

## Breaking generational bondage

**2 Kings 23:21** ... it is written in this Book of the Covenant.

*Through the generations we have made covenants. Simply put, a covenant means everything of mine is yours and everything of yours is mine. By entering into covenant, we obtain an instant inheritance. This means that our lifeline, bloodline, seedline and timeline are merged with those we are in covenant with. This has a dramatic and far-reaching effect on our humanity – imprinting and encoding our DNA and cells. Many of these covenants are righteous but, there are also dark covenants. A covenant is a legal binding document – binding us to their terms, generationally.*

*God has a Book of the Covenant. But, the records of our dark covenants are also written in the dark kingdom copy of the book of the covenant. This book and the records of our dark covenants are in safe keeping in the kingdom of darkness. If we don't destroy these dark covenants and their records – by marking them with the blood of the Lamb – then they are still resounding in the spirit. The problem is that our brokenness, our hidden parts stay in agreement with these documents and their dark terms and conditions. We remain loyal to their terms, conditions and instructions. It is time to bring all these generational records into the courts of YHVH, to annul their legal rights, to cut our humanity loose and to cancel their dark inscriptions over our DNA and cells.*

## Entering the courts

Father, I come before You in the Name of Yeshua and through the blood of the Lamb. Father, as I enter your courts today, I come representing my timeline, lifeline, bloodline, seedline and DNA. I extend this prayer to all broken and hidden parts of me as well as those associated with me. In the name of Yeshua I ask that my humanity and all that pertains to me will be marked by the blood of the Lamb. In the name of Yeshua I declare that any reprisal from the kingdom of darkness will be blocked through the blood of the Lamb. I bring every secret document and legal right of the enemy into the court stamping them with the blood of the Lamb.

I ask that my case will be heard by the Righteous Judge of all Ages, that Yeshua would be my Advocate and Holy Spirit will be my appointed legal counsel. I filter every word presented in this court through the blood of the Lamb of God. In the name of Yeshua I bring all altars, covenants, contracts, agreements, past sentences, verdicts and pronouncements under the blood of the Lamb of God and the authority of the courts of YHVH.

## Dark altars

In the name of Yeshua I ask that it will be noted that when I submit to the court the phrase 'the blood of the Lamb' that it refers to the blood of the Lamb of God, Yeshua, that was slain for us. In the name of Yeshua I silence all other lamb's blood. In the name of Yeshua I declare that no other sacrificial offering of blood of any ritual or on any altar in all time, space and dimension will have a voice in the court proceedings today. In the name of Yeshua I repent of all blood that testifies against me. I take full responsibility and repent. In the name of Yeshua I break up all power circles around all altars that pertains to this prayer. I cancel all vibrations and sounds of worship, curses, incantations, spells or mesmerising

and programming uttered around these altars. In the name of Yeshua I quench all false fires. I give up all generational appointments and positions around these altars – specifically that of high priest. In the name of Yeshua I ask that all of my humanity that is presented on any of these altars will be removed through the blood of the Lamb. I declare that these altars and all that they represent in the spirit will be utterly destroyed as I pray today.

In the name of Yeshua I also repent and bring all seed offerings into the courts today. In the name of Yeshua I repent of every trade that my generations and I have made with our seed and blood. I ask that all seedbanks and bloodbanks that pertain to me will be marked by the blood of the Lamb.

### **Egyptian heritage**

*Please allow me the following explanation so that we can repent with understanding and revelation*

The whole Word is applicable to our lives. We understand that we are often times like Jezebel, that we are called to be like Yeshua, and that we are commanded to have the courage of Joshua. This makes the word an incredible hands-on prayer manual. It is of great value and benefit to take full responsibility for these peoples' images, their duplication or representation in our lives and to repent of their sins, transgressions and iniquities as it is found in us. *Ecc 1:9 The thing that has been--it is what will be again, and that which has been done is that which will be done again; and there is nothing new under the sun.*

### **Abram, Sarai and Pharaoh**

Throughout scripture Egypt is a picture of bondage and slavery. When considering the Egyptians we often start with the story of pharaoh and the exodus into the promised land. But, the link

Written by Sahnnet Schoeman

between god's people and Egypt begins with Abram.

God calls Abram out of his country and promises to lead him into a new lineage, a new inheritance. (Gen 12:1-3) This journey is marked by God's promises of protection, blessing, abundant increase and favour. On his journey Abram is confronted by a great and terrible famine. (Gen 12:10) Instead of standing on God's word Abram diverts from God's path and goes down to Egypt. We read that his crossing into the borders of Egypt are marked by lies, deception, pretence and self-preservation. Abram lies about his covenant status with Sarai and because of this Pharaoh takes her as wife. In exchange Abram receives many gifts including the maid-servant Hagar. God punishes Pharaoh severely for entering into covenant with Sarai. Sarai's seed are now marked with the bondage and darkness of Egypt. (everything of mine is yours and everything of yours is mine)

### **Repentance**

In the name of Yeshua I repent for not standing on Your promises of protection and provision. I repent for every instance where we sought Egypt as our rescue and made Egypt our saviour. In the name of Yeshua we denounce and renounce Egypt as our strength, source, rescuer and saviour. In the name of Yeshua we repent of enthroning Egypt into the place that was meant to be occupied by You, Yeshua. In the name of Yeshua we choose to reinstate You into Your rightful place, position and authority of Ruler, Saviour, Protector and King.

I repent for every instance where we have aborted Your plans, promises and purposes and diverted into Egypt. In the name of Yeshua I bring our crossing over into Egypt into the court. I mark the generational pathway and borders with the blood of the Lamb. I repent of every lie, deception and pretence which we have uttered to find favour with the Egyptians and to save our skin. I bring each of these under the blood of the Lamb.

[sahnetschoeman@gmail.com](mailto:sahnetschoeman@gmail.com)

I repent for not valuing our covenant with You but, for entering into dark beneficial covenants with the kings and princes of Egypt. In the name of Yeshua I renounce and denounce the royal structure of Egypt. I repent of fearing them more than You. I repent for every trade which we have made with the Egyptians in order to buy protection and safety from them. I mark each of these with the blood of the Lamb. I repent of the many layers (the generational reinforcing) of our covenants with the Egyptians. I bring each of these under the blood of the Lamb, annulling them and destroying all their records.

In the name of Yeshua I repent of trading our generations into bondage with Egypt through these dark covenants.

#### ***Abram, Hagar and Ismael***

*We all know that song father Abraham has many sons, many sons has father Abraham, I am one of them and so are you so let's just praise the Lord. We connect this song with Isaac, but what of the first-born son of Abram, his spiritual inheritance?*

*Once again not waiting on and trusting God, Abram and Sarai took matters into their own hands. Abram enters into covenant with Hagar – the Egyptian maid-servant and Ishmael is born. Ishmael is described as a wild man and that his hand will be against everyman and every man's hand will be against him. (Gen 16:12). Consider for a moment the heart of Ishmael when Isaac was born. Consider Sarai's wounding of Ishmael through her own wounds. Through Ismael's birth a mistaken heir is born carrying the iniquity of man's disobedience, impatience and rebellion.*

#### **Repentance**

In the name of Yeshua we present the part of us that identifies with Ishmael under the blood of the Lamb. In the name of Yeshua we bring our Ishmael inheritance before You. Ismael is a picture of our own plans boomeranging in our faces. We repent and take full

responsibility for interfering in your plans and purposes. We bring the whole harvest – the seed of pursuing our own plans and impatience – under the blood of the Lamb. In the name of Yeshua we bring the inheritance the bloodline and seedline of not waiting on God, of disobedience and rebellion, lack of endurance, trust and faith before You. Father, we repent that we have very active DNA that carry all these traits of going against your will. We take full responsibility for the marks of sins, transgressions and iniquity that this Ishmael bloodline is marked with and which we are now carrying. We bring their sounds, vibrations, mantels, inheritance, wounds, vows, covenants, contracts, scrolls and appointments and nail them to the Cross.

In the name of Yeshua we give up the inheritance of being wild and at war with others. In the name of Yeshua we bring the rebellion and revenge which we as Ishmael are marked with under the blood of the Lamb. We surrender and ask for a seizing of the war between the Ishmael and Isaac inheritance inside of us. In the name of Yeshua we repent of carrying the assignment of hunting down and destroying the Isaac generation. In the name of Yeshua I plant the Cross and place a barrier of the blood of the Lamb between my Ishmael and Isaac inheritance and between Egypt and the promised land inside of me.

In the name of Yeshua we bring every wound of mockery, jealousy and illegitimacy under the blood of the Lamb. In the name of Yeshua we remove every curse of being unwanted and being the mistaken heir under the blood of the Lamb. In the name of Yeshua we break the bonds of slavery, being an outcast and a vagabond.

In the name of Yeshua I disconnect my humanity from the intrigues between Sarai, Hagar and Abram. In the name of Yeshua we ask that our DNA will be unhooked from the inheritance of the Ishmael bloodline and seedline. In the name of Yeshua we give up the

Egyptian markers that was carried over by the union between Hagar and Abram.

In the name of Yeshua I ask that the protective shield of Egypt over Ishmael will be brought under the blood of the Lamb. In the name of Yeshua I give up the protection of the kingdom of darkness which my Ishmael carry. In the name of Yeshua I remove the mark of a fatherless generation. Ishmael was abandoned by Abram. This will not be my portion. I thank you for the adoption into sonship through the blood of the Lamb.

In the name of Yeshua I give up the inheritance and lineage of the 12 princes that came from Ishmaels generational line. In the name of Yeshua I submit my Ishmael under the authority, plans, purposes and destiny of You, most High God. In the name of Yeshua I therefore disconnect Ishmael from the dark inheritance and ask that Your promised inheritance will be paid out over him.

### **Josef**

*Josef was sold as a slave to Egypt. Jealousy was at the root of this sale. There in the service of Potiphar's house there was once again a dark push to make a covenant between god's chosen people and Egypt. Josef resisted that, but ended up in jail. Later in his life he was appointed in the government of the pharaoh – being in charge of the Egyptian storehouses.*

### **Repentance**

In the name of Yeshua I bring every family trade – where one of us were sold into slavery to Egypt, under the blood of the Lamb. In the name of Yeshua I choose to forgive every injustice that was done to me that resulted in me becoming a slave. I bring the records of our family jealousy under the blood of the Lamb. I repent of being the

jealous one. I repent of selling or trading a brother into captivity. I bring all these trades under the blood of the Lamb, and petition for their and my own freedom.

In the name of Yeshua I bring every assignment of lust, adultery, unlawful sex, bigamy and every push of Egypt to re-activate my covenant with them under the blood of the Lamb. In the name of Yeshua I place a shield of the blood of the Lamb between my humanity and every presentation of Potiphar's wife. I block all sexual advances of any Egyptian and my humanity through the blood of the Lamb. I bring all sexual altars and their call to be serviced under the blood of the Lamb. In the name of Yeshua I forbid any accessing or summing to sexual activity in the night seasons or in our generational inner-worlds and dark imaginations. I mark all of these with the blood of the Lamb – clearing out the generational sexual imprints, sounds and memories, In the name of Yeshua I repent for the legal right that the Egyptians and their gods have over my seed because of the unrighteous deeds starting with Abram and Sarai. I cancel their contract and covenant over my seed and their right to harvest it. In the name of Yeshua I delete the sexual suggestions and promises which my memory banks carry because of Potiphar's wife's or the Pharaoh's advances. In the name of Yeshua I also cancel every jail sentence that has placed me in captivity because I refused to enter into covenant with or yield to the sexual advances or an Egyptian. In the name of Yeshua I ask that all my seed will be removed from under the waters of the Nile river. I repent of every sacrifice and dedication of my seed that was made to the water spirits and the crocodile god – Sobek. I bring all children that was created from these dark covenants with the Egyptians under the blood of the Lamb. I remove all of my seed, all of my parts and children from the altars, schools of magic and sorcery and palaces of Egypt.

I cut my humanity loose from this dark family line and tree of Ishmael. I declare that I am not a son of the Egyptian women. I am a covenant child – formed and created by YHVH. In the name of Yeshua I cancel the Ishmael breeding program which I carry I blot it out through the blood of the Lamb.

### **Moses**

Moses was born as a Hebrew but because of a death threat he came to live as a son in the palace of pharaoh. In this manner his Hebrew inheritance was exchanged for that of a prince of Egypt.

### **Repentance**

In the name of Yeshua we repent that fear of death has send us into hiding. We repent that this has placed us in the courts of pharaoh. In the name of Yeshua we repent that our rightful inheritance was thus exchanged so much so that we became princes of Egypt. In the name of Yeshua we choose to give up the rights, priviledges and titles of being a prince of Egypt. We ask that the inheritance, culture and belief system of your chosen people will once again be restored to our humanity.

In the name of Yeshua we renounce and denounce the parental guardianship of the Egyptian royal household. I choose to be stripped from the garments and masks of Egypt which I carry. I ask that my true identity as one of Your people will be restored to me through the blood of the Lamb. In the name of Yeshua I give up all belonging and family of the Egyptian household.

In the name of Yeshua I ask that the blood of the Lamb will mark all of me as I make my exodus out of Egypt. Father, I know that they

do not want to let me go, but in the name of Yesua I ask that your plan of redemption, salvation and freedom just as it is described in Exodus will be my portion. In the name of Yeshua I choose to come under the protection of your cloud by day and your fire by night. In the name of Yeshua I choose to leave Egypt behind, to enter Your promised land – but most of all to enter into covenant with You.

So, in the name of Yeshua and through the blood of the Lamb I declare that You are my God and that I will be Your people. Let heaven and earth be witness of this marriage today.

### **Double covenants**

A double covenant is any covenantal agreement that is present both in the kingdom of darkness and in the kingdom of light. It can be likened to adultery or bigamy. Both these covenants are legally binding – one to the kingdom of darkness and the other to the kingdom of light. In the spirit this causes a check mate – bondage – no movement and progress. In order to move forward the dark covenants and their structures have to be destroyed and the kingdom of light covenants have to be activated.

In the name of Yeshua I submit all double covenants over my DNA, seed, blood, cells, Core, heart, brain, spirit, soul and body, time and life to the court as evidence. These include the dark duplicates of all righteous covenants that pertains to my generations and I. I submit to the court every dark triangular structure that mark these covenants and I place them under the blood of the Lamb. In the name of Yeshua I ask that my humanity, heart, brain, blood, seed, time, DNA, RNA, cells, spirit, soul and body would be removed from these triangular structures, that their control bonds will be cut and that the marking of their spiritual territory in and around me will be dissolved through the blood of the Lamb of God.

In the name of Yeshua I submit all known and unknown dark triangular covenant structures to Your court, marking them by the blood of the Lamb of God. I ask that each of the three corner stones of the triangle (keeping the covenant in place) will be loosened and that their position in all time, space, dimension, their imprint on the earth and on my humanity will be dissolved through the blood of the Lamb. In the name of Yeshua I cut the three-fold cords (the arms of the triangle) thereby breaking their strength in agreement. In the name of Yeshua I hereby submit these dark covenants under the blood of the Lamb:

- **Eden:** between my humanity, the tree of death, Adam, Eve, the Serpent, Lucifer, Satan, the dragon, the lion and the false angel of light, of any other shape or form he might choose to reveal himself including the anti-Christ.
- **Gen 6:** between my humanity, the fallen sons of god, Nephilim, their technologies, cities, wisdom and knowledge, and planned future
- **Hybrids and transhumanism:** between my humanity, the Anakin, the 5 demonic kings and their kingdoms, the Hittites, Canaanites, Gergashites, Perizzites, Amorites, Hivites, Jebusites, reptilians, aliens and every representation of the serpent's seed and mixture of human DNA with other life forms.
- **Egypt:** between my humanity, Ishmael, Hagar, Abram, Sarai, the royal structure and hierarchy of kings, princes and princesses, the curses and seasons of bondage and slavery, evil task masters, captains and guards appointed over the slaves, the magicians and witchcraft, the gods of Egypt, the death regions and inheritance of the afterlife
- **Sobek:** between my humanity, my blood and seed and the crocodile of Egypt. I repent of every offering and or

dedication that was made of our children – especially our firstborn – to this god.

- **Dark core:** between my humanity and the powers of darkness, bloodline, seedline, dark DNA (blood and seed), dark inheritance, dark calling, dark assignments, dark appointments, dark vibrations, sounds, mesmerizing, trans-like states, holograms, lies, deceptions and pretences.
- **Death:** in all its forms, aspects, regions and territories, spirits, guards, tombs, graves, clothes, crosses, states, as well as the technologies of torture, pain, brokenness, trauma, captivity and woundedness.

In the name of Yeshua I divorce all spiritual and or associated earthly spouses and family. In the name of Yeshua I give up the inheritance of sonship with its rights and privileges attached to these dark bloodlines and seedlines. In the name of Yeshua I disconnect my timeline and lifeline from the entanglement with these dark bloodlines and seedlines. In the name of Yeshua I ask to be grafted into the DNA of Yeshua.

In the name of Yeshua I bring all secret and hidden clauses and fine print of these covenants under the blood of the Lamb, declaring them null and void. In the name of Yeshua I ask that all records and copies of dark covenant books be brought into this court and that they will be stamped and marked by the blood of the Lamb. In the name of Yeshua we unhook our Ishmaels – our recluse, outcast parts from the stipulations of these covenants, placing the blood of the Lamb between us and them. I silence the records and inscriptions of these covenants inside of my spirit, soul, body, DNA, RNA, blood, seed, cells, heart, brain and Core. In the name of Yeshua I ask that all righteous covenants that have been neglected or have become null and void will be resurrected and reinstated over me.

## **The seeds of bondage in our generations.**

In the name of Yeshua I renounce and denounce the marks of bondage which I still carry. In the name of Yeshua I ask to be set free from each of the inheritances, curses and imprints of being an Egyptian slave. In the name of Yeshua I repent for the fruit of the sins, transgressions and iniquities which I have performed as a son of Egypt. I bring each of the seeds of slavery under the blood of the Lamb

- The fear of death
- Bitterness
- Weariness
- Heaviness
- Fatigue
- Grumbling
- Sighing
- Crying
- Anguish of spirit and
- being unable to hear God.

In the name of Yeshua I take the keys of the kingdom and I unlock the chains and the cuffs and remove the dark yokes associated with these.

In the name of Yeshua and through the blood of the Lamb I break every contract that assigns me to slavery – whether self-appointed, generationally appointed, trade or appointment through iniquity, sins and transgressions. In the name of Yeshua I ask for every control bond between myself, my parts in bondage and any slave master to be brought under the blood of the Lamb. In the name of Yeshua I cancel every threat and curse of ‘if you try to get out you will die’. I bring the payment of Yeshua’s blood on the cross into the court as proof of the purchasing of my freedom. In the name of Yeshua I

cut the fear bonds that keep me in bondage to Egypt.

I choose to align with His redemption plan for me. I therefore decree Gal 5:1 IN [*this*] freedom Christ has made us free [*and completely liberated us*]; In the name of Yeshua I take a stand, fast and secure and will never again be hampered *and* held ensnared, submitting to a yoke of slavery *which I have once put off*.
