Prayer:

Father, I come before You in the name of Yeshua and through the blood of the Lamb. Father, thank You for the provision of the Blood of the Lamb that protects us. I bring all of my humanity, all those I represent in the spirit as well as all that pertains to me under the blood of the Lamb.

Righteous Judge of All Ages, in the name of Yeshua I bring every NET or WEB which is cast over me or is associated with me into the court. In the name of Yeshua I ask that every net or web cast over my bloodline, seedline, timeline, lifeline, cells, DNA, RNA, core, heart, senses, imagination, conscious, subconscious and unconscious mind, brain, brokenness, spirit, soul and or body would be included as I pray today. I also ask that every legal document (and copies), judgments of any previous court cases, sentences, verdicts, punishments and or inheritances associated and cast because of my sins, transgressions and iniquities will be brought into Your court today.

In the name of Yeshua I call on the righteous judgment of the highest court – that of the Righteous Judge of All ages as I pray today. In the name of Yeshua I appoint my Advocate, the Son of the Most High God to represent my Case. I also call on my legal Counsel, Holy Spirit to aid me as I bring this case before this court today.

I ask that in every instance where the word 'NET' is used in this prayer that the full meaning as given in the introduction of this prayer will be included without it being mentioned as such in each instance.

In the name of Yeshua I also extend this prayer to the generational recluses, the sons of the bond women, in service under these generational nets. On behalf of these dark ones I pray, today.

In the name of Yeshua I ask for a closed court as I pray today. I ask that all words, proceedings, evidence and witnesses will be covered under the blood of the Lamb. I ask that this court proceedings will be covered and secure under the blood of the Lamb – unknown to the kingdom of darkness. I thank You for the secret council of my covenant with You. In the name of Yeshua I ask that all of my

humanity will be placed in a witness protection program of Your government as I pray today – Hidden under the shelter of your wings and in the strong tower of your names.

Net as divine Judgment: Hosea 7

Father in Hos 7:12 we read that You cast a net over your people because of their sins, transgressions and iniquities.

In the name of Yeshua I acknowledge that my generations and I have caused You to deal with us in this manner. In the name of Yeshua I stand before You taking full responsibility for my guilt, wickedness and falsehood. I repent for every instance where we have raided another's inheritance – not by Your command but from our own conviction and agendas of plunder, revenge and raid.

I repent for ignoring and not caring about the fact that You write up all of our wickedness. In the name of Yeshua I take full responsibility that my own doings and those of my generations have thus also entangled me.

In the name of Yeshua I therefore not only present Your nets of judgement before Your court but also those which my generations and I have woven for ourselves.

I repent for bringing joy and gladness to the dark princes and kings through our sins, transgressions and iniquities but, at the same time grieving and angering Your heart. In the name of Yeshua I choose to denounce and renounce each one of these dark kings and princes. I bring every covenant, agreement, contract and vow which my generations and I have with the dark rulers under the blood of the Lamb. In the name of Yeshua I cut all cords of control which they have over me.

I repent for the dark passions of idolatry and adultery which burn like the heat of an oven inside of me and which entangles me.

I repent that my heart and mind is always ready for intrigue – trapped by sins, transgressions and iniquities. I therefore ask in the name of Yeshua that as I pray today, that the nets placed over my heart and mind will be loosened through the blood of the Lamb.

I repent of the nets of anger which are secured over my heart and mind. I repent Father, that these iniquity fires have devoured Your righteous judgements and judges and have caused us to ignore You.

I repent for turning away from You, for ignoring You and for not calling upon You.

I repent for every instance where we chose to mix ourselves with the peoples of the world (those not knowing You) and spirits of the kingdom of darkness – repeatedly ignoring your instructions for living.

Father, because of our sins, transgressions and iniquities, strangers could devour our strength. I repent for allowing this and for the legal right these strangers had to do this without our personal consent. In the name of Yeshua I repent for not guarding and valuing Your strength in me.

I repent Father, for my pride which are testifying against me. Today, I choose to humble myself before You. I choose to return to You, the Lord my God to seek, inquire for and require You. Forgive me for repeatedly failing to do so.

I repent for being like a silly dove without understanding or heart. I repent that my sins, transgressions and iniquities have dulled my senses. I wash my senses with the blood of the Lamb and ask that

the nets that sit over them will be removed through the blood of the Lamb.

I repent Father, that I did not value Your chastening, training and strengthening of me. I repent for wandering away from You. I know that destruction is my rightful portion. But, today I thank You for casting Your net over me, for containing me, for pulling me in so that I can once again come to my senses and return to You. Thank you for your great, great grace.

I repent for speaking against you when we saw Your net around us. I repent for not seeing and misjudging these great acts of your love and mercy. Please forgive me. I repent for not crying to You from our hearts, but for complaining and wailing on our beds – feeling very sorry for ourselves. I repent Father, for always and only wanting grain and new wine from you – not being prepared to walk out the seasons of chastisement, training and strengthening. I repent for every thought of devising evil against You. I bring all of my judgments and evil plans and schemes under the blood of the Lamb. Please forgive me for judging You in this way.

I repent for every response we had to your nets of turning back shifting or changing our direction, but not going upwards to the Most High.

I repent and acknowledge that I am a deceitful bow.

In the name of Yeshua, I take full responsibility for every one of these nets. I need You Lord to rescue and free me from these snares in the spirit. I cry out for Your great mercy to lift the nets of your judgment from me as well as those I created, as I pray today.

In the name of Yeshua I declare that no reprisal, restructuring, backlash or dark plan will come into action because of what we pray today. I ask that You will separate my humanity from any other form

of life – spiritual or physical as I pray today. In the name of Yeshua I declare that no bomb, planned booby trap or curse will be activated because of what we pray today.

The slave NET Ishmael and the freedom net of Isaac Gen 21

Gen 21:10 Therefore she said to Abraham, Cast out this bondwoman and her son, for the son of this bondwoman shall not be an heir (under the same net, inheritance) with my son Isaac.

**the word heir as used here is the same word for net or inheritance (own words added in brackets to highlight understanding)*

In the name of Yeshua I specifically bring the sin of Abraham, Sarah and Hagar– the bondwomen under the blood of the Lamb.

Father, I repent where I like Abraham and Sarah, did not want to trust in Your promises. I repent where we did not endure the times and seasons You have set before us. I repent where we took matters into our hands – thereby creating our own inheritances.

I repent for every instance where we broke covenant, broke our alliance to your promises because we were tired of waiting, or thought You incapable of delivering. I repent of our doubt, mistrust and unbelief. I repent of each counterfeit plan – every instance where we made our own plans and went after our own purposes. In the name of Yeshua we renounce and denounce each self-shaped, self-created inheritance; bringing it under the blood of the Lamb. In the name of Yeshua we choose to give these up. We choose to be disinherited from these own acquired destinies, plans and purposes. In the name of Yeshua we ask to be reconnected to Your destiny, inheritance, plans and purposes (Jer 29:11).

Father, Abraham, as a free man – positioned under Your covenant promises, made covenant with the bond women. He therefore

traded his freedom for that of slavery. And out of this covenant with the bond women a slave son was born. I repent where we broke covenant with your promises and thereby traded our freedom inheritance for that of a slave inheritance.

In the name of Yeshua I bring our generational slave NET under the blood of the Lamb. Please forgive us every offering of our free will where we traded freedom for slavery in our generations. In the name of Yeshua I silence all blood and seed offered on these altars, I break up the circle of dark witnesses (also breaking the power of their agreement) and silence the frequencies and vibrations of chants, incantations and worship which were decreed and declared around these altars. In the name of Yeshua I ask that every part of me will be removed from this altar. I utterly destroy the fire and altar and all that pertains to it.

In the name of Yeshua I ask that my covenant with the bond women (and all parts of me and my DNA that is marked as being Hagar or in covenant with Hagar) will be broken. I renounce and denounce the inheritance of the child of the bondwomen – as well as all parts of me and my DNA that is marked as Ishmael. In the name of Yeshua I break the three-fold cord and representation of the dark triangle between Abraham, Sarah and Hagar and bring it under the blood of the Lamb.

In the name of Yeshua I denounce and renounce the mark of Ishmael from my seed, blood and cells. In the name of Yeshua I choose to give up the inheritance and mantels of Ishmael. In the name of Yeshua I petition your court today, that the war between Ishmael and Isaac inside of me – the war in my seed, blood and cells will stop today. In the name of Yeshua I bring my Ishmael inheritance, parts, DNA, blood and seed under the blood of the Lamb. I ask that it will be written that he is not my brother. I have been crucified with Christ, I no longer live – I am a new creation and

are therefore the son of the Father. My inheritance is therefore as a son of God. I ask that every control bond, umbilical cord, family tie and its associated inheritance with Ishmael as my half brother will be cut and brought under the blood of the Lamb. In the name of Yeshua I also bring the copy inside of me of the dark three-fold cord and triangle between Abraham, Ishmael and Isaac under the blood of the Lamb.

I repent of marking the earth in this manner. In the name of Yeshua I break the agreement of the earth and the heavens as witnesses to these dark acts of covenant. In the name of Yeshua I ask the earth to swallow all the iniquities that are similar to the bond women, her son and the dark inheritance in my generations, blood, seed, Core and cells.

In the name of Yeshua I therefore ask that the bondwomen and her son will be cast away. I ask that my Isaac and Ishmael will no longer be under the same net. I ask for the net to be cut and that Your Saving Right Hand will deliver me where my generations and humanity are trapped under the Ishmael-slave net.

Where Ishmael and his bloodline, spiritual territory and inheritance are still present under my Isaac-freedom net I ask that they will be removed. In the name of Yeshua I claim my Isaac inheritance and gladly give up all of the Ishmael inheritance. In the name of Yeshua I declare that the war inside of me between the Ishmael and Isaac inheritance will cease this day. In the name of Yeshua I declare that Isaac is my portion and inheritance.

In the name of Yeshua I nail my Ishmael inheritance to the cross in repentance. I ask that the blood of the Lamb will silence and remove the marks, frequencies and vibrations of the Ishmael DNA from my cells, heart, brain, core, spirit, soul and body. I denounce and renounce everything that identifies me as being the slave son!

In the name of Yeshua I repent of our generational Ishmael that sits on the seat of dominion meant for Isaac. In the name of Yeshua I ask that Ishmael will be removed from the seat of dominion inside of me. In the name of Yeshua I renounce and denounce the firstborn inheritance of Ishmael will all its rights and privileges. I renounce and denounce the inner world – the generational life and world, kingdom, spiritual territory and inheritance of Ishmael. In the name of Yeshua I bring the hatred, bitterness, rebellion, revenge and wounds of my Ishmael inheritance under the blood of the Lamb. In the name of Yeshua I repent of every generational iniquity covenant, vow and agreement in our generations that secures the continuing of the Ishmael line in my seed, blood and DNA.

In the name of Yeshua I repent of every death covenant that seals and empowers this Ishmael-Isaac continuum or war of iniquity and its dark inheritance in my seed, blood and DNA.

I ask that every cord, bond, contract, agreement, vow and covenant keeping this continuum in place will be brought under and severed by the blood of the Lamb.

In the name of Yeshua I repent of harming Ishmael with death threats and of banning Ishmael to the wilderness. I repent for this hurt which I have done to Ishmael. Father, in the name of Yeshua I take full responsibility for the fruit of my deeds – the consequences of my generational actions. I repent of every Ishmael we have created in the spirit. I repent of the hatred – the war for ruling and dominion inside of my blood, seed and cells. I repent of trying to get rid of Ishmael. So, instead of trying to solve the problem myself – I surrender my Ishmael unto You, for judgment and care.

In the name of Yeshua I ask that my Isaac will be seated in heavenly places because of my covenant with Yeshua.

In the name of Yeshua I ask that the curse of the Ishmael inheritance, (bloodline, seedline, lifeline and timeline) and of stripping, disinheritance, impoverishing, dispossession, devouring, ruin and destruction associated with Ishmael will be brought under the blood of the Lamb.

In the name of Yeshua I ask that their marks, vibrations, frequencies and mantels, power and authority will be cancelled and removed from my blood, seed, Core, brain, heart and cells.

In the name of Yeshua I ask that the Ishmael net with its inheritance and spiritual significance will be removed from its hold inside and around us. In the name of Yeshua I ask that the generational imprints and programming associated with this net will be utterly wiped out by the blood of the Lamb.

In the name of Yeshua we denounce and renounce the generational instruction to breed a nation of Ishmaels. In the name of Yeshua we repent of every sexual act we have committed. In the name of Yeshua we ask that our covenants with these sexual partners will be brought under the blood of the Lamb. We ask for a divorce between ourselves, Hagar, and any other sexual partners. We bring all children of the Ishmael breeding program under the blood of the Lamb.

In the name of Yeshua we renounce and denounce the trinity of gods of the Ishmaels. In the name of Yeshua we ask that our covenant with the false god, son and spirit will be broken. We ask to be disconnected from the symbols, altars and temples of their religion. In the name of Yeshua we ask to be disconnected from their heavenly spheres, sun, moon, stars and planets. In the name of Yeshua we ask that any and all marks of the Ishmael religion will be removed from our humanity.

In the name of Yeshua I ask that every net of the enemy keeping us in the Ishmael trans will be broken by the blood of the Lamb. In the name of Yeshua I bring the sounds and frequencies of the Ishmael genetics, kingdom, blood and seed under the blood of the Lamb – thereby breaking the mesmerising sound and effect. In the name of Yeshua I ask that our humanity will be unhooked from these sounds – so that we will no longer vibrate in sync with the Ishmael iniquity. We ask that You will wake the parts of us – the recluse Ishmaels – and that You will bring them under Your government for judgement. I unhook all of my humanity from the trans devices, programming, dark kingdom workers, time schedules and land hooks. In the name of Yeshua I repent for creating escape paths – choosing the trans state in order to ignore the truth of the dark nets around us.

In the name of Yeshua I repent of every shield and mask of iniquity our Ishmaels hide behind. In the name of Yeshua I ask that the dark cherubim will be bound and removed, that the dark shields with their lies will be exposed. Please remove all parts of our humanity from behind these dark shields. Flood us with the truth of Your light, I pray.

In the name of Yeshua I ask that the memory on the land (physical, emotional and spiritual) will be blotted out by the blood of the Lamb.

In the name of Yeshua I ask that the Isaac net of freedom will be reinstated inside and around all that pertains to me. I anchor this net in Yeshua as our corner stone.

Iniquity as anchors for these dark nets

In the name of Yeshua I take full responsibility for anchoring and enmeshing these dark nets into my humanity through our sins, transgressions and iniquities. I repent that every time that we chose

sin, we tied the cords of iniquity together – thereby strengthening the net of entanglement around us.

In the name of Yeshua I choose to bring the end time anchors of these nets under the blood of the Lamb. These are the sins, transgressions and iniquities that mark our humanity in the last days.

In the name of Yeshua I take full responsibility that my DNA, cells, heart, brain, core, blood and seed are not only marked by these but are also present under the dark nets – and the inner worlds they represent.

In the name of Yeshua I repent of my humanity bearing the marks and assignments of being under the influence of these dark nets and their spiritual authorities. Father, I acknowledge that these are the fruits, assignments and planned activation of the dark NETS in the end times. In the name of Yeshua I renounce and denounce these. I ask that all that mark me as part of or a partaker of these dark regions, markings and a worker of iniquity will be brought under the blood of the Lamb. I repent of every act of sin, transgression and iniquity by which I have empowered these dark nets and their dark workers and atmospheres. In the name of Yeshua I ask that you will wake up the sleeping, trans-state parts and personalities in me who has to fulfil their end time purpose under these dark nets. Please strip me of these dark inheritances – I wilfully give them up. Please let there not be found any wicked way in me. In the name of Yeshua I ask to be removed from the spiritual territories, judgments, sounds and vibrations of these dark nets. In the name of Yeshua I bring each of these under the blood of the Lamb as I renounce and repent of the programming and assignments which I carry and my connection to each of these end time structures. I renounce my role in and activation of each of these generationally and personally.

In the name of Yeshua I cancel every spell, bewitchment and fascination of the kingdom of darkness over my humanity. We renounce and denounce every other source of faith and anchor us in the faith which Yeshua provides. We yoke ourselves to the faith found in Yeshua. Anchor me under your net of faith, I pray.

Dark nets of the enemy Ex 15

The enemy said, I will pursue, I will overtake, I will divide the spoil; my desire shall be satisfied upon them; I will draw my sword, my hand shall destroy (capture them in my NET) them. Ex 15:9

**the word destroy as used here is the same word as NET used elsewhere (own words added in brackets to highlight our understanding)*

Father, we know that the enemy copies everything which You do. I therefore understand that the enemy would also cast his nets over us because of our sins, transgressions and iniquities. I bring each one of these dark judgments and verdicts – empowering the enemy in this way – into Your court today. Each of these files with their generational inscriptions are now stamped with the blood of the Lamb, as I repent. I declare that these dark judgments are now revoked according to 1 John 1:9.

In the name of Yeshua -

I repent and take full responsibility for every trade of our inheritance which we have made with the kingdom of darkness. I repent of empowering their nets and the spirits associated with it in this way.

I renounce and denounce every dark inheritance and mantle which I have gained from living under these dark generational iniquity nets.

I repent of every inheritance I have stripped or stolen from another, which was not by and as from Your command. In the name of Yeshua I give up these and nail them to the cross.

I also repent for not stripping the inheritance, for not casting Your nets, for not absolutely destroying the territory and dark kings which You have commanded us to.

Specific nets

In the name of Yeshua I denounce and renounce the following generational iniquity nets. In the name of Yeshua I ask that these nets as they are specifically mentioned in your Word will be removed from me. I repent for the sins, transgressions and iniquities that empowered and allowed these nets to be placed over me.

Dark kingdom nets: I bring every prayer offered by myself, my generations and my heavenly Intercessors into the court as evidence and ask that the nets of the Amorites, Hittites, Canaanites, Girgashites, Perizzites, Hevites, Jebusites and their kings and kingdoms will be removed from all that pertains to me. In the name of Yeshua I also include the demonic kings and rulers of all dark nations and or inner worlds. I break my generational covenant with each of these and their spiritual territories inside and around me. I renounce and denounce their laws, commandments, statutes, gods, governments, covenants and contracts. I repent that we have stated that they are greater and mightier than us and have bowed in submission before them. I repent of the slackness which my sins, transgressions and iniquities caused, making it impossible to drive these nations out as You commanded.

I choose to dispossess them, to strip their nets from my spirit, soul, body, blood, seed, land, time, heart, brain, cells and core. I ask that

that their power and dominion over me will be broken by the blood of the Lamb and my covenant with Yeshua. In the name of Yeshua I choose to drive them out and mark the territory with the blood of the Lamb and your nets of righteousness and justice. In the name of Yeshua I declare that their mighty strongholds will crumble under the hand of the Most High God.

Poverty nets. I break the bonds of these nets and claim back the inheritance, wealth and wages which has been stored up inside of these nets that belong to Your Kingdom. No longer will the enemy be able to steal my righteous inheritance, wealth and wages from me. No longer will the lack of resources and finances block the enlargement and development of Your Kingdom.

Land and nation nets. In the name of Yeshua I break all nets on land as spiritual and physical territories and people groups. In the name of Yeshua I take up ownership of these territories and mark them with the blood of the Lamb as Yours. I repent of every instance where we occupied half-heartedly and spared the inhabitants of the land – giving them the rights to live amongst us. In the name of Yeshua I revoke these living and occupation rights by any element of the kingdom of darkness inside these spiritual and physical territories. In the name of Yeshua I ask that every altar still in operation, every worship, service, calendar, times, seasons, sun, moon and stars, high place and or temple will be utterly destroyed through the blood of the Lamb. In the name of Yeshua I choose to drive them out of Your land, to destroy their pictures and molten images, to pluck down their high places. I mark these territories with the blood of the Lamb and place them under the righteous net of your government, rule and reign.

I repent that my failure to do so have caused the enemy to prick my eyes, to be a thorn in my side and to vex my land. In the name of Yeshua I stop these curses. I speak healing to all incurred wounds

by these and any of the nets applicable but not specifically mentioned. In the name of Yeshua I strip the enemy and dark kingdom workers of their weapons and bind them.

I speak healing to our wounds and the land! In the name of Yeshua I head your call generationally which says 'fear not, don't be discouraged and go and NET the land, mark it as kingdom territory!'

Nets of the giants. In the name of Yeshua I repent of every generational covenant and iniquity which allowed the giants or Anakim to trap me in their nets. In the name of Yeshua I bring all of these under the blood of the Lamb. I choose to turn to You and therefore ask that you will remove the nets of the giants from all that pertains to me.

Nets over time. Father, I repent for being stuck in synthetic time because I am trapped under the enemy's nets and the inner worlds they created. In the name of Yeshua I ask for the restoration of your real time as I am removed from under the enemy's time nets. I ask that the chords of control between the heaven and the earth as witnesses – keeping me locked in synthetic time – will be cut and that my humanity will be loosened to enter into Your appointed time.

In the name of Yeshua I unhook all of my humanity from diviners of time, curses on time and the moving around in time.

Pestilence and perish nets. Father, I repent that you had to release your divine judgment of pestilence and disease over us because of our sins, transgressions and iniquities. In the name of Yeshua I ask that these nets will be removed as we choose to submit unto You.

Death nets. Father, we know that the wages of sin is death. We repent that we have chosen death through our sins, transgressions and iniquities. Father, we have broken our covenant with death and

Sheol and therefore ask that You will also remove the net of death from over and amongst our humanity. This day we choose life! We ask that the death markers connected over our time and lifelines will be removed through the blood of the Lamb. Mark us with life, we pray

Trauma nets. In the name of Yeshua I bring every trauma net before You. Father, I ask that You will come and rescue my captive parts, which are kept in a state of sickness, disease, trauma, pain, blindness, unconsciousness and brokenness in order not to escape the iniquity net. On behalf of these parts I ask that You would break the bonds of trauma and pain and that You would rescue these parts. In the name of Yeshua I ask that You would shut down the frequencies, the lies and vibrations of trauma and pain which keep these parts stuck in time, and stuck in this state of brokenness. In the name of Yeshua I ask that Your light will penetrate the trans and break its hold over my humanity and woundedness. In the name of Yeshua I take the keys of the kingdom and unlock everything that is stuck. I ask that Your presence will be right there when these parts awake. Please minister the truth of Your presence to these parts. I ask that the Comforter will be standing right there in order to comfort them. I ask that El Shaddai the Nurturer will be there to nurture these parts back to health and healing.

In the name of Yeshua I remove the wrappings of death, trauma and pain. In the name of Yeshua I move the stuck timeline into the 'now time' of the Kingdom of God where God controls the times and the seasons.

In the name of Yeshua I ask that this trauma and pain net will be utterly destroyed and that these parts will be placed under the nets of Your healing and love.

Petition to be removed from under the nets of iniquity

Finally, In the name of Yeshua I bring the whole Ishmael-slave system under the blood of the Lamb. I ask that every net associated with the iniquities of our blood and seed and cells will be brought under the blood of the Lamb.

I bring every part of these dark inner worlds with all that pertains to them under the blood of the Lamb. I choose to give up citizenship of these dark regions under the nets of iniquity.

In the name of Yeshua I choose to be separated from the whole family line of Ishmaels – all those who choose to remain under this dark net. I ask to be cut loose from these dark family lines and the net of protection from their inner worlds. I ask to be removed from the feeding tubes, umbilical cords and dark wombs of the Ishmael inheritance and family line. In the name of Yeshua I ask that my senses will be unhooked, cleansed and freed from the lies of these dark nets. I repent for every dark work and assignment and purpose I have fulfilled in this dark inner world.

In the name of Yeshua I break every seal of death and offerings of seed and blood that keep these dark iniquity governments and structures in place.

I give up my role as high priest under the dark nets. I choose to be stripped from my ceremonial cloaks, ranking, rights, privileges and assignments. I renounce and denounce these.

In the name of Yeshua I thank You that we can trade every slave NET for that of freedom – bought by the blood of the Lamb.

In the name of Yeshua I ask to be rescued and placed under Your righteous nets. In the name of Yeshua I choose to take up the inheritance of that which You have planned and purposed for me. In

the name of Yeshua I choose to occupy your marked and designated territories for me. In the name of Yeshua I command the return of everything that was stolen or withheld from us in the spirit and natural because of these dark NETS.

In the name of Yeshua I ask the earth to swallow all that are involved and associated with these dark iniquity nets and to spew out the nets of righteousness. I now erect these nets and place all of my humanity securely under their government.

Decrees of occupation

In the name of Yeshua I choose to yield to your commandments and to observe them so that I may live and multiply and possess the land – cast your net over the land - which You have sworn unto our Fathers. Deut 8:1

In the name of Yeshua I accept the call which You have placed upon my life to go in and to possess the nations – to cast your net over the nations – that are greater and mightier than myself, even their great cities that are fenced up to heaven. Deut 9:1

I decree today that You are the Lord my God who goes before me; a consuming fire that shall destroy them. I praise You that You have said that You shall bring them down before Your face and drive them out, destroying them quickly. Deut 9:3

I know that for my righteous inheritance have you brought me in to cast your net upon the land and because of their wickedness do you drive them out from before me. Deut 9:4

I wrap my humanity in the strength which the keeping of your commandments give to me and I declare that I will use this strength to cast your righteous net over the land which is my rightful spiritual inheritance.

I declare that the land which You have marked with your net is a land of hills and valleys and drinking water and rain from heaven
Deut 11:11

In the name of Yeshua I know that the baptism of water is the passageway into receiving the inheritance of living under your net of righteousness and justice. Deut 11:31 I bring my baptism as a record into this court.

In the name of Yeshua I receive my inheritance as a son of God of living under your net of provision and protection. I lack nothing! I am healed! I am restored! And I occupy my inheritance.

In the name of Yeshua I ask that the memory of Amalek will be utterly blotted out from our generational records. From this day we focus our memories on the inheritance which you have given us under your NET. Deut 25:19

I thank you that we are now secure under the blessings which comes from dwelling under your nets.

I thank You that we will be able to hear your instructions and head your commands as we are placed under the protection of Your NET.

In the name of Yeshua we declare that every city that is under siege is now delivered through the mighty hand of our Lord, God and saviour.

In the name of Yeshua I cover all of my humanity under the NEY of your Word. I ask that Your Word will be like a tent over me. In the name of Yeshua I hook my senses into the provision and truth of this NET. Let Your net arc over me in the spirit.

Let heaven and earth be witness of this today as we occupy our spiritual inheritance.

I receive the shalom and joy of living under your net.

In the name of Yeshua I choose to be under the nets of your correction rather than under the nets of corruption.

In the name of Yeshua I pray
