

Blood line and seed line prayer

Both, seed and blood are spiritual commodities for trade and sacrifice. I see them as envelopes into which the generational inheritance documents are placed. These 'envelopes' contain the legal right which grants Satan the right to kill, steal and destroy our office and birth right. But, we can repent and petition for these to be filled with the kingdom of light, instead.

We therefore also have to cleanse our seed and rededicate it to YHVH. We do this by repenting and asking for the removal of our dark seed from the dark altars on which it was sacrificed. The dark workers of iniquity who set out to harvest our seed needs to be divorced and their dwelling places needs to be utterly destroyed. For this reason, we pray into their accessing and summoning during the night seasons.

When we pray we include both our seed- and blood lines. Our seed line, is our family lines from our mother and fathers' sides. Our blood line's do carry the genetic data of our family lines, but it can also contain other super imposed data. This 'extra' data is added onto our blood through things such as covenants, agreements, blood transfusions and sex.

Blood and seed also indicate who we are. It refers to our parents, our lineage, our inheritance and birth right in the spirit. Throughout scripture there is a war around birth right and the blessings associated with it.

Father I stand before You today with a thankful heart. I thank you Father, that You never leave us nor forsake us and that You continually expose our sin, iniquity and transgression. I want to thank you, Yeshua, that You continually teach and guide us into Your truth. I thank you for Your heart of relentlessly pursuing us and prompting us to be Your bride without spot or blemish. Father it is the desire to bring my earthly and spiritual DNA and seed before Your throne. As I do this I ask You to cover me by the blood of the Lamb and to keep me safe from harm. Thank you, Father for calling this court in session and that I can call Godly order into these proceedings.

Spiritual DNA

Father, thank you, for exposing my mixed seed as double DNA. I know that as Your child and through my confessions that I have Yeshua's DNA. But, today I am before You to remove the serpent DNA still at work in me. Father I want to repent of my double life. I acknowledge my double heart, double mind and thoughts, double tongue, double works and double ways before Your throne. (Ps 12:2, Ps 119:113, Prov 28:6). I acknowledge that I have served two masters through this double DNA. For so long have I tried to ignore the darkness still within me, to silence it by ignoring it and focusing on You. But, now I ask that this dark DNA be removed from me completely.

Your Word says in Job 41:13 that the crocodile has a double coat of mail and I acknowledge that we have the same characteristic. We are thick skinned people who say one thing but do another. Father, I repent of my double standards.

As the men of 1 Ch 12:33 we want to be known as men and women not with a double purpose but as being stable and trustworthy.

So, Father, here I am representing myself and all my seed, in all time, space and dimension and the cry of my heart is that I want to serve you with all my heart, all my soul and with all my strength. I humbly ask that You would wash me, with the Blood of the Lamb, to be cleansed from this serpent DNA entangled into my life and my seed. I surrender my double identity, double programming, double destiny, double purpose, double covenants, double vision, double light, double consciousness, double life, double organs, cells and structures or any other 'double' in operation in my life and seed unto You. In the Name of Yeshua I ask that all the double memories in my DNA and seed banks will be removed that causes me to distrust You and to walk in my own strength. I repent of all the sin, iniquity and transgression that resulted from me having a double identity. I ask that Your truth, light and love will be the only sources of life and building blocks in my DNA.

In the name of Yeshua we ask that as You restore our DNA to be conformed to Your image and likeness that all demonic seals, curses, bondage, lies, strongholds and all else that carries the character of the kingdom of darkness and the Antichrist will be removed from us and all parts of us. We want to be sons of the True Light!

Father, your Word states that whenever something has been stolen from us that we should be repaid in double. (Ex 22:7). So, we ask today for a double portion of restoration, life, love, joy, favor and grace in our DNA. (Is 16:7, 2 Co 1:15).

We do not want to be known as sons of disobedience but as children of YHVH walking in righteousness. Forgive us for walking acting and living out the course dictated by the world. Forgive us our stubborn rebellious hearts that do not want to be taught and instructed in Holiness. As sons of YHVH we want to be led by your Spirit alone, and therefore, we denounce and renounce the hold of any other spirit constantly working in us causing us to be disobedient, rebellious and unbelieving. (Eph 2:2, Rom 8:14)

Teach us Your ways Yeshua! We declare that the only desire of our hearts is to be transformed into Your image and likeness. Thank you for removing the likeness of all darkness still in us. We strongly renounce and denounce this presence in our DNA.
I thank You Father for completing Your good work in us.

Earthly DNA

Heavenly Father, I stand in your royal courtroom to receive your righteous judgment over my bloodline and seed line inheritances. Heavenly Father I call upon your holy angels to be witnesses to this legal and righteous transaction! I also decree and declare that all the demonic powers that have been attached to the bloodlines of my natural ancestors will respect and honor your righteous judgment over my genetic inheritance. Heavenly Father, your Word says that if we confess our sins, You are faithful and just to forgive our sin and cleanse us from all unrighteousness (1 John 1:9).

I confess the sins, transgressions and the iniquities of myself and my forefathers and repent according to Rev 9:21 of my bloodlines' guilt of murder (blood spill/bloodguilt = abortions, blood sacrifices, murder etc.) of the practice of magic (witchcraft and sorceries etc.), of sexual vice (all

sexual sin) and theft.

I repent and turn away of these and ask You Father for your forgiveness today!

Father, I also repent of all fantasy and dream gates and portals in my DNA that are open by my own and my forefathers' sins, transgressions and iniquity.

I give it up in favor of and in order to possess Yeshua's holy and flawless prophetic bloodline.

Spiritual portals and gateways

Heavenly Father I willingly and joyfully DENOUNCE and RENOUNCE every bloodline fantasy and dream portal and gateway that is not of Yeshua. These have created access points for the kingdom of darkness to be able to transfer and attach demonic technologies and I give it up in favor of and in order to possess Yeshua's holy and flawless prophetic bloodline. I ask Father that You will place a wall of fire around my thoughts and dreams and that You will keep the night mares away by Your holy fire. By the blood of the Lamb I blot out all pictures of sin and death which they introduce through the sound waves of iniquity in my DNA. Father, I ask that all these negative, demonic sound waves will now be washed by the blood of the Lamb.

Blood guilt and curses

Father, I acknowledge and take full responsibility for the curse of financial and prosperity success in my life. I repent that my lineage carries a curse of financial death and barrenness. I know Father that just like Abel's blood cried out in vengeance so the blood spilled and bloodguilt in my lineage also cries out. I also repent Father for every; and all instances where the spirit of abortion gained legal right to my bloodline. I repent for the blood on my hands. Father, I see the fruit of this stronghold in my life where my plans and prosperity are continuously aborted and are blocked - never to come into fruition and adulthood. I repent Father of this and ask that the sound of all the above-mentioned blood in my lineage will be silenced through the blood of the Lamb. I ask that this curse will be removed from my bloodline. Dedication of seed

Father, I stand here on behalf of myself, my fore fathers, my children and my generations to come. Father, I ask that the worship given to other god's will be silenced and the seed sacrifices I have given will be burned with Your Godly fire and covered by Your precious Blood. Father, I come with a teachable spirit and ask You to help me form new, Godly thought, and action patterns in my sexual DNA. I ask that You would remove the Baal programming from my spirit, soul and body and to reprogram me to be Your pure bride. Thank You for loving me. Father, I also choose today to be divorced of the evil in my DNA. Father, I ask that this covenant will also be annulled in the Name of Yeshua. Father, I ask that the judgments against and curses upon my seed be blotted out by Your Blood. Father, I ask that the curses will be exchanged with the blessings you have intended for my seed in past, present and future generations to be released. Father, we accept the life You have planned for me, and I embrace that life today, in all its goodness. Today, I accept the life You have designed, purposed and given me. Father, I ask that You would cover my seed with Your Blood and that Your angels would go and destroy my DNA that is in any ungodly seed bank and/or fertility program. Father, I willfully denounce and renounce any Nephilim children of mine. Father, I choose to sever any bonds with them in all space, time and dimension. Father, I ask that You would reprogram our seed in order for it to have Godly pathways. Father, I bring my firstborn onto You. Thank You for the privilege of having seed and children. Father, I choose today to walk in Your will according to my sexuality and seed. Father, today in the Name of Yeshua, I claim back the mandate Satan has over my seed. I ask that this mandate and the judgments giving him this mandate be destroyed by Your Blood and Holy Fire. I ask in the Name of Yeshua that Your Blood will cleanse the senses over my seed as well as the ungodly seed in my thoughts, will, emotions and soul dimension.

For women

Ps 100: *A Psalm of thanksgiving and for the thank offering. MAKE A joyful noise to the Lord, all you lands! Serve the Lord with gladness! Come before His presence with singing! Know (perceive, recognize, and understand with approval) that the Lord is God! It is He Who has made us, not we ourselves [and we are His]! We are His people and the sheep of His pasture. Enter into His gates with thanksgiving and a thank offering and into His courts with praise! Be thankful and say so to Him, bless and affectionately praise His name! For the Lord is good; His mercy and loving-kindness are everlasting, His faithfulness and truth endure to all generations.*

I thank You YHVH – most High God! I declare and decree

2Co 5:17 Therefore if any person is [ingrafted] in Christ (the Messiah) he is a new creation (a new creature altogether); the old [previous moral and spiritual condition] has passed away. Behold, the fresh and new has come!

In the name of Yeshua we pray
