

Prayer for baby to be born with a C-section

Father, we come before You in the name of Yeshua and through the blood of the Lamb. Father, Your Word in Mat 18:19 says, *Again I tell you, if two of you on earth agree (harmonize together, make a symphony together) about whatever [anything and everything] they may ask, it will come to pass and be done for them by My Father in heaven.* Father, today we as witnesses add our prayer, our voice, to these expecting parents' prayers and petitions before Your court.

Father, as I pray I call baby..... (include name) spirit man to attention in the name of Yeshua and through the blood of the Lamb. Little one, I invite your spirit man to listen to every word which we pray today. Father, if there are any devices present that blocks this little one's senses from responding to You, we repent. Father, we take full responsibility for every act of sin, transgression and iniquity that has caused us to turn away from You. As parents and witnesses we choose, today, to turn back to You in repentance. Father, as parents and legal decision makers over this baby's life we choose You. We honour You for the creation of life and we dedicate this life to You as a living sacrifice of Your faithfulness, creativity and love. We honour You as the author of life. Father, we ask that the blood of the Lamb will now come and flood the spiritual and natural atmosphere around this baby. In the name of Yeshua we ask You to please remove any and all devices from this little one's physical body as well as from his/her spirit and soul. In the name of Yeshua we break the covenant that he/she has generationally with sin, transgression and iniquity – and specifically with rebellion, unforgiveness, bitterness, hate and strife. We take full responsibility for each of these and bring these covenants under Your blood judgement. We choose today to annul these covenants and to divorce the spiritual entities associated with it. Father, in the name of Yeshua we ask that this little one will be completely cut loose from the dark umbilical cords associated with these covenants which we bring before You today. Father, this baby has praying parents, with repentant hearts. Father, in the name of Yeshua we bring every curse present before You, we repent Father and curse this curse to its very roots in spirit, soul, body, cellular level, in the seed, blood, bone marrow and every other place applicable but not specifically mentioned.

Father, we ask that You will search this baby and that You would remove any and all generational soul copies that have attached itself to this baby and place them in Your blood judgment. Father, I specifically ask that any ungodly copies from his father will be removed from him as well as those of his mother present on him. Father, I also ask in the name of Yeshua that where any unlawful copies of the baby has attached to father and mother that these will be removed in Your blood. Father, please come and fill these empty places now with your spirit.

Father, any birth trauma in the bloodline and seed line we bring before You in repentance. We break the covenant with this trauma, taking full responsibility for this payment of death and darkness in the generations. In the name of Yeshua, we divorce all the spiritual entities associated with this trauma. Father, we ask that you unhook the blood line and seed line from the time and land where the trauma is pegged. In the name of Yeshua and through the blood of the Lamb we curse the curse of traumatic birth all the way back to Adam and Eve. Father, any and all souls

that are attached to this curse, I ask that You remove them now, through the blood of the Lamb, into Your blood judgments. We surrender the generational wounds associated with birthing trauma unto You and ask that these parts of us will be placed in Your heart for healing and restoration.

Father, we specifically repent of every covenant that this seed line and blood line has with the spirits of death and Sheol. Father, we repent of this in the name of Yeshua and through the blood of the Lamb. We ask that this little one and his/her destiny will be unhooked from this dark destructive covenant. In the name of Yeshua and through the blood of the Lamb we divorce all dark workers and agents of death. Father, in the name of Yeshua we curse the curse of death over this little one's life and destiny and ask that all soul copies attached will be placed in Your blood judgement. In the name of Yeshua we declare that a new standard is raised over the births of this blood line and seed line. We declare that life in abundance is the mark and signal in the spirit for all births. In the name of Yeshua I cancel all dark assignments over this little one's life and declare and decree through the blood of the Lamb life in abundance. Father, because of our repentance of the presence of death and destruction in our seed- and blood lines I pray that if the umbilical cord is around this little one's neck that in the name of Yeshua this death noose will be removed by Your hand of faithfulness and healing.

Little one, I ask your forgiveness in the name of Yeshua if you have heard any one in your family or close circle of friends that have spoken negatively about you, your conception or birth. In the name of Yeshua, I cancel these curses spoken over your life and destiny. I ask that your spirit man will forgive those who have wronged you and have marked you in this manner. Father, please remove all dark, demonic labels, tags, feeding tubes and the sound of lies from off this little ones' spirit's, souls and bodies, I pray this in the name of Yeshua.

Father, if this little one was conceived out of wedlock, or if there are births out of wedlock in the seed line and blood line, we repent in the name of Yeshua. Father, we take full responsibility for this sin and now place the curse of never entering your presence under the blood of the Lamb (Deut 23:2). Father, in the name of Yeshua, we break this covenant and divorce the spirits associated. In the name of Yeshua I declare that the pay-out of this curse is cancelled through the blood of the Lamb. Father, please remove any all soul copies and spiritual entities attached to this curse in the seed- and blood line. We bless this little one in the name of Yeshua with the fullness of Your presence all the days of his/her life.

Little one, usually the baby's spirit man in consultation with God, tells the mommy when it is time to be born. For various reasons your mommy and daddy have decided to do a C-section. I want to ask your forgiveness that the power of decision making has been removed from you in this way. I ask that you will listen to your mommy and daddy's spirit man as they explain to you why they have decided to bring you into the world in this way. If you harbour any dark emotions because of this, I ask that your spirit man will forgive them in the name of Yeshua.

Little one I am here, today, to prepare you for the time of your delivery. I am here to ask your spirit man to still rule and reign over the procedures of (include date). Your Father, in heaven, who is the God over time, is already flooding this day with His presence. He is waiting for You to welcome you into this atmosphere. I ask that your spirit man will start preparing your body and soul for the first breath. I ask your spirit man to prepare your soul and body for the removal by hands from the womb. I declare in the name of Yeshua that this will not be a frightening experience. I commission you, spirit man to override any and all medication which will be given mommy, in order that she can cope with the procedure. I ask your spirit man to hook into Yeshua and the Holy Spirit for guidance and direction in this procedure. Spirit man you are safe under the shadow of the wings of the All Mighty. That is Your covenantal right. In the name of Yeshua, I now flood the time of your birth with the 7 spirits of God. I flood the atmosphere as well as the womb with the Word of God – so that your transmission from the womb to the outside world will be smooth, blessed and a joy. I ask in the name of Yeshua that you will even now, be flooded with His light of hope, life and love.

Father, we bring all medical equipment used for the delivery before You in the name of Yeshua, sanctified by the blood of the Lamb. We thank You Father, that You are in charge of this delivery, that Your presence will supersede any worker of darkness' presence and agenda in the theatre or afterwards.

Father, I thank You that Your angels will be at the ready from the moment that the delivery procedures starts and especially as this little one takes his/her first breath. I thank You that You command them as You promise in Ps 91.

Little one, we welcome you, we want you. We cannot wait to see the excellence of God's design in your life. We want you to know that you are much loved and expected. We release You to be all that God has designed you to be. We bless you with the fullness of Joy.

Father, if any part of this prayer is dangerous to the baby, of the mommy because of hidden legal rights I ask that Your blood will seal and protect them. Yeshua as our advocate I ask that You would state and argue the case further on our behalf for every instance where our human knowledge and understanding has failed us. Your Word says let the little ones come to Me. Father, this is what we pray today. Make it possible for them to come to You.

We pray this in the name of Yeshua.
