

Gates and gateways

Father, I come to You in the Name of Yeshua, through the blood of the Lamb. I ask Father, that as I pray this prayer that all that pertains to me will be covered by the blood of the Lamb as I represent my seed line and blood line in all time, space and dimensions.

Father, I long to redeem the gates over my seed- and bloodline, those inside my spirit, soul and body as well as all gates on the earth, in the earth, above the earth, including all gates pertaining to me, in all time, space and dimensions. I present all these gates before Your court, today. Your Word in Is 28:8 says that Yeshua gives strength to those who turn the battle in the gates. Father, as I pray today, I crown Yeshua as the King over the battle in my gates. I declare that every spirit, soul or body entering my gates will bow their knee to the King of kings and the Lord of lords. Today, a new standard is raised within my gates.

Father, I want to repent for all the sin, iniquity and transgression that are written upon and recorded in my gates. Father, I take full responsibility for, and repent of the sound and vibrations which they are releasing over my humanity, seed- and blood line. Your Word states that the reward of sin is death. I therefore come in the Name of Yeshua and as in Egypt I come and apply the blood of the Lamb on the doorposts of my gates in all time, space and dimension. Through the blood of the Lamb I silence these generational sounds and vibrations.

Father, I ask You to open the books that have recorded my sins, transgressions and iniquities in the gates. I repent my King, where death through stoning and judging has taken place in my gates. I repent that this has given legal ground to the spirit of death, to possess the gate and to create a pathway to the regions of Death and Sheol. Father, I acknowledge that gates in all ages were a place of judgment and a symbol or a place of cleansing. Today I come to You, Judge of all Ages, and I ask that on the grounds of my covenant with You that You will be the judge in my gates. In the name of Yeshua I repent and give up the generational position of unlawful judging in our gates. In the name of Yeshua, I break the covenant, agreement which has appointed unrighteous judges in my gates. In the name of Yeshua I divorce these judges. I repent my King for having picked up stones and for being the one who have stoned others in the gates. Forgive me where I thought that I had the right to take another's life in this manner. I silence this blood on my hands, soil and generations with the blood of the Lamb. Father, please remove the soul copies attached to me through these ancient gates and cut their control bonds from my humanity.

Today, in the name of Yeshua, I come and proclaim the resurrection life of Yeshua through the cross and His blood in my gates. I ask in the name of Yeshua that You

would appoint Godly judges, officers and gatekeepers in my gates and that You would bind the demonic judges, gatekeepers and officers with chains of iron. Father, through the generations watchman have been placed on the walls surrounding my gates. I repent that Your original watchman has been replaced by ungodly ones. In the Name of Yeshua, I repent of the legal right that has enabled the gates to be possessed by the enemy. I repent that from this place the enemy had the legal right to rule my city. In the name of Yeshua, I fire the ungodly watchman and ask that You would restore to my walls and gates Godly watchmen. In the name of Yeshua I annul the covenant me and my generations have with these ungodly watchmen and choose to divorce them, today. Father, please remove their soul copies from my humanity and cut their control bonds with me.

Through the ages our gates have been a place of war and possession. This has caused much generational pain, trauma, tribulation and distress. I bring the haggard condition of my gates before You. In the name of Yeshua I ask that You start repairing the damage done to my gates because of the warfare. I declare today that it is the desire of my heart that my gates will be restored, repaired and that they will bring honor to You my King. Father, where my gates have been barred so as to become a prison keeping me enclosed as well as keeping Your visitation out, I repent. You are the Breaker, so I ask in the name of Yeshua that through my repentance You would come and break these bars from my gates so that they can once again usher in Your presence.

Father, I repent of every altar that was erected in my gates. I repent of the Baal and Asherah worship that took place in my gates as well as the worship to the moon and sun as well as all others applicable but not specifically mentioned (*also pray cleansing the temple within us*). In the name of Yeshua I fire the priests on duty at these altars. Father, I repent where me and my seed have been these priests. I willingly lay down the priestly garments and dark appointments in our generations. It is the desire of my heart to become a High priest in the service of Your presence. I break down these altars and burn the sacrifices with the fire of God and silence the associated wounds through the blood of the Lamb.

Father, through all the warfare in my gates the enemy has come and have burned my gates with hell fire. O my King, I repent of the destruction, rebellion and pride in my gates that gave the enemy legal right to do so. I repent that I was like a traitor in my gates feeding information to both the kingdom of light and darkness.

I come and surrender by battered, destroyed, sunken and deserted gates to You, YHVH. I repent that the devil and his workers had free access to my gates. I ask today in the name of Yeshua, that the foreigners will be removed from my gates in all time, space and dimension. I choose to break the covenant I have with these foreigners and

to divorce them in the name of Yeshua. Please remove their soul copies from my humanity and cut their control bonds over me.

I surrender my gates to You, for purification through the blood of the Lamb. (Neh 12:30)

Time and space as a gate

Father, there are two specific gates which I want to bring before You, today – the gates of time and space. Father, I repent for the defilement, unrighteousness, sins, transgressions and iniquities that have defiled these gates. I repent, Father, that these gates are no longer aligned with Your Kingdom and therefore the free flow of Your goodness, mercy, hope and love can no longer flow from Your kingdom to me.

I repent that these two gates are in line and synchronized with the kingdom of darkness. I repent that their positioning in my humanity and environment enables a free flow of demonic movement, information, visitation, accessing and summoning to me and those I represent. But, today I declare, no more! Today, I start to turn this battle at the gate in the name of Yeshua.

Father, I surrender my time line before You and bring every trauma event before Your court that has shifted the alignment of these two gates from their pillars of righteousness and justice to unrighteousness and injustice. Father, I repent that this unjust alignment has given the enemy legal right to steal, kill and destroy in my gates. Father, I also bring every sickness, disease or condition before You which the enemy have used to realign these gates with the kingdom of darkness. I understand Father, that this has cut me from Your supply of healing, wholeness, deliverance and hope. I am cut off from Your provision and power. In the name of Yeshua I declare that these spiritual power cuts will now seize and desist. I also ask Father, that where the enemy has made illegal connections to Your provision and power in me – from which they siphon it for their purposes - that these illegal connections or spiritual power lines will be cut, now in the name of Yeshua. I choose to surrender all my wounds to you, as these gates, they are no longer the portals of access and destruction for the kingdom of darkness and its workers.

In the name of Yeshua, I ask for a Godly restoration of my gates' alignment with Your Kingdom. Father, please restore the flow and synchronization between the spiritual and physical realms. Please cancel the dark defragmentation of your light. In the name of Yeshua I ask to be positioned directly under Your light – the fullness of Your light.

I break the cycles and programming of sickness, disease, trauma, vulnerability, ineffectiveness, torture and discouragement which is the result of these misaligned gates. Please restore to me the truth and reality of Your kingdom and heart, I pray. In

the name of Yeshua I cancel all lies deposited to me and my humanity through these gates.

Father, I repent that there are specific times and seasons which the enemy repeatedly use to access my gates. I repent of the dark works in our generations that has made this possible. In the name of Yeshua I surrender all clocks internally and or externally unto You, YHVH, as the author of time – the One who was, who is and is to come. All demonic clocks, time keeping devices, calendars, diaries, stop watches will NOW seize and desist in the name of Yeshua. I utterly destroy these and replace their Kingdom of light opposites. In the name of Yeshua and through the blood of the Lamb I choose to annul all covenants and agreements with any times, seasons and time keeping devices and recorders that was dedicated to the kingdom of darkness and its workers having an influence on me and my generations. I divorce these, remove their associated soul copies from my humanity and cut their control bonds.

I speak to these gates, lift-up your heads all ye gates – let the King of glory come in.

Father, in the name of Yeshua I ask that the trauma, torturing and accessing associated with these gates and their resulting PTSD imprints will be completely washed away by the blood of the Lamb. Father, I ask that You unhook my senses from these gates and their attached devices. I ask that where specific programs were running and specific times that these will be utterly destroyed and cut from my humanity in the name of Yeshua. Please, unhook my senses from every aspect of these defiled gates and wash them with the blood of the Lamb. In the name of Yeshua I ask that You start to heal the wounds in my subconscious mind, soul and body caused by the repeated accessing of my gates. I surrender all memories and memory banks unto You. In the name of Yeshua all mother boards and controlling devices and personalities and or entities are now shut down and removed from my gates. In the name of Yeshua I ask for a complete dark kingdom evacuation from my gates. I dedicate them to You in the name of Yeshua and fasten my humanity to Your clocks, time keeping devices and recorders. In the name of Yeshua I ask that all of me will be placed in sync and alignment with the Kingdom of YHVH.

In the name of Yeshua I surrender all my wounds caused by the broken condition of my gates to be placed in the heart of the Father. I repent of all resolved emotions but are willing to deal with the hate, resentment and pain which I still feel when I am confronted with these gates. I repent that I have accepted the dark assignments of bringing and serving death and destruction in my gates. I annul these covenants and positions in the name of Yeshua. I willingly lay down the dark demonic destinies that were in operation in these gates.

Blessing of the gates

In Deut 6:9 your Word states that we should write the Word upon our gates. I come and start proclaiming freedom according to Is 61 in my gates. I bless my gates with strength and purification and righteousness in the name of Yeshua. (Deut 15:7). I now thank You for Your resurrection power in my gates and the blood that marks these gates as holy unto YHVH. I thank You for Your Godly appointed watchmen on my gates. I thank You that all gates in my spirit, soul, body and physical world are now in sync with the resources of Your Name. My gates are aligned and blessed with the Kingdom of YHVH.

In the Name of Yeshua,

Amen
