into the tree of life.

In the name of Yeshua I ask the earth to swallow this dark tree and to release the seed and plantations of life and truth in my generations.

In the name of Yeshua, I pray

6. Core of death prayer

In life there are basically two forces at play – life and death. Our lives can therefore be rooted in either of these sources. If our Core is connected to death – that will be our portion. God’s design was for us to be connected to the tree of Life, being fed by the bread of life and drinking from the fountain of life.

Father, I come before You in the Name of Yeshua and through the blood of the Lamb. Father, I ask that it will be recorded that I desire to live in your House, every day of my life. I thank You for the blood of the Lamb. I thank you for the torn veil and the privilege to come boldly into the throne room of grace. I thank You for You truly are the Alpha and the Omega – the One that Was, that Is and Is to come. I thank You that You are the only One that knows the end from the beginning. Father, In the name of Yeshua I ask for spiritual camouflage as I pray, today. I ask that everything that pertains to me will be covered and hidden by the Blood of the Lamb and the presence of Yeshua. In the name of Yeshua I hide all of my being and all that pertains to me in the strong tower of Your Names.

Father, there are so many records of my wrong decisions, my own self will, my rebellion and iniquity testifying against me. I repent of every record of my generations and I choosing death instead of life. Father, I am guilty on all of these accounts. In the name of Yeshua I ask that the blood of the Lamb will testify on my behalf. I ask that every prayer that has been prayed and uttered on my behalf – as well as that of my bloodline and seedline – will resound in the courts. Father, I ask that every prayer from the great cloud of witnesses as well as that of Yeshua who intercedes on my behalf will be heard. Father, I ask that every groaning of the Holy Spirit which is uttered on my behalf will be heard in the court today. I

thank each One of these witnesses, blessed and privileged am I to enter into Your courts with praise and thanks giving.

Father, today I ask that You would compare the Chronicles of my life – the books that You have written about Your plans for me – and that of the Chronicles of death – the chapters bearing the consequences of my iniquity - which are testifying against me.

7 seals of Genesis and Revelation

Father, I call on Your Name as the Alpha and the Omega, the Creator of Heaven and Earth. In the name of Yeshua I bring my Genesis story before Your courts. I ask that every Godly seal and order, design, structure and frame of the 7 days of Creation will be restored to me. I ask this for my spiritual, physical and emotional environments, design and forming in all time, space and dimension. Father, I ask that every counterfeit, dark, tainted, twisted and contaminated aspect of the seven days of creation as it pertains to my beginning, blood, seed, epigenetics, life and time will be brought under the blood of the Lamb. I ask that every dark counterfeit copy, their structures, frames, imprints and altering of any aspect of the 7 days will be utterly destroyed today. In the name of Yeshua I ask that the seven-fold counterfeit seals of the dark kingdom present in my Creation story, will be broken. Father, in the name of Yeshua I ask that the 7 calamities as mentioned in the book of Revelation will be removed from me. In the name of Yeshua I ask that the forming of my being be supervised by the Holy Spirit, Father and the Word, which became flesh. I declare that the only light source will be the true light of Your Kingdom. In the name of Yeshua I repent for being confused, mesmerised and blinded by the false light of the kingdom of darkness. Father, In the name of Yeshua I unhook my eyes from every source of false light and its effect on my spirit, soul and body which were introduced at the beginning of my Creation story. Please remove the blinding effect from my eyes. Father, in Genesis

You spoke, you created and You declared it was good. Please restore this Godly order and approval to me.

First imprint of death

Father, I repent for every mark of death which is upon me and all that pertains to me because of the presence and plans of the dark kingdom in my creation story. I repent for every choice of death which I have made – generationally and personally. Father, I cry out to You to free me from the many layers of death with their seals. Father, I repent for every layer of death which are linked to my sins, transgressions, iniquities, choices, rebellion, deeds, words, thoughts and actions. Father, I know that death is present in so many layers in my DNA, RNA, Blood, epigenetics, memory banks, bone marrow, lifeline, timeline and seedline. I am petitioning You for a removal of all these layers, imprints and structures on my humanity – starting with the first imprint of death on my Core.

Father, I address You now as the Righteous Judge of All Ages. I present the first seed and root – the first imprint of death inside of me, before your Court. In the name of Yeshua I ask that my Advocate and Councillor will help me to present my case where I am lacking in understanding. Father, death has entered the very Core of me in my Eden creation story. Father, in Gen 2, I read that whoever eats of and touches the tree of the knowledge of good and evil will surely die.

This word 'die' as used here means to kill, to die, to die as a penalty, to be put to death, to perish and to die prematurely by neglect of wise moral conduct. Father, me and my generations have eaten the fruit of all these implications of death. I bring all these records and the wounds they caused under the blood of the Lamb.

Father, I repent of my disobedience, rebellion and arrogance. I repent of eating of this tree of which You commanded me not to eat.

We are guilty of touching, taking and lusting after the promises of being as gods and the discerning of good and evil which is associated with this tree. Father, we too have surely died. Father, I repent and acknowledge that the mark of death is in and on me. I repent and take full responsibility that death has marked my Core.

Father, your Word says in Ps 51:5 that we were shaped in iniquity and in sin we were conceived. Father, I bring this twisting, the dancing and or writhing in pain, the perversion, grief, sorrow, trembling and woundedness of my Creation story and my Core, before You. I repent of the presence and nature of evil and its crooked perversity in the very Core of my being before You. In the name of Yeshua I bring the moment which I have left Your hand, the time, space and dimension before Conception, the time of my Conception, the time of development in the womb, my birth as well as timeline and lifeline in spirit, soul and body before You. I repent that my Creation and that of my generations are marked and altered by iniquity and sin. Father, I understand that the wages of sin is death. Father, I repent that my very Core is marked by death. I repent of the sin – the crimes, penalty, grievous offences which marks me. Father, I repent and acknowledge that my birth is in fact a death ritual. I repent that the defiled wombs, our Edens of conception and birth - are the death altars on which we were born. I acknowledge that as we entered our timeline and started our Creation story on earth, that life was traded for death. Father, I repent that there is not only one death altar present in my timeline, lifeline, blood and seed. No, Father, since my conception and birth I have been marked by death, death experiences, death assignments, death wounds, and death rituals over and over again. In the name of Yeshua I bring each of these subsequent altars – and their connection with one another – under the blood of the Lamb. Father, I ask that Your mercy and grace will extend over me. In the name of Yeshua I ask that every one of these death altars,

their connections and their rituals will be shut down and utterly destroyed. Father, connected to each of these death altars are a lot of trauma and pain. Father, I choose to bring these under the blood of the Lamb – I place my wounds in the wounds of Yeshua for healing and restoration. Father, I declare that my wounds are no longer the source of power, torture and a feeding ground for the workers of iniquity, death, destruction and darkness. In the name of Yeshua, I break the triangle between myself, Satan and any dark kingdom worker that protects and strengthens the covenant of death in my life. In the name of Yeshua I ask for an annulment of every covenant which I hold - personally or generationally with death, death workers and or the regions of death. In the name of Yeshua I break every three-fold chord, shield, agreement, vow and blood mark.

Father, I also ask that every counter curse, booby trap, live wire, bomb, trigger. Curse, sickness, disease, disability or device which are set to go off should any one in the generations try to break down these death altars - will now be declared ineffective and null and void to all that pertains to me. I thank You that Your angels will go over my life, time, seed, blood, spirit, soul, body, epigenetics, family and history and will mark us with the safety of the blood of the Lamb.

Father, there were so many instances where my blood was required to service the altars. Father, I repent and ask in the name of Yeshua that these blood rituals, blood sacrifices and offers will be stopped in me and from my generations. I ask that where any blood is still crying out that its sounds and vibrations on the earth or in any blood bank will be silenced through the blood of the Lamb. I mark every supply of my blood with the blood of the Lamb.

Father, I bring this very first altar, this very first introduction of death – and the absence of Your presence before Your court. I repent

Father, for being the sacrifice of death on this dark kingdom altar. Father, I ask that the circle of the generations and dark kingdom workers around this altar will be broken. Father, in the name of Yeshua I repent of my blood which is present on this altar. I repent and take full responsibility that my blood had to atone and service this altar. In the name of Yeshua I thank You, Father, for providing a Lamb. In the name of Yeshua I ask that my humanity and the associated generational claim will be removed from this altar, as I apply the blood of the Lamb. In the name of Yeshua I repent of the death rituals and their chants, offerings and sacrifices that bear testimony against me in the heavens and on the earth.

Father, in the name of Yeshua I ask that the curse of 'you will surely die' will be brought under the blood of the Lamb. In the name of Yeshua we trade for a blessing of surely live – life in abundance.

Father, You intended my Creation story to testify of life and life in abundance. Father, I repent of the sound of death, killing, steeling and destroying which are heard through out the earth. I silence this sound in the name of Yeshua.

Two kingdoms

Father, I take full responsibility that death has split my Core. I take full responsibility that my Core now contains two characters and two kingdoms. I repent that both life and death are present in my Core. Father, I repent of being a house divided and therefore I am unstable in all of my ways. Father, please help me. My Core which represents Your life – Your image and likeness - is missing or are held hostage somewhere. Father, it is even possible that my Core has returned to You – unable to face the pain and defilement of the generational iniquity altars it was confronted with. Father, in the name of Yeshua I ask that Your light will find my Core. It is the desire of my heart to be made whole. I repent for every death

choice – instead of life choices - which are still testifying against me and my generations. I bring each of these death choices under the blood of the Lamb. Father, let it be written – I choose life.

Father, I specifically ask that my Core will be found by the Light of your Truth where it is present in the twilight Zone. Father, I ask that the gap in time between light and darkness – the time of dawn and dusk as well as the time around midnight – will be marked by the blood of the Lamb. Father, I ask that Your light will penetrate this twilight zone, I ask that all the workers of iniquity – whether human or spiritual – will be exposed. In the name of Yeshua I ask that my Core will be rescued from this zone and be brought into current time, on earth. In the name of Yeshua I loosen my Core from the time zone traps, chains, prisons and snares of the twilight zone, outer darkness as well as the regions and kingdoms of death in the second heaven and under the earth. In the name of Yeshua I ask the earth to swallow every one of these defiled death time devices.

Father, I repent where my choosing death and the rejection of my timeline and lifeline and my self-hatred have enabled the kingdom of darkness to remove my life Core from current time.

Father, in the name of Yeshua I repent that this defilement – the iniquity in my Core has caused me to be born without identity or name. Father, I repent that I was therefore like a blank slate – open to suggestions – to the kingdom of darkness. Father, in the name of Yeshua I ask for my stolen Kingdom identity to be restored to me as You restore my Core. Father, I repent for accepting and agreeing to the identity which the kingdom of darkness has bestowed upon me. I break the triangle of agreement between myself, my false identity and Lucifer in the name of Yeshua. I ask that the three -fold chord of my image and likeness of YHVH, Yeshua and Holy Spirit will be restored to me. Father, Your Son has overcome death and the grave. On behalf of every part of me that is unable to choose I ask

that the Cross and the Resurrection power of Christ, which also bears witness in my being baptised will bring me out of the grave. I mark the time of my Creation story with the finished work of the Cross. Father, in the name of Yeshua I call my Lazarus – the light representation of my Core in the grave, forth. Please clothe me with Righteousness and the armour of light. Let the blood of the Lamb mark me as a blood bought Son of the Most High God.

In the name of Yeshua I ask that my spiritual senses which are marked with death will be cleared, washed and restored. Father, in every instance where we have chosen to turn a blind eye I ask that our spiritual and physical sight will be restored to us. Please remove the blindfolds from our spirit, soul and bodies.

Two sons – Cain and Abel

Father, in the name of Yeshua I bring the life and death presentations in my Core as my Cain and Abel before You. Father, I take full responsibility for being both of these sons of Adam in the spirit. Father, I repent for my evil Cain character. I repent that Cain have killed Abel – the righteous breath in me. I repent that the blood of Abel carries witness against me in the spirit. Through the blood of the Lamb, I silence the sound of the blood of my Abel in the earth.

In the name of Yeshua, I ask that Cain with his weapons will be disarmed. In the name of Yeshua I silence every disrespectful dark kingdom offering which my dark Core – as a representation of Cain – have offered. In the name of Yeshua I ask that my Abel – my Light life Core - will be removed from the generational altar of death. Father I repent of the roots or character traits of Cain - the anger, indignance, sadness and depression which my blood, seed and epigenetics are marked with. I bring these under the blood of the Lamb.

In the name of Yeshua I mark every door in my spirit, soul and body with the blood of the Lamb and declare that sin is no longer a welcome guest. I bring every desire to sin under the blood of the Lamb and in the name of Yeshua I cut the umbilical chord of sin, transgression and iniquity. I declare that I am no longer unable to master my sinful nature. I bring my sin nature under the blood of the Lamb and break every three-fold triad that keeps it enforced in my life. In the name of Yeshua I ask that the control bonds of sin, transgression and iniquity are now being cut – its desire for me will never again be satisfied from any part or any thing that pertains to me. In the name of Yeshua I declare that I am free from the law of sin and death. I am now under a new law the law of the spirit of life.

In the name of Yeshua I break the covenant between myself, my evil nature and the Evil one. In the name of Yeshua I ask that the earth will swallow up these iniquitous deeds, words and evidence against my humanity. And in the name of Yeshua I ask that the righteousness of my Abel will be released to me and my generations. In the name of Yeshua I declare that we are no longer fugitives and degraded outcasts. Earth, in the name of Yeshua, I break the blood seal and curse associated with Cain on the earth, I speak to you – release us from your prisons and death regions. In the name of Yeshua I ask to be restored to the intimate presence of God. Father, I want to be able to see you Face, to face.

Father, in the name of Yeshua I cry out for mercy. Just as with Cain in Gen 4 I ask that the mark on my Cain will be a signal of protection. Lord, please help my Cain. In the name of Yeshua I choose to forgive my Cain for the death plans and purposes which were enforced against my Abel.

Father, in the name of Yeshua I bring the Cain legacy, inheritance and heritage under the blood of the Lamb. Father, please restore to us righteous brotherhood. Please enable us to once again call upon

your name. I bring the Cain, Abel and Seth bloodlines, seedline, inheritance and heritage under the blood of the Lamb.

Father, please restore my Abel – my righteous breath to me. In the name of Yeshua and through the blood of the Lamb, I choose to embrace my brokenness. I bring every part of my broken story into heaven in order to be marked by Your light, truth and resurrection power. Let my brokenness bring Your great glory, my King.

The city of Babylon (Rev 18)

Father, I repent and take full responsibility that instead of living in Eden we have gone forth and build ourselves a Babylon. I repent Father, and take full responsibility for this city of confusion which we have made our spiritual house. Father, I repent that we did not desire Your new Jerusalem. I repent that we did not wait for Your Zion to be established in us. Father, Babylon with its foundation stones of confusion, pride and rebellion has become the spiritual dwelling place of my dark core. I repent. In the name of Yeshua I repent of every devil, foul spirit and unclean and hateful animals that also dwells in this city. Father, in the name of Yeshua I ask to be rescued from this dark place. I choose to give up my citizenship. Father, I repent that I am a partaker of the sin of this city. I repent that I have received her plagues of death, famine and fire and therefore wounded. Father, please remove me and judge this dark city with Your fire and Truth. In the name of Yeshua I give up my position and status as a king, queen and merchant of Babylon.

I repent that the records of my iniquities are before You and have reached the heavens. I am guilty. I repent of defiling the earth with my idolatry, self-enrichment and self-focus, my unlawful lusts and harlotry. Please forgive me. I also repent of defiling the earth by chasing after and being blinded by worldly riches, wealth, luxury and abundance. I give all of these up, in the name of Yeshua.

Father, I repent of my denial which blinded me so that I remained unaware of this structure of Babylon in and around me. In the name of Yeshua I ask to be loosened from the sorceries and deceptions of this city. I repent for being drunk with the wine of this city's passion. I repent for my fornication, slaughter and sacrifices which I brought to the temples and high places of the gods of this city. Please forgive me. In the name of Yeshua I choose to give that up which marks me as a god – as it was written in Gen 2. Father, your Word says that with violence this city shall be brought down – please rescue me – even as Lot was rescued from Sodom and Gomorrah. I repent of the blood of the prophets and the righteous which I have spilled and are testifying against me in the spirit. Please forgive me. In the name of Yeshua I silence the sound of their blood and ask that all records of this blood will be swallowed by the earth.

Father in the name of Yeshua I ask that my Core and any part of me and my generations will be removed from Babylon and that You will utterly destroy it.

Righteous Judgements decreed

Father, I have prayed and asked for a divorce between myself and Lucifer or Satan or any part of or presentation of him and his dark kingdom in the name of Yeshua I ask that I will be marked as the bride of Christ. I thank You that the blood of the Lamb is removing the markings of imperfection – the spots and blemishes from my DNA, RNA, epigenetics, blood and seed. I thank You that my understanding is increasing and that I have been granted to time to repent.

Father, I thank You that Your judgments, condemnations and punishments are true and sound and just and upright. I bring all that pertains to me under the mercy of the blood of the Lamb. Father,

you judge conflict, pronounced sentence and doomed the great and notorious harlot who corrupted and demoralized and poisoned the earth and your people. Father, I repent of worshipping and adoring her. In the name of Yeshua ask that my three-fold covenant between myself, Lucifer /Satan and the harlot will be broken. In the name of Yeshua I ask that all of her that is in me will be removed from my humanity. I choose to give this up. Father, in the name of Yeshua I ask my blood back that is still in her possession.

Father, in the name of Yeshua I choose purity and righteousness and justice. I speak the desire of my heart to be a prepared bride for your Son. Father, in the name of Yeshua I ask to be permitted to dress in fine and radiant linen that signifies and represent the righteousness of Your kingdom. Father, in the name of Yeshua it is my desire to be blessed, happy and to be envied as I too want to be summoned to the marriage supper of the Lamb.

Father, may the rider on the white horse come and may I be a witness to His majestic victory.

Father, in the name of Yeshua I ask that the freedom that Yeshua obtained by defeating death and Satan will be mine. In the name of Yeshua I ask that the tree and river of life as described in Rev 22 will be restored to my Core. In the name of Yeshua I ask that my Core will be connected to the throne of God and to the Lamb. Father, Your Word states that the tree of life are on both sides of the river of life. Father, please restore to me this double presence of the tree of life, with its 12 fruits and leaves with its healing properties. So Father, in the name of Yeshua I ask for the restoration of the river of life in me. I ask that the tree of life will be present on both sides of this river. May its presence be in my spirit, soul and body. May the tree of life be restored to every duality – every left and right organ and laterality in my body. May the tree of life be planted on the right side and the left side of my brain and

heart. In the name of Yeshua I ask that the New Jerusalem, the new heavens and the new earth will be my portion and dwelling place.

In the name of Yeshua I ask that my Creation and Revelation story will be completely anchored in the tree of life. In the name of Yeshua I ask that every wound will be healed and restored. May I be a living example of Your Creation and completion – Your imprint of Alpha and Omega – Your victory of Satan, hell, death and the grave. In the name of Yeshua, Glory and honour be to You – He who is able to save to the uttermost.

So, Father, in the name of Yeshua I ask that the dark cherubim protecting all that I have prayed today, will be removed. In the name of Yeshua I ask that every structure, shield, frame, device, curse and copy will be swallowed up by the earth. I disconnect all of me from every region of captivity and dark kingdom space and dimension in the second heaven and under the earth. In the name of Yeshua I uproot the tree of the knowledge of good and evil and curse its very roots. Earth, earth please swallow this up. In the name of Yeshua I ask that the earth will release the righteous judgments which are declared from the Courts of heaven. Earth, earth bear testimony to all that is marked and restored by the blood of the Lamb.

In the name of Yeshua I pray.

7. Disconnecting from the dark domains of pleasure, pain and death

There are many dwelling places in the spirit. These are often be referred kingdoms, cities, wombs or domains. Each city or domain has its own culture, language, community, friendships, government, laws, likes and dislikes. Three of the most common domains are pleasure, pain and death. In order to live a Kingdom life, we need to give up citizenship of these domains.

Prayer:

Father, I come before you, in the name of Yeshua and through the blood of the Lamb. Father, as I state my case today, I include all of my humanity, as well as my conscious, subconscious and unconscious mind, memory banks, my bloodline, seedline, timeline and lifeline as well as all copies of these present in all time, space and dimension.

Father, I stand before You as an intercessor for all that pertains to me. I come and stand as a watchman on the wall of my family and humanity including and interceding for all those who are unable to pray for themselves. I trust in the power of your blood to keep us safe from all that wants to retaliate and harm us because of our faith and prayer today. In the name of Yeshua I ask that all that's not human will be separated from my humanity and brought under your subjection. I thank you that the kingdom of darkness and all that needs to be silenced will be struck with deafness, dumbness and blindness as I pray today.

On the Cross Yeshua said, 'Father, forgive them for they know not what they are doing.' He said this in connection with death. He repented on their behalf because their understanding of righteousness and justice, authority, choices and deeds surrounding His death was wrapped in darkness, tradition, deception and lies. Father, I take full responsibility for the same lack of understanding of death where it pertains to my life, spirituality, humanity and time on earth. Father, today I pray on behalf of all of my humanity that is unable to pray for themselves because of my condition of pain, trauma, injury, disability, sickness and disease. I bring every label which I carry that identifies me with death and the regions and spirits of death before Your court. Father, I have been marked, generationally and through my personal choices with these labels of death. I repent and take full responsibility for believing these labels and for agreeing to what they signify in the spirit, soul and body. I subject each one of these diagnoses, conditions and symptoms under the scrutiny of your Light and Truth. I pray on behalf of all of my humanity that have aligned with death, that is trapped in death, that has been sold out to death, who has chosen and knows only death. Father, I add my voice to that of your Son's please forgive them for they know not what they are doing.

I repent for every record against me, my bloodline and seedline, that states that we have considered death to be an escape – the end to all of suffering and pain. I repent for every instance where death has become a pathway - the counterfeit copy of Yeshua as the Truth, the Way and the Life. Father I repent for every copy of death which I carry in person, place, time, land, emotion and memory. In the name of Yeshua I expose every death copy in all its formats, shapes and implications under the blood of the Lamb. I ask that these copies and their associated devices will be removed from my humanity with their curses, control bonds and familiar history and belief systems.

Today, I come and in the name of Yeshua I renounce and denounce death as place and spiritual entity as the false truth, way and life inside of me. I repent for understanding death to be the end of all – the solution to all, the escape I need and the answer to my pain and suffering. I repent that my picture and understanding of death has made me to pledge my allegiance to death. In the name of Yeshua and through the blood of the Lamb I break this allegiance.

Father, I repent for every misconception of death that is recorded in our hearts, brains, blood chemicals, seed, blood and generations. I repent Father, for every defiled identification with the death of Yeshua. I repent and take full responsibility for the flipped reality of life and death which is embedded in my belief systems. Your word states in Rom 6 that we are to identify with Christ's death, burial and resurrection. Father, my humanity and belief system got stuck in there – remaining in death and the grave – unable to step into the freedom of the finished work of the cross. I report every device – stumbling block, religious system, belief system blocking my way - before You. The stones are still over my tombs, sealed with my many generational and personal agreements of death – I cannot get out! I repent on behalf of all of my humanity, memories and belief systems that wanted death, covenanted with death, chose death, loved death and identified with death in this manner. I repent for finding comfort and safety in death. I repent for not wanting to come out. In the name of Yeshua I bring as witnesses to this court every prayer offered by Yeshua, our Intercessor, the great cloud of witnesses, the blood, water and crucified body of Yeshua as well as every prayer which was prayed over my bloodline and seedline which state my desire to know my freedom in Christ's resurrection. In the name of Yeshua I bind every lie that keeps me trapped in the state, condition and alliance with death in all its forms and capacity.

I ask that the veil will be torn so that I will be able to see the fullness of the presence of the Most High God

Father, in the name of Yeshua I bring the events where trauma and pain have overwhelmed me before your throne - every instance where death was introduced in my timeline and lifeline I bring before You. Father with this foundational trauma I identified with death. I also repent that I escaped into death – believing and hoping in the release and resolve it would bring. Father, there are many layers of death in which I am covered, please help me. I take full responsibility. In the name of Yeshua I ask that the seals of death over this trauma events will be broken. I repent that my will – my ability to choose is trapped with me in the grave.

Father, I also repent and take full responsibility for every duality inside of me that is marked with death and life. I ask for your light of truth to shine on my inner parts to expose and reveal this duality. Father, I acknowledge where a part of my humanity absorbed the pain, trauma and death in order to help or save the rest of me. Father, I acknowledge that part of me is associated with life or goodness and another with death and toxicity. I repent that the life part hates and detests the death part; keeping it separate in order not to be contaminated by the toxicity and that which I believe concerning death. I acknowledge the self-hatred, fear, denial and anger that keeps the life and death parts of my humanity separated. I repent of every inner vow, stronghold and device which was placed in me by myself or any other in order to keep this duality in place. I repent of every curse which the life part of my humanity has placed on the death part of me. I repent of these internal death curses which seal and associate me with death and the grave. I repent that these seals are on my heart, brain, blood and cell memory. I break these through your Communion. I repent that the life part of me have sealed the will of the death part into the grave –

leaving the death part with no option than to choose death. I also repent that the death part of me wanted and willed death to rule and reign in me. Father, forgive me for I know not what I have done. I bring this whole deluded belief system before You and ask that the truth will be revealed in the initial trauma event. Father, I also include every ritual that I was a part of that purposefully invoked this life and death dualism in me. I bring the altar before you, I blow out the candles, ask that the power circle will be broken and that every part of my humanity on the altar with all blood and life forces associated with it will be removed in the name of Yeshua. I ask that this altar and the trauma bonds to time, space and land will be disconnected from all of my humanity, in totality.

3 domains of Genesis – pleasure, pain and death

- Pleasure domain

Father, in the name of Yeshua I take my humanity back to the time and domain of spiritual Eden. Father, I am beginning to understand three of the domains that are in operation in me and that connects me to Eden. In the name of Yeshua I bring my pleasure domain before You. Father, I take full responsibility for the warping and corrupting of my pleasure centre through my sin, transgression and iniquity. I repent for my involvement with the snake of Eden that has perverted and defiled my pleasure centre. Father, I take full responsibility for the programming of sexual pleasure and release that I have received from my union with this snake. I repent that I have lost the ability to connect with Godly pleasure. I take full responsibility that I cannot declare that the joy of the Lord is my strength. Father, through all of my bloodline and seedline and from the time of my conception I have searched after other sources of pleasure and release. These have become like crutches or coping mechanisms in my life. I repent. In the name of Yeshua I come back to Genesis and I ask that my covenant with the snake will be

annulled through the blood of the Lamb. In the name of Yeshua I ask to be divorced from all imprints, programming and DNA altering in me which are connected to this snake. Father, I ask that all control bonds of pleasure which I have with the snake and all other spiritual workers of dark pleasure will be removed from me. In the name of Yeshua and through the blood of the Lamb I ask that every dark imprint, character and seed of this snake on my humanity's pleasure domain will be released, restored and washed by the blood of the Lamb. In the name of Yeshua and through the blood of the Lamb I give up the dark pleasure hierarchy, birthright, office, land and place in the dark community.

- Pain domain

Father, I understand that right after the pleasure domain was infiltrated and corrupted in Eden – the pain domain followed. After the event with the snake in Eden, You came looking for Adam and Eve who were hiding from You. Father, I take full responsibility that denial was introduced to me in the same manner. I repent that we are unable to repent of our sins, transgressions and iniquities. I repent and take full responsibility that we always blame others for our condition, sins, misdemeanours and pain. In the name of Yeshua I break this curse of not being accountable over my humanity, blood and seed. In the name of Yeshua I bring my covenant with pain and the spiritual entities and snakes involved before You. Most High God I choose to divorce these and ask that my generational covenant with pain and the snake sitting over it - will be broken. In the name of Yeshua I ask that the dualism – the spin off of pain after pleasure - every sequence of shame, guilt and pain will be broken over my humanity and all that pertains to me.

In the name of Yeshua I place my pleasure and pain domains with the walls of denial in Your hands. Please help me – I am held hostage here. I ask that the control bonds of pain over my humanity

will be broken and that every familiar spirit and dark kingdom guard will be removed. Father, I repent of every vow of silence that keeps me trapped and in captivity in these three domains. In the name of Yeshua I break the curse of pain and the removal of your presence from my humanity. In the name of Yeshua I ask that your great grace and mercy will help me to face my pain, to deal with my pain and to be healed. In the name of Yeshua I repent that pleasure has become my way out of pain. In the name of Yeshua I renounce and denounce pleasure – as domain and spirit – as a false messiah to help me cope with pain. In the name of Yeshua I ask that the dark pain hierarchy will be removed from my humanity, blood and seed. I have One healer, El Rapha. So, Father, today I choose to come out of my hiding place. I come and stand before You – with my coverings of pleasure – I am done hiding from You. I repent Lord. Help me to stop blaming others – even other parts of my humanity for my spiritual condition. I take full responsibility as I lay down these coverings of leaves before You. I no longer want to hide – please restore to me the sweet communion of Your presence.

- **Death domain**

Father, as a result of the above two domains we have been wrapped in spiritual death and live with the effects of this death domain in our spirits, souls and bodies. Father, I repent for my thoughts, deeds, actions, will and emotions that have caused me to empower the death domain. Father, I repent and take full responsibility for choosing death. In the name of Yeshua I renounce and denounce the death snake and all dark kingdom workers associated with him. I break my covenant with him and ask to be divorced from him. In the name of Yeshua I ask that the death birthright, office, community, land and time will be removed from me and my generations. I choose to give this up!

I ask this prayer and renunciations to be extended to all of my humanity, spirit, soul, body, blood chemicals, memory banks, heart and all of me that is numb, deaf, dumb and blind. In the name of Yeshua I ask that You would rescue me from these three regions of captivity in the second heaven. Please restore my humanity back to your Eden. Yeshua has paid the ultimate price for me – I no longer need to be a hostage. In the name of Yeshua and through the blood of the Lamb I break the ancient seals over these domains and my humanity. In the name of Yeshua I break every threefold chord and false trinity associated with this Genesis, Eden system. In the name of Yeshua I ask that all of my humanity, time, land, office, birthright and position in community will be disconnected from every dark trinity and its works in and pertaining to these three domains. In the name of Yeshua I ask for complete restoration of these three domains in my spirit, soul and body. I ask that my union with YHVH, Yeshua and Holy Spirit will be restored and that I may once again walk in the gardens of my Eden.

New birth Identity and death

In the name of Yeshua I bring the condition, time and place of my new birth identity before You. Father, where my own and generational pain and trauma have caused the hope of your glory in me to be wrapped in death, I repent. I repent that my hope and reliance on You is trapped in death, and therefore I cannot see you for who you truly are. Father, I repent for blaming You for everything that has happened to me. I ask that the time of my new birth will be sanctified by the blood of the Lamb. Please disconnect me from all control bonds, altars and spiritual forces that are guarding and keeping me entrapped in death. I repent for choosing death above You. Father, I acknowledge that death has become like a messiah to me, please forgive me. In the name of Yeshua I renounce and

denounce every agreement, covenant and assignment I have with death as a copy or counterfeit messiah. I ask to divorce him. I ask that he will be removed from the throne of my life. In the name of Yeshua I ask that You would extend your mighty Right Hand and redeem this precious first imprint I have with Your presence on earth.

And then Father, I acknowledge that the death part of me have identified with Christ's death. Taking the sufferings upon myself in order to save, deliver, help, shield and rescue the light-part. I repent for this false death identification. I repent that my death part is connected to a false messiah anointing. I choose to give up the anointing of death. I acknowledge where this death part has taken on the role of martyr in order to help and save the light part. In the name of Yeshua I repent for misunderstanding that I have to take up my cross and follow Yeshua. In the name of Yeshua I ask that every false unnecessary cross will be removed from my humanity. I also surrender this false assignment and belief system of being a martyr. I take full responsibility that this death part of me have felt closest to Yeshua in death but does not know the power of life in abundance. Father, my life force, life line, time line is captured in a corner stone of death. This is like a grave in which I, my birthright, office and place in community is trapped. In the name of Yeshua, I call on your breaker anointing to come and break open this foundation stone of death in my heart and humanity. Please set my life free, I choose to be secured in and on the Chief Cornerstone – Yeshua. In the name of Yeshua I mark this tomb with the blood of the Lamb. In the name of Yeshua, I ask that the dark watchers, the guards internally and spiritually will be removed from the entrance to this death event and tomb in my lifeline and timeline, bloodline, seedline and all memories and memory carriers. In the name of Yeshua I ask that the seals of death will be broken by Yeshua – the one who overcame death and the grave. In the name of Yeshua I

ask that you would call my Lazarus humanity out of the tomb. You are with me in the tomb, so I ask that you would show me the way out – just as you have done after the three days after your crucifixion. In the name of Yeshua I ask that my free will which are wrapped and sealed in these grave clothes will be released.

In the name of Yeshua I ask that the ungodly bonds between my life and death humanity will be broken. I choose to submit the anger, resentment and hatred that are set up between life and death in me under the blood of the Lamb. In the name of Yeshua I choose to bring forgiveness between the life and death humanity marking it with the blood of the Lamb. In the name of Yeshua I give the death humanity in me the opportunity to make the decision for life or death for herself/himself. I choose to except that death is followed by life as a child of God. I choose to except both life and death inside of me, but aligned to the truth of Your Word. In the name of Yeshua I expose every lie over death, the grave and resurrection life. I bring every trick of death and the regions of death under the light of truth and the law of the spirit of life. In the name of Yeshua I ask that the inscription of the law of the spirit of death will be removed from my humanity. In its stead I ask that the law of the spirit of life will be engraved on the walls of my heart. Seal this with the blood of the Lamb, I pray. In the name of Yeshua I sent the truth and power of the Cross, the grave and the resurrection power over this foundation stone of trauma, pain and death in my humanity, timeline and life line. In the name of Yeshua I ask that all other timelines, lifelines and connections to land, time, space and dimension will be brought under the blood of the Lamb, for resurrection, healing, restoration and life. I ask that every belief system connected to death will be exchanged for the truth of life in abundance over my humanity.

In the name of Yeshua I hook into the truth that the anointed one is raised from death to die No more. I belief that I no longer live but that Christ lives within me. I belief that the resurrection life has vanquished death and its power over me and that it is finished. In the name of Yeshua I imprint my humanity with the truth that I am dead to death, but alive in Christ. Eternal life is my portion. Life in abundance.

In the name of Yeshua I repent for continuously yielding my body and its faculties to death. In the name of Yeshua I repent that I have sacrificed a part of my humanity to death. I ask that I will be removed form this death altar and that the sacrificial cycles will be stopped. In the name of Yeshua I give all of myself to You as a living sacrifice, cancelling all internal and external death rituals and programming. Please disconnect my humanity. In the name of Yeshua I ask that my life will be moulded in the truth of life.

In the name of Yeshua I declare that no part of me is longer a slave to death, my will is no longer subjected to death. I ask that I will be granted the gift of obedience to life in all of my heart. I choose that my will is even now being conformed to Your divine will in my thoughts, purposes and actions. In the name of Yeshua I ask for a merging of my life and death humanity in the resurrection power of Yeshua – governed by life and the law of the spirit of life.

In the name of Yeshua I bring this Truth as banner over my humanity.

But when the goodness and loving-kindness of God our Savior to man [as man] appeared, He saved us, not because of any works of righteousness that we had done, but because of His own pity and mercy, by [the] cleansing [bath] of the new birth (regeneration) and renewing of the Holy Spirit, Which He poured out [so] richly upon us through Jesus Christ our Savior. [And He did it in order] that we might be justified by His grace (by His favor, wholly undeserved),

[that we might be acknowledged and counted as conformed to the divine will in purpose, thought, and action], and that we might become heirs of eternal life according to [our] hope.” Titus 3:4-7

I therefore bring my baptism into the water and fire and into the life of Christ as testimony of my right standing with Yeshua. I have been baptised into the death of Christ but, also into His resurrection. I extend this truth, healing and resurrection to every part of my humanity.

Every part of me that still identifies with the first Adam and the curse of death – associated with the tree of the knowledge of good and evil - I now bring under the blood of the Lamb and the promise of resurrection life of the second Adam – Yeshua.

*“Thus it is written, The first man Adam became a living being (an individual personality); the last Adam (Christ) became a life-giving Spirit [restoring the dead to life]. [Gen. 2:7.]” 1 Corinthians 15:45
AMPC*

In the name of Yeshua I ask for wholeness and healing to be my portion. I ask in the name of Yeshua that Christ will come and fill me through and through with all of Himself and His resurrection power.

Eph 1:23 Which is His body, the fullness of Him Who fills all in all [for in that body lives the full measure of Him Who makes everything complete, and Who fills everything everywhere with Himself].

King of Glory have your Glory in me, I pray.

8. Praying about our misconceived ideas about Death

Death is God's final enemy – and he has also been overcome. Many people are fearful of death. There is a difference in dying to self which is a good death experience in which you gain life. And dark spiritual death – which is a killing, stealing and destroying of your life essence.

Father, I come before you, in the name of Yeshua and through the blood of the Lamb. Father, as I state my case today, I include all of my humanity, as well as my conscious, subconscious and unconscious mind, memory banks, my bloodline, seedline, timeline and lifeline as well as all copies of these present in all time, space and dimension.

Father, I stand before You as an intercessor for all that pertains to me. I come and stand as a watchman on the wall of my family and humanity including and interceding for all those who are unable to pray for themselves. I trust in the power of your blood to keep us safe from all that wants to retaliate and harm us because of our faith and prayer today. In the name of Yeshua I ask that all that's not human will be separated from my humanity and brought under your subjection. I thank you that the kingdom of darkness and all that needs to be silenced will be struck with deafness, dumbness and blindness as I pray today.

On the Cross Yeshua said, 'Father, forgive them for they know not what they are doing.' He said this in connection with death. He

repented on their behalf because their understanding of righteousness and justice, authority, choices and deeds surrounding His death was wrapped in darkness, tradition, deception and lies. Father, I take full responsibility for the same lack of understanding of death where it pertains to my life, spirituality, humanity and time on earth. Father, today I pray on behalf of all of my humanity that is unable to pray for themselves because of my condition of pain, trauma, injury, disability, sickness and disease. I bring every label which I carry that identifies me with death and the regions and spirits of death before Your court. Father, I have been marked, generationally and through my personal choices with these labels of death. I repent and take full responsibility for believing these labels and for agreeing to what they signify in the spirit, soul and body. I subject each one of these diagnoses, conditions and symptoms under the scrutiny of your Light and Truth. I pray on behalf of all of my humanity that have aligned with death, that is trapped in death, that has been sold out to death, who has chosen and knows only death. Father, I add my voice to that of your Son's please forgive them for they know not what they are doing.

I repent for every record against me, my bloodline and seedline, that states that we have considered death to be an escape – the end to all of suffering and pain. I repent for every instance where death has become a pathway - the counterfeit copy of Yeshua as the Truth, the Way and the Life. Father I repent for every copy of death which I carry in person, place, time, land, emotion and memory. In the name of Yeshua I expose every death copy in all its formats, shapes and implications under the blood of the Lamb. I ask that these copies and their associated devices will be removed from my humanity with their curses, control bonds and familiar history and belief systems.

Today, I come and in the name of Yeshua I renounce and denounce death as place and spiritual entity as the false truth, way and life inside of me. I repent for understanding death to be the end of all – the solution to all, the escape I need and the answer to my pain and suffering. I repent that my picture and understanding of death has made me to pledge my allegiance to death. In the name of Yeshua and through the blood of the Lamb I break this allegiance.

Father, I repent for every misconception of death that is recorded in our hearts, brains, blood chemicals, seed, blood and generations. I repent Father, for every defiled identification with the death of Yeshua. I repent and take full responsibility for the flipped reality of life and death which is embedded in my belief systems. Your word states in Rom 6 that we are to identify with Christ's death, burial and resurrection. Father, my humanity and belief system got stuck in there – remaining in death and the grave – unable to step into the freedom of the finished work of the cross. I report every device – stumbling block, religious system, belief system blocking my way - before You. The stones are still over my tombs, sealed with my many generational and personal agreements of death – I cannot get out! I repent on behalf of all of my humanity, memories and belief systems that wanted death, covenanted with death, chose death, loved death and identified with death in this manner. I repent for finding comfort and safety in death. I repent for not wanting to come out. In the name of Yeshua I bring as witnesses to this court every prayer offered by Yeshua, our Intercessor, the great cloud of witnesses, the blood, water and crucified body of Yeshua as well as every prayer which was prayed over my bloodline and seedline which state my desire to know my freedom in Christ's resurrection. In the name of Yeshua I bind every lie that keeps me trapped in the state, condition and alliance with death in all its forms and capacity.

I ask that the veil will be torn so that I will be able to see the fullness of the presence of the Most High God

Father, in the name of Yeshua I bring the events where trauma and pain have overwhelmed me before your throne - every instance where death was introduced in my timeline and lifeline I bring before You. Father with this foundational trauma I identified with death. I also repent that I escaped into death – believing and hoping in the release and resolve it would bring. Father, there are many layers of death in which I am covered, please help me. I take full responsibility. In the name of Yeshua I ask that the seals of death over this trauma events will be broken. I repent that my will – my ability to choose is trapped with me in the grave.

Father, I also repent and take full responsibility for every duality inside of me that is marked with death and life. I ask for your light of truth to shine on my inner parts to expose and reveal this duality. Father, I acknowledge where a part of my humanity absorbed the pain, trauma and death in order to help or save the rest of me. Father, I acknowledge that part of me is associated with life or goodness and another with death and toxicity. I repent that the life part hates and detests the death part; keeping it separate in order not to be contaminated by the toxicity and that which I believe concerning death. I acknowledge the self-hatred, fear, denial and anger that keeps the life and death parts of my humanity separated. I repent of every inner vow, stronghold and device which was placed in me by myself or any other in order to keep this duality in place. I repent of every curse which the life part of my humanity has placed on the death part of me. I repent of these internal death curses which seal and associate me with death and the grave. I repent that these seals are on my heart, brain, blood and cell memory. I break these through your Communion. I repent that the life part of me have sealed the will of the death part into the grave –

leaving the death part with no option than to choose death. I also repent that the death part of me wanted and willed death to rule and reign in me. Father, forgive me for I know not what I have done. I bring this whole deluded belief system before You and ask that the truth will be revealed in the initial trauma event. Father, I also include every ritual that I was a part of that purposefully invoked this life and death dualism in me. I bring the altar before you, I blow out the candles, ask that the power circle will be broken and that every part of my humanity on the altar with all blood and life forces associated with it will be removed in the name of Yeshua. I ask that this altar and the trauma bonds to time, space and land will be disconnected from all of my humanity, in totality.

In the name of Yeshua I bring the condition, time and place of my new birth identity before You. Father, where my own and generational pain and trauma have caused the hope of your glory in me to be wrapped in death, I repent. I repent that my hope and reliance on You is trapped in death, and therefore I cannot see you for who you truly are. Father, I repent for blaming You for everything that has happened to me. I ask that the time of my new birth will be sanctified by the blood of the Lamb. Please disconnect me from all control bonds, altars and spiritual forces that are guarding and keeping me entrapped in death. I repent for choosing death above You. Father, I acknowledge that death has become like a messiah to me, please forgive me. In the name of Yeshua I renounce and denounce every agreement, covenant and assignment I have with death as a copy or counterfeit messiah. I ask to divorce him. I ask that he will be removed from the throne of my life. In the name of Yeshua I ask that You would extend your mighty Right Hand and redeem this precious first imprint I have with Your presence on earth.

And then Father, I acknowledge that the death part of me have identified with Christ's death. Taking the sufferings upon myself in order to save, deliver, help, shield and rescue the light-part. I repent for this false death identification. I repent that my death part is connected to a false messiah anointing. I choose to give up the anointing of death. I acknowledge where this death part has taken on the role of martyr in order to help and save the light part. In the name of Yeshua I repent for misunderstanding that I have to take up my cross and follow Yeshua. In the name of Yeshua I ask that every false unnecessary cross will be removed from my humanity. I also surrender this false assignment and belief system of being a martyr. I take full responsibility that this death part of me have felt closest to Yeshua in death but does not know the power of life in abundance. Father, my life force, life line, time line is captured in a corner stone of death. This is like a grave in which I, my birthright, office and place in community is trapped. In the name of Yeshua, I call on your breaker anointing to come and break open this foundation stone of death in my heart and humanity. Please set my life free, I choose to be secured in and on the Chief Cornerstone – Yeshua. In the name of Yeshua I mark this tomb with the blood of the Lamb. In the name of Yeshua, I ask that the dark watchers, the guards internally and spiritually will be removed from the entrance to this death event and tomb in my lifeline and timeline, bloodline, seedline and all memories and memory carriers. In the name of Yeshua I ask that the seals of death will be broken by Yeshua – the one who overcame death and the grave. In the name of Yeshua I ask that you would call my Lazarus humanity out of the tomb. You are with me in the tomb, so I ask that you would show me the way out – just as you have done after the three days after your crucifixion. In the name of Yeshua I ask that my free will which are wrapped and sealed in these grave clothes will be released.

In the name of Yeshua I ask that the ungodly bonds between my life and death humanity will be broken. I choose to submit the anger, resentment and hatred that are set up between life and death in me under the blood of the Lamb. In the name of Yeshua I choose to bring forgiveness between the life and death humanity marking it with the blood of the Lamb. In the name of Yeshua I give the death humanity in me the opportunity to make the decision for life or death for herself/himself. I choose to except that death is followed by life as a child of God. I choose to except both life and death inside of me, but aligned to the truth of Your Word. In the name of Yeshua I expose every lie over death, the grave and resurrection life. I bring every trick of death and the regions of death under the light of truth and the law of the spirit of life. In the name of Yeshua I ask that the inscription of the law of the spirit of death will be removed from my humanity. In its stead I ask that the law of the spirit of life will be engraved on the walls of my heart. Seal this with the blood of the Lamb, I pray. In the name of Yeshua I sent the truth and power of the Cross, the grave and the resurrection power over this foundation stone of trauma, pain and death in my humanity, timeline and life line. In the name of Yeshua I ask that all other timelines, lifelines and connections to land, space and dimension will be brought under the blood of the Lamb, for resurrection, healing, restoration and life. I ask that every belief system connected to death will be exchanged for the truth of life in abundance over my humanity.

In the name of Yeshua I hook into the truth that the anointed one is raised from death to die No more. I belief that I no longer live but that Christ lives within me. I belief that the resurrection life has vanquished death and its power over me and that it is finished. In the name of Yeshua I imprint my humanity with the truth that I am dead to death, but alive in Christ. Eternal life is my portion. Life in abundance.

In the name of Yeshua I repent for continuously yielding my body and its faculties to death. In the name of Yeshua I repent that I have sacrificed a part of my humanity to death. I ask that I will be removed from this death altar and that the sacrificial cycles will be stopped. In the name of Yeshua I give all of myself to You as a living sacrifice, cancelling all internal and external death rituals and programming. Please disconnect my humanity. In the name of Yeshua I ask that my life will be moulded in the truth of life.

In the name of Yeshua I declare that no part of me is longer a slave to death, my will is no longer subjected to death. I ask that I will be granted the gift of obedience to life in all of my heart. I choose that my will is even now being conformed to Your divine will in my thoughts, purposes and actions. In the name of Yeshua I ask for a merging of my life and death humanity in the resurrection power of Yeshua – governed by life and the law of the spirit of life.

In the name of Yeshua I bring this Truth as banner over my humanity.

But when the goodness and loving-kindness of God our Savior to man [as man] appeared, He saved us, not because of any works of righteousness that we had done, but because of His own pity and mercy, by [the] cleansing [bath] of the new birth (regeneration) and renewing of the Holy Spirit, Which He poured out [so] richly upon us through Jesus Christ our Savior. [And He did it in order] that we might be justified by His grace (by His favor, wholly undeserved), [that we might be acknowledged and counted as conformed to the divine will in purpose, thought, and action], and that we might become heirs of eternal life according to [our] hope.” Titus 3:4-7

I therefore bring my baptism into the water and fire and into the life of Christ as testimony of my right standing with Yeshua. I have been baptised into the death of Christ but, also into His

resurrection. I extend this truth, healing and resurrection to every part of my humanity.

Every part of me that still identifies with the first Adam and the curse of death – associated with the tree of the knowledge of good and evil - I now bring under the blood of the Lamb and the promise of resurrection life of the second Adam – Yeshua.

*“Thus it is written, The first man Adam became a living being (an individual personality); the last Adam (Christ) became a life-giving Spirit [restoring the dead to life]. [Gen. 2:7.]” 1 Corinthians 15:45
AMPC*

In the name of Yeshua I ask for wholeness and healing to be my portion. I ask in the name of Yeshua that Christ will come and fill me through and through with all of Himself and His resurrection power.

Eph 1:23 Which is His body, the fullness of Him Who fills all in all [for in that body lives the full measure of Him Who makes everything complete, and Who fills everything everywhere with Himself].

King of Glory have your Glory in me, I pray.

9. Leprosy – a spiritual picture of brokenness

He who knew no sin – became sin. But He was wounded for our transgressions, He was bruised for our guilt and iniquities; the chastisement [needful to obtain] peace and well-being for us was upon Him, and with the stripes [that wounded] Him we are healed and made whole. (Is 53:5)

Trauma, pain, disappointment, differed hope, lost trust, violence, hatred, slander, abuse all leave wounds on our spirits, souls and bodies. We become dismembered and disfigured through these. Every wound – in spirit, soul or body has a place of healing inside of our bruised Messiah's body.

He was not scared of the Lepers – those who are disfigured through pain and trauma. He came to set the captives free and heal the broken-hearted.

Prayer:

Father, I come before You in the name of Yeshua and through the blood of the Lamb. Father, I stand here representing my seed and blood, my timelines and spiritual heritage and broken condition.

Father, I thank You for your Word that continuously guides us in and teaches us all truth. In the name of Yeshua I bring the records of being a leper before your courts. I take full responsibility that my

blood and seed is marked in this way. I know that leprosy causes parts of us to break off. In the name of Yeshua I extend this prayer to all these broken off, parts of my humanity – where ever they are present.

In the Bible we read that the high priest of a town or village declared a person unclean when they were diagnosed with leprosy. We read that these people had to leave their communities and families behind and had to stay in seclusion because of being unclean. Father, I take full responsibility that I have done the same with my brokenness. I have shunned, rejected, diagnosed, labelled and removed my brokenness from my Core and now consciousness. I am sorry for treating my brokenness as leprosy. I am sorry for the internal programming of rejection which I keep in place – not acknowledging and facing my true condition. I repent for being unwilling to deal with my pain because I am afraid of being contaminated. I take full responsibility for the religious system inside of me who wanted to shun, degrade, reject and remove that which was 'unclean' within me. In the name of Yeshua I give up this position – of high priest of my own city - and repent of misusing my authority in this regard. I repent of my pride and religious belief systems that has guided me in my decision making. I want to ask forgiveness of my brokenness for being rejected in this manner. I am sorry for shunning you, hiding you, rejecting you and ignoring you for all this time. I am sorry for sending you away and continuing with my life as if nothing is wrong. I also take full responsibility for the generational patterns of shunning the broken, for rejecting and keeping that which is defiled separate in fear of being marked and contaminated. I repent and take full responsibility for the programming of religious pride that sits behind this. I need deliverance, Lord.

Father, today I stand before you and I ask for your revelation light of Truth to shine on my brokenness. I ask that Yeshua as high priest will scan my wounds and see my brokenness. Yeshua, I read that

you have always embraced those who had leprosy. You were not afraid to come into contact with the unclean. I understand that you could do this because you who knew no sin – no uncleanness – became sin. I understand that my defilement, sin, transgressions and iniquities are all present in your blood and flesh and therefore You can embrace me in this condition.

Father, I ask that the generational patterns, markers, and covenants of guilt, shame, rejection, separateness, being outcast, being a leper will be broken over my blood and seed. I ask that the blood seals of leprosy as spiritual disease – as a picture of hidden brokenness will be brought under the blood of the Lamb. I ask that your authority as High Priest will override every and all other rulings and decrees of other high priests in my blood and seedline, time line, life line and generations. In the name of Yeshua I ask that the spiritual boundaries of separateness on my inside will be removed.

I choose today that all that is marked with leprosy in me will come into your presence for a new verdict – a new diagnoses. I ask that the codes of silence and secrecy – the Hegelian dialect inside of me that keeps my brokenness separate from that which is whole inside of me will be broken. I surrender all quarantine laws, verdicts and decrees over my blood, seed and brokenness under the blood of the Lamb.

I bring every condition of supposed, chronic, plague or any other kind of leprosy of my blood and seed before You. Your Word states that leprosy is symbolic of sin. In the name of Yeshua I repent of all sins, transgressions and iniquities that have marked me with spiritual leprosy – and has caused me to become broken. Today, I stand on your Word which states that though our sins are like scarlet they shall be as white as snow; though they are red like crimson, they shall be like wool. (Isa 1:18). I know that leprosy was considered, healed when the skin turned white again. I now apply the blood of the Lamb on every aspect of me that are marked with

leprosy. I surrender every broken, raw wound of mine to be healed and restored in the name of Yeshua. I bring all of my uncleanness before You, to be cleaned. I also take full responsibility where fear has ruled my inner being. I repent for the records of fearing leprosy that have shunned parts of me – when in fact the diagnoses were wrong. I repent of fearing my brokenness – I repent for the internal rejection structures and programming inside of me – my family, the body of believers and our broader communities. I bring all of this under the blood of the Lamb asking for new wiring. I repent that no one wants to acknowledge and face brokenness but, would rather shun it – hide it, ignore it and pretend that it is not there.

I declare that I will no longer be unable to get what I need to be healed from my leprosy. I ask that I can be completely disconnected from the generation imprints of leprosy from the land and my possessions. Today I take full responsibility for the leprosy in my house – my humanity.

In the name of Yeshua I come and I apply your blood 7 times over all the levels of my leprosy as picture of my brokenness. I break every seal of leprosy over my blood and seed and lymph nodes and ask for a total cleansing by the blood of the Lamb.

I come and ask that the waters of your Word, the life- giving waters of your Kingdom will wash me 7 times over to cleanse me from the imprints of leprosy on my blood, seed and humanity. Yeshua, I acknowledge that it is You, and only You that can heal me of this leprosy.

In the name of Yeshua I bring the generational curse of leprosy that cleaves to me and my offspring forever under the blood of the Lamb. I break its covenant and control bonds over me in the name of Yeshua.

Today, I realised, that you had compassion for lepers and our

condition of leprosy because you became a leper for us. I understand that my brokenness – all of it – is mirrored in your body. I understand that all I have done, all that I am in the spirit, every broken, rotting, sin corrupted part of me – is present in your crucified body. This is such a revelation to me. I do not need to pretend, I do not need to hide from your presence. I do not need shields of anger, denial, pain, pleasure or any such. I can come just as I am – I can see me in you – and you understand. I extend this mercy to every part of me whether conscious or not.

For the first time I understand that I am accepted – just as I am. I understand that I can come – with my brokenness – for you understand. You do not judge or condemn my condition. Oh, the mercy, the grace. It is as if you are one of us. One of us who are despised and rejected. I thank you that I can now truly understand this.

***Isa 53** He was despised and rejected and forsaken by men, a Man of sorrows and pains, and acquainted with grief and sickness; and like One from Whom men hide their faces He was despised, and we did not appreciate His worth or have any esteem for Him. Surely He has borne our griefs (sicknesses, weaknesses, and distresses) and carried our sorrows and pains [of punishment], yet we [ignorantly] considered Him stricken, smitten, and afflicted by God [as if with leprosy]. But He was wounded for our transgressions, He was bruised for our guilt and iniquities; the chastisement [needful to obtain] peace and well-being for us was upon Him, and with the stripes [that wounded] Him we are healed and made whole. All we like sheep have gone astray, we have turned every one to his own way; and the Lord has made to light upon Him the guilt and iniquity of us all. He was oppressed, [yet when] He was afflicted, He was submissive and opened not His mouth; like a lamb that is led to the slaughter, and as a sheep before her shearers is dumb, so He opened not His mouth.*

By oppression and judgment He was taken away; and as for His

generation, who among them considered that He was cut off out of the land of the living [stricken to His death] for the transgression of my [Isaiah's] people, to whom the stroke was due? And they assigned Him a grave with the wicked, and with a rich man in His death, although He had done no violence, neither was any deceit in His mouth.

Yet it was the will of the Lord to bruise Him; He has put Him to grief and made Him sick. When You and He make His life an offering for sin [and He has risen from the dead, in time to come], He shall see His [spiritual] offspring, He shall prolong His days, and the will and pleasure of the Lord shall prosper in His hand. He shall see [the fruit] of the travail of His soul and be satisfied; by His knowledge of Himself [which He possesses and imparts to others] shall My [uncompromisingly] righteous One, My Servant, justify many and make many righteous (upright and in right standing with God), for He shall bear their iniquities and their guilt [with the consequences, says the Lord]. Therefore will I divide Him a portion with the great [kings and rulers], and He shall divide the spoil with the mighty, because He poured out His life unto death, and [He let Himself] be regarded as a criminal and be numbered with the transgressors; yet He bore [and took away] the sin of many and made intercession for the transgressors (the rebellious).

Yeshua, thank you. I choose to look into your eyes and accept the compassion that you have for me. I thank you for understanding my pain, travail, suffering, brokenness and woundedness. I choose today to respond with my Core. I choose to step into your embrace of understanding and belonging. I choose to step over the boundaries of separateness and rejection on my inside – that which makes me feel ashamed and not good enough – unworthy to come into your presence. I step into your embrace and receive the healing from your wounds that are just like mine. Oh what great, great grace. Thank you.

In the name of Yeshua I speak to my broken, rejected, ashamed, defiled humanity and say – *‘see He carries the same wounds. He is one of us. Come out of your hiding places, step out from the lies of separateness and see his love, feel his love. Take a change on Him, what do you have to lose?’*

I ask in the name of Yeshua that the law of sin and death which is written on the sleeve around my Core will be washed and removed by the blood of the Lamb. I ask that the internal readers and scribes – the religious systems and offices of my inner world will stand down – I strip you of your power, authority and position over my humanity. In the name of Yeshua I choose to be subjected under the authority and power of Yeshua as our High Priest. I choose today, and I ask that the sleeve around my Core will be restored to its original shape and that it will be filled with the vibrations, colours, stones and knowledge of the law of the spirit of life. I ask in the name of Yeshua that my Core and internal readers and scribes will read this new law. I ask that my Core be restored to becoming a city on a hill – that signals, light, truth, love, hope and revelation of who He is. I choose that these light signals can go to the darkest parts and regions of my inner world. In the name of Yeshua I ask that all of me that is broken, rotten and carries the markings of leprosy will respond to the healing light which stems from His presence and being.

Yeshua I read in Mat 8 this good news, that you declare that you are willing and able to heal us from our leprosy. In fact, not one account is given in the WORD where you could not heal leprosy. Oh, happy day! What great, great news of your salvation. I come as a leper today, taking full responsibility for my condition and ask you to cleanse and heal me today.

I choose to come out of hiding from amongst the tombs. I choose to

seek you, Yeshua and to request healing from you. The lepers instinctively knew that they could ask You for help. They knew that they would not be shunned or rejected. In the name of Yeshua I extend this same assurance to all that carries the markings of leprosy in me. He is to be trusted! He can help! So, in the name of Yeshua I ask that all false Jesus presentations in my inner world will be exposed for what they are. I ask that all misrepresentations of Jesus rejecting and shunning and judging the parts will be brought under the blood of the Lamb. I ask that the truth of your Word and Your character and salvation for the lepers will penetrate all lies. I bind these structures of lies over all of my leprosy. I choose to submit all that is leprous that pertains to me under your power and authority.

I thank you that I no longer have to stay at a distance. I thank you that my brokenness, my toxicity is welcomed in your presence. I thank you that you are not afraid to be contaminated by me. I thank you that your Love, overrides all rejection boundaries and laws on my inside. In the name of Yeshua, I shout like the 10 lepers, ‘Master, take pity and have mercy on us!’

I thank You that the body memories of that which I have lost will also come under the blood of the Lamb. I thank you that the markings of leprosy will be erased as I am healed. I thank you for a new understanding of rejection and self-hatred where I have aborted my brokenness, being ashamed of it. Thank you that I can place this whole process in your hands. I thank you that I can trade with a currency of thankfulness instead of the currency of pain which I have carried all this time.

I thank you! I thank You! I know that you are willing and able to make me whole again. I ask that I will be restored and made whole

again. I ask that everything which was broken off from my humanity will be healed and restored – I know that you are able. I thank you by your blood I am healed. By your stripes I am healed. I choose to live in your presence. Thank you that I no longer have to be in hiding.

Help me to come to You, help me to take the chance of stepping out from my brokenness. Reveal your true self to me, I pray.

Removing the false covering of the fig leaves

Sin and the choices we make mostly originate from seeing something and desiring it. We read that Eve saw the tree and desired its fruit. The result of this sin was that Adam and Eve saw that they were naked. They saw that their spiritual condition has changed they were no longer under the protection of YHVH. True, to human nature they tried to hide their shame and grasped for fig leaves. We keep these fig leaves in place – and they have become strongholds and belief-systems of our separation from Yeshua and a constant reminder of our transgression. Let's remove these structures.

Father, I come before You in the name of Yeshua and through the blood of the Lamb. Father, as I pray today, I include all that pertains to me, all parts of me, my bloodline, seedline, timeline, lifeline, Core, brain, heart, genetics, DNA, RNA and cells. Father, I bring all of me into the cleft of the Rock, I thank You for surrounding me with Your fire and blood. In the name of Yeshua I declare that there will be no backlash or reprisal because of what I pray today.

Repent of the sin of our eyes

Father, in Gen 3, I read that Eve **saw** that the tree was good, suitable and pleasant and then she sinned. Father, in the name of Yeshua I repent for every act of sin, transgression and iniquity that has started with our eyes. I repent that my eyes are the gate or portal through which the kingdom of darkness gain access and territory in my life and on earth. In the name of Yeshua I repent that I have become the sinful things which I have hooked upon. In the name of Yeshua I surrender all information and knowledge which I have gained from the eyes of Satan and any other workers of the kingdom of darkness. In the name of Yeshua I break every three-fold cord, seal, agreement, vow, barter, trade, clamp and covenant

between myself and any dark kingdom entity. In the name of Yeshua I ask that the dark guards guiding the eye gates and portals will be bound and removed.

Father, I repent and take full responsibility that my eyes have hooked into those of the age-old serpent and have received downloads of his 666 nature in this manner. Father, I repent that my design and DNA have changed through these generational downloads. As I petition today, I ask that my design can be returned to its original blue print and purpose. Father, these dark and evil downloads have become experiential knowledge through the acts that followed. In the name of Yeshua I repent of hooking eyes with Satan in the intimate act of sexual union. Through the blood of the Lamb, I unhook my eyes, humanity and Core from the mesmerizing stronghold of the serpent's eyes and the foundational beliefs which I have received in my Eden story. In the name of Yeshua I break the power and vibrations of the arcing of Satan's eyes with mine in all the generations. In the name of Yeshua I bring every download I have received of evil, lies and iniquity under the blood of the Lamb and ask for these files to be utterly destroyed and removed from my humanity, Core, heart, brain and cells. I denounce and renounce all wisdom, knowledge and understanding of the kingdom of darkness, magic and witchcraft which I have received through these eye downloads.

Father, there is a spiritual law that says whatever we hook upon we become. Father, I have become these things which I have engaged with and enacted upon. Please forgive me. In the name of Yeshua I ask that my eyes will be washed by the blood of the Lamb. Father, these downloads have created structures, visions and images or dark dwelling places – a dark Eden inside of me. Please forgive me.

Seeing in the spirit

Father, when You created the earth, I read that you **saw** that it was good. You have designed our eyes to behold and discern goodness and to find joy from it.

In Eden, Adam and Eve's, Godly discernment system of recognizing goodness was warped. It became twisted. Just after they partook of the fruit of the knowledge of good and evil, they saw that they were naked. I understand that the word 'naked' as it is used here, means 'twisted or cunning' - the very nature of the serpent. They saw that their character has become twisted and cunning. Father, the same is true of me, I repent.

Father, I repent that we no longer have a clear idea and concept of what is good and pleasant. I repent that our desire has shifted from Kingdom purposes and your presence to the things of the earth – self-fulfilment, self- centered and self-aware. I repent that my generations and I call evil good and good evil. Please remove this warping between our eyes, brains and hearts from our humanity. Please restore to us the ability to recognise good, to celebrate it and to be satisfied in and with it.

In the name of Yeshua I ask that Godly discernment will be restored to our eyes. I ask that Godly gate keepers will be appointed over these eye gates. In the name of Yeshua I ask that Godly visions will be restored to my generations and I.

Removing the created structures.

In Gen 6, I read that the sons of God **saw** that the daughters of men were fair, and they took wives of all they desired and chose.

Father, Adam and Eve also saw, and then took what they desired and chose. I repent that our eyes have become portals of all that we desire and choose. I repent of the dark belief-systems that springs

forth from these desires and choices. I repent that our free-will has been traded and anchored to evil desires and choices. In the name of Yeshua, I ask that these anchors and umbilical cords will now be cut from the wombs of evil desires and choices. Today, I declare a new desire and choice – and that is obedience to You, YHVH, and to be able to be intimately acquainted with you. It is the desire of my heart that the original purpose of my eyes to focus on You and Your Kingdom will be restored to me and my generations. Please remove the scales of layer upon layer of selfish desire and choices from our eyes – internally, externally, physically and spiritually, Core, heart, brain, cells, blood and seed. In the name of Yeshua I choose to break the covenant which I have with evil aligned desires and choices. In the name of Yeshua I bring the generational self-centeredness and evil-prompted desires and choices under the blood of the Lamb. Father, please remove my humanity from this dark belief system, programming and structures. I ask that my eyes will be unhooked from every fixed structure, anchoring my humanity to any spiritual entity, system and place will be unhooked from my eyes. In the name of Yeshua, I break the dark triangle of seeing, desiring and choosing including the spiritual forces backing this up in the generations from all of my humanity and that which pertains to me.

In Gen 6 Your Word further states that You **saw** that the wickedness of man was great in the earth and that every imagination and intention of all human thinking was only evil continually. Father, I repent and repent of my defilement of the earth.

Father, our thoughts and imaginations are solid structures in the spirit. In the name of Yeshua I repent of each of these structures that have become strongholds, domains, regions and spaces in which darkness and evil can live and brood in my life and on the

earth. In the name of Yeshua I choose that these structures in my heart, brain, cells, blood, seed and Core will be utterly destroyed. In the name of Yeshua I give up the mantels and inheritance which are associated with these dark desires and choices.

Your Word says, that we should take every thought captive into obedience. I therefore come today, and pull down these strongholds of desire, choice and belief which marks my very nature. Earth, earth I bring the blood of the Lamb over all that I have marked you with and ask that You will swallow these structures of darkness and iniquity.

What you look upon, you become

In the name of Yeshua I bring every mirror of evil desire and choice under the blood of the Lamb. Father, this includes every evil eye that we have looked upon that became like a mirror to us. In the name of Yeshua I cancel the summoning and call of these mirrors. In the name of Yeshua I bring all magic, spells, incantations and rituals and their appointed times, seasons and clocks under the blood of the Lamb. – cancelling all of their dark associated desires, intents and choices. I repent and take full responsibility for the dark twins that were born from the wombs of evil desire and choice. Father, our dark twins are continually in front of these mirrors – seeing and becoming just like the serpent. I acknowledge that what we look upon, we become.

Father, as we see our dark twins in these mirrors our DNA are continually changed and transformed into darkness. In the name of Yeshua I bring the evil imprints of that which we have become – the dark mirror images of our dark twin under the blood of the Lamb. In the name of Yeshua I cancel all rituals, blow out the candles, break the pots, silence the sound of the blood and seed that was offered on the altars and utterly destroy them.

In the name of Yeshua I cover the image of the snake and the replay of our sexual sins, rebellion, killing, stealing and destroying which we see in these mirrors, and I bring them under the blood of the Lamb. I uproot each of these mirrors from our hearts, brains, Core, blood, seed and cells and utterly destroy their imprints from our humanity.

In the name of Yeshua I ask to be disconnected from my dark twins in operation. I ask that every soul, time, land and place tie between my light Core and this dark twin will be cut, as well as all dark umbilical cords. In the name of Yeshua I ask you to separate my light core from my dark core. Placing everything under the blood of the Lamb.

Fig leave coverings of our shame and self-hatred

I repent Father, for my double Core – the twins of light and darkness – and the corresponding conflict between what to choose and to desire which is still active in me, today.

When Adam and Eve saw that they were naked – twisted and cunning they became afraid and sought a way to cover themselves. Father, just like them, we are aware of our changed nature. We repent that parts of us are also in hiding behind shields, plans, dark inheritances, devices and masks. Father, we repent that we are trapped in the images of our sins, transgressions and iniquities please unhook our senses. Father, my generations and I also hide behind fig leaves to hide our changed nature. I acknowledge that this is not very effective. In the name of Yeshua I now break the power of deception which these fig leaves carry.

Father, whilst my dark twin is at work on the outside, my light twin is hidden under the leaves of the fig tree. This fig leaves form a shield and hides my shame, doubt, fear and self-hatred. These leaves, which I keep in place, keeps me from intimacy with you. Father, in

the name of Yeshua I break the lies over these parts of me – believing that I am trapped and unworthy. I am willing to let go! In the name of Yeshua I ask that You would remove these leaves, their belief-systems, lies and clamps from my true birthright and identity. The truth of your presence will set me free!

I repent that for generations we did not love ourselves. I repent and acknowledge that your Word says that this state of self-hatred makes us unable to love others and even to love You. Father, I need your help. I need your love to come behind these leaves – please send your love in to the very Core of my being. In the name of Yeshua I remove the leaves of self-hatred, being separated from love and abandonment.

I repent that the fig tree has become our solution, our refuge and source of protection. In the name of Yeshua I come and break the covenant of protection which I have with the fig tree, its leaves, roots and fruit as well as all associated symbolism and spiritual entities connected to it. In the name of Yeshua I choose to give up the generational fig tree which has become my hiding place and refuge. Father, I thank You for exposing the snake that lives in this tree, with the truth of Your Word. In the name of Yeshua I speak to this fig tree not bearing good fruit and say you will die. This fig tree will no longer be our source of refuge and protection. I turn towards to tree of life as my source of life and ask to be grafted into this tree. My generations and I will never again eat of your fruit.

In the name of Yeshua I ask that my light core will be disconnected from the dark womb of the fig tree and its clamps of limitation and separation. In the name of Yeshua I break the covenant triangle between myself, the snake and the fig tree. In the name of Yeshua I cancel every curse of the fig tree and not bearing fruit, from my humanity.

In the name of Yeshua I repent of the worship of trees. I repent for every part of me that are in agreement with the believes of the Druids and all tree-based belief systems. In the name of Yeshua I disconnected every part of me from the souls or spirits, in or around trees. In the name of Yeshua I disconnect my humanity from the year rings – the records of events which are carried by the trees. Through the blood of the Lamb I cancel all generational agreements and vibrations of all rituals involving trees.

Yeshua, you came and sought out Adam and Eve where they were hiding behind their fig leaves – giving them the opportunity to repent and be restored. But they chose not to. Just so, my generations and I refused to repent.

But, You also saw Nathaneal under the fig tree and said, I saw you beneath the fig tree, do you believe in rely on and trust in Me? (John 1:50) Father, like Nathaneal I release a new sound, I do agree, believe in rely on and trust in You. In the name of Yeshua I ask that You would remove my Core hidden under the fig leaves.

Earth, earth, please swallow this tree fig tree and graft me into the olive tree of Your presence and provision.

Restoring our sight

In the name of Yeshua I was my spiritual and physical eyes and the ability to see with the blood of the Lamb. I cancel every generational effect of our sinful choices and desires upon our sight before Your throne.

I repent and take full responsibility we are morally, spiritually and physically blind.

In the name of Yeshua I cut the umbilical cord of my eyes with the dark kingdom and its wombs, the snake and the tree. In the name of Yeshua I remove the clamps of sin, transgression and iniquity

from our eyes and the ability to see. In the name of Yeshua I hook my eyes with that of my King – Father, please direct me and my generations with Your eyes.

Father, I ask that Yeshua will come and will heal our hearts, remove us from these regions of captivity created by our desires and choices and restore sight to our blindness.

I declare that we will be restored to intimacy with You. We will see the goodness of the Lord in the land of the living. We declare we can see.

Restoration

I come therefore Father, and I follow Your instructions as it is given in Rev 3:18. *Therefore I counsel you to purchase from Me gold refined and tested by fire, that you may be [truly] wealthy, and white clothes to clothe you and to keep the shame of your nudity from being seen, and salve to put on your eyes, that you may see.*

Father, Yeshua has paid the price for all that I need for redemption, healing and restoration in the spirit. I therefore come and purchase from You gold refined and tested by fire. Father, make me wise so that I will be able to discern between fools gold and the true gold of Your kingdom. My desire is for your true wealth – which is different from the riches of the world.

In the name of Yeshua I also trade my fig tree leaves for white clothes to clothe me and to keep the shame of my nudity and twistedness from being seen.

And then Father, I come and buy salve for my eyes that we may see as You see.

In the name of Yeshua I now align my desire, will and choices with your heart.

I thank You, in the name of Yeshua.
