

Breaking the cult harm curse (only to be prayed after renouncing and denouncing Freemasonry)

The covenants and agreements which our dark parts have with the cult is nothing short of worshipping Lucifer. These covenants are binding until they are annulled in a court of law. Praise, YHVH, Elohim for the courts of heaven as described in Dan 7. As we come before the Righteous Judge of all Ages with our Advocate, Yeshua, we can annul the covenants with the cult and dark kingdoms in and by the blood of the Lamb.

In time we have become aware of a booby trap which the enemy has set up – should we break these generationally binding contracts. This booby trap or counter curse is also known as the cult harm curse. This curse stipulates that harm and disaster will come over you should you want to break the generational and your own cult agreements. But, now that we are aware of this counter curse we can also break its stronghold over our seed line and blood line through the blood of the Lamb.

Father, I come before Your throne in the name of your Son, Yeshua, covered by the blood of the Lamb. Father, I thank You for Your faithfulness, for Your Glory Light exposing my vulnerabilities and revealing the darkness that is still inside of me. I thank You for Your great love.

Father, I ask that the books will be opened over me and my seed- and bloodline for all those I represent in the spirit. Father, I choose today to stand transparent before You. I willfully surrender to the process of You completing the good work which You have started in me. Father, I acknowledge that me and my seed- and blood line have been aligned with the cult; Lucifer's dark kingdom. I acknowledge that some of the light which is in me is in fact darkness. I ask that Your mercy will flow over me through the precious blood of the Lamb as I bring my case before You.

Today, I bring the matter of the cult harm curse before You. Father, I ask that there will be no reprisal in the spirit for me, my family and all who pertains to me because of what we are praying today. I ask that all bombs, triggers and devices designed to go off as I or my seed pray this will be detonated and declared powerless in the name of Yeshua, through the blood of the Lamb. I thank You that the blood is enough. I declare that You are my ever-present help in trouble and my strong tower and refuge. I praise and honor You, YHVH Elohim. Father, I have already started repenting of my cult alignment and the covenants which I have made with the kingdom of darkness. Today, I want to apply the blood of the Lamb to the curse that springs into action should I desire to leave the cult or any secret society associated with the cult. Your Word in Gal 3:13 states that Christ has purchased our freedom having redeemed us from the curse of doom because He has died on the Christ for us. In Him I have died as well, my life is no longer

my own, and in Him I am also resurrected to life associated with His victory over hell and the grave. I am no longer under the curse.

As I apply the Blood to each area of this harm curse. I thank You that I can declare that me and my seed- and blood line in all time, space and dimension will no longer be cursed, harmed, afflicted, bought under misery, troubled or be sorrowful. Our portion is full in Him and we will have life in abundance according to John 10:10.

I thank You for Your Blood and cancel the curse and the associated stronghold of the cult over each of these areas. I ask in the name of Yeshua that as I pray that You would remove the strongman, principalities, powers, spirits and the watchers, the human souls and generational souls, false fires as well as the legacy of darkness which they protect and feed on in my seed and blood. Father, I repent for every instance in all time, space and dimension where me and/or my seed were the instigators or the planters of these curses in the mentioned areas. I know your Word states that exactly what you sow you shall reap. Father, I ask that this cult harvest will be destroyed by your Holy Fire – removing and destroying all legal rights the enemy has to keep this curse in place over my seed- and blood line.

In the name of Yeshua I break the applicable curses from my seed in all time, space and dimension.

I declare that me and my seed will no longer be **cursed with spiritual confusion**. I will be the anointed of the Most High, I will be the head and not the tail. I will no longer be dry but, will be planted by streams of living water having access to drink from the fountain of life. I have the mind of Christ.

I declare that the **Lewis curse of freemasonry** no longer has an effect on me and my seed. No longer will my work, finances, family, marriage, health, stature and position be cursed. I speak health and wholeness to each of these areas.

I declare that the **curse of illness and marriage breakup** is broken in the name of Yeshua. we will carry the example and DNA of a Godly marriage as Yeshua is our Bridegroom forever and we are a bride without spot or blemish.

I declare that the **curse of death to churches and revival** will no longer be able to manifest in any area of my influence. We call in revival fire to the Church worldwide. Prepare the way for the King.

I break the **curse of retarded evangelism** over my spirit, life and influence sphere. I declare that I will be a willful worker for the harvest that is readied.

I break the **curse of hindering fresh visions**, I break the **curse of tradition and religion**. I declare that the old people will dream and the young will see visions. I

decree a new wine skin with fresh wine over the body of Christ. I decree a hunger for a Spirit-filled life.

I break the **curse over the businesses** I am appointed over as steward. I break the **curse of lack of growth**. In the name of Yeshua I also break the **curse that holds back breakthroughs** in business. I dedicate this business to You as a holy sacrifice bringing You glory and honor.

I break the **curse of unfair favoritism** amongst legal, judicial, police and architectural professions. In Your eyes we are all equal and I thank You for leveling the playing field of Your mercy and grace and blessings upon my life. I thank You for opening doors of provision and promotion over my life.

I break the **curse of combining religious and philosophical thinking**. Father, both of these are not of you. I declare that I believe in You and not on any religious or philosophical thoughts or systems. I thank You that I am now cut loose of any web that is associated with these two structures in the spirit.

I break the hold that the **curse of a Masonic community** open to the cult has over my life, my social development, my senses and my thinking. I am hidden in Christ.

I break the **curse of cyclic problems** recurring in my life, family, school, business, church, government or politics.

I break the **curse of chronic financial problems**. I cancel every manifestation of this curse which is evident in me and my seed's debt history, cycles of bankruptcy, poverty and lack of financial gain. I break the curse of not being able to come ahead financially. In the name of Yeshua I break off every tie, or device hindering me and my seed's financial gain. I remove the curse that makes us unable to keep jobs, that causes us to be laid off and makes it impossible to establish profitable employment. I declare that You are Yehova-Jirah, my provider.

In the name of Yeshua I place a big stop sign of the blood of the Lamb before each of these problems cancelling their associated curses of destruction and devouring. Never again will they be introduced to my seed:

- Unexpected bills,
- Accidents that cause unforeseen and repeated medical bills.
- Physical loss of money through carelessness
- Repeated theft, muggings or robberies
- High interest rates,
- Repeated car breakdowns or mechanical malfunctions

- The inability to handle money matters
- Business failures
- Being unprofitable
- Not receiving payment
- Impoverishment factors
- Cycles of lacking
- Bad debt

Father, where my life has been placed upon a board of snakes and ladders that causes me to move forward just so that I can be devoured and moved back to square one, I ask in the name of Yeshua, that You would remove all of my humanity in all time space and dimension and that of my seed from this board. I ask that You would remove all that pertains to me that are used as the icons on this board. In the name of Yeshua I also ask that You would cut me loose from the control of the game players and master behind this manipulation. I am rooted on Yeshua as my Rock and sure foundation, Father, please cut me loose from luck and chance. I ask on the grounds of my covenant with You.

I declare that this will no longer be true over me and my seed. I declare in the name of Yeshua that every curse or truth contained in this scripture will be reversed to be life giving:

Hag 1:6 You have sown much, but you have reaped little; you eat, but you do not have enough; you drink, but you do not have your fill; you clothe yourselves, but no one is warm; and he who earns wages has earned them to put them in a bag with holes in it.

I declare that I am no longer under the **curse of lacking**, but that Yeshua is enough for me.

In the name of Yeshua I cancel the **curse of chronic sickness and disease** over my seed. I cancel every cycle of recurrence, constant vexation, weakening and troubling of my spirit, soul or body. I declare to every and all sickness present in my seed that You will respond to the healing power of the blood of the Lamb. Receive healing right now in the name of Yeshua. I remove every label that my seed carries of sickness and disease incurred because of the curse. I bring every seemingly 'incurable' sickness caused by this curse before the throne of God and I declare you will cease and desist in the name of Yeshua. In the name of Yeshua I break the curse of high blood pressure, diabetes, cancer, sickle cell anemia, bones diseases, blood and respiratory diseases, heart diseases, head and brain injuries as well as anything else applicable but not specifically mentioned.

I cancel the **curse of the pestilence that cleave**, (Deut 20) - that causes infectious diseases, or sicknesses. I declare in the name of Yeshua that you will no longer have a

hold on me and my seed, you will not stick around, you will not recur, you will no longer linger. Be loosed in the Name of Yeshua.

In the name of Yeshua:

I cancel the **curse of chronic female problems**.

I **cancel the curse of barrenness**. I declare that me and my seed will be fruitful and will be able to multiply.

I cancel the **curse of miscarriage**, PMS, tormenting pains during menstruation, tumors and growths in the abdomen and womb, fallopian tube infections, ill operating ovaries and general curses of infirmity.

I cancel the **curse of being accident prone**.

I cancel the tendency and inclination that my seed has to have accidents. I cancel the labels that is associated with this. In the name of Yeshua I cover and declare null and void the clock that times me and my seed's accidents. I will no longer play to its tune. I cancel the curse of frequent falls, of choking, being bitten by animals, being injured at work, being accidentally shot, or accidentally cutting or burning myself, walking into doors or windows and bone breakages as well as anything else applicable but not specifically mentioned.

I break the **curse that stirs up marital problems**. I declare that my marriage and household are no longer under the curse of death and destruction but are sheltered under His wings of Blessing.

I break the **curse of strife, quarreling and silent brooding** over the marriages in this seed.

I break the **curse of separation, divorce and multiple marriages**.

In the name of Yeshua I break the **curse of premature death** over my seed.

I break the **curse of death and destruction** over my seed.

I break the **curse of having mental problems** over my seed.

Father, having loosened all these curses from my seed, I also come and submerge all that is contained in my seed- and blood line under the blood of the Lamb.

I willfully and joyfully denounce and renounce the Masonic creed that has wrapped my seed in these curses. I serve only One God, YHVH. I am bought by the Blood of the Lamb.

I now come in the Name of Yeshua and break up every circle over my seed and wounds, I blow out the candles, I remove all parts of me from the altar, I wash out the cauldron with His blood, I put out the demonic fires and break down the altar.

I surrender the demonic feeding tube and umbilical cord from the generational wound to the kingdom of Life. I wash the tube from all sin, transgression and iniquities and ask that You will cut it off. I will no longer feed the generational souls and human souls feeding on my defiled legacy. I now implant all of me and my seed into the Kingdom of life. I declare that I will be fed life and not darkness. I thank You that You wash all my senses with the blood of the Lamb. I declare that I will no longer be drawn to any part of the Kingdom of darkness.

Father, I know that seed has to die and be buried in order to bring forth life. My seed is dead in Christ and therefore I now declare in the name of Yeshua that Satan no longer has the legal right to cruse, torment, harm, afflict, trouble or bring sorrow to anyone in my seed who wants to leave and be loosened from freemasonry and it's corresponding curses.

I thank You Father, that Your word in Num 24:9 is true over me and my seed as we align with Your righteousness and justice through the blood of the Lamb.

Num 24:9b Blessed [*of God*] is he who blesses you [*who prays for and contributes to your welfare*] and cursed [*of God*] is he who curses you [*who in word, thought, or deed would bring harm upon you*]. [*Matt. 25:40.*]

Joh 16:33 I have told you these things, so that in Me you may have [*perfect*] peace and confidence. In the world you have tribulation and trials and distress and frustration; but be of good cheer [*take courage; be confident, certain, undaunted*]! For I have overcome the world. [*I have deprived it of power to harm you and have conquered it for you.*]

I thank You in the name of Yeshua. Glory to YHVH the Most High God, the Author of Salvation!

Amen
