

PRAYER OF RELEASE FROM FREEMASONRY

NUMBER THREE by Yvonne Kitchen

September 11, 2013 at 2:31pm

WORK LIST FOR FREEMASONRY

The following is taken from the book:

Setting Our Families Free From the Curse of
Freemasonry
By Yvonne Kitchen

WORK LIST FOR FREEMASONRY

The following is taken from a book called setting Our Families Free From The Curse of Freemasonry by Yvonne Kitchen. Freemasonry is "a false pagan religion that breaks up families estranges wives, engineers subversion and brings sickness to devotees and their offspring."

Charles Finney declared: "it is the most anomalous (abnormal), absurd and abominable institution that can exist in a Christian country!" it is also antichrist, immoral and blood-curdling! It is a RELIGIOUS SYSTEM totally opposed to Christianity. It is OCCULT PAGANISM. Freemasons practice a form of WITCHCRAFT, the effects of which can be horrendous on their own family members, AND on generations to come. It can effect to the fourth and fifth generations. If there has been Freemasonry involvement in the background of either marriage partner, your home will be under direct spoken curses which may be multiple. Words in the spirit realm are living things, forces that are creative or destructive, blessing or cursing.

Satan knows his legal rights! Curses can directly affect the spiritual, physical and emotional lives of your household in every area of our lives. These curses can affect you and your family: emotionally, mentally, spiritually, psychologically, and physically, in career and employment and financially. Death and destruction will be over all of these areas. What belongs to the movement belongs to all of its entrants. It is DEADLY DECEPTION.

1

There are many freemasonry vows taken by verbal oaths which are binding by blood. When a man or woman leaves Freemasonry or the order of the Eastern Star he is not released from his/her oaths. Charles Finney came out of the Lodge. He knew and taught the absolute necessity of the TOTAL RENOUNCING of ALL pre-conversion involvements in ungodliness. FORGIVING our forefathers for their sins (known and unknown) is also vital.

In exposing the truth about who Freemasons really worship—JA BUL ON, Stephen Knight ('The Brotherhood') says:

'It is no over-statement to say that most Freemasons, even those without strong religious convictions, would never have joined the Brotherhood if they had not been victims of this subtle trick' they usually (sadly) think it is God.

The following list is intended to be a work list and prayer tool for you to break the power of the curses of Freemasonry from off you and your family.

We encourage you to read this work list out loud, speaking forcefully. You do not need to pray the words in parentheses. They are simply explanations and teaching. Even if you were not personally involved, you need to pray this work list because these curses are passed down the bloodline to you as well.

2

Pray the following OUT LOUD:

I renounce and break the power of the total deception of Freemasonry.

I renounce the 'cult' of Freemasonry.

I renounce the 'craft' of Freemasonry.

I break the bondage to the spirit of Freemasonry in my life and that of my family.

I renounce the antichrist stronghold of Freemasonry.

I renounce the Book of Constitutions (given to Freemasons).

I renounce the Master Mason Certificate.

I renounce and break the curse of the Luciferian doctrine including New Age philosophies, alternate spiritual paths, lifestyles and dress codes, mysticism, seduction to false religion and cult, drug cultures and subcultures and any anti-scriptural 'healing'.

I renounced Lucifer as the 'grand master of the sky and the great architect' and the lie of the 'universal fatherhood of god' (which really means the fatherhood of Satan).

I renounce 'the great architect' as the designer of the universe. (Our God is Creator, not designer.)

I sever all ties and command all multiple spirits connected to and identified with these areas to go.

3

I renounced the 'Grand Lodge'.

I renounced Lucifer as the 'Morning Star and Bright and Shining One.' I declare that Jesus Christ is the Bright and Morning Star (Rev. 22:16) and the 'light of my life'! I renounce and break the power of the angel of light of Freemasonry (2 Cor. 11:14).

I renounce and break the power of the tie to all false religions, bonded to Freemasonry through syncretism. I break the power of Buddhism, Hinduism, Judaism, Islam, Confucianism, Taoism and Mormonism over my life and that of my family.

I renounce and break the power of the universal brotherhood of Freemasonry and the New World Order. (Masonic brotherhood is based on an insistence of harmony")

I renounce and break the power of the Freemasonry system of morality. (It is a veil for the paganism they really practice. They deceive people by saying they are simply a fraternity for helping people.)

I renounce and break the power of the system of good works (that is totally based on an ungodly foundation Eph. 2:8-9)

I renounce and break the power of the hymns of Freemasonry. (These hymns are often distortions of Christian concepts. This can bring a bondage over 'worshiping in Spirit and in truth' John 4:24)

I renounce and break the power of the prayers of Freemasonry and the witchcraft conclusion to prayer, 'So mote it be.' I break every spiritual stranglehold over my prayer life. I sever all ties and command all multiple spirits connected to and identified with these areas to go.

4

I renounce and break the power of the laying on of hands in Freemasonry ceremonies and all impartation of witchcraft.

I renounce the occult Freemasonry altar. I declare neither I nor my children will be sacrificed on a Freemasonry altar. I break the curse of being on that occult altar and losing my life because of it. I loose my home into spiritual LIFE and fullness of life in our physical bodies (John 10:10)

I renounce Freemasonry "WORSHIP". (It is based on the male regenerative power and the female regenerative power and nature. These areas can all become obsessions of worshiping the creation.) I renounce and break the power of all obsessions with nature, and obsessions with the male or female regenerative and sexual power.

I renounce and break the power of the 'all-seeing eye' (which is on the Freemasonry pyramid. The all-seeing eye of Freemasonry is occult knowledge, clairvoyant knowledge and divination.) I command all occultic vision to go from my life.

I renounce and break the power of all seduction to the false prophet and false prophecy. I close the door to the whole counterfeit spirit world of deception, and all curiosity of it.

(Freemasons replace Jesus Christ as the Cornerstone and declare, 'I am the cornerstone.") I repent of and break the power of all false power in my life.

I renounce and break the power of all subtle ties, and seduction to New Age false philosophies and lifestyle and ideals.

I sever all ties and command all multiple spirits connected to and identified with these areas to go.

5

I renounce and break the power of the church of the New Age or "one world church" (The essence of New Age is syncretism of all religions Freemasonry, Eastern mysticism, and climbing the spiritual ladder into higher power.)

(Freemasonry opens the door to having a spiritual guru and following the false prophets and guru of all the false religions.)

(Freemasonry is Kabbalism in another form. Kabala is Jewish oral tradition, mystic interpretation and doctrine. It has a universal deity and union with this deity employs divination as its means.)

I renounce and break the power of any ungodly spiritual tie to Kabbalism, Judaism, Zionism, legalism and incomplete doctrines.

I repent of any hold these things have over my life. (Name them specifically.) I renounce and break the power of all subtle seduction to these philosophies and I cut all spiritual ties to them. (They can bring you into real spiritual bondage.)

I renounce and break the power of all ungodly spiritual fascination to wrong spiritual power.

(Joseph Smith, the false prophet of Mormonism, was an enthusiastic Freemason when he inaugurated the Mormon Temple rites in 1842. Many Mormon ceremonies, symbols, signs, mysteries, pledges, fraternity "passwords" even the handshake, are similar to those of Freemasons. They wear an apron bearing a compass and square; they make the "throat slitting" sign, they act out the cutting out of the heart"; they acknowledge "Five Points of Fellowship". Mormonism is very closely linked to the false religion and abominable practices of Freemasonry.)

I sever all ties and command all multiple spirits connected to and identified with these areas to go.

6

I break every tie, seen and unseen, to all false religions and faiths. I renounce and Break the power of the devilish tie that the "Bible is only a symbol of the will of God and not to be literally obeyed."

I renounce and break the power of the lie that the "Bible is only a part of the revelation of God."

I renounce and break the power of revering the "other books of faith."

I renounce and break the power of the lie that "man is not sinful". I break this lie off my life and my children's lives and any consequent difficulty in repenting because of it.

I renounce and break the power of the lie that "whatever a person believes is truth." I declare it is a lie, and I break that philosophy from my generations (This lie leaves a legal right for all manner of deceptions, e.g. in business deals, in matters of doctrine, or in a person's so-called integrity.)

I renounce and break the power of the lie that "man can redeem himself" by his good deeds. I break the curse of "salvation through good works."

I renounce and break the power of the lie that "we all have a degree of deity and that we are god". I break the power of his lie off my children, and their children. I break all resistance off my offspring to God being God and the "I AM".

I sever all ties and command all multiple spirits connected to and identified with these areas to go.

7

I renounce and break the lie that "each degree of Freemasonry is going further into the Light" (Every degree is actually going further into darkness. It is the total opposite of going "from GLORY to GLORY") (2 Cor. 3:18).

I break darkness off my life that has come through Freemasonry oaths, and declare in Jesus' Name I am coming out of Freemasonry darkness and counterfeit light, and I will move from glory to glory into the light of Jesus Christ. (1John 1:4-7) I renounce and break the power of the lie that "light is darkness visible." I renounce and break the power of the lie that a Freemason is "free" (The opposite is the truth; he is under a massive bondage! He is not a Freemason, but a bond slave.) I renounce and break all other curses of deception over my life and my children's lives. (The outworking of the deception can be compulsive LYING, half-truths, or even a deception about never being able to be deceived.) (Freemasonry makes Solomon its hero. Although he was responsible for building the temple, he led his people into idolatry!) I renounce the belief that "the Lodge is HOLY GROUND" I break the curse of standing on counterfeit holy ground as a result, and the "taking off of shoes" as a sign of humility. I declare I am coming out of the Lodge and it's influence in Jesus's Name! Spiritually, and in every way, one hundred percent! I sever all ties and command all multiple spirits connected to and identified with these areas to go.

8

I renounce the false Tabernacle, or the Temple of Satan (Rev. 3:9). (In Malaysia the Lodge is actually called "The House of Devils".)

I renounce the priesthood of Freemasonry. I renounce the "Sublime Prince of the Royal Secret."

I break the curse of the veil of Freemasonry. I break the curse of the "Secret Place of Bondage and death," and the murder of anything that pertains to LIFE in Christ Jesus.

I break the curse of belonging to the different Lodges and states: The Blue Lodge, the York Rite, the Scottish Rite, the Shriners, Oddfellows and the Buffalo Lodge.

I break the curse of belonging to the Order of the Eastern Star, Job's Daughters, Daughters of the Nile, Rainbow Girls and any other related group)

I renounce and break the power of the seven-branched candlestick of Freemasonry. (In one ceremony they blow out the candlestick and start weeping in mockery that "Jesus is dead" and that there is "no resurrection")

I break the curse of the blasphemy of the total denial of Jesus' resurrections, and the mockery of Easter and Communion. I break the curse of the candlestick of the Lord being extinguished in my life. I declare, in Jesus' Name, that where it has been blown out symbolically in my generation, it is totally reignited, and I and my family shall be on fire for God and in the full revelation of Jesus Christ!

I sever all ties and command all multiple spirits connected to and identified with these areas to go.

9

I break the curse of the blasphemy and mockery against resurrection life in Jesus Christ. I break the curse of the lie and blasphemy that Jesus was just a great reformer. I break the curse of the blasphemy that "Jesus is the evil influence in the world." I break the curse of the denial of the power of the Communion cup, and the mockery against taking it for healing, deliverance and true fellowship with the Lord Jesus Christ. (It is the cup of LIFE to us. John 6:53-54) I break the power of the mockery and curse of "Freemasonry communion (of bread, wine, salt). I break the curse of all counterfeit and occult communion. I break the curse of the craft's subtle inoculation against the need of the reality of a LIVING CHRIST. I break the curse of the blasphemous secret name of JA BUL ON, (which is a Baal name for God. This name has to be whispered among Freemasons. "JA" means Jehovah; "Bul" means a Baal fertility god; and "ON" means the sun god. It all means "god of the underworld.") I break the curse of the blasphemy of using "Adonai", "Jehovah" and "Emmanuel" as passwords. (Adonai is their god of darkness and evil.) I LOOSE these precious names of God into all their fullness for me and my household. (For a Christian, ADONAI means Master, Owner or Ruler; JEHOVAH means LORD, the "I AM" EMMANUEL means God is with us.) I sever all ties and command all multiple spirits connected to and identified with these areas to go.

I break the curse of blasphemy against the deity of Christ, that He is not God. (No wonder there is a seduction to turn away from Jesus Christ where this curse is in operation.) I renounce and break the power of G-A-O-T-U, the one true god of Freemasonry (in reality, the devil). I renounce and break the hold of the lie that "eternal life is gained by a password, and living a perfect, pure and blameless life." (This lie would cause a person to postpone dealing with eternal spiritual issues because they have the "password.") I break the curse off my family of continually postponing walking with God because of the "password" lie. I break all counterfeit "purity and perfection." I break the curse of the blasphemy that "God is NOT a TRIUNE GOD" and the total rejection of the Son and the Holy Spirit. (This brings a struggle to fully come into relationship with the COMFORT of the Holy Spirit and with our Mediator, Jesus, and it can continue a feeling of loneliness even though you are "in Christ.") I declare I shall have full relationship with the Father, the Son and the Holy Spirit. (The Holy Spirit to a Christian is the Comforter and our ultimate interpreter. But the Worshipful Grand Master in Freemasonry takes the place of the Holy Spirit.) I break the power of the position of the Worshipful Grand Master and the blasphemy of his position. I break the power of all resulting inability to find comfort in the Holy Spirit, or the need to find comfort in other places. (There are many substitute comforts, e.g. relationships, possessions, money, etc.) I sever all ties and command all multiple spirits connected to and identified with these areas to go.

11

I break the power of the Egyptian trinity of the Freemasonry sun god, moon god, Egyptian gods and Persian gods. (All of these are involved in pagan beliefs.) I break the curse of mocking the things of the Holy Spirit, mocking spiritual power, and mocking the spirit realm. (Many cannot come into Pentecostal fullness because of these unbelieving mockeries and blasphemies.) I renounce and break the power of all blasphemous speech. I declare that my lips are cleansed in Jesus' Name. I renounce the Volume of The Sacred Law of Freemasonry. I declare it is NOT sacred but an abomination to God. I break the curse written in revelation that would apply because of blood oaths taken, (so that you and your family will not have the "plagues of the book".) I declare that I embrace the precious Word of God as inspired by the Holy Spirit. I break the power of all inability to receive PURE doctrine that is undefiled because of the defiled book, Volume of the Sacred Law of Freemasonry. I renounce and break the power of the lie that the "Bible is only a symbol, only a piece of furniture in the temple, and is not the literal words of God." I declare that the Word of God will be hidden in my heart and I am one with it. (Josh. 1:8, Ps. 119:11. Read and meditate 2 Tim. 3:13-17.)

I sever all ties and command all multiple spirits connected to and identified with these areas to go.

12

I renounce all unbelief, doubt and skepticism and denial of the power concerning the Word of God, and also of the miraculous. I release the reading of the Word, into full revelation and I release into my life and my family's full acceptance of the supernatural of God, the miracle workings of the Blood of Jesus, His resurrection and His power. I break the power of the coded message all the way through the Freemasonry bible. (Words are left out and put in coded form.) I break every bondage that would keep the Word of God a "mystery to me and mine, and all difficulty in receiving revelation from the Word. (This truly is a "mystery of iniquity".) I break the power of the Freemasonry statement: "For the western soul, it is well for a man to be born in church, but terrible to die in one". (This means that a young man should be censured if he doesn't attend church, but an elderly man is to be equally censured if he DOES.) I renounce and break the power of "kissing on a Freemasonry bible" and all the (Judas) betrayal this represents. (Kissing of the freemasonry bible is actually kissing Jesus goodbye.) I renounce and break the power of all bondage to this book of darkness, and the betrayal kiss that can result in betraying the pure, true Word and Jesus Christ Who is THE WORD. I break all antichrist curses over me and my children of hatred and rejection of the Word of God, and difficulty in reading or studying the Word. I break all antichrist curses over me and my children of hatred and resistance to the preached Word, and the quickened Word of God. I sever all ties and command all multiple spirits connected to and identified with these areas to go.

13

I break all antichrist curses over me and my children of resistance and mockery of God's House. (Church attendance can become a real struggle or impossibility for a person under a Freemasonry curse.) I break all antichrist curses over me and my children of resistance to and mockery of God's servants, prophets, pastors and God's people in general. (These four areas are very real areas of antichrist that can be seen in a person's life when under a Freemasonry curse.) I renounce and break the bondage of all ungodly language which is rooted in ungodly declarations by the tongue. (This is seen especially in words like: BLOODY, MY BLOODY OATH, BLOODY HELL, because of the blood oaths taken. A person can easily be under these bondages on the tongue, and they can be very difficult to break.) I renounce and break the power of all blood oaths taken by me or my family members and I command all spirits behind those curses to go. I renounce blaspheming the precious Blood of Jesus, and I break the power of all resistance to the teaching of the Blood of Jesus and the power of the Blood of Jesus. I renounce cursing, blaspheming and swearing that is uncontrollable and a bondage down the generations because of the taking of blood oaths. I break these curses off my children, my children's children, and my own

life. I sever all ties and command all multiple spirits connected to and identified with these areas to go.

14

I break the CURSE of "Bloody Hell" off every area of my life: off my marriage, off my children, off my relationships, off my job, off my finances. I loose every area into "Thy Kingdom come, Thy Will be done" because that is my inheritance in Christ Jesus. I thank God for my inheritance of a pure language, and clean lips (Eph. 4:29-32; Gal. 5:22-26) I break every curse of BABEL and of Babylon off my tongue and language. I declare I am a person of pure language that will speak the oracles of God (1 Peter 4:11). There will not be blessing and cursing come out of my mouth, but only Blessing. There will be only a fountain of sweet water, not a mixture of sweet and bitter waters (James 3:6-12). I break all curses on me, my family, my business, church and ministry that cause us to be subject to separation, division and divorce. I renounce and break the curse of marriage break-up, division, emotional division, separation, divorce and emotional divorce which results from the covenant ring of Freemasonry. (This is in reality an occult covenant.) I take off, in the Spirit, the Freemasonry ring, I renounce it and I destroy the power of broken covenant over my marriage, my children's marriages and their children's. (The Freemasonry ring can also product rebellion against marriage altogether). I renounce and break the power of the seducing spirit behind "forbidding to marry" (1 Tim 4:3) (because of the rebellion against true covenant.) I sever all ties and command all multiple spirits connected to and identified with these areas to go.

15

I renounce and break curses of singleness and/or a tendency towards singleness of thinking and behaving within marriage. I break the curse that women and children are "PROFANE" to Freemasons. (One Melbourne, Australia Lodge was nicknamed "The Women-haters' Club". Read to the devil the words of GOD: Psalm 127: Psalm 127: 3-5; Prov. 18: 22, 26-29.) I break curses of scattering and separating of the family unit, the extended family unit, and division over the family and ministry units. (The scattering and separating can be emotional as well as geographical.) I break the power of all breakdowns of relationships. (Apply all of this renouncing, where appropriate, to your church or business life.) I break the power of curses connected with the ring and all deadly covenant oaths. I renounce and break the curse of continual arguments, violent arguments, continual pain and grief that is a direct result of the Freemason covenant ring. I break the curse of BROKEN COVENANT, destruction and grief (which always comes with an occult covenant).

I bind and cast out the spirits of jealousy, anger, rage, bitterness, resentment, envy, strife, division, dissension, contentious spirits, murder strangulation, suffocation and confusion. I bind these spirits now, put the blood of Jesus at the root at which they came in! I close

those doors now, seal them with the blood of Jesus Christ of Nazareth, send them to Jesus Christ for judgment and forbid them to come back upon us or to touch anyone else on the way!

I loose now, the Holy Spirit to cleanse and purify! I loose softness and tenderness towards Jesus and the things of Eloheim, Jehovah God! I loose unity instead of strife, harmony, togetherness, love, joy and peace instead of contention! I renounce and command to go all antichrist spirits that have come down through the male generations, the hardness in them. (There is always a loss of softness in a person's life under Freemasonry. Hardness to spiritual things is the result, but also hardness in the personality.) I command, hardness, arguing, debating and bickering to go. I sever all ties and command all multiple spirits connected to and identified with these areas to go.

16

I renounce and break the curses of violence, torture, mutilation, cruelty, murder, and death off my own body, my marriage, my finances, my family and my relationships. (Physical and sexual abuse can be an outworking of a Freemasonry curse. Marital abuse may not be broken until this curse is discerned and destroyed.) I renounce and break the power of violence, murder and cruelty in my speech. I break all verbal blood oaths taken. I break the power of violent, cruel verbal abuse from my children to me or from me to my children, or within my marriage communication. (An attempt to "rip you to pieces" according to the blood oaths.) I break the power of all verbal violence off my family life. I release my home in to the peace of God (Is. 26:3; Phil. 4:7-8; James 3: 13-18) I declare Violence shall no more be heard in our land, wasting nor destruction within our borders, but we shall call our walls Salvation (God's blessing!) and our gates Praise" (Is. 60:18). I renounce and break the power of all seduction to martial arts and seduction to violence and retaliation. I break the power of the "oath of vengeance and retaliation" from myself, my children and their children, and our ministry from the occult covenant relationships. I declare that all vengeance and retaliation fall to the ground by the authority of the Blood of Jesus. I declare: "It is finished, in Jesus Name. There will be no vengeance and retaliation against us. (It can come when you have witnessed about the Lord, or refused to compromise your Christian stand. It can come from your children or partners, or against them.) I sever all ties and command all multiple spirits connected to and identified with these areas to go.

17

I break curses of death over the womb and I command spirits of death to go. I break curses of financial destruction that come with the Freemason ring (which can continually destroy your resources. This can affect your whole family life). I break curses of continually going backwards financially and I break through into the blessing of God (Deut. 28). I break all

"bad fortune" curses against my finances. I break oaths concerning my finances "to pluck" with violence. I break oaths over my inheritance in Christ and my spiritual life. I break the power of all robbery and plundering of my finances which can come through this oath of "plucking". I renounce and break the power of the words "to pluck, to feed, and to give", and any manipulation over my life to feed people and to give to people under witchcraft manipulation, thereby destroying my finances (in a subtle way.) I break curses of bankruptcy that come through Freemasonry covenants in marriage, and partnerships. I break all bondage of moving two steps forward, then three steps or even one step backward. I renounce and break the power of "Typhon", the legendary god of winter. (He is a focus of Freemasonry worship. He was a jealous brother who had a wicked conspiracy to seize the precious things and murder the virtuous leader, which he succeeded in doing.) I sever all ties and command all multiple spirits connected to and identified with these areas to go.

18

I break the power of the Freemasonry conspiracy over my life and that of my children, my children's children and my ministry. (The spirit behind the murderous god of winter could try to destroy your leadership in home, business or church life). I declare we are free from the grip of the God of winter. I renounce and break the curse of all of the ceremonial devices, clothes, and actions. I declare I am taking them off and destroying them. I renounce being in the state of blindness. I will see as God sees! I renounce and break the power of the noose and any potential breathing problems, choking, or neck afflictions. I break curses behind ASTHMA and WHEEZING. I cut the cabletow and all legal rights of being wrongly led and manipulated, even in subtle areas of my life. I renounce and break vulnerability and humiliation over my life. I break curses of death, abortion and immobilization of my spiritual life. I declare that every time I begin to go forward I will run (Song of Sol. 1:4) in the things of God, (and not be stabbed by an occultic curse of death and abortion). I renounce and break the power of the "new birth" of Freemasonry! I break curses of speechlessness and inability to speak the oracles of God and to release and move in the vocal gifts of God. I sever all ties and command all multiple spirits connected to and identified with these areas to go.

19

I break the oath that I will not be able to speak in a day of judgment and to make my own defense in a time of accusation. I renounce all throat disorders, speech disorders, cleft palate, and silence. I break curses of loss of speech. I break curses of tongue cancer, throat problems, and any autistic communication/speech for myself and family. I break curses off my business of a "cut-throat business" or cut-throat financial dealings. I break curses of a "cut-throat" personality, assassination or assassination of my integrity. I renounce the violent blows to the throat of Freemasonry initiation rites. I break the power of the oath of "having my tongue torn out by the root, and split from tip to root". I break off violence to the mouth

area, or injury to the mouth, or being cut in an ungodly, violent way in surgery or dentistry. I renounce and break the power of the hand symbols and the hand across the throat, which equates to losing one's head. I renounce and break the power of all destruction of headship in ministry. I renounce the password. Boaz. I also renounce the First Degree badge of innocence and bond of friendship. I break every curse of heart attack and breast cancer through the blood oath demonstrating the breast being torn and the heart plucked out. I break the power of the claw off my breast and heart. I sever all ties and command all multiple spirits connected to and identified with these areas to go.
