Removing dark chambers from inner world

We were designed to live in and from the reality of God's kingdom. Trauma, pain and emotions such as fear can easily prompt us to escape and to create another – make-belief reality. Our disassociated parts and or fragmented soul/spirit live in their own reality – or inner worlds. The problem is that these other worlds keep us disconnected from God as our source of life and His truth as our reality. Inner worlds are created by our sins, transgressions and iniquities. Generationally, these form dark energy fields of light and sound. 'Be careful that the light that is in you is not darkness'. These worlds are built on lies and has darkness as its source of light. The more we sin and invest in these worlds the stronger and more established they become. The dark energies and frequencies of dark light and sound in these worlds form a dark matrix or grid – and we get trapped inside. Should we try to get out, we trigger one of the light beams and an internal alarm goes warning everything in the spirit that a breakout is about to take place. To us, this then looks like a panic attack, epileptic seizure, heart attack (just to name a few). These inner worlds have their own government, societies, laws and belief-systems – and we play specific roles in them. There are dwelling places in these inner worlds – specific rooms and chambers where dark acts are performed – these rituals reboot and repowering the dark energy fields. Our imaginations and thoughts also create structures in the spirit. Some of these structures are built from lies and are mere holograms. In order to be set free we need to be able to discern between truth and lies, reality and holograms. Let us pull the plug on the generational matrixes and holograms of lies and rebuild the ancient ruins of truth in our cells and DNA.

Father, I want to thank you and honour You for Your incredible design capabilities. Father, I sing Your praises as the architect of the Universe and the Giver of life. Father, I acknowledge You as the King of kings and the Lord of lords. The name above all names. As I pray today, I align all that pertains to me with Your Kingdom. I choose to serve, honour, love and obey You. Father, this declaration I make today is to override any and all other alignments in the spirit. Today, as I pray, I include my bloodline, seedline, timeline and lifeline as well my blood, seed, cells, heart, brain and Core. I ask that all of these will be included when I refer to my humanity as I pray today. Father, in the name of Yeshua I mark all that pertains to me with the testimony of Your blood as well as my baptism with water and fire. Father, I also include all dark aligned parts of me, my DNA, RNA and all my captured wills in all of time, space and dimensions. In the name of Yeshua I stand on Your Word and presence for protection, healing and restoration. I declare that You are not a man that You should lie and in PS 51:6 you say that You desire truth in our inward parts and in the hidden part you shall make us to know wisdom. In the name of Yeshua I submit my will and innermost parts to You and declare let Your Kingdom come and your will be done today.

In the name of Yeshua I establish Your Word as it is given in Ps 139 with its promises, wisdom and presence as foundation stone to my prayer *today*. Father, I ask and give you permission to do all that Your Word declares.

Ps 139: O LORD, you have searched me [thoroughly] and have known me. You know my down sitting and my uprising; You understand my thought afar off. You sift and search out my

path and my lying down, and You are acquainted with all my ways.

For there is not a word in my tongue [still unuttered], but, behold, O Lord, You know it altogether.

You have beset me and shut me in--behind and before, and You have laid Your hand upon me.

Your [infinite] knowledge is too wonderful for me; it is high above me, I cannot reach it.

Where could I go from Your Spirit? Or where could I flee from Your presence?

If I ascend up into heaven, You are there; if I make my bed in Sheol (the place of the dead), behold, You are there.

If I take the wings of the morning or dwell in the uttermost parts of the sea, Even there shall Your hand lead me, and Your right hand shall hold me.

If I say, Surely the darkness shall cover me and the night shall be [the only] light about me, Even the darkness hides nothing from You, but the night shines as the day; the darkness and the light are both alike to You.

For You did form my inward parts; You did knit me together in my mother's womb. I will confess and praise You for You are fearful and wonderful and for the awful wonder of my birth! Wonderful are Your works, and that my inner self knows right well.

My frame was not hidden from You when I was being formed in secret [and] intricately and curiously wrought [as if embroidered with various colors] in the depths of the earth [a region of darkness and mystery].

Your eyes saw my unformed substance, and in Your book all

the days [of my life] were written before ever they took shape, when as yet there was none of them. How precious and weighty also are Your thoughts to me, O God! How vast is the sum of them!

If I could count them, they would be more in number than the sand. When I awoke, [could I count to the end] I would still be with You.

If You would [only] slay the wicked, O God, and the men of blood depart from me. Who speak against You wickedly, Your enemies who take Your name in vain!

Do I not hate them, O Lord, who hate You? And am I not grieved and do I not loathe those who rise up against You? I hate them with perfect hatred; they have become my enemies.

Search me [thoroughly], O God, and know my heart! Try me and know my thoughts! And see if there is any wicked or hurtful way in me, and lead me in the way everlasting.

Innermost parts

So, Father, in the name of Yeshua I give you access to the innermost parts of my humanity. I invite you into the deepest chambers of my heart, into the uttermost corners and regions of my spiritual world, into the regions and waters under the earth and in all of the heavens. I invite you into my inner world with all its constructs, timelines and realities. I invite you into the structures and frames of my mind, memory banks and imagination. I also invite you into the constructs of my emotions and belief-systems. In the name of Yeshua I take full responsibility and repent that I have kept some parts of my life and humanity hidden from you. I invite You into every hidden

thing, behind every shield and into my conscious, subconscious and unconscious minds and the worlds and realities they present. In the name of Yeshua I invite You into every vibration and light and sound wave and source associated with my innermost parts.

In the name of Yeshua I commission my Spiritman to work with the Light of the Lord so as to search my innermost parts. (Prov 20:27) I ask that Your Light and Truth will expose the iniquity which are held in my bosom. (Job 31:33) I ask today that You would search my heart, Lord and see if there are any wicked way in me. I no longer want to hide my transgressions from You. I ask that all shields will be exposed, their dark guards removed and that which is hidden and captured behind them be released.

Apartments

Father, Your Word describes my innermost parts as apartments. In the name of Yeshua I invite Your truth and light into these cities, buildings and dwelling places. In the name of Yeshua I denounce, renounce and cancel all generational and spiritual lease agreements that give living and or occupational rights to any souls and spirits of ill intent – and connected to the kingdom of darkness – in these apartments. I repent that our sins, transgressions and iniquities have given these occupants the rights to occupy in these spiritual apartments. In the name of Yeshua I serve all dark tenants with eviction orders.

Bridal chambers

Your Word further describes my innermost parts as being bridal chambers. In the name of Yeshua I break my generational covenant with all bed mates, sexual and or marriage partners

that occupy these chambers and my connection to the land or space in which it happened. In the name of Yeshua I also serve all dark covenant partners personally and generationally, spirit or human with eviction orders – thereby cancelling any and all previous occupation certificates and lease agreements. In the name of Yeshua I ask that everything of mine that has become enmeshed with these occupants and the memories of the acts we performed will be brought under the blood of the Lamb. I ask for complete separation from all time, land, space, life, spirit, soul and body bonds that connect me to these covenant partners.

In the name of Yeshua I ask that the bed as a picture of a covenant altar and its records and sounds will be brought under the blood of the Lamb. I utterly destroy all furniture of these bridal chambers with their spiritual significance and prophetic meanings.

Hidden or secret rooms

Father, in the name of Yeshua I bring before You every secret or hidden room in these apartments. Father, nothing is hidden from You. Today, I ask that You would shine the light of your Truth on these rooms and expose their dark occupants and acts performed in these rooms. I repent for every hidden, secret, magic act which I partook of in these room. In the name of Yeshua I give up all the magic, 666, witchcraft equipment which has become my tools and strength, in these rooms. In the name of Yeshua I ask for every covenant between myself and the magicians, witches, warlocks and their spiritual masters to be brought under the blood of the Lamb. In the name of Yeshua I ask to be removed from the witches' circle. I blow out all candles and silence the offerings in the bowl with the blood

of the Lamb. In the name of Yeshua I quench all false fires and silence all spells, incantations, hexes, vexes and divinations with the blood of the Lamb. In the name of Yeshua I utterly destroy the altars in these rooms.

As Yeshua died on the cross the veil was torn. I therefore command every veil in the spirit keeping all that pertains to this room hidden – exposed in the name of Yeshua. Father, I ask that every false representation of the Holy of holies – the place of intimacy will be exposed and flooded with your Light. Please show my parts that are in these rooms the truth. In the name of Yeshua I ask to be removed from these rooms and that they will be utterly destroyed.

Death rooms and torture chambers

Father, in the name of Yeshua I also bring before You every room of death and torture. In the name of Yeshua I ask that You would find the parts of me that are ill, diseased, lame, bound to, married to and dedicated death, blind, broken, bruised and dispirited. In the name of Yeshua I break the covenant I have with the torturers, predators and spirits of death and the regions of death. In the name of Yeshua I break the seal of every death contract and covenant which strengthens the dark kingdom. I cancel every death act and ritual planned for me and my seed and blood.

In the name of Yeshua I give up the title of being the false lamb. I repent for thinking that I am like Christ or the Christ. In the name of Yeshua I ask that all of my humanity will be removed from this room, the torturing devices and torturers. In the name of Yeshua I declare that all torturing will stop NOW. No longer am I to be whipped as Yeshua was – He has paid the price for

me. In the name of Yeshua I ask that the crown of thorns will be removed from my head. Please remove all parts of me that are being crucified. In the name of Yeshua I ask that all of my humanity will be removed from these dark death altars. I repent and give up the responsibility of having to die over and over again. In the name of Yeshua I break every agreement I have with death – enforcing his hold and legal right in my life. I bring every death wish under the blood of the Lamb.

I declare that through my baptism I became one with Christ's death. His death was sufficient and has overcome death and the grave. It is no longer I that live but Christ that lives within me. In the name of Yeshua I ask that every part of me will be brought out of these regions and chambers of death. I ask that all of my humanity will be removed from the dark wombs and tombs of death. In the name of Yeshua I cancel every generational barter and trade of my life on every dark kingdom altar. I break every three-fold agreement, cord and seal – declaring them null and void in the name of Yeshua.

Yeshua, please wash my wounds and heal and restore me. I need your help I am marked with fright and terror because of this generational torture. In the name of Yeshua I break the strongholds of fear and terror over my humanity. In the name of Yeshua I cancel the sound imprints and vibrations of my screams of terror. I break the programming and expectation of torture over all of my humanity. In the name of Yeshua I declare that the kingdom of darkness and its workers will no longer feed on these sounds and vibrations. I cancel the appointed times of all rituals in the spirit – placing all under the blood of the Lamb.

In the name of Yeshua I ask that the noose will be removed

from my neck. In the name of Yeshua I declare that I will never again be strangled, tortured or nearly drowned. I break the seal and clamp of every near-death appointment and experience from off of my humanity. In the name of Yeshua I remove the shields and seals of death that protects this room as well as all others mentioned in this prayer.

Chambers of imagination

Gen 6:5 The Lord saw that the wickedness of man was great in the earth, and that every imagination and intention of all human thinking was only evil continually.

Ez 8:12 Son of man, have you seen what the ancients of the house of Israel do in the dark, every am in the chambers of his imagery? For they say the Lord sees it; the Lord have forsaken the earth.

Father, I acknowledge that every imagination and thought is in fact a fixed structure in the spirit. In the name of Yeshua I repent and take full responsibility for every structure of iniquity which my generations and I have built through our dark imaginations and thoughts.

I repent of every fear, death, sex, pleasure and make-belief structure which we have built and occupied. In the name of Yeshua I repent that we wanted to escape reality. I repent that we wanted to recreate our world – from make belief – run from reality and escape our pain. I repent for not running to You. I repent for not bringing our hearts and pain to You, but tried to fix it ourselves, and escaping the reality thereof.

In the name of Yeshua I break every covenant and association with other spirits and souls in these chambers. I bring every act

performed in these chambers under the blood of the Lamb. In the name of Yeshua I bring every part of me – every recreated part of my heart before You for healing. I choose to surrender the pain and trauma marking my heart and humanity to You, for healing.

In the name of Yeshua I ask that these imaginary structures will be utterly destroyed – never to be rebuild again. By the blood of the Lamb, I block the pathways and portals leading to these chambers of imagination. In the name of Yeshua I take every thought captive into obedience to Yeshua. In the name of Yeshua I bring every image and idol created of myself or any other person or deity under the blood of the Lamb. I denounce and renounce each of these idols and the images I have created. I repent that these images have become my ideal, my idol and my hope. I ask that the blood of the Lamb will wash out the imprints, carvings and representations of these imaginations and the spirits associated from my heart, brain, cells, blood, seed and Core.

Father, I repent of every additional identity which I have assumed in these chambers, apartments and cities. I repent for trading, loosing and rejecting Your original ID for me. In the name of Yeshua I give up all other identifications and ask that the clone, soul or spirit that has assumed my true identity – and now operates under the pseudo of being me will be arrested and stripped.

In the name of Yeshua I ask that the shields and programming of inferiority, failure, abandonment, rejection and self-hatred will be removed from my humanity. I cancel their sound and vibrations and imprints on me – causing me to escape and

recreate myself. In the name of Yeshua I bring every representation of myself in spirit, soul and body under the blood of the Lamb for healing and integration or separation as He sees fit.

Rooms under siege

Father, there are also rooms that have become fortified and under constant guard. I am a prisoner in these rooms. In the name of Yeshua I ask that You would bind all guards and remove their fortification structures. I repent that I have become compliant to their threats and have become comfortable in these rooms. I repent of the sounds and vibrations of hopelessness and futility that these rooms are marked with. I repent of any and all legal rights that has given these spirits or souls the right to besiege these rooms. In the name of Yeshua I speak freedom to any and all parts of me that were held captive in these rooms. Father, where necessary I ask that You would send in Your warring angels to come and free me from these rooms and their dark guards.

In the name of Yeshua I give up all associations, communities, family relations, agreements, vows, friendships, internships, institutions, contracts, clauses and covenants that give any dark kingdom workers access to these apartments in my humanity as well as all other time, space and dimensions. In the name of Yeshua I ask that all dark kingdom occupants will give up the keys to these apartments. From this day the doors to these innermost parts are marked by the blood of the Lamb and the angels of the Lord as guards. In the name of Yeshua all dark guards and watchmen are now bound and removed.

Generational cities

Ps 49:11 Their inward thought is that their houses will continue forever, and their dwelling places to all generations; they call their lands their own [apart from God] and after their own names.

In the name of Yeshua I bring all generational homes and dwelling places before You. I repent that we have called land our own – occupying it apart from You. I also repent of naming these lands by the names we desire. In the name of Yeshua I repent of defiling land and the earth in this manner. I bring all the generational title deeds, land claims, lands, names, territories, regions and building structures under the blood of the Lamb. In the name of Yeshua I ask that the Godly demolition teams will move in and will utterly destroy every city, apartment, chamber, room and house which was occupied and build by the generations – all those that do not bring You glory. I thank You that all dark demonic structures and their debris will be completely removed.

In the name of Yeshua I choose that the righteous cities and structures – the ancient ruins of our generations will be erected once again. In the name of Yeshua I thank You that all family members, familiar spirits, human spirits and souls occupying these structures will be evicted and removed.

In the name of Yeshua I ask that all of my humanity can be freed from every dark apartment, bedchamber or room which serve as a dark womb in the spirit. I also cut every dark umbilical cord from both sides. I declare that these places are not my physical, emotional or spiritual homes. I cut all ties with these homes their occupants and that which they represent in the spirit.

Laws

Jer 31:33 But, this shall be the covenant which I will make with the house of Israel; After those days, saith the Lord, I will put my law in their inward parts, and write it in their hearts.

Father, I repent of being positioned under and obedient to the government systems of these regions and lands in the spirit. In the name of Yeshua I choose to denounce and renounce and step out of every position, rank and office which I fulfil in these dark inner worlds. In the name of Yeshua I give up the generational inheritance and lineage associated with dark real estate in these worlds. In the name of Yeshua I denounce and renounce all allegiance to any officials and their laws that pertains to these buildings. In the name of Yeshua I ask that every inscription of their laws will be utterly removed from my humanity. I cancel their sound, government, authority and vibrations over all that pertains to me. In the name of Yeshua I repent of our generational belief-systems. In the name of Yeshua I ask that You would remove all dark seals and clamps associated with these dark governments, inner worlds and their laws from my innermost parts.

I ask that the truth of Your Light will reach my innermost parts. In the name of Yeshua I ask that Your laws will once again be inscribed on my innermost parts. I choose to adhere to and honour your structures of government. In the name of Yeshua I repent for repowering and rebooting these dark matrixes in our generations through rituals, sin, transgressions and iniquities.

Father, in the name of Yeshua I therefore ask that

- All covenants between myself and the other occupants of these dwelling places will be cancelled

- All parts of me will be removed from these dark apartments and spiritual dwelling places
- That the dark wombs of these dwelling places will no longer be my home. I ask that all feeding tubes connecting me to these dwelling places will be cut
- All these dark dwelling places will be utterly destroyed
- All debris will be removed. These structures will never be rebuilt in our generations
- That my humanity will be divorced from all landlords in the generations and spirit and that my leases will be cancelled for renting these apartments
- I ask for the rebuilding of the ancient ruins of the Godly dwelling places
- I ask that all clones and dark twins occupying these dwelling places will be brought under the blood of the Lamb

Regions of false light

Joh 1:4-5 In Him was Life, and the Life was the Light of men. And the Light shines on in the darkness, for the darkness has never overpowered it [put it out or absorbed it or appropriated it, and is unreceptive to it]. :9 There it was--the true Light [was then] coming into the world [the genuine, perfect, steadfast Light] that illumines every person.

Father, I know that nothing can exist without light. The Light of Yeshua is the Life of man. Without Light there is no life. Your word further says be careful that the light which is in you is not

darkness. (Luke 11:35)

Father, I know that the enemy will stop at nothing. They even copy Your life source of light. Father, I repent that I have lost the ability to discern between true light and false light. I repent that I am a citizen of the regions of false light – My Core and broken reed parts live, move and have our being in the regions of darkness. I repent that I live under false light. I repent that my generations and I have traded Your light – Your true life- force for darkness.

I repent that I have traded our life, seed and blood for darkness. Father, I repent that Satan can use the true light of my spirit and Core so as to enable him to masquerade as the false angel of light. I repent that I have enabled Satan to built His kingdom on a false representation of light. I repent of worshipping him as the false angel of light. I repent for believing in every false representation of Your Kingdom. I repent for being unable to discern between your Kingdom, courts, throne room, spiritual entities, men in white linen and true worship and the dark kingdom copies thereof. Father, please expose the counterfeit kingdom so that I will know the truth and will be set free.

In the name of Yeshua I repent of every trade in my generations which sustains the kingdom of darkness. I repent for worshipping on the altars of iniquity. I repent for offering and worshipping at the throne of iniquity. I repent that these structures are build in and around my Core. In the name of Yeshua I ask for the total destruction of these altars. Please silence the worship and offerings given on these altars with the blood of the Lamb.

Father, You created our world by saying ‘let there be light’. In the name of Yeshua I bring every counterfeit source of light and command for light under the blood of the Lamb completely shutting it down. Light carries creative energy. In the name of Yeshua I ask that all that pertains to me will be disconnected from the false light life-sources, energy fields, matrixes, structures, clones and twins living in the kingdom of darkness. I ask that every ingrafting of my humanity into the matrix and energy source of the kingdom of darkness will be shut down. Please graft me into Your light as my life-source.

Illusions of truth in the innermost parts

The enemy cannot create but is a master copier – he steels and feeds on that which has been created and already exists in the Kingdom of Light. In the name of Yeshua I bring every energy source under the control of Your Power and Wisdom. In the name of Yeshua I bring every illusion of truth – every dark mirror, matrix and energy source under the blood of the Lamb. I also bring counterfeit copy of Your reality, every dark hologram and holograph and false light structure and dark shadows under the blood of the Lamb. I ask to be restored and healed so that I am no longer a broken reed in service to the kingdom of darkness. In the name of Yeshua I declare that the enemy will never again syphon or steal Your light from me. I am no longer their supplier.
- In the name of Yeshua I ask to be disconnected from all dark clones and twins in operation in this dark matrix. Please remove them.
- All dark kingdom energy fields inside and around us will be shut off. Please rescue us from these booby traps and structures of captivity. In the name of Yeshua I shut

down all alarms and warning systems connected to all spiritual laser beams, energy fields, matrixes and holograms and graphs.

- Every covenant I have with the false light sources and the false angel of light will be broken. I ask to be grafted into the light of the Kingdom of YHVH
- the matrix, vibrations and power source and connections between my humanity, the second heaven and the earth will be broken and shut down
- All plugs and connecting cables from my spirit, soul and body that work as feeding tubes for the kingdom of darkness will be unplugged and utterly destroyed. I am no longer their source of light. Please remove all ark kingdom feeders and leaches from me.

In the name of Yeshua I break my covenants generationally with the

- false Alpha and Omega

- 12 dark spheres
- 12 dark rays
- 12 dark dimensions
- 12 dark timelines

Yeshua I ask that I will retain the ability to walk in the spirit as well as on the earth. I ask that every part of me that are occupied and employed in a dark dimension will be stripped from its ranking and position. I willingly give these up. It is the desire of my heart to be occupied with building Your Kingdom on earth. I gladly take up this position.

Father, please unhook me from every false or dark source of light and the energy and sound fields associated with it.

Mystery Babylon

Is 21:9 Babylon has fallen, has fallen! And all the graven images of her gods lie shattered on the ground [in my vision]!

Father, in the name of Yeshua I declare that this ancient structure of Mystery Babylon in my inner world is now fallen. In the name of Yeshua I remove the ancient cornerstone from inside my heart, brain, cells, Core, blood and seed. In the name of Yeshua I now built Your Kingdom, the New Jerusalem, on Yeshua as my cornerstone in my inner world and humanity. In the name of Yeshua I remove every temple, its idols and worship structures from my inner world. Through the blood of the Lamb I remove and silence the sound and energy of all sacrifices and worship resounding in these temples. I do not love, honour or respect any of these idols. In the name of Yeshua I break my covenant with each. Earth, earth please swallow all of the idols, their altars, podiums and footprints.

In the name of Yeshua I give up all offices of service in these temples including that of high priest, prostitute and Eunuch.

In the name of Yeshua I break my covenant and alliance with the kings and princes of Babylon with all their titles, rankings and hierarchies. In the name of Yeshua I declare, that Yeshua is my King.

In the name of Yeshua I divorce the women riding the beast, breaking my generational covenant with her. In the name of Yeshua I silence the blood of my generations which she has drunk to empower her. In the name of Yeshua I break my covenant with her as the mother of prostitutes and idolatry and of the filth and atrocities and abominations of the earth. In the name of Yeshua I repent of my generations and I defiling the earth in this manner.

In the name of Yeshua I renounce and denounce the 7 blasphemous titles which are associated with this woman. In the name of Yeshua I ask that every inscription, mark, seal, clamp, shield and or engraving marking me as part of mystery Babylon will now be removed from all of my humanity and all that pertains to me.

Earth, earth in the name of Yeshua I ask that You would swallow all of these structures mentioned in this prayer. I ask that the very imprint, foundations and records in the earth and its stones will be covered and silenced by the blood of the Lamb. In the name of Yeshua I declare that no trace of these ancient cities and apartments will ever be found in my humanity and generations again. These dark structures are now utterly destroyed.

Disconnecting and sanctifying my senses

Mat 6:23 But if your eye is unsound, your whole body will be full of darkness. If then the very light in you [your ^{N1}conscience] is darkened, how dense is that darkness!

Father, in the name of Yeshua I repent that these innermost parts – my inner worlds have become my dwelling places of choice. I repent Father, that I have involved and engaged my senses, emotions, thoughts, time and life completely to these inner worlds. In the name of Yeshua I disconnect all of these and graft them into the truth of the Kingdom of Light. In the name of Yeshua I repent that I have escaped into these inner worlds. I repent that I did not want to face reality and did not want to live in now consciousness.

In the name of Yeshua I choose to give up citizenship of these dark cities, regions and dimensions.

In the name of Yeshua I bring my intentions under the blood of the Lamb. I ask that my emotional responses and cognitive processes will be disconnected from these dark energy sources and their structures.

In the name of Yeshua I ask that my senses will be unhooked from the screens, mirrors, images and projections of these dark inner worlds. I place all of these under the blood of the Lamb. In the name of Yeshua I denounce and renounce becoming like the holograms and images existing in these realms. In the name of Yeshua I disconnect all of my body's responses from these dark kingdom images and realities. Let Your Kingdom become my reality I pray.

In the name of Yeshua I ask that all filters placed over my spirit, soul, body, senses, heart, brain, cells and Core will be removed so that I will be able to live in the Light of Your Kingdom.

Father, please restore to me the ability to function as a spirit of Your Kingdom. In the name of Yeshua I surrender all of me as a living sacrifice as a servant to Your Kingdom.

In the name of Yeshua I disconnect my eyes from the inner world and choose to see that which You have placed in front of me.

I wash my senses and their imprints and informational downloads with the blood of the Lamb. In the name of Yeshua I disconnect my senses from all that is associated with darkness. I cut all dark feeding tubes to my senses and connect with all light feeding tubes.

In the name of Yeshua I connect with Your eyes, YHVH, and declare that I receive my instructions from you alone.

So, in the name of Yeshua I ask that the

- Dark power source with its imagery and holograms and light sources will be shut down
- That all false light sources will be unplugged and be ineffective
- That my humanity will be removed from all dark power and light bases and grafted into the light and power of Your Kingdom
- That spiritual ability and discernment as provided by Your kingdom will be restored to me
- That truth will find me in my innermost parts and that it will set me free.

- I will be known and recognised as a child of Your light. That I will be a city on a hill. I ask that Your light will be my source of life and no other.
- Dark inner worlds structures and their matrix of light will be utterly destroyed from my heart, brain, cells, blood, seed and Core. In the name of Yeshua I ask that structures and inner worlds of pure light and wisdom will now be built and restored in my innermost parts. Father, please create Your safe dwelling place inside of me. I establish Your names as a strong tower in my innermost parts. And in the name of Yeshua I invite all parts of me that need healing and restoration to come into this safe place. I thank You for Your light guards on duty in my innerworld. I thank You Yeshua that we will be the generation that says, in Him we live and move and have our being.

In the name of Yeshua I pray.

In the name of Yeshua I fasten my free-will to Wisdom and the other seven spirits around your throne. Father, it is the desire of my heart that I may live in your house, all the days of my life. I in Him and Him in me.

Father, in the name of Yeshua I ask that you now take us by the hand and lead us into Your reality. Help us to face the pain which we have escaped previously. Please help us, heal us and restore to us the regions of Your Kingdom.

In the name of Yeshua we return to You like the Prodigal Son. Please dress us and restore to us our position as your sons. May we be appointed as Your governmental ones on the earth. A new Kainos creation – purposed and prepared for kingdom.

Renouncing the secret hiding places of our inner-worlds

Ps 139 O LORD, you have searched me [thoroughly] and have known me. You know my down sitting and my uprising; You understand my thought afar off. You sift and search out my path and my lying down, and You are acquainted with all my ways. Where could I go from Your Spirit? Or where could I flee from Your presence? If I ascend up into heaven, You are there; if I make my bed in Sheol (the place of the dead), behold, You are there. If I take the wings of the morning or dwell in the uttermost parts of the sea,

Even there shall Your hand lead me, and Your right hand shall hold me. If I say, Surely the darkness shall cover me and the night shall be [the only] light about me, Even the darkness hides nothing from You, but the night shines as the day; the darkness and the light are both alike to You.

God new that there would be times that we felt overwhelmed and fearful and that we would need a safe, hiding place. He has prepared Himself and His names as such a place – a secret place – away from enemy eyes and onslaughts. Unfortunately, most of us have made little use of this safe haven. We no longer know the path into the Holy of Holies. Instead we have created other escape routes and destinations for ourselves and generations. We have built imaginary friendships, and even created new self-images and environments (in which everything is perfect) to which we escape if reality and our wounds and pain is too much to bare.

The dark kingdom has also built dark hiding places, secret places – copies of the real sanctuaries God has prepared for us. Our sins, transgressions and iniquities have deluded us and so we took up residency in dark places. It is time for our lease agreements with the kingdom of darkness to be cancelled.

Prayer:

Father, I come before You in the name of Yeshua and through the blood of the Lamb, decreeing that You are my Hiding place. This decree overrides and overrules any other, conflicting decree resounding in my generations, blood, seed, cells, heart, brain, Core and all parts of my humanity. On behalf of all that I am, I declare, that You are my Rock, my Fortress, my Strong Tower and my ever-present Help in Need. Father, you knew that we as Your children, would need a safe place, a refuge, a hiding place in which we could hide ourselves. Thank You for providing for us in this manner.

Father, today I want to repent of every other hiding place that we have run to. I repent that we have made other gods our hiding places. I repent that we have built structures and hiding places inside of us, in our hearts, brains, imaginations, cells and Core to which we escape if we become overwhelmed, scared and are unable to or did not want to face reality. I repent that trauma and pain has caused us to seek out these counterfeit hiding places. I repent that I have become my own hiding place – retreating into my mind and thoughts and imaginations when things become too much. I repent that we also run and escape to dark spiritual hiding places in the heavens, on the earth and under the earth. I repent that fear and lies have prompted us to find and built these escapes. I repent that we run to these places when our emotions become too much to cope with. I repent that our bodies also have found escape routes, programming and mechanisms such as addictions, sleep and masturbation - to relief us and to help us escape the overload which we experience.

In the name of Yeshua I repent of the generational belief-system that we should keep our sins, transgressions and iniquities secret. I repent that we thought that we could hide these from Your all-seeing eye and presence. Father, today, I ask that the light of Your truth will come into every hiding place and every secret chamber of my life.

It is the desire of my heart that truth will be found in my inner most parts. (Ps 51;6). In the name of Yeshua I therefore take the keys of the kingdom and on behalf of all of my humanity I unlock the doors to these inner chambers of my life and generations. In the name of Yeshua I invite You into the chambers of my heart, mind, brain, Core and cells.

Father, as I pray today, I ask that all that pertains to me will be marked with the blood of the Lamb. In the name of Yeshua, I ask that You would remove all of me, from that which are non-human. I ask that You would bind and remove the workers of darkness as I renounce and denounce my covenants with them. In the name of Yeshua I ask that You would rescue me from these dark hiding and secret places and that You would place me in the safety of Your heart, under the shadow of Your wings.

I declare that all that pertains to me are safe as I pray today. In the name of Yeshua I declare that no backlash or reprisal or restructuring and rebuilding is allowed.

As I pray, I include all of my humanity, my blood, seed, spirit, soul, body, all wounds and fragments of me, my Core, heart, brain, DNA and cells as well as my lifeline and timeline.

Hiding places

Job 31:33,34 If like Adam or like [other] men I have concealed my transgressions, by hiding my iniquity in my bosom Because I feared the great multitude and the contempt of families terrified me so that I kept silence and did not go out of the door—

Psa 32:7 You are a hiding place for me; You, Lord, preserve me from trouble, You surround me with songs and shouts of deliverance. Selah [pause, and calmly think of that]!

Father, I read in Genesis how Adam and Eve went into hiding because of disobeying your instructions. In the name of Yeshua I want to repent and take full responsibility for following the same path. I repent for every instance where I, or any part of me, went into hiding when we have sinned. I repent for not coming out into the light and mercy of truth. In the name of Yeshua I repent for hiding and keeping my sins and transgressions a secret or hidden thing – thereby creating and reinforcing the generational pathways, structures and belief-systems of secrecy and hiding.

I repent for cherishing my sins in my bosom. In the name of Yeshua I repent that fear of man, my pride and building of a 'reputation' and pretence of perfection has kept me from being truthful and open about my sins. In the name of Yeshua I repent of these structures of secrecy and hiding that my generations and I have built.

Secret places

Jer 23:24 Can anyone hide himself in secret places so that I cannot see him? says the Lord. Do not I fill heaven and earth? says the Lord.

Father, I repent that I have chosen and learned to keep secrets from You. I repent for my own and the generational secrets which I have been charged with in the Spirit. I repent that shame and guilt have prompted me to cherish darkness and keep it as secrets – hiding them, lest I be exposed and found out. Father, in the name of Yeshua I realise that these are the lies, traps and snares with which the enemy has caught me. Making me believe that there is no way out – denying the power of the Cross.

Your Word describes a secret as something covered up, disguised and secretly protected. I repent that I have occupied our generational secret places in order to hide from You, the truth, consequences and the condition of my heart. I repent that I have thought of these secret places as being able to protect me. In the name of Yeshua I repent, I am guilty of disguising, covering and secretly protecting my sins, transgressions, iniquities, wounds and pain. Father, please forgive me. In the name of Yeshua I declare that I cannot and do not want to keep secrets from You. Like David I declare, God, I invite Your searching gaze into my heart. Examine me through and through find out everything that may be hidden within me (*Ps 139:23*).

Today, I turn about [penitent] and my heart is set to know and to search out and to seek [true] wisdom and the reason of

things, and to know that wickedness is folly and that foolishness is madness [and to expose that which has led me into such wickedness and madness]. (*Ecc 7:25*)

Father, there were instances where I went and hid from my enemies in a secret place. Your Word in Ps 10:8 says that the wicked lurks in the secret places like a lion in the thicket, he lies in wait to seize the helpless and draws them into his net. Father, I realize that these secret places are unable to protect me for within them lies the wicked. In the name of Yeshua I denounce and renounce every force and power of wickedness which I am associated with in the secret places. Father, please hide me so that these dark lions will no longer pick up my sent and hunt me down. In the name of Yeshua I repent for choosing these safe havens of darkness instead of Your presence. Your Word in Ps 27:5 says that in my day of trouble You will hide me in Your shelter in the secret place of Your tent. In the name of Yeshua, I choose that You will be my pathway, response and hiding place in times of terror and danger. In the name of Yeshua I choose You as my hiding place against the plots and striving tongues of men. Thank You for Your promise in Ps 91:1 that says that he who dwells in the secret place of the Most High shall remain stable and fixed under the shadow of the Almighty (whose power no foe can withstand).

I repent for every season and record of me being unstable and shaken with terror because I hid in other secret places. In the name of Yeshua I silence these sounds, tremors and vibrations in the earth, inside of my body and in the heavenlies. I ask that all that pertains to me will be unhooked from the sources and memory banks of danger, terror and flight.

In the name of Yeshua I repent that I have made darkness my secret hiding place. In the name of Yeshua, I repent of every act and record of my generations and I's, hiding, covering and privately secreting our sins, transgressions and iniquities - thinking that no one would ever know. I repent for marking my blood, seed, heart, Core, brain and cells in this way. In the name of Yeshua I ask that all that pertains to me will be unhooked and set free from the bondage of these secret hiding places.

I repent of the generational storehouses of iniquity in our bosoms. I repent that guilt, shame, fear and lies have kept me in hiding, telling me that I will never be able to get out.

In the name of Yeshua I now bring specific hiding places as mentioned in your Word, before Your courts.

Giving up specific generational hiding places

1Sa 13:6 When the men of Israel saw that they were in a tight situation--for their troops were hard pressed--they hid in caves, holes, rocks, tombs, and pits or cisterns.

Caves

In the name of Yeshua I repent of every cave that my generations and I have made our temporary or permanent dwelling place.

Father, my Core (and or parts of me) live amongst the graves of the generations in these caves. In the name of Yeshua I ask that the imprint of death upon me, the association I have with

my ancestors, familiar spirits and forces of wickedness will be silenced under the blood of the Lamb. In the name of Yeshua I cancel all covenants, vows, agreements and generational assignments associated with these caves. In the name of Yeshua I give up the position of guardian of the generational tombs. In the name of Yeshua I repent of any form of necromancy of which my generations and I are guilty. In the name of Yeshua I cut every cord which binds me to these caves as wombs or dark life spheres.

In the name of Yeshua I repent of all defilement on land which was caused by my bloodline, seedline and humanity's sins, transgressions and iniquities in these caves. In the name of Yeshua I bring the blood of the Lamb over all land imprints and art on the walls of these caves bearing record and testimony of what happened here. Earth, earth I ask You to swallow these.

In the name of Yeshua I come like Joshua and I break my covenant with the 5 demonic kings hiding in the caves (Josh 10:23). In the name of Yeshua I ask to be divorced from these kings. By the Sword of Your Word I come and behead these kings. In the name of Yeshua I now shut these kings up in a cave, rolling a huge stone before it – never to be accessed, found or visited by any in my generations again.

In the name of Yeshua I repent that caves have become our preferred place of safety and refuge. In the name of Yeshua I give up these caves, their sanctuary and sense of protection. I declare that You are my Defender.

In the name of Yeshua I ask that Your light will shine into our generational caves, whether physical, spiritual or emotional, above, below or on the earth, in all time and dimension. Father, please find me here and bring me into the safety of your heart. This is my desire.

Thickets

Father, in the name of Yeshua I give up our generational hiding places in the thicket. Father, no longer will I rely on the thorns of these bushes to protect me. In the name of Yeshua I know that the crown of thorns as a symbol of suffering on my King's head at his crucifixion is what I should focus on. In the name of Yeshua I align all of me with His resurrection power. I thank You for the Lamb in the thicket – as when Abraham had to sacrifice Isaac and the provision of safety it provided.

In the name of Yeshua I now ask that You would extend your saving Right Hand and that You will pluck me out from amongst the thorns – placing me into the safety of Your heart.

Rocks and High places

In the name of Yeshua I bring before You, every generational stronghold and high fortress also referred to as rocks in scripture. I repent of making these my hiding places. In the name of Yeshua I denounce and renounce every one of these secret hiding places with their kings, military forces, structures, laws and my generational position and role in them.

Father, You are the Rock of Ages and from You waters, oil and honey flow. I repent of every other source of nourishment which

my generations and I have fled to in times of trouble. I declare that the Lord is my Rock, fortress and deliverer. (2 Sam 22:2)

In the name of Yeshua I ask that You would take me out from every dark cleft which I have used as a hiding place. Please restore me to Your cleft in the Rock where Your eye guards me.

In the name of Yeshua I give up my high elevated position in these hiding places. I give up the position and assignment of being a lookout for imminent danger. In the name of Yeshua I give up the portion of being on the lookout and on high alert. In the name of Yeshua I also silence the cry, bells and alarms of the lookouts warning me of danger approaching – causing me to go even further into hiding.

In the name of Yeshua I break my covenant with all false judges associated with these stony places. In the name of Yeshua I ask that all dark judgments will be brought before You, Righteous Judge of all ages. I take full responsibility for the sins, transgressions and iniquities which we have performed in these rocks and strongholds. In the name of Yeshua I place them all under the blood of the Lamb.

In the name of Yeshua I repent of all blood spill on these Rocks as well as all other secret hiding places mentioned and applicable. I repent that these hiding places were like altars. In the name of Yeshua I silence these.

Father, please take your hammer and break these rocks into pieces (Jer 23:29). You are my God of Breakthrough. Please come and rescue me from these strong towers and secure me in Your Names – which are the true strong towers.

In You I will be safe. You are my protection and ever-present help in trouble.

Pits

Father, in your Word pits are described as dungeons, prisons, sepulchres, dens, ditches and wells. In the name of Yeshua I ask that Your glory Light will be cast on all of these.

Father, from Joseph's life I see that one can end up in a pit if others do not understand your spiritual walk or standpoint. By throwing you into a pit they 'remove' the religious problem. In the name of Yeshua I repent of throwing others into pits through my opinions. I also choose to forgive those who did not understand my walk with You and have cast me into a pit.

In the name of Yeshua I bring every generational Egyptian pit before You. I mark these pits with the blood of the Lamb and ask that You would pull me out from the pits of Pharaoh.

In the name of Yeshua I break my generational covenant with the owner of the pits and the land on which the pits are found. In the name of Yeshua I ask to be disconnected from the pits as dark wombs. Please cut me loose from the cords that have lowered me into these pits. In the name of Yeshua I anchor all of me with the three-fold cord of hope to Your names. You are my Rescuer and Deliverer.

I repent that my generations and I have chosen pits as our hiding place whenever we were afflicted, besieged, oppressed, shut in, troubled and distressed. In the name of Yeshua I

choose to give up our dark generational pits. I bring our generational ownership documentation under the blood of the Lamb, cancelling all acquiring of dark generational pits. In the name of Yeshua I choose to exchange our dark pits for wells of life. In the name of Yeshua I cancel all agreements, covenants and contracts of use which my generations and I have with land, land owners, guardians and spirits associated with these dark pits.

In the name of Yeshua I renounce and denounce all creatures, half-breeds, lion, lion-like men, Nephilim, dark angels, ladders, cords, gates, portals as well as any other soul or dark spirit associated with these dark pits.

In the name of Yeshua I repent of all blood marking our pits because of battles being fought there. I silence the sound and vibrations of all blood by the blood of the Lamb.

In the name of Yeshua I bring all generational pits of wickedness under the blood of the Lamb. Forgive us for digging these pits. In the name of Yeshua I renounce and denounce the dark inheritances associated with these dark pits.

I also denounce and renounce every pit of corruption, destruction and grave which is associated with me, my bloodline, seedline, lifeline and timeline.

In the name of Yeshua I cancel all assignments, rituals, prompting, summoning and generational paths calling and or leading me into these pits.

In the name of Yeshua I bring the sounds and vibrations of terror from the horrible pit before You (Ps 40:2). I silence these sounds with the blood of the Lamb. Father, please silence these sounds and vibrations, their imprints and programming from my humanity.

In the name of Yeshua I denounce and renounce the lowest pit in darkness in the deep (Ps 88:6). In the name of Yeshua I ask to be removed from this dark womb which has the task of withholding the light – causing darkness to hide me. In the name of Yeshua I ask that Your Glory Light and Presence will flood this pit. I ask to be cut loose from the umbilical cord securing me to this dark womb. I renounce and denounce this womb – no part of me is to be held captive here any longer. In the name of Yeshua I also bring all babies born from this dark womb also known as the bottom the Abyss and sea under the blood of the Lamb and Your Judgement.

In the name of Yeshua I renounce and denounce the pit with the name – the place of forgetfulness (Ps 88:12) In the name of Yeshua I declare that forgetting, oblivion, neglect, removal and being deprived is no longer my portion, I repent for choosing this pit whenever I felt like vanishing and disappearing. I repent for every time that I went into hiding in these pits and secret hiding places when stress overwhelmed me. Please wash my senses from these dark deposits and unhook me from the mirrors, recordings and holograms I am hooked into. In the name of Yeshua I ask that these dark structures will collapse and be removed from my inner world.

In the name of Yeshua I renounce and denounce the bottomless pit. I ask that my covenant with the Beast will be brought under the blood of the Lamb. I choose to be divorced from this beast. In the name of Yeshua I ask that as You remove me from this pit that I will be marked with Your seal upon my forehead – making it impossible for the Beast to harm me in any way. I thank You that my name is inscribed in the book of Life through the blood of the Lamb.

Father, in the name of Yeshua I give up the dark acquaintances and family I have in these pits. In the name of Yeshua I cut off all sucking devices and cords attached to me in order to cut off my life and life source. In the name of Yeshua I ask to once again be grafted into You.

In the name of Yeshua I claim back all strength that was tapped from me in these pits. Father, my spirit is failing because I am in these pits. Please help me.

In the name of Yeshua I command the creatures, animals, structures, devices, spirits and souls associated with these pits that have swallowed me whole to vomit me out. In the name of Yeshua I declare that I am not your food or reward.

In the name of Yeshua I declare that I will no longer be woven in or associated with others that are in these pits.

I repent of my high regard and generational value of these pits. I bring them under the blood of the Lamb, renouncing and denouncing all worship of these pits and all other secret and hiding places.

In the name of Yeshua I unhook my imaginations and dreams from these pits.

In the name of Yeshua I break every covenant, renounce and denounce the rankings of prisoners associated with these pits. I declare whomever the Son sets free will be free indeed.

In the name of Yeshua I divorce, renounce and denounce the people of old time – our generations living in these pits. (Ex 26:20).

In the name of Yeshua I also give up every generational refuge – especially those that are built on lies as foundation. I repent and denounce and renounce each of these lies.

Other hiding places

Father, the list above is just some of the most prominent hiding places as they are mentioned in your Word. We understand them to be real structures or hiding places in the spirit.

I also want to bring my generational, emotional hiding places before You. Father, I repent that self-hatred, self-pity, rejection, abandonment, depression, pain, masturbation, alcohol, partying, diet and exercise are but a few of the other 'places' I go to hide when I am scared and overwhelmed. Father, I acknowledge that these are the places that I go to, to find comfort, to numb my pain and hide from interaction with others and intimacy with You.

I also include all imaginary places and images - including 'perfect' images of myself and relationships I would like to have. In the name of Yeshua I bring these imaginary places of escape

or well being and mock joy before You. In the name of Yeshua I ask that the Light of Your Truth will shut them down and collapse these holograms. In the name of Yeshua I ask that You would appoint Your guards over the pathways to these places. In the name of Yeshua I ask that these places will be sealed up by the blood of the Lamb. Father, please help me to face reality! To live in now conscious and to train my spirit to see in the things of Your Kingdom.

Father, I am also hiding in the places and regions called guilt, shame and woundedness. I repent that these three are my default escapes whenever I feel threatened, under attack, unsure or are triggered. In the name of Yeshua I ask Your Truth to find me in these. Please reveal Yourself to me so that I can learn to trust, lean on and rely upon You.

Father, today I acknowledge that these escape remedies do not work. They are not effective as healing solutions. Father, these emotional hiding places are connected to a deep vortex or bottomless pit of 'never enough'. It is almost like medication of which the dosage has to be increased over and over again to keep 'the symptoms' at bay.

Father, I need Your help. I need Your presence. I need Your face to shine upon me. I need to be restored, renewed, refreshed and healed. I call upon Your Name as my Healer and Deliverer. Please remove me from the miry clay. It is progressively sucking me in, suffocating my hope and light.

Generational secret counsels

Ps 64 Hear my voice, O God, in my prayer: preserve my life from fear of the enemy. Hide me from the secret counsel of the wicked; from the insurrection of the workers of iniquity: Who whet their tongue like a sword, and bend their bows to shoot their arrows, even bitter words: That they may shoot in secret at the perfect: suddenly do they shoot at him, and fear not. They encourage themselves in an evil matter: they commune of laying snares privily; they say, Who shall see them? They search out iniquities; they accomplish a diligent search: both the inward thought of every one of them, and the heart, is deep.

In the name of Yeshua I repent for being part of or at the mercy of the secret counsel of the wicked. I repent of being privy to their secrets, deliberations and consultations. Please remove our names from their registers. In the name of Yeshua I renounce and denounce this dark counsel. In the name of Yeshua I give up our generational seats, appointments, covenants, inheritance, ranking and order associated with this dark counsel.

In the name of Yeshua I ask to be removed from this counsel's secret sessions, rituals and secret assemblies. Please block the pathways to their chambers with the blood of the Lamb. I willingly give this up.

In the name of Yeshua I repent for being the generational guardian and high priest of our dark family secrets. In the name of Yeshua I repent and give up the position of keeper of these

secrets. In the name of Yeshua I give up my position in the circle around the altars of our generational secrets. I repent and take full responsibility for servicing these altars with my sins, transgressions and iniquities. In the name of Yeshua I blow out the candles, remove the false fires and sacrificial bowls containing our DNA and offerings and ask that these altars will be utterly destroyed in our generations – never to be erected again. Through the blood of the Lamb, I silence the sounds of these altars.

In the name of Yeshua I choose to renounce and denounce the company of consultants – spirits or souls associated with this wicked counsel. In the name of Yeshua I also choose to give up the circle of familiar people serving on this dark counsel.

Father, please graft me into the assembly of saints – I no longer want to be part of the counsel of wickedness and mockers.

In the name of Yeshua I give up, renounce, denounce and blot out the inscriptions., ordinances, decrees, laws and secrets of the counsel of the wicked.

Father, please preserve my life from the terror of the enemy. Hide me from the secret counsel and their conspiracies, scheming and evil works.

I thank You for Your Word that says, *God shall shoot at them with an arrow; suddenly shall they be wounded. So they shall make their own tongue to fall upon themselves: all that see them shall flee away. And all men shall fear, and shall declare the work of God; for they shall wisely consider of his doing. The righteous shall be glad in the LORD, and shall trust in him; and all the upright in heart shall*

glory.

Father, please heal me from the wounds that was inflicted upon me by their tongues and evil works. I run to You for safety and protection.

In the name of Yeshua, I bring all of these structures – all the ungodly hiding and secret places – those that are copies of You as our true hiding place under the blood of the Lamb. In the name of Yeshua

- I declare let there be light – please expose all dark hiding places and secret places to which my generations and I have access.
- I denounce and renounce the government structures, rulers and laws of each of these hiding places.
- I denounce and renounce the secret counsels of these cities and regions.
- I break my generational covenant with these secret counsels and give up the right and position to serve on these counsels.
- I denounce and renounce the secrets gained from these counsels.
- I ask that the sound of the laws and advice given by these secret counsels and their prescriptions will be wiped from my humanity and memory banks through the blood of the Lamb.
- Denounce and renounce wickedness

Demolishing these structures through repentance

Father, we have not only hidden ourselves in these places but have also stored up our secrets – our unrepented sins, transgressions and iniquities in these places. I choose today to come into Your Light, I choose to open up my life, my heart, my thoughts, my will, emotions, spirit, soul, body, brain, Core, cells and DNA to Your truth. I repent of hiding, covering and storing our sins, transgressions and iniquities in these secret hiding places. I repent of the vastness of these dark storehouses. In the name of Yeshua I surrender all the inventory and logs of these storehouses with their dark content unto You. In the name of Yeshua I choose that these dark store houses inside of me will be opened, unpacked and washed by the blood of the Lamb.

In the name of Yeshua

- I bring every curse condemning me to these secret hiding places under the blood of the Lamb. I cancel every vow, agreement, contract and covenant binding me to these secret hiding places and their counsels.
- I cancel every contract and lease that gives me access and occupation rights to these secret hiding places.
- I ask that all of my humanity will be unhooked from these structures as I willingly give up these dark places of refuge.
- I ask that the dark corner stone on which the generational secret and hiding places are built will be smashed and utterly destroyed
- I ask that the imprint of these dark dwelling places on the land will be removed by the blood of the Lamb.

- I repent and ask for forgiveness for defiling the earth in this manner. Earth, earth please swallow each of these dark secret and hiding places.
- In the name of Yeshua I break my generational covenant with all dark kingdom workers, overseers, kings, powers, principalities, rulers and Lucifer which are appointed over these hiding places.
- I give up all maps, routes, paths, gates, portals, internal signposts, secret knowledge, compasses, GPS coordinates and locations inside of my spirit, soul, body, heart, brain, cells and Core that directs and tells me where to find these generational hiding places.
- I break the seals of secrecy and bring all associated vows and punishment systems under the blood of the Lamb. No reprisal is allowed because of me stepping away from the generational legal agreements associated with these places of hiding and secrecy.
- I give up the assignment to lurk in darkness. I declare that the people who dwell in darkness have seen a great light. (Math 4:16) Father, please help me to become accustomed to Your light. Please restore the life of your light inside of every part of me that has chosen and has become accustomed to darkness.
- I repent of hiding under the shadow of another protector apart from You, In the name of Yeshua I ask to be removed from these dark shadows and to once again find my refuge under the shadow of Your wings.
- I give up every dark lair, tabernacle, hut, cover and pavilion which has become my hiding place. I also ask to be removed from every dark wombs, shelter, shadow,

shield and false strong tower. I repent of my generational acquiring of these hiding and secret places. I choose to give these up.

- I also repent of going to these secret hiding places with the agenda and promise of finding the treasures of darkness. Father, I give all spiritual loot to You as a living sacrifice. In the name of Yeshua I choose to share in that which You have offered us – hidden riches. I therefore surrender every dark storehouse to You, as a sacrifice of praise. Thank you for unpacking these dark storehouses and washing them with the blood of the Lamb – thereby silencing the deposits of sin, transgressions and iniquity of my humanity.
- I ask to be divorced from all dark clones, familiar spirits, souls and dark governmental ones associated with these dark places.

Father, I need your help. My hiding from your presence and face has caused me to become blind. My mind and eyes have become veiled and deluded. Please tear the veil of lies so that I will once again be able to behold the truth and the light of your countenance.

Father, I have also become blinded to the outside world as these hiding places have become my dwelling place of choice. In the name of Yeshua I ask that You would come, unhook me, free me and turn me away from these dark structures in my inner world.

Father, let Your Kingdom and Truth and times for me become my reality, I pray. Please restore my sight so that I can see. I

repent Father, for hiding myself – for choosing to be absent from reality and truth. In the name of Yeshua I repent of the 'being absent' hiding place and path in my heart, brain, cells, Core, spirit, soul and body. I also repent for choosing to vanish away, to flee and to escape. In the name of Yeshua I choose to give up this generational escape routes. Please remove all parts of me from these dark hiding places and their webs of secrets. In the name of Yeshua I choose to take up residency in Your Names and heart. Please block these dark hiding places with the blood of the Lamb. I choose to learn to run to You. Take me by the hand and lead me, Yeshua.

One thing I ask of you Lord, that I may dwell in Your house all the days of my life.

In the name of Yeshua, I pray.

Petition to restore Truth in the innermost parts

Ps 51:6 Behold, You desire truth in the inward parts: and in the hidden part You shall make me to know wisdom.

As the children of YHVH we should know the things our Father desires and gives Him pleasure. In Ps 51 we see that He desires that truth will be established in our inner parts and that our hidden parts would know wisdom.

Because we know that Satan copies everything, we can be sure that he would establish his presence of lies, falsehood, deceit and twistedness in our inner parts. The inner chambers of our hearts need to be cleansed and sanctified so that Yeshua as the Truth can rule and reign in our innermost being.

Father, as we pray today, we choose to align our free will with the desires of Your heart. In the name of Yeshua we declare that we want Your Truth to be established in our innermost parts. It is the desire of our heart that Satan's kingdom and throne of lies and deception will be removed from the chambers of our hearts and innermost being so that your Kingdom of truth can be established. Please cover all that pertains to us with Your blood as this divine exchange is taking place. We forbid any and all reprisal in the spirit, knowing that we are safe as You watch over us and establish Your will and desire inside of us.

In the name of Yeshua I pray on behalf of all parts of me, my blood, seed, brain, heart, Core and cells.

Father, in truth we declare that we have sinned against You. We ask that the books of our transgressions will be opened and

that the blood of the Lamb will be applied as I repent.

I repent that we have chosen falsehood and have made lies our refuge. We have aligned and sold our seed and blood to the father of lies.

In the name of Yeshua I want to repent and take responsibility for the lies, falsehoods, deceptions, wicked twistedness and evil which is in my innermost parts. I repent for the defilement of the place which was set apart for Yeshua.

I know that Yeshua is the Way, the Truth and the Life. My understanding is that if You desire truth in our innermost parts – You desire Yeshua to be in our innermost parts.

In order for this to be established I bring the following Words of Truth and Life as evidence to the court.

It is written:

- That You will not break a bruised reed and a dimly burning wick You will not quench; You will bring forth justice in truth. Isa 42:3
- the Lord is the true God *and* the God of truth (the God Who is Truth). He is the living God and the everlasting King. Jer 10:10
- His purpose is that we may know the full truth *and* understand with certainty *and* security against error the accounts (histories) *and* doctrines of the faith of which we have been informed *and* in which we have been orally instructed. Luk1:4

- the Word (Christ) became flesh (human, incarnate) and tabernacled (fixed His tent of flesh, lived awhile) among us; and we [*actually*] saw His glory (His honor, His majesty), such glory as an only begotten son receives from his father, full of grace (favor, loving-kindness) and truth. John 1:14
- Jesus said, I am the Way and the Truth and the Life; no one comes to the Father except by (through) Me. Joh 14:6
- you will know the Truth, and the Truth will set you free. John 8:32
- when He, the Spirit of Truth (the Truth-giving Spirit) comes, He will guide you into all the Truth (the whole, full Truth). For He will not speak His own message [*on His own authority*]; but He will tell whatever He hears [*from the Father; He will give the message that has been given to Him*], and He will announce *and* declare to you the things that are to come [*that will happen in the future*]. Joh16:13
- He wishes all men to be saved and [*increasingly*] to perceive *and* recognize *and* discern *and* know precisely *and* correctly the [*divine*] Truth 1Ti 2:4
- the substance (essence) of the truth revealed by Jesus is the spirit of all prophecy [*the vital breath, the inspiration of all inspired preaching and interpretation of the divine will and purpose, including both mine and yours*]. Rev19:10

- he who practices truth [*who does what is right*] comes out into the Light; so that his works may be plainly shown to be what they are--wrought with God [*divinely prompted, done with God's help, in dependence upon Him*]. Joh 3:21

So, in the name of Yeshua I step out into the Light so that I can be acquainted with Truth. Father, let Your spirit of Truth minister to me. Let the Truth become experiential to me so that I can be set free from the bondage of deceptions and lies. In the name of Yeshua I ask that the Word as it is written will be inscribed on my inner most parts.

Speaking truth or lies

In the name of Yeshua I ask that Your Words of Truth will be fastened to my mouth and heart so that what I speak will be truth. Please forgive me for the ease with which I tell lies and spread falsehoods. I repent and ask that all these lie based structures in my inner world will be completely demolished. In the name of Yeshua I choose to be disconnected to the storehouse of lies from which my generations and I speak. May we be known as men of God because of the words from our mouths echo the truth of Your character and Word.

Father, help us to speak nothing but the truth no matter the cost or consequences. I repent and take full responsibility for choosing the easy way out – telling lies to preserve some form of pride or dignity. I repent for every instance where my fear of man prompted me to lie and deceive others.

In the name of Yeshua I repent for corrupting the truth. I take full responsibility for every instance and record of falsehood which are testifying against me. I repent for every utterance from my flattering lips and double heart and mind. I bring all these records under the blood of the Lamb.

In the name of Yeshua I silence all dark utterances which were spoken around the altars of lies in our generations. In the name of Yeshua I silence these dark incantations and curses declaring them ineffective. In the name of Yeshua I silence their sound and vibrations in all time, space and dimension. In the name of Yeshua I give up my position around these altars, breaking up the power circle of dark agreements, blowing out the candles and repenting of the offerings which my generations and I brought on these altars. Forgive me for worshipping the gods associated with these altars.

In the name of Yeshua I choose to shut out all hatred and selfishness choosing mercy and kindness in their stead. In the name of Yeshua I also repent of being a hypocrite and for relying on falsehoods. In the name of Yeshua I trade these for truth and write it on the tablets of my heart.

In the name of Yeshua I also repent of all wrongdoing and loathsome words which I have uttered. In the name of Yeshua I trade these dark deposits for utterances of truth.

I repent that truth and faithfulness have completely vanished from our mouths, hearts, brains, cells, Core and humanity.

In the name of Yeshua I declare that all the words of my mouth will be righteous (upright and in right standing with God); there is nothing contrary to truth or crooked in them. In the name of

Yeshua I ask that the law of truth will be established in my mouth and that unrighteousness will not be found on my lips.

Farther, in the name of Yeshua I ask that my ears – physically and spiritually will be trained to recognise and hear Truth. I bless my ability to measure, think of and study truth through the lens of Your eyes so that the measure of virtue and knowledge that comes back to me will be filtered through the blood of the Lamb (Mar 4:24).

Yeshua, you are the Way – please take me by the hand so that I will be able to tell the whole truth. I know that the truth will set me free. In the name of Yeshua I therefore bring all vows of silence, all dark agreements and covenants, restraining orders, threats of death and violence should I speak the truth - under the blood of the Lamb – rendering them ineffective, cancelled and null and void. I also break every tie binding me to the souls and spirits who are the guardians and protectors of these vows of silence. In the name of Yeshua I remove the dark guards, shields and gags over my mouth, heart, mind, blood seed, Core and cells so that I will be able to speak out.

In the name of Yeshua I bring every curse invoked over speaking the truth under the blood of the Lamb. I curse these curses to its very roots. I break the fear bonds I have with these curses and those that uttered them in our generations.

In the name of Yeshua, I choose to confess and admit truth. I repent of every instance where I have concealed and did not acknowledge truth. I thereby declare that Yeshua is the ONLY Truth. I denounce and renounce every false representation of truth or Anti-Christ. Through the blood of the Lamb I break my

covenant with the false truth and anti-Christ's cutting its three-fold cord of influence and lies from my humanity.

In the name of Yeshua I ask that the dualism, the divided house of truth and lies will be removed inside of me – my heart, brain, Core, cells and innermost parts. I ask that Truth will flood and settle itself completely inside of me – leaving no place or room for doubt, unbelief, lies, deception and/or falsehood.

In the name of Yeshua I ask that I will be able to speak and think the truth in my heart.

Inner world of deception and lies

In the name of Yeshua, I repent for my generational stance and position on lies and falsehood. I repent that there is so very little truth established inside of me. I take full responsibility for every part of me – who's very substance was formed out of and are fed by lies.

In the name of Yeshua I bring the dark energy and light fields and their power source of lies, deception and Satan himself before You. Through the blood of the Lamb, I break my covenant with each of these. Father, please unplug my parts and inner world from the very source of lies. In the name of Yeshua I ask that my inner world, thoughts, heart, brain, mind, Core, imaginations, dreams and their spiritual structures will be flooded by the truth of Your light and presence. In the name of Yeshua I ask that every hologram of lies, with their sounds and mirrors will be disconnected from my humanity and senses. Father, I declare, let there be light – let the fantasy world of lies and dark imaginations, the false reality of martyrdom and pain be exposed in the truth of Your love and light. Let every

recreated image of my Core and true self be flooded by the light of truth. Show me Lord, show me who I am and how You see me. Please expose the lies and their workers of iniquity inside of me. In the name of Yeshua I repent for the generational records of gratifying our desires and practicing the lusts of our flesh.

I repent that falsehood and lies have become natural to us, because we have been adopted by Satan – the father of lies. Father, his lies have killed, steeled and destroyed truth inside of us. Help me! Wash my senses, I pray so that I will be able to see, know and recognise the truth. I give up my lineage and inheritance as the son of Satan and my father of lies. Yeshua, reveal yourself to me – I invite you into the inner most chambers of my heart, brain and cells – even into the secret hiding places of my spirit, soul, thoughts, dreams and imaginations.

Father, please rewire and change me back into Your design. No longer must it be natural for me to live, breathe and have my being in lies, falsehoods and deceptions.

I repent Father, for every twisting device and structure inside of me making it impossible to recognise truth. In the name of Yeshua I ask that the scales of truth will be restored in my heart, brain, cells, innermost parts and Core so that I will be able to know, recognise, weigh and measure truth. In the name of Yeshua I ask for a complete rewriting of the Book of Truth inside of me. Write your Truth on the tablets of my heart, I pray. In the name of Yeshua I blot out the generational imprints and writings of twisted truth.

In the name of Yeshua I repent and take full responsibility for repressing and hindering the truth. I repent for making the truth inoperative. Through the blood of the Lamb, I remove all such structures rendering them powerless inside of me. In the name of Yeshua I declare – Truth have your way. (Rom 1:18).

Spirit of truth vs spirit of lies

1Jn 4:6 We are [children] of God. Whoever is learning to know God [progressively to perceive, recognize, and understand God by observation and experience, and to get an ever-clearer knowledge of Him] listens to us; and he who is not of God does not listen or pay attention to us. By this we know (recognize) the Spirit of Truth and the spirit of error.

I repent of my worldly mindset that cannot receive and welcome the Spirit of Truth to our hearts and innermost parts. I repent that the god of this world has blinded our minds that we should not discern truth and prevents us from seeing the illuminating light of the Gospel. In the name of Yeshua I ask that You would remove the blindfolds and devices preventing us to see the truth.

In the name of Yeshua I repent of being self-seeking and self-willed and disobedient to the Truth. I repent of being responsive to wickedness. In the name of Yeshua I repent of being self-opiniated and wise in my own opinions. I repent that my heart is hardened and that I have become insensitive to the Truth. I repent for diluting your Truth. I repent that that the ‘truth’ which are established inside of me is impure and false. In the name of Yeshua I repent of missing the mark and for swerving from the truth. In the name of Yeshua I repent of hindering and opposing

the truth. I repent for turning aside when I heard the truth. I repent for wandering after myths and man-made fictions. I blot these out by the blood of the Lamb.

Father, I bring my heart before You to be sanctified and purified and cleared in order to once again receive the Truth. Father, I need your unadulterated truth inside of me.

In the name of Yeshua I ask that You would remove every hinderance from my spirit, soul, body, seed, blood, cells, Core, heart, brain and innermost parts that hinders and stops me from heeding the truth.

In the name of Yeshua I choose to reject all falsity now being done with it. I repent for taking pleasure in unrighteousness and for refusing to trust in, lean on and rely on the Truth. In the name of Yeshua I ask that these cords and the womb of unrighteousness will be severed from my humanity and innermost parts.

I choose to express the truth by standing and holding my ground. I now tighten the belt of truth around my loins – removing the belt of deceit and lies.

In the name of Yeshua I disconnect my mind from every dark womb and umbilical cord of the world, deception and lies. Father, please remove this worldly mind set from me as I choose to set my mind on the things that are above. In the name of Yeshua I declare that I will know and recognise the Spirit of Truth. I invite the Spirit of Truth into my heart. Come and live constantly within me.

Your Word states that the Spirit of Truth will lead us into all

truth. In the name of Yeshua I choose to break my generational covenant with the false trinity of lies. In the name of Yeshua I renounce the father of lies, Lucifer the dark prince of this world and the spirit of lies. I bring every three-fold cord and covenant under the blood of the Lamb. In the name of Yeshua I ask that the baptism of lies and every mark I carry of lies and falsehood will be removed from my humanity and all that pertains to me.

It is the desire of my heart that my covenant with the Spirit of Truth and Yeshua will be restored. Yeshua, please lead me into all Truth.

In the name of Yeshua I desire to be sanctified, purified, consecrated and separated unto You, being made holy by the Truth and the Truth of your Word (John 17:17).

Yeshua, please come and witness to the truth inside of me. In the name of Yeshua I ask to once again know and be granted to be a friend of the Truth. I denounce and renounce my friendship with lies, falsehood and deception. You are no longer my friends. I choose to listen to and obey Truth (John 18:27). In the name of Yeshua I declare that I will know the voice of Truth. In the name of Yeshua I now blot out the voice of lies from my inner world. I choose to no longer hear, listen to, obey or respond to the voices of lies, falsehood and deception. In the name of Yeshua I break the three-fold cord with these three dark spirits.

In the name of Yeshua I repent of every exchange and trading of truth for lies. I repent for worshipping and serving the creature rather than worshipping and serving the Creator. In the name of Yeshua I divorce the creature and break my

generational covenant with him and his lies. In the name of Yeshua I choose the Creator and His inheritance of truth. Through the blood of the Lamb I trade for truth in my innermost parts. (Rom 1:25).

In the name of Yeshua I dethrone lies and the creature as the king of my heart, brain and innermost parts. Yeshua, let Your Kingdom come and will be done inside of me. Wash my innermost parts with the blood of the Lamb as I dedicate them to You – for the indwelling of Truth. Please restore truth to me!

Father, let our faith not be devoid of truth, but let Truth flood us and be the cornerstone of our faith and beliefs. In the name of Yeshua I welcome your Truth and Love in my innermost parts – save me!

The ways of truth

In the name of Yeshua I ask that I will be able to once again find your paths of mercy and steadfast love, even truth and faithfulness. In the name of Yeshua I ask that the generational pathways of lies, deception, falsehood and misconceptions will be blocked by the blood of the Lamb. I choose to give up the familiarity of these generational paths.

It is my decree that I will faithfully walk in Your truth.

In the name of Yeshua I renounce and denounce the lies of death. I also silence the lies which the dust of the earth is resounding with. Through the blood of the Lamb, I silence the dark echo of the earth's vibrations of lies, untruths, deceptions and falsehoods.

In the name of Yeshua I repent of my fear of man causing me to keep silent when I was to speak the truth.

Send out Your light and Your truth, let them lead me; let them bring me to Your holy hill and to Your dwelling place.

Teach me Your way, O Lord, that I may walk *and* live in Your truth; direct *and* unite my heart [*solely, reverently*] to fear *and* honor Your name.

May the God of truth and fidelity, the Amen, bless me. And may it be that when we take an oath in the land that we will swear by the God of truth and faithfulness to His promises – the Amen. May we speak what He speaks.

In the name of Yeshua I acknowledge and confess with my lips that Jesus is Lord and that He was raised from the dead. I dedicate my heart to trust in, adhere to and rely on this Truth.

Silencing the voices of mockers and liars

Father, I repent for every time that I have spoken or spread lies, twisted truths and misconceptions about other people. I ask that the chains and labels I have placed on them will be broken in the name of Yeshua.

In the name of Yeshua I also ask that You would wash me from the slanders and reproaches of those who wanted to trample me down or swallow me up. In the name of Yeshua I choose to forgive those who have hurt me in this manner. I thank You for setting up a standard of truth to which I can flee whenever the enemy fires at me with arrows of lies and deceit.

In the name of Yeshua I declare that I have chosen the way and laws of truth. I thank you that your Word says that You are near to those who sincerely call upon you in truth. Hear my cry o, Lord.

In the name of Yeshua I silence the generational false prophecies impacting my belief-system, heart, brain, cells, innermost parts, blood and seed.

Petition for Restoration of truth in the innermost parts

Father, I choose today, on behalf of all parts of me, my Core, brain, heart, cells, seed and blood that Yeshua will make His dwelling place in my innermost parts. It is my desire that all other, dark, wicked occupants will be served notice with immediate effect of their evacuation.

In the name of Yeshua I ask that the roots of all lies – like the veins in my physical body will be cleansed from the defiled blood of lies and twistedness that flows through it – constantly feeding me with lies. In the name of Yeshua I ask that all feeding tubes of lies will be cut on both sides between myself, any spirit and soul it is attached to. In the name of Yeshua I uproot this tree with its seed and fruit of lies, deception, falsehood, misconception and twistedness from my innermost parts. In the name of Yeshua I curse this tree to its very roots. My generations and I will never eat of your fruit again. Graft my innermost parts into the tree of life, I pray.

In the name of Yeshua I ask that my core will be unwrapped and loosened from the dark womb of lies, falsehood and deception and that the placenta feeding me these lies will be utterly destroyed. In the name of Yeshua I also break our

generational covenant between my humanity, the snake and Eve.

In the name of Yeshua I ask that I can be restored in the estate and identity of being a God-fearing man of truth, who hate unjust gain. In the name of Yeshua I choose to obey your voice in truth and to keep Your covenant. Father, I desire to be known as Your own peculiar possession and treasure from among and above all peoples. (Ex 19:5).

Father, we choose today to walk before You in truth with all of our heart and mind and soul. Father, please strip the generational layers of lies from my humanity, Core, brain, heart, seed, blood, cells and innermost parts. Please release me from the layers of captivity in which these generational belief-systems have kept me. In the name of Yeshua I ask that my Core will be marked as the seat of Truth – emanating the light of truth.

In the name of Yeshua I ask that You would guide me in Your truth and faithfulness and that you would teach me.

In the name of Yeshua I ask that Your loving-kindness and truth will continually preserve me and I ask that You would grant me to know wisdom's voice.

In the name of Yeshua I speak to the earth asking it to release the truth that it is hiding. Earth, earth, I also ask you in the name of Yeshua to swallow all lies and the structures of lies and deceit associated with them.

Father, please restore me to my position under your wings. And keep me safe under your shield of truth and faithfulness. I thank

You that your truth is my defence.

In the name of Yeshua I come to buy truth, discernment, judgment, instruction and understanding from You.

In the name of Yeshua I earnestly ask for forgiveness and that Your favour will be restored to us. Grant us to turn away from our iniquities so that we might have understanding and become wise in your Truth.

Father, let your Spirit read to me from the Book of Truth.

Father, grant me to be a citizen of your faithful City of Truth. Establish Your Jerusalem inside my innermost parts. Father, please bring us home that we may dwell in the midst of Jerusalem knowing You as the God of truth and faithfulness and righteousness. (Zec 8:8).

Establish the foundation stones love, truth and peace inside of us so that we may be secure in our healing, identity as Sons and new life in our innermost parts.

Father, please remove every obstacle and or device that hinders me to see the Truth. Bless me by revealing Your Truth – Yourself – to me.

In John 4:23 truth is likened to reality. Father, please forgive me that lies, deceptions, interpretations and our generational concept of things have become my truth. I repent. In the name of Yeshua I bring every root, seed, image, portrait and reality of 'truth' that is false under the blood of the Lamb. In the name of Yeshua I shut down these false truths and realities. In the name of Yeshua I ask to be grafted into the reality of Your heart, Your

love and Your kingdom. Please let Your truth become my reality. Father, in the name of Yeshua it is my desire to be able to worship You in spirit and in truth. In the name of Yeshua I denounce and renounce, breaking my covenant with every other spiritual being representing themselves as truth and reality in my innermost parts. Father, please remove them as I declare a divorce today.

I ask that I will know, understand, love and be a witness to truth.

In the name of Yeshua I choose to strive to know the truth and to obey Your will.

In the name of Yeshua I ask that the truth of Christ will be so established in me that I will be able to witness to the Truth in all circumstances, undeterred and stable.

Let our lives lovingly express truth [*in all things, speaking truly, dealing truly, living truly*]. Enfolded in love, let us grow up in every way *and* in all things into Him Who is the Head, [*even*] Christ (the Messiah, the Anointed One).

In the name of Yeshua I ask to be established in the realms of faith and truth (1Ti 2:7). In the name of Yeshua I ask to be disconnected from the realms of unbelief and lies.

In the name of Yeshua I choose to guard and keep with the greatest care the precious Truth which has been entrusted to me through the help of the Holy Spirit who makes His home in me. Forgive me where I have neglected to do so.

Father, grant me that I may correctly analyse and rightly handle

the Word of Truth.

Father, bless me so that I will guard and treasure truth in my inner most being.

In the name of Yeshua I ask to be surrounded by the great cloud of witnesses who bear testimony to the Truth.

In the name of Yeshua and in obedience to the Truth I ask that my heart will be purified so that I will be able to love from a pure heart.

Father, bless me so that I can walk and live in the Truth. In Him I live and move and have my being.

In the name of Yeshua I now ask that truth will be established in my innermost parts and that I will know Wisdom in my hidden places.

In the name of Yeshua I pray.
