

Introduction to Moms that pray

We all understand that the spoken Word has creative power. God demonstrated this with all of Creation in Genesis. He spoke everything into existence. When we speak we stir the spiritual realm and with our tongues we can bless or curse – or build and tear down. This excites me because the Word of God tells me that I am to call that which is not as if it already is. I have to stand in agreement with that which the Word declares. I can add my voice to His voice!

The Word also says in Math 18 that if two of you on earth agree about whatever they may ask it will come to pass and be done for them by My Father n heaven. For wherever two or three are gathered (drawn together as followers in My name, there I am in the midst of them).

So, Mom, Gran, Aunt or even You Dad, I invite you to agree with me on these prayers as we stand together for our children, for a generation. Let us release a new sound! As you pray, may I ask that You include those children who don't have prayer support. Please include those who are suffering physically, spiritually and emotionally. Let us bless a generation through our words or faith and encouragement. A blessing can NEVER and by no means be removed from the spiritual realm – so with our prayers we create a safe structure around our kids through the Blood of the Lamb.

Let us pray!

Removing false shepherds from their spiritual environment

Father, we come before Your throne corporately as mothers interceding for our children. Father, we thank You for this wonderful life enhancing gift(s) you have blessed us with. In the name of Yeshua we pray today that our children will know Yeshua as their Shepherd. Father, I ask through the blood of the Lamb that they will be unhooked from any and all false shepherds in our generations in all time, space and dimension. We repent and take full responsibility for the other sounds in our seed and blood lines that shout louder than the voice of Yeshua.

Father, in the name of Yeshua I cancel the voice of the false shepherds calling, summoning and directing our children.

I ask that You would wash their spiritual senses and tune their ears to be able to recognize Your voice alone. Amplify the voice of the Shepherd in the atmosphere around them.

Father thank You that Your word says that You will feed, guide and shield our children. I call their spirit man in the name of Yeshua through the blood of the Lamb for a hunger for Your Word more than any other 'food of the world'. We wash their spiritual appetites with the blood of the Lamb.

Father I ask that You would command Your angels to free our children from the sheep fold of the world and the kingdom of darkness where peer pressure and sin is the norm. Guide them to Your safe refuge which You have granted us through the person and presence of Yeshua. Lead them on the paths of righteousness and hide the paths of unrighteousness so that their feet will be unable to find it.

In the name of Yeshua I declare that our children will be refreshed, restored and will be whole; to do the good works You have purposed for them.

Father, breathe over them and place Your banner - Your staff of direction and protection over them.

We as mothers declare that our children will recognize and know You, intimately. We bless their relationship with You to be unique, uncluttered and personal.

Soak and mark their spirits, souls and bodies with the precious blood of Yeshua. They are not 'wolf dark kingdom' food. We declare this scripture in 1 Pet 2:25 and Ps 23 into the heavens sealed by the blood of the Lamb as our children's portion.

For you were going astray like [so many] sheep, but now you have come back to the Shepherd and Guardian (the Bishop) of your souls. 1 Peter 2:25 AMPC

THE Lord is my Shepherd [to feed, guide, and shield me], I shall not lack. He refreshes and restores my life (my self); He leads me in the paths of righteousness [uprightness and right standing with Him—not for my earning it, but] for His name's sake. Psalm 23:1, 3 AMPC

We pray this in the name of Yeshua. Amen.

With this prayer we enrol our kids into the Kingdom school of Spiritual training.

Most High God we exalt You and praise You for You are good! We declare You alone are mighty and powerful and worthy of all praise. Father as mothers we come before Your throne today, with praise and thanksgiving representing our children and all the others we want to represent. Father we also specifically pray this today over all orphans of the world who do not have mothers to intercede for them.

Father, a mother's heart is often very sensitive and over protective where our kids are concerned. With everything in us we want to shield them from trouble and trials - wanting everything to be smooth. Father, we repent that we sometimes overdo this and stand in the way of Your training of our children. We repent that we often fight their battles for them hindering them to learn to trust, lean on and rely upon You. Your Word says in John 16:33 that in this life you will have trouble. Father, today we come and ask that Yeshua would teach our children how to manfully stand up under this trouble. (2 Cor 12:9).

Father, train their arms for battle. (Ps 144:1). Equip them with the spiritual weapons of warfare. (Eph 6). Teach them about standing against the enemy. Unlock the power of worship in them! Introduce them to the purifying fire of Your Kingdom. Father, make them overcomers!

We declare today our children will be mighty warriors in the Kingdom of God. They will not faint and become weary. They will smile in the face of adversity. With You, their God they will jump over walls. Every place their feet shall tread they will possess and bring Kingdom. They will choose and embrace fire. We declare our children are called to battle and destined to win. Father, make them dangerous to the Kingdom of darkness. Dress them in the full armour of God.

As mother's today we cheer them on! Be all that God has purposed you to be! And we know that it will be good!

In the Name of Yeshua we write these scriptures as a battle cry aligned with Kingdom laws on their spirit hearts sealed by the blood of the Lamb.

But He said to me, My grace (My favour and loving-kindness and mercy) is enough for you [sufficient against any danger and enables you to bear the trouble manfully]; for My strength and power are made perfect (fulfilled and completed) and show themselves most effective in [your] weakness. Therefore, I will all the more gladly glory in my weaknesses and infirmities, that the strength and power of Christ (the Messiah) may rest (yes, may pitch a tent over and dwell) upon me! 2 Cor 12:9 AMPC

I have told you these things, so that in Me you may have [perfect] peace and confidence. In the world you have tribulation and trials and distress and frustration; but be of good cheer [take courage; be confident, certain, undaunted]! For I have overcome the world. [I have deprived it of power to harm you and have conquered it for you.] John 16:33 AMPC

BLESSED BE the Lord, my Rock and my keen and firm Strength, Who teaches my hands to war and my fingers to fight– My Steadfast Love and my Fortress, my High Tower and my Deliverer, my Shield and He in Whom I trust and take refuge, Who subdues my people under me. Psalm 144:1-2 AMPC

Father, in the name of Yeshua we ask that You rewrite their DNA with the blood of the Lamb to be effective and powerful Kingdom representatives.

We praise You! And pray this in the Name of Yeshua.
Amen

Praying for the healing of their hurts and wounds

Father, today we as mothers come before You on behalf of our children and all children hurting children over the world including them in our prayer.

Father, all of us, are familiar with the pain caused by slander, gossip, mocking and ill reports. We acknowledge before You, taking full responsibility for the fact, that our tongues and the words that we utter are often like blades cutting through our children's tender, vulnerable souls stripping them from dignity and honour.

Father, we repent of the unjustified out of proportion criticism and judgements that our children are subjected to - often from our (their parents' mouths) and from others in authoritative positions.

Father, we repent of the hurt and shame that mould and cloak our children's legitimacy and self-worth. Father, we acknowledge that this is a generation that is hurting and confused about who they are. Because we, their parents are broken!

Father, many of our children are in limp mode; unsure and stripped of their destiny and purpose. Father, we bring before You the crutches of their limping self-esteems and their attempts at self-medicating as they try to fit in and be acceptable under the demands of their peers and society. Father, we repent of the crutches of drugs and alcohol, addictions, money, tattoos, sex, games, depression, achievements and performance, academic and social pressures, mindless hours of TV and internet, becoming fashion and music slaves, their language and rebellious often vulgar vocabulary, as well as all others applicable but not specifically mentioned.

In the name of Yeshua and through the blood of the Lamb we cry out for help! Your Word says that Yeshua has come to set the captives free and to heal the broken hearted. (Is 61).

The condition of our children's hearts brings tears to my spirit! Father our kids need help! In the name of Yeshua and through the blood of the Lamb we bring the children's hearts before You for healing. In the name of Yeshua we remove the daggers, blades, spears and stones from their hearts. Please, pour out Your oil of healing over these generational and personal wounds. Please command Your healing angels to clean the wounds from all dark attachments. Yeshua, please bind up their wounds. We speak healing over their broken hearts.

Through the blood of the Lamb we remove all 'labels' from our kids that mark them in any way that is contrary to Your design of them.

We come, and through the blood of the Lamb we silence the sounds of slander, gossip, criticism, ill report and judgements! We release a new sound of acceptance and love over them!

In the name of Yeshua we ask for the wall of protection around their hearts to be restored with stones of love, acceptance, truth, joy and Godly design.

Father, we thank You for restoring and appointing Godly role models over our kids. In the name of Yeshua and through the blood of the Lamb we repent for the ungodly gatekeepers and role models that took our place - for whatever reasons. In the name of Yeshua we fire and terminate all generational contracts with ungodly guides and role models. Be their guide and mentor, Yeshua, we pray!

In the name of Yeshua we call this generation:
We call their inner selves to wake up! We call forth their design and purposes in Him!
We call them into wholeness and joy! We call them into repentance and faith!

We declare that this is our children's heritage

BE MERCIFUL and gracious to me, O God, be merciful and gracious to me, for my soul takes refuge and finds shelter and confidence in You; yes, in the shadow of Your wings will I take refuge and be confident until calamities and destructive storms are passed. I will cry to God Most High, Who performs on my behalf and rewards me [Who brings to pass His purposes for me and surely completes them]! He will send from heaven and save me from the slanders and reproaches of him who would trample me down or swallow me up, and He will put him to shame. Selah [pause, and calmly think of that]! God will send forth His mercy and loving-kindness and His truth and faithfulness. Psalm 57:1-3 AMPC

We seal this with the blood of the Lamb as we pray in the name of Yeshua!

Today we pray for our children's brains.

Our children's programs are filled with stress, fear and anxiety especially during exams and test series. Let us cleanse the time and bless our children's brains with Kingdom design and purpose.

Father, thank You that we as moms can enter Your courts with praise and thanksgiving! We praise You and lift Your name above all circumstances and thank You that You are Truth!

Father, today we are asking for a washing of our children's minds and hearts. We are asking that Your waters of Truth will come and dislodge and remove ALL lies and falsehoods from their identities.

Through the blood of the Lamb we acknowledge the generational lies that are like stumbling blocks in our children's rivers of life. We ask the sounds of *lacking, not good enough, not clever enough* and the sounds of *stress, fear and anxiety* to be silenced by Your Truths, through the blood of the Lamb.

Father, school is loaded with much pressure. And to many children this is a time of huge stress, fear and anxiety. We as mothers want to come and 'clean' the time by prophesying into this time.

We declare this time will be a time of

- Healthy focus
- Peacefulness
- Balance between work and play
- Enough rest and
- Joy

Father, in the name of Yeshua we bless our children's brains to imitate the mind of Christ. We bless their brain chemical balances to be according to Godly design, we bless their brains with shalom and wash the fatigue, fear, stress and anxiety from every cell. We bless the waters in their brains to be life giving bringing refreshment and reviving to their brains. We bless the firing of the neurons to be effective and accurate. We bless the workings and flow of the mind body connections that need to take place and we sanctify this by the Blood of the Lamb. We bless their sleep to be restful and sufficient.

Father, we ask that where stress and fear and anxiety have lodged and made their home in their backs, necks and stomachs or any other area that they will be evacuated and totally removed from our children's bodies, muscles and cells - in the name of Yeshua. Re-align their bodies, souls and spirits with peace and effective purpose. We declare headache and stomach problems you have no place here we command you to leave in the name of Yeshua. In the name of Yeshua we silence the vibrations of stress!

We invite the 7-fold manifestation of Your Spirit (Is11:2) to encamp, guide and lead our children. We bless our children's spirit man to tune into and to lock eyes with Wisdom, Understanding, Council, Might, Knowledge, Fear of the Lord and the precious Holy Spirit. Thank You that Your all sufficient Spirit can help our children to study.

In the Name of Yeshua and through the blood of the Lamb we repent of all generational expectations and pressure on our children that does not spring forth from Your Kingdom Design for them. We repent that we live our dreams and missed opportunities in our children wanting and expecting them to do what we did not/could not or have missed out on. As mothers we come today and ask that our children will be stripped from these 'false' expectations. We want for them to be ONLY what You have created them to be. We bless this process in the Name of Yeshua. If need be - we stand back, my King - so that You the Designer and Creator of them - can have Your way.

Father, often our children have been labelled with a certain limitation or expectation. Today, we want to silence these sounds of - *never be able to, only be able to...* in the Name of Yeshua and through the blood of the Lamb we remove these labels and unhook our children from these 'boxes' they were placed in. You are the God of the impossible, you are a Creator and You are their God. Have Your way my King. Display Your majesty! Your wonderworking majestic life-giving resurrection power in our children and their circumstances for Your Name's sake.

We expect great testimonies!

Today we inscribe this Word on our children's brains:

THE EARTH is the Lord's, and the fullness of it, the world and they who dwell in it. For He has founded it upon the seas and established it upon the currents and the rivers. Who shall go up into the mountain of the Lord? Or who shall stand in His Holy Place? He who has clean hands and a pure heart, who has not lifted himself up to falsehood or to what is false, nor sworn deceitfully. He shall receive blessing from the Lord and righteousness from the God of his salvation. This is the generation of those who seek Him [who inquire of and for Him and of necessity require Him], who seek Your face, [O God of] Jacob. Selah [pause, and think of this].

Who is the King of glory? The Lord strong and mighty, the Lord mighty in battle. Lift up your heads, O you gates; yes, lift them up, you age-abiding doors, that the King of glory may come in. Who is [He then] this King of glory? The Lord of hosts, He is the King of glory. Selah [pause, and think of that]! Psalm 24:1-6, 8-10 AMPC

We seal this by the Blood of the Lamb
Amen

Prayer for protection, care, salvation and guidance over their spirits, souls and bodies

Ps 25 is a beautiful prayer for the Lord's protection, care and guidance over our children. Ask Holy Spirit which children, apart from your own, needs to be included. Let us pray!

Father, as mothers we come today, praying Your Word as written in Ps 25 over these children. We thank You that the Scripture is as Your breath being released over them.

UNTO YOU, O Lord, do we bring our lives. O my God, we trust, lean on, rely on, and are confident in You. Let our children not be put to shame or [their hope in You] be disappointed; let not their enemies triumph over them. Yes, let none who trust and wait hopefully and look for You be put to shame or be disappointed; let them be ashamed who forsake the right or deal treacherously without cause.

Show them Your ways, O Lord; teach them Your paths. Guide them in Your truth and faithfulness and teach them, for You are the God of their salvation; for You [You only and altogether] do we wait [expectantly] all the day long. Remember, O Lord, Your tender mercy and loving-kindness; for they have been ever from of old. Remember not the sins (the lapses and frailties) of their youth or their transgressions; according to Your mercy and steadfast love remember them, for Your goodness' sake, O Lord.

Good and upright is the Lord; therefore, will He instruct sinners in [His] way. Father, teach them humility and lead them in Your way which is right. Let their feet know Your paths of mercy and steadfast love, even truth and faithfulness making them mindful of Your covenants and testimonies. For Your name's sake, O Lord, pardon our iniquity and our guilt, for [they are] great.

Father, grant them to become those who reverently fear and worship You. Teach them in the ways that they should choose. Bless them with the ability to dwell at ease, granting our offspring to inherit the land. We proclaim our children will revere and worship You and the secret [of the sweet, satisfying companionship] of the Lord is their portion. Show them Your covenant and reveal to them its [deep, inner] meaning.

Hook their eyes to be ever toward You, for You will pluck their feet out of the net. Lord, turn to them and be gracious to them, for they are sometimes lonely and afflicted. The troubles of their hearts are multiplied; bring them out of their distresses. Behold their affliction and their pain and forgive all their sins of thinking and doing. Consider their enemies, for they abound; they hate them with cruel hatred. O keep them Lord, and deliver them, let them not be ashamed or disappointed, for our trust and our refuge is in You. Let integrity and uprightness preserve them, for we wait for and expect You. Redeem Them, O God, out of all their troubles.

Psalms 25:1-22 AMPC

Praying for the protection of our children

Today we pray that our children will know Him. Seek His face and dwell in His presence all the days of their lives.

Father, as mothers we thank You that we can trust in, lean on and rely upon You. We thank You that our children are not our sole responsibility, but that You are in control. Today, we pray Ps 27 over our children as we bring them under Your protection and guidance.

In the Name of Yeshua we declare that then Lord is their Light and their Salvation—whom shall they fear or dread? The Lord is the Refuge and Stronghold of their lives - of whom shall they be afraid? When the wicked, even their enemies and foes, came upon them to eat up their flesh, they (the enemy) stumbled and fell. Though a host encamp against them, their hearts shall not fear; though war arise against them, even then in this will they be confident.

One thing we ask of the Lord, this we seek, inquire for, and [insistently] require: that our children may dwell in the house of the Lord [in His presence] all the days of their lives, to behold and gaze upon the beauty [the sweet attractiveness and the delightful loveliness] of the Lord and to meditate, consider, and inquire in His temple.

In the Name of Yeshua we declare that in the day of trouble He will hide them in His shelter; in the secret place of His tent will He hide them; He will set them high upon a rock. And their heads shall be lifted up above their enemies round about them; in His tent they will offer sacrifices and shout of joy; they will sing, yes, they will sing praises to the Lord.

Hear, O Lord, when we as mothers cry aloud; have mercy and be gracious to us and answer us! You have said, Seek My face [inquire for and require My presence as your vital need]. On behalf of our children we decree: Our hearts say to You, Your face (Your presence), Lord, will we seek, inquire for, and require [of necessity and on the authority of Your Word]. Hide not Your face from our children; turn not Your servants away in anger, You Who have been their help! Cast them not off, neither forsake them; O God of their salvation!

Although we as their fathers and mothers may have forsaken them, yet You Lord, will take them up adopt them as Your children.

Teach them Your way, O Lord, and lead them in a plain and even path because of their enemies those who lie in wait for them. Give them not up to the will of their adversaries.

What, what would have become of them had we not believed that we would see the Lord's goodness in the land of the living!

So today I would like to write this upon Your spirit heart:

My child, wait and hope for and expect the Lord; be brave and of good courage and let your heart be stout and enduring. Yes, wait for and hope for and expect the Lord.”
Psalm 27:1-14 AMPC

**Today we pray for our children to receive a new anointing of the Holy Spirit.
Set them ablaze my King.**

Father, as mothers, we come today asking for a new anointing of Your fire over our children. Father, in the times we live they need to know You intimately and supernaturally.

In the Name of Yeshua we bless the generations of our children to discern between the false fire of the occult and Your miracle power fire. We ask that their discernment between counterfeit and real will be honed and sharpened. Father, bless them with the ability to make wise, life giving decisions. Through the blood of the Lamb we silence and shut down the false supernatural 'of the world' and the kingdom of darkness and the false religions out there and we declare our children will be unreceptive to it. In the Name of Yeshua we ask that they will be stripped of all dark kingdom receptors.

We declare that they are a generation of people who will carry the power, light and presence of the Kingdom. They will live a supernatural life as the revealed Sons of God.

We repent that we fear man, the world and their way of doing more than we fear You. We repent that we do not want to offend people but often and easily offend You with disobedience. We repent and take full responsibility for distrusting You. We ask Your forgiveness.

Today, we declare that our children will know You as the Warrior King. They will regard You as holy and they will honour Your holy name. Today, we plug them into the King of kings as their only hope and safety. The fear of the Lord will be their daily companion.

Through the blood of the Lamb we write this Word on the tablets of their hearts:

*The Lord of hosts—regard Him as holy and honour His holy name [by regarding Him as your only hope of safety], and let Him be your fear and let Him be your dread [lest you offend Him by your fear of man and distrust of Him]. And He shall be a sanctuary [a sacred and indestructible asylum to those who reverently fear and trust in Him];
Isaiah 8:13-14*

In the Name of Yeshua, Amen.

Today we bless our children with the joy of your Kingdom, including those under the cloud of depression.

Father, today, we come boldly into the throne room of grace. Father, we want to bring our children and those we represent in the spirit to receive the blessing of Your joy. Therefore, we call their spirit man to attention to receive this blessing.

Father, when we look at our children we see very little joy. They are under a lot of pressure and their time is often planned for them in advance; leaving little room for Your presence. We repent of the lack of balance between work and play. We repent that the 'playing' which they do engage in is often electronically in nature and not relationship based.

We ask today, that by the blood of the Lamb our children's senses will be washed and unhooked from all these devices and that the cycles of addiction/craving will be broken in the Name of Yeshua. Father, we ask that all 'hunger' for superficial joy will be stripped from them - in the name of Yeshua.

Father, when I read your Word it mostly speaks of the joy of the Lord and not of my joy. We ask today, that You would take them by the hand and lead them into the experiences of Your joy. Grant them the gift of Your joy which is complete and super natural.

Father, over some of our children and over some of us as mothers there are a dark cloud of depression hindering and sucking up any joy we may have had. We take full responsibility for this, generationally, and repent of the events, thoughts and words that have caused this cloud to come into place. Father, we are asking that through the blood of the Lamb and by the Light and Truth He represents that this cloud will dissolve. Please replace this cloud of oppression and depression with one of Your presence. I bless the chemicals in our brains to be fountains of life to be restored to perfect balance in the Name of Yeshua.

We ask today that our children's joy will be made complete in You as we write this Word over their humanity today:

O send out Your light and Your truth, let them lead them; let them bring our children to Your holy hill and to Your dwelling. Then, let them go to the altar of God, to God, their exceeding joy; yes, with the lyre will they praise You, O God, my God!

Why are you cast down, O my inner self? And why should you moan over me and be disquieted within me? Hope in God and wait expectantly for Him, for I shall yet praise Him, Who is the help of my [sad] countenance, and my God. Psalm 43:3-5 AMPC

We pray this in the name of Yeshua

Today, we pray for Godly relationships and friendships for our kids.

Father, we come today before your throne bringing our children and those we also include in this prayer. Father, relationships and friendships are dear to Your heart - seeing that You are the creator of intimacy and friendship.

Father, we want to ask that our children's blueprint of friendships, relationships and intimacy will come straight from their experiences with You. Father, we ask that You would draw them near to You, into sweet fellowship and companionship with your Holy Spirit. Father, we ask that our children will be marked as Abraham - as being a friend of God.

Father, we thank You that we can bless these children with life giving relationships and true intimacy. We bless them with a wall of fire around them that will protect and guard them from unhealthy relationships. We pray that the markers of predators on them that leads to victimization will be removed, through the Blood of the Lamb.

In the Name of Yeshua we ask that the pain, shame and hurt that they have already acquired and experiences through negative relationships will be healed in the name of Yeshua and that the negative programming/ patterns of these unhealthy relationships will be broken in the Name of Yeshua.

Father, through the Blood of the Lamb we ask that all soul ties, spirit and body ties in all time, space and dimensions will be broken between our children and those that they should not be in relationships with.

Place the Godly role models and friends in their paths my King. I am asking today that as we bring the generational patterns of bullying, teasing, favouritism and exclusion before You, that we have also experienced, that we can trade them through the blood of the Lamb for love, favour, acceptance, inclusion and joy.

We pray these Words of life over our children today:

And the Lord will speak to you face to face, like with Moses, as a man speaks to his friend. Exodus 33:11 AMPC

In the Name of Yeshua
Amen

Today, we bless our children with Shalom in all circumstances

We come before You, The Prince of Peace, as we bow down in worship; singing Your praises. Glory and honour and power are Yours. We bless Your Holy Name.

Father, the times in which our children are raised are not marked by peace. These influences of strife, anger, bitterness, contention, hate and revenge clogs their senses and programs them to think a certain way. Father, we as mothers cry out to You - this is not to be our children's portion! We ask in the Name of Yeshua and through the blood of the Lamb that their senses will be unhooked, purged and washed from these negative imprints.

We ask in the name of Yeshua that our children will be anchored in peace- in Your Shalom. Therefore, we come today and bless their humanity to be complete and whole in Him. We bless them with the Godly imprints of tranquillity, justice and sufficiency. We declare in the Name of Yeshua that they will know and have Devine health knowing no sickness.

In the name of Yeshua we declare an absence of disorder, injustice, bribery, corruption, conflict, lack, hatred, abuse, violence, pain suffering, immorality and all other negative forces. We as mothers, repent and take full responsibility for the generational foothold these spirits had in our seed and bloodlines. But, today, we trade them by the blood of the Lamb, removing their sound in the spirit and all associated legal rights. We declare a new season, a new sound - 'no good thing is withheld' - SHALOM!

We bless our children with the peace that surpasses all understanding. We bless them with the peace He provides - not that which the world subscribes. We bless them to walk in the footprints of the Prince of Peace in all circumstances.

Shalom, shalom my child
Amen

Today we pray about correcting and disciplining our children.

Father, in the name of Yeshua, we come before you as mothers, seeking Wisdom and guidance. As moms we bear our hearts before You - standing completely transparent.

Father, Your Word says that we should teach our children in the ways that they should go. (Prov 22:6). Your Word also says that we should not keep correction from our kids. (Prov 23:13).

Father, we are often unsure, about how to do this. As our children grow older and become more opinionated and begin to form and voice their own ideas it becomes harder to correct and discipline. The world has so many opinions regarding this. But, Father, I want to do it Your way. Please silence the sounds and opinions of the world - with the blood of Yeshua. I come today to sit with You so that Your eyes can guide me in the way I should discipline and correct and, in the things, I should say.

Father, as a mom, I have said things which I shouldn't have. My words of criticism have come from a tired, worn out, overwhelmed, angry and yes, Lord, a fear filled heart. Please forgive me. I have cut my children with my tongue; stripping them from their dignity and self-worth. Father, I did not stop but continued to say things when I should have stopped and loved. My anger, fear and disappointment flowed like a flood over them. I repent, please forgive me, where I lacked Wisdom and Understanding. Please forgive me where my emotions guided me and not Your Spirit. I need You, Lord. Teach me to pray more and say less. Guide me to discipline when and as I should. Teach me to love them - also through discipline and correction. I repent for every instance where I was slack in disciplining.

Father, please heal our hearts. Please restore our mommy hearts to train them up with courage and in Godly purpose. Lead us as moms to Your wells of life giving waters so that we will be full again - so that we are able to give and show love. Fill us up God!

I pray that our children's spirit man, as well as ours, will be so healthy and whole, plugged into Your Spirit, that we only need to turn them back to You for instruction, correction and guidance. Please, Yeshua lead them to forgive us, not to hold grudges and not to make ungodly vows because of the things we have done and said (Shouted at them). Please remove the scorching effect of my words from them. Please bind up our wounds, my King.

I bow before You, teach me Lord...

I need You more
More than yesterday
I need You Lord
More than words can say

Today, we pray for our children to live balanced lives.

Father, we come before You in the name of Yeshua, interceding for our children. Father, today we present the scales and measuring devices of their lives before You.

We repent and take full responsibility for the fact that we, as our children, so quickly walk down the path of unbalanced thoughts and actions. Father, we easily become self-centred and goal orientated and we often loose our focus of You. Please forgive us.

Father, grant our children the gift of enjoyment of that which they participate in. Grant them the ability to develop the talents You have bestowed on them stripped of expectation, pressure and performance. Father, grant them the fulfilment of knowing that their essence has already been accepted and approved by You (Jer 1:5).

Grant them the gift of enjoying and seeing the little miracles around them. In the Name of Yeshua we repent of our generational wounds that make us feel inadequate and illegitimate. Forgive us for the masks of pretence we carry to hide our sense of not being good enough. Father, we ask, in the Name of Yeshua that our children be removed from any and all dark kingdom measuring and comparison devices. Please remove them from the dark scales and measuring rods of comparison and jealousy. Father in the name of Yeshua we ask that the labels and mindsets of 'I cannot, will never be able to...' be stripped from them by the blood of the Lamb. We declare they are able for You are able!

We ask, in the name of Yeshua that Your Kingdom laws of righteousness and justice will be their only plumb line.

We bless them with knowing that they are sufficient in Christ's sufficiency. 2 Cor 3:5.

In the Name of Yeshua we bless them to trust steadily, hope unswervingly and to love extravagantly.

We bless their spirit man to walk and live according to Your instructions in all things.

We ask that their focus will shift from the soul and flesh to their spirit man; becoming aglow with zeal. In the name of Yeshua we bless and declare them to:

Never lag in zeal and in earnest endeavour; be aglow and burning with the Spirit, serving the Lord. Rejoice and exult in hope; be steadfast and patient in suffering and tribulation; be constant in prayer. Contribute to the needs of God's people [sharing in the necessities of the saints]; pursue the practice of hospitality. Bless those who persecute you [who are cruel in their attitude toward you]; bless and do not curse them. Rejoice with those who rejoice [sharing others' joy], and weep with those who weep [sharing others' grief]. Live in harmony with one another; do not be haughty (snobbish, high-minded, exclusive), but readily adjust yourself to [people, things] and

give yourselves to humble tasks. Never overestimate yourself or be wise in your own conceits. [Prov. 3:7.] Repay no one evil for evil, but take thought for what is honest and proper and noble [aiming to be above reproach] in the sight of everyone. [Prov. 20:22.] If possible, as far as it depends on you, live at peace with everyone.

Unlock Your dreams for our kids, I pray.

Father, some days there are but few words in our mouths but loaded sentences in our hearts. So today, we ask that You read our hearts, the dreams contained in them. Father, we take the keys of Your Kingdom and unlock the dreams You have for our children. Will You introduce Your dream for them in their hearts? Will You use the night seasons to instruct them, teach them and guide them into what You want them to be?

In the name of Yeshua we ask that You remove the blockages and clutter from their dream portals. Anchor them in Your dreams I pray and let not them loose focus. Fill them with expectation and hope even if the dream seems impossible and one of a kind.

Father, please remove the hunters from them who come in the night to steal their dreams and/or to plant ungodly ones. We repent of all legal right these hunters have. By the blood of the Lamb we abort all ungodly dreams and lock all paths taking them away from Your destiny and purpose for them.

Father today, we as moms come and stand in agreement with Your dreams for our kids. We unlock and decree this scripture over their lives as they get to know You as the dream maker and future creator.

Now to Him Who, by (in consequence of) the [action of His] power that is at work within us, is able to [carry out His purpose and] do superabundantly, far over and above all that we [dare] ask or think [infinitely beyond our highest prayers, desires, thoughts, hopes, or dreams] -To Him be glory in the church and in Christ Jesus throughout all generations forever and ever. Amen (so be it). Ephesians 3:20, 21AMPC

Today we bless our children with the presence of the Lord Most High.

Father, we thank You for your Word. We thank You that it is life and Your very breath. (2Tim 3:16). Father, I ask today that these children will know You, will stand in relationship with You, that they will see You and hear You. Therefore, we come today, speaking the Words of Ps 16 over our children and those in our communities. Father, it is our prayer that this Word like your Son will come and tabernacle over our kids - make its permanent dwelling over them. Father we bless our children's DNA to absorb this Word, to be changed by this Word so as to become their truth.

KEEP and protect them O God, for in You will they find refuge, and in You will they put their trust; hiding themselves. We say to the Lord, you are our Lord; we have no good beside or beyond You. As for the godly (the saints) who are in the land, they are the excellent, the noble, and the glorious, may they be a delight to You my King. The Lord is their chosen and assigned portion, their cup; thank You that You hold and maintain their lot. The lines will fall for them in pleasant places; yes, they have a good heritage. We will bless the Lord, Who has given us counsel; yes, their hearts will instruct them in the night seasons. Father, let them set Your presence continually before them; because You are at their right hand, they shall not be moved.

Therefore, their hearts are glad and their glory their inner selves rejoice; their bodies too shall rest and confidently dwell in safety, For You will not abandon them to Sheol (the place of the dead), neither will You suffer Your holy one [Holy One] to see corruption. [Acts 13:35.] You will show them the path of life; in Your presence is fullness of joy, at Your right hand there are pleasures forevermore. [Acts 2:25-28, 31.] Psalm 16:1-11 AMPC

Pray for our children to become soldiers of faith

Father, today we come before You enrolling our children in the school of faith, enlisting them as Your soldiers. Father, train them up in Wisdom and teach their hands to war. Instruct them in the use of the weapons of your Kingdom. Thank You for Your Word in 2 Tim 2 which we can declare over their humanity as their portion.

We call their spirit man to the front, through the Blood of the Lamb, listen and receive what the Word of the Lord says, in the Name of Yeshua and through the blood of the Lamb. Write this on the tablet of your heart, my child.

SO YOU, my child, be strong (strengthened inwardly) in the grace (spiritual blessing) that is [to be found only] in Christ Jesus. Take [with me] your share of the hardships and suffering [which you are called to endure] as a good (first-class) soldier of Christ Jesus. No soldier when in service gets entangled in the enterprises of [civilian] life; his aim is to satisfy and please the one who enlisted him. And if anyone enters competitive games, he is not crowned unless he competes lawfully (fairly, according to the rules laid down). [It is] the hard-working farmer [who labours to produce] who must be the first partaker of the fruits.

Think over these things I am saying [understand them and grasp their application], for the Lord will grant you full insight and understanding in everything. Constantly keep in mind Jesus Christ (the Messiah) [as] risen from the dead. The Word of God is not chained or imprisoned! Therefore, you are ready to persevere and stand your ground with patience and endure everything for the sake of the elect [God's chosen], so that they too may obtain [the] salvation which is in Christ Jesus, with [the reward of] eternal glory. The saying is sure and worthy of confidence: If we have died with Him, we shall also live with Him. If we endure, we shall also reign with Him. If we deny and disown and reject Him, He will also deny and disown and reject us. If we are faithless [do not believe and are untrue to Him], He remains true (faithful to His Word and His righteous character), for He cannot deny Himself.

Study and be eager and do your utmost to present yourself to God approved (tested by trial), a workman who has no cause to be ashamed, correctly analysing and accurately dividing [rightly handling and skilfully teaching] the Word of Truth. But avoid all empty (vain, useless, idle) talk, for it will lead people into more and more ungodliness. The firm foundation of (laid by) God stands, sure and unshaken, bearing this seal (inscription): The Lord knows those who are His, and, let everyone who names [himself by] the name of the Lord gives up all iniquity and stand aloof from it. [Num. 16:5; Isa. 26:13.] But in a great house there are not only vessels of gold and silver, but also [utensils] of wood and earthenware, and some for honourable and noble [use] and some for menial and ignoble [use]. So, whoever cleanses himself [from what is ignoble and unclean, who separates himself from contact with contaminating and corrupting influences] will [then himself] be a vessel set apart and useful for honourable and noble purposes, consecrated and profitable to the Master, fit and ready for any good work.

My child shun youthful lusts and flee from them, and aim at and pursue righteousness (all that is virtuous and good, right living, conformity to the will of God in thought, word, and deed); [and aim at and pursue] faith, love, [and] peace (harmony and concord with others) in fellowship with all [Christians], who call upon the Lord out of a pure heart. But refuse (shut your mind against, have nothing to do with) trifling (ill-informed, unedifying, stupid) controversies over ignorant questionings, for you know that they foster strife and breed quarrels. And the servant of the Lord must not be quarrelsome (fighting and contending). Instead, he must be kindly to everyone and mild-tempered [preserving the bond of peace]; he must be a skilled and suitable teacher, patient and forbearing and willing to suffer wrong. He must correct his opponents with courtesy and gentleness, in the hope that God may grant that they will repent and come to know the Truth [that they will perceive and recognize and become accurately acquainted with and acknowledge it], And that they may come to their senses [and] escape out of the snare of the devil, having been held captive by him, [henceforth] to do His [God's] will. 2 Timothy 2:1-26 AMPC

My child, I pray that you will be an overcomer and a life giver. I pray that You would know where to find Him and to find His eyes so that He will instruct and teach you. I pray that you will not be confused but will know truth and righteousness. I pray that you will daily be transformed in your inner man to represent Him.

In the name of Yeshua I dress you with the battle gear of the Kingdom of Light. My child wears your armour of light, armour of righteousness and your armour of the Lord with purpose and faithfulness. Learn how to yield the weapons of warfare of Kingdom of God. You are called to battle and destined to win!

I pray that you will walk by faith! In the name of Yeshua
Amen

Today, we pray that our kids will have life-giving conversations with God.

Father, thank You for the incredible privilege that we can talk to You. Thank You for all the ways in which You answer us, guide us and direct us.

Father, today I bless my kids and unlock their spiritual gift of prayer. Father, in the Name of Yeshua I ask that prayer will be their first line of defence. I ask that their connection to You will be a permanent fixture. Like a satellite phone with accessible always with a clear connection.

I pray that their spirit man will develop its own language of prayer. Not copied from others or some religious prescripts but out of necessity and willingness to share life with You. I bless them to know joyful prayer, intercession prayer, wordless prayer, crying prayers, travailing prayers, warfare prayers and many, many, many thankful prayers. I bless them to have life giving conversations with You about everything.

I bless them to know that when they call on Your name you ALWAYS answer! I bless them with the reverential awe filled fear of You - knowing that You are 'I AM'. Let them know the many facets of your being. I bless the You are all they may ever need. I bless them to be connected and plugged into You.

Lead them in conversation, my King!

I ask this and seal the blessing in the name of Yeshua.

Amen

Today we pray that our children will be frequent travellers knowing and following the paths of the Lord.

Father, life is full of choices some obvious and others not so obvious. Father, the paths we choose take us to specific destinations. Father, we acknowledge that our children will walk in the same paths that we as parents have chosen. Some of these paths are paths of life and others paths of death and destruction. We repent of the dark paths our feet choose generationally. We take full responsibility that we and our children walk these paths automatically. Father, I am speaking of and including the paths of anger, resentment, bitterness, revenge, addiction, rejection and so many others applicable but not specifically mentioned. Please forgive us as we trade these paths for paths of mercy, lovingkindness, truth, faithfulness, righteousness, justice and peace.

Today, Father I pray that You would be our children's guide directing their feet to find Your paths. Let Your paths be their instinctive choice! We as mothers come collectively in agreement as we pray Ps 25 over our children. We call their spirit man to attention in the Name of Yeshua through the blood of the Lamb. We bless them so that this Word will become a cornerstone of truth on their chosen paths.

“UNTO YOU, O Lord, do we bring the lives of our children. O my God, we trust, lean on, rely on and are confident in You. Let us not be put to shame or [our hope in You] be disappointed; let their enemies not triumph over them.

Show them Your ways, O Lord; teach them Your paths. Guide them in Your truth and faithfulness and teach them, for You are the God of our salvation; for You [You only and altogether] do we wait [expectantly] all the day long. Remember, O Lord, your tender mercy and loving-kindness; for they have been ever from of old. Remember not the sins (the lapses and frailties) of our youth or our transgressions; according to Your mercy and steadfast love remember us, for Your goodness' sake, O Lord.

You are good and upright, Lord, therefore will You instruct sinners in Your ways. Grant our children a spirit of humility, Father. For You lead the humble in what is right, and the humble You teach Your ways. Lord, your paths are mercy and steadfast love, even truth and faithfulness are they for those who keep Your covenant and testimonies. For Your name's sake, O Lord, pardon our iniquity and guilt, for [they are] great.

Let our children become those who reverently fear and worship You, and teach them in the way that they should choose.

Father, guide them in the secret [of the sweet, satisfying companionship] of You as they discover the fear of the Lord and the reverential worship of You. Father, put Your covenant on display for them and reveal to them its [deep, inner] meaning.

Let their eyes be ever towards you, Lord. We thank You that You are willing and able to pluck their feet out of every net and snare set for them by the enemy. Lord turn to them and be gracious to them, for they know loneliness and affliction.

O keep them, Lord, and deliver them; let them not be ashamed or disappointed, for we trust and take refuge in You. Let integrity and uprightness preserve them, let them wait for and for expect You. Redeem them, O God, out of all their troubles.”
Psalm 25:

Oh, that they would know Him!

Father, today I pray that our children will seek You that they will set their minds and hearts to seek (inquire of and require You as their vital necessity) 1 Chron 22:19.

Father, in the name of Yeshua I bless them to follow hard after You with their whole being; that they will cling closely to You, and that they will know first-hand that Your right hand alone upholds them.

Psalm 63:8

Father, I declare that they will be the generation to know (recognize, be acquainted with, and understand) You; they will be zealous to know You, Lord to appreciate, give heed to, and cherish You. They will recognize and expect Your going forth which is prepared and certain as the dawn, and You will come to them as the [heavy] rain, as the latter rain that waters the earth. Hosea 6:3

We bless them to love the Lord with ALL their heart and ALL their mind as well as with ALL their strength!

Draw near to them, closer and closer, my King! Let them know Your heart!

Refresh us as mothers from the fountain of life!

Father, thank You for the gift of parenthood. Thank you that we can come and stand before You in a relationship and know You as Father. Thank you that I can be a mother. Thank you for this huge gift you have blessed me with - 'motherhood'. Thank you for this very special journey You have unlocked for me in my life.

I know that this journey is full of surprises and unexpected turns - one that I am unable to carry out by myself. Thank you that you are there to guide me with Wisdom and that You council me when I am scared or unsure about the next step. Thank you that You, Father, know the end from the beginning!

Father, today I am asking that You will once again fill me with your Spirit. Tune my spiritual senses. Father, I sometimes become tired and overwhelmed by the challenges we face physically, emotionally and spiritually.

Grant me that I will be able to direct my children in all and everything to You, just as Elisha did when Samuel said he heard someone call his name. Father, may we be so focused on You that You will always be our first answer, our first option, our first stop for help.

Today, we as mothers take up the task of leading our children to You. Prophetically we take them by the hand, walking with them to be refreshed by the waters of the fountains of life. I pray the words of Ps 36 over this journey, myself and my children as we walk. May we discover You all around us today even from the skies, the mountains and the clouds as David so beautifully describes! Make us aware of You and share You with our children.

Your mercy and loving-kindness, O Lord, extend to the skies, and Your faithfulness to the clouds. Your righteousness is like the mountains of God, your judgments are like the great deep. O Lord, you preserve man and beast. How precious is Your steadfast love, O God! The children of men take refuge and put their trust under the shadow of Your wings. They relish and feast on the abundance of Your house; and You cause them to drink of the stream of Your pleasures. For with You is the fountain of life; in Your light do we see light. [John 4:10, 14.] O continue Your loving-kindness to those who know You, Your righteousness (salvation) to the upright in heart. Let not the foot of pride overtake me, and let not the hand of the wicked drive me away. There the workers of iniquity fall and lie prostrate; they are thrust down and shall not be able to rise. Psalm 36:5-12 AMPC

I stop at Your fountain and drink deeply.

Today we pray that our children would be radically obedient.

But this is what I commanded them, saying, 'Obey My voice, and I will be your God, and you will be My people; and you will walk in all the way which I command you, that it may be well with you. Jer 7:23

Father, in the name of Yeshua, we come before Your throne on behalf of our kids. Your Word states in Job 1 that he (Job) diligently offered sacrifices on behalf of his children in the event that they may have sinned. Father, please forgive us, and those we represent in the spirit's, trespasses, sins and transgressions. We repent in the name of Yeshua for not honouring our parents. We repent of the rebellious spirit in us that made us ignore good and sound advice.

Father we want our children to be well and that they would know a long and satisfying life. Your Word says in Eph 6 that for this to be possible children should OBEY their parents in the Lord [as His representatives], for this is just and right.

Father, in the name of Yeshua we bless our children with ears open and willing to hear and with hearts willing to obey.

You further state that they should honour esteem and value as precious their father and mother—this is the first commandment with a promise. That all may be well with you and that you may live long on the earth.

Father, implant this spiritual truth into their humanity as a life-giving instruction for living.

Father, we repent of irritating and provoking our children to anger [for exasperating them to resentment]. Help us to honour their spirit man, help us to rear them [tenderly] in the training and discipline and the counsel and admonition of the Lord.”
Ephesians 6:1-4

Our children will prophecy and dream

Father, today we as moms come before You and petition that our children will be able to live balanced lives. Father, we acknowledge that routine is a good thing that helps us structure our lives. But, we also acknowledge that this takes away the spontaneous experiences and unexpected bursts of joy and surprises which You have waiting for us in life.

Father, today I pray that You would restore our children's sense of adventure. That You would reveal Yourself in unexpected and surprising ways to them, Father, I pray this specifically over the necessary rest they need. Help them to be able to rest, to sleep well.

We invite You to encamp over them in the night season. We invite You to lead their spirit man in the night. I pray that Your fire, like with the Israelites on their way out of Egypt, will be their source of light and warmth, comforting and guiding them in the night. I pray that this fire will protect them and hide them from the kingdom of darkness and their evil visitations.

Father, please instruct, teach and guide them in the night. Reveal Yourself to them, I pray. Father, sing Your song over them! (Ps42).

Father, in the name of Yeshua I ask that all night mares will be captured and held at bay in Your stables. Father, we declare that our houses are danger zones to the enemy. We declare that our children will be visited by You - alone - in the night season. In the name of Yeshua and through the blood of the Lamb we seal all dream portals. In the name of Yeshua and on the authority of being a son of God we declare that our children will not be summoned or accessed in the night by anything or anyone apart from Your specific and direct orders.

In the name of Yeshua we seal off their dreams and dedicate this ability to dream, sanctified by the blood of the Lamb, to be a powerful communication tool in Your Kingdom. Release their heavenly dreams, Father, I pray.

In the name of Yeshua and through the blood of the Lamb we cast down and silence all evil dark kingdom dreams. We delete these files completely from any and all memory banks in their subconscious, unconscious and conscious minds.

In the name of Yeshua we bless our children with the prophetic ability to unlock and understand the meaning of their dreams. Sharpen this tool in their spiritual kit my King. Release Your Kingdom over the night season, I pray. We bless this time of adventure and communion with You my King.

The Lord is good to those who wait hopefully and expectantly for Him, to those who seek Him [inquire of and for Him and require Him by right of necessity and on the authority of God's word]. It is good that one should hope in and wait quietly for the salvation (the safety and ease) of the Lord. Lamentations 3:25-26 AMPC

In the name of Yeshua we bless our children, this is their portion. Amen

Placing the management of my Child's life in God's hands

Father, today as a mom, my prayer is simply this. Would You please take over the management of my child's life! Your Word says children are a blessing of the Lord - meaning they are Yours, only given to us to share in our lives, to enrich us and to teach us. To get to know You better.

Father, there are all these little things that we as moms worry about. Things that make us cry and things that clamp down on our hearts with worry and concern. Father, so often these things that are amiss become ALL that we focus on. Father, forgive us as moms, where we lose perspective. Forgive us where we compare our children and see them lacking. Forgive us for focussing on all they are doing wrong. Forgive us for trying to 'fix' them and mould them into what we and the world think they should be.

Today, like Abraham, we bring our Isaacs to You! The first Isaac is our identity which we somehow find in our kids. Father, forgive us our legitimacy issues which we try to fix through our children's lives and the second chances they somehow give.

The second Isaac is our past pain - the things that have happened to us as children that now influence how we raise our children. We surrender our unmet needs our unresolved issues and unhurt pain to You. Heal us God!

The third Isaac is our doubt and unbelief. Father, today, I place all my worries on the altar of Your Word. I choose to trust You as my source of strength to guide me. Give me Kingdom perspective, I pray.

Father, my fourth Isaac, is my ability to be a mom. Father, forgive me for comparing myself to others. Forgive me for believing that I always have to know what to do. Today I place 'being a mom' on Your altar so that Your flames of truth will burn away every lie and preconceived idea.

Father, teach me to mother! Give me hope in this journey. Walk with me my King, I pray. Walk with me!

Lord, give me the Wisdom to change what needs to be changed. Give me the understanding of Your design of my child. Father, please help me not to stand in the way of Your design and purpose for my child.

Cast your burden on the Lord [releasing the weight of it] and He will sustain you; He will never allow the [consistently] righteous to be moved (made to slip, fall, or fail). [I Pet. 5:7.] Psalm 55:22 AMPC

I pray this in the name of Yeshua

May my child be found in and known by God

Father, thank You that we can come before You every day. Thank you for the layer upon layer of blessings over ourselves and our children. Thank you for the healing that is taking place. Thank you for the hope you give. We exalt You, Most High God! Thank you that your Word is truth, that it is steadfast and sure. Thank you that every blessing we speak stands for eternity covered by the blood of the Lamb - sure and steadfast.

Today, I pray and bless our children's spirit with Your Word in Phil 3. Listen my child to the Word of the Lord, where ever you are right now. May Your angels engrave it on their spirit man, my King!

I bless your spirit man my child that you may [actually] be found and known as in Him, not having any [self-achieved] righteousness that can be called your own, based on your obedience to the Law's demands (ritualistic uprightness and supposed right standing with God thus acquired), but possessing that [genuine righteousness] which comes through faith in Christ (the Anointed One), the [truly] right standing with God, which comes from God by [saving] faith. [For my determined purpose is] that you may know Him [that you may progressively become more deeply and intimately acquainted with Him, perceiving and recognizing and understanding the wonders of His Person more strongly and more clearly], and that you may in that same way come to know the power outflowing from His resurrection [which it exerts over believers], and that you may so share His sufferings as to be continually transformed [in spirit into His likeness even] to His death, [in the hope] That if possible you may attain to the [spiritual and moral] resurrection that lifts you out from among the dead [even while in the body]. Not that you have now attained [this ideal], or have already been made perfect, but you press on to lay hold of (grasp) and make your own, that for which Christ Jesus (the Messiah) has laid hold of you and made you His own.

I do not consider that I have captured and made it my own [yet]; but one thing I do [it is my one aspiration]: forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal to win the [supreme and heavenly] prize to which God in Christ Jesus is calling us upward, may you do the same.

Only let us hold true to what we have already attained and walk and order our lives by that. Philippians 3:9-14,16,21 AMPC

Father, in the name of Yeshua I pray that You would open their spiritual eyes so that they can see You. Open their ears so that they can hear the great crowd of witnesses cheering them on. Oh, may they see purpose in their suffering. May they never doubt Your goodness. May they have a deep-seated joy in being transformed to become like You. Father, may they know without a shadow of doubt who You are. Teach them Truth and right standing. May they be found to be in You, my King! May they know faith and not just religion. May they know the joy of serving You. May they know and operate in the power of Your spirit. Mark them this day, by Your blood, I pray!

I pray this in the name of Yeshua and seal this with the blood of the Lamb. Amen

Praying over the condition of their hearts

Father, today I come before Your throne, covered by the blood of the Lamb, holding my heart and those of my children and husband in my hands. Father, we are so concerned with the outside but, you look at our hearts. We have ignored the state of our hearts for generations, please forgive us!

As I look at our hearts I see many wounds, scrapes and aches. Father, we are bleeding with worry, concern and uncertainty. I see where the words, opinions and judgements of others stick like knives from our hearts - penetrating deeper and deeper with their venomous lies of not being good enough.

I see the marks of disappointment and failure on our hearts as well as the scars of fear. I see where our hearts have turned into stone in an effort to protect ourselves through bitterness and so many vows of'*never again would I let*'...

I see the heart transplants we have allowed and agreed upon to change ourselves, our outlook and belief system - to somehow fit in - to somehow be acceptable in the world. I see the foreign blood of sin, guilt and shame pumping through our hearts.

I see the pain of unshed tears. The pain of blocked, hidden emotions. I see the wounds of trauma and fear. I see the blocked arteries of bitterness, hate and revenge. I see death and hopelessness wrapped around our hearts.

Oh, my King what a mess!
Today, we take full responsibility for this mess.

We repent for not guarding our hearts as a most valued treasure and having therefore lost the flow of the waters of life! Prov 4:23

We repent for the state of brokenness that our hearts are in. I thank You, Yeshua that You came to heal the broken hearted. Is 61.

Today, we surrender our hearts to You, to be washed by the blood of the Lamb, to be anointed with Your healing oil, to be bound by faith, hope and love. Please remove the weapons stuck in our hearts. We thank You that in the name of Yeshua the debris is being removed so that the springs of life is no longer blocked but can freely flow again.

I pray that our hearts will be once again filled with joy. We choose today to forgive those who have hurt us even if it is hard. We make a wilful decision to choose to forgive - whether we feel they deserve it or not.

Father, because of the condition of our hearts we cannot love You with ALL of our hearts. We repent and ask that for Your names' sake that Your dwelling place in us will be cleansed and restored and healed. In the name of Yeshua we ask that all dedications of our hearts to any other source or other God in all time, space and

dimension is cancelled. We give our hearts to You. In the name of Yeshua, we ask that You would remove our deceitful false hearts. Please restore Your heart in us! Do the necessary transplant and restoration my King.

Thank you, that You are willing to trade with us. To give us beauty for our ashes. Thank you for breathing your life into our hearts. Thank you for removing the death and discouragement wraps from our hearts and we ask in the name of Yeshua that You would cloak our hearts with joy and salvation!

This is a new day! I thank you for restoring us through the resurrection power of Yeshua. I speak life and wholeness over us, in the name of Yeshua.

I bless our hearts with a restored wall of fire around it. I bless our hearts to pump with faith and hope. May Your Love make its perfect dwelling place in us, we pray!

Let the words of my mouth and the meditation of my heart be acceptable in Your sight, O Lord, my [firm, impenetrable] Rock and my Redeemer. Psalm 19:14 AMPC

Thank You, Abba Father
Amen

Nurture them in Your perfect Love

Father, today I want to talk to You about nurturing. As moms this is one of the things we do and yet, we understand so little of what it means. You see, Father, we as mom's mother by example. We see other moms how they take care of their kids, how they dress - themselves and their kids - how they eat, how they cook, how they manage and organize their schedules - and we mould ourselves accordingly. There is this fear in our hearts that we won't succeed. There is this deep-seated belief that we are inadequate nurturers; that others are better at mothering than we are.

But, Father, here is the problem. These examples have been infiltrated by the world and the media and are often laced with so much defilement, judgement and pain. We look in the mirror of the world of '*the perfect mom*' and always find ourselves lacking. Father, our examples got warped along the way of time.

There is this thing we do, Father, this thing that drives us..., this thing taking up our emotional energy and guiding our decisions - and that is this thing - hating our bodies and the changes it has gone through because of childbirth. We as moms are in a huge identity and legitimacy crises! We spend so much time, money and emotional energy on these 'so called imperfections' with the result always being.... believing ourselves to be lacking! Father we have lost the joy of mothering!

Father, I bring this today before Your throne, because we as moms are trapped in this stronghold! It is a spiritual law, Father, as a man thinks he is. We are trapped in this generational carousel of comparison- this belief train of thinking- not being good enough, not being thin enough, not being mom enough! Father please help us! Stop us in our tracks! Switch of the cycle of our thoughts and show us the way out. We need You to bring healing to our mothering!

Father, there are parts of us being moms that are so unhappy and unsatisfied and unfulfilled. This was not Your picture, Your plan for us. And Father, we have downloaded this to our daughters! Mothering has become a chore and burden!

Father, today I surrender my defiled belief system before You, all the programming I have received as a mom and nurturer. Everything I have been packed with guiding me to bring up, guide, feed and educate my kids as others do. Father, please unhook my senses from all defiled libraries and identities. Please restore, my identity into that which You have dreamed for me as a mom. Please break the mould I have shaped and fixed myself into. Father, please restore my individuality as a mom. Make me the mom I was intended to be, the one You dreamed up and wired for my children. I repent Father!

Father, please cleanse the defilement generationally from the title and deeds of Mother. Break the demonic strongholds of pain, judgement, self-hate and inadequacy from us. Heal our wounds, rewire our father thoughts. I am enrolling into Your school, Your opinion, Your guide book of mothering today!

Shape me, please Abba.

I pray this in the name of Yeshua and through His blood! Amen

Please heal them from womb trauma

Father, I exalt You for training us, for sharpening our weapons and for teaching us to use them in warfare. You are a good, good Father, slow to anger, abounding in mercy and steadfast love.

Father, today I pray for ourselves, our daughters and our daughters-in-law in present, past and future tense.

Father, today I want to bring the times of our children's conception before You. Father, you know the circumstances each of us faced, physically, emotionally, relationally and financially at these times.

Father, for some of us these times were filled with stress and trauma. I knew so little of what to expect. I was so worried for the little one's wellbeing and my own pain, fear and the physical changes in my body were almost overwhelming. I was so uncertain about being a mom.

Father, some of us were young, immature, spiritually broken and vulnerable; others, were angry, full of pride and self-centred not wanting this baby. Father, some of us, were heart broken and/or even rebellious because this pregnancy was not planned and we were maybe not even married.

Some of us got pregnant not out of love but out of violence. Some of us wanted this pregnancy as a pawn to keep our partners and we even used this baby as a plaster to make our own hurts feel better and as an attempt to save our marriages. We even became pregnant to please someone else. For some of us the pregnancy was 'inconvenient' we being older and done with having children. There are so many, many emotions to deal with and these emotional packages filled our wombs; and in this - our children were received and had to grow.

Father, you are the God who was and is and is to come and therefore I thank You that You can go into all time - past, present and future. Father, today I ask, in the Name of Yeshua, that You would cleanse the times of our children's' conceptions.

Father, we repent for the defilement, sin and darkness present in our wombs because of our and our generations' sexual and all other sin, transgressions and iniquities. Father, please forgive us. I ask that You wash our wombs from any and everything that was not supposed to be in there. In the name of Yeshua we cleanse the gates of the womb. Father, because of our repentance and the power of the blood of the Lamb, I ask that You wash our wombs with Your blood. I ask that all diseases and growths and cancers be removed from our wombs, in the name of Yeshua. They have no place there, in the name of Yeshua. We dedicate our wombs generationally to You, to be a source of life! We ask that our wombs will be filled and flooded by Your light and love.

Father, we as moms, repent of all the dark things and lies that have attached to our children in the womb. We repent of the things we, and others, have thought and said

that have influenced their design. Would You in Your mercy and loving kindness untangle and heal our kids from these things. Yeshua, would You please reveal yourself to our children, your very presence being enough to dislodge the fear, anxiety and stress that cloaked them in the womb. And then Father:

My child, in the name of Yeshua, I bless You today to know that the things I (or others) have felt, said and feared when you were conceived were not your fault or you're doing. I repent and ask your forgiveness for the rejection and fear you may have experienced in the womb. Today, I bless you with being restored from these effects - knowing that you are loved and wanted. I bless your gender and your identity in the name of Yeshua.

I bless your design, I bless your Godly purpose, I bless you to be hooked and anchored into Him as your source of life. I bless your growth in the womb - even at this stage of your life - because God can restore and make all things new. I bless your senses to be cleansed and unhooked from all darkness in the womb. I bless you with peace and knowing your Godly value and character. I bless you with the receiving of nurturing from the Father's hand. I bless you to have and know no lack. I bless your development. I bless you to be strong and courageous.

And in the name of Yeshua I pull this blessing throughout your life up and to the age you are now - and beyond.

My child, I bless you to become exactly what God has intended. Follow hard after His design in your DNA and find fulfilment in this. All other design imprints or codes are cancelled by the blood of the Lamb.

In the name of Yeshua I declare there will be no ill effects or harm done to any of us for what we have prayed today! We are covered by the Blood of the Lamb.

In the name of Yeshua
Amen

Mark them with Your blood

Father, I praise You for Your Wisdom. I praise You and thank You for the Love You have for us. Thank You for giving your Son so completely to and for us.

Yeshua, thank You for redemption. Thank You for salvation. Thank You for the power of Your blood. Thank you for dying and suffering for us. Father, even this morning I could once again experience the power of Yeshua's blood where one drop is enough to break the yoke of sickness, disease and demonic oppression. I praise Your Holy Name!

Yeshua, forgive us for not appreciating Your blood. Forgive us for forgetting the price You paid. Forgive us for using it and considering it to be a mere ritual.

Today, we come and stand before You, as mothers, wives and women asking that we and all we represent in the spirit will be marked by your blood, Yeshua. May this be the sign that we carry in the spirit - chosen, forgiven and set free - 777.

We wilfully surrender our pain, sickness, fear, disease and oppression to You. Please wash us with Your blood! You are our source, our strength, impenetrable, always present help in trouble.

Sickness, disease and oppression you have no place here! We willingly surrender ourselves, all of our humanity, spirit, soul and body to You to be soaked in Your blood. Renew us, restore us, heal us and revive us, we pray.

In the name of Yeshua and through His blood we break every cycle of sickness, disease and oppression. We give ourselves as a living sacrifice to You.

We decree in the name of Yeshua that by His stripes we are healed! Yeshua scan us, see the generational weaknesses in our bodies. Some of us are prone for sinus infections, others for tonsillitis, diabetes, epilepsy, gastro and stomach bugs and so many other things.

We take responsibility and we repent for these weaknesses in our DNA. We bring these to the cross for a Devine exchange. We repent for these dark marks we carry in our organs, cells, muscles and bones. We bring the covenants, vows and agreements with sickness and disease, and with anything from another kingdom, before You to be cancelled by the blood of the Lamb. In the name of Yeshua and through His blood we trade sick cells for healed cells, we trade diseased organs and bones for healed organs and bones. Fill us completely with Your presence, I pray. In the name of Yeshua, Remove all the dark spiritual attachments from us.

Make us whole my King! So, we can bring honour to Your Name!

We declare by His stripes we are healed!!

Nothing but the blood of Yeshua. Amen

I pray that they might dwell in Your house all the days of their lives

Father, today I come before You with the desire to know You more. I know that our hope is in You. Father the reports of the world are so negative, with destruction and rebellion going rampant and our kids are growing up to stand amongst this.

Father, I petition Your courts today, that our kids will be like pillars in Your sanctuary - that they will be overcomers. (Rev3).

Therefore, I bless them in the name of Yeshua with these characteristics from your Word - forming the foundation stones and building blocks of these pillars.

My child, I bless you to be poor in spirit. I bless you to be devoid of spiritual arrogance. I bless you to know your place and not to think too highly of yourself - relying on your own abilities. I bless you with the inheritance of the kingdom of heaven - both now and forever.

My child I bless you to look your sinful character straight in the eye and to acknowledge it - not to ignore your wrong doings, but to live in the light of His truth. I bless you with knowing the spirit of repentance. I bless you with the gift of knowing forgiveness being refreshed by God's grace. I bless you to know the comfort of your sins being removed and being lifted from you through the blood of the Lamb.

I bless you with a gentle spirit, being inwardly peaceful, spiritually secure and worthy of respect. I bless your spirit to be kind-hearted, sweet-spirited and self-controlled for then you will inherit the earth.

I bless you to hunger and thirst for righteousness. I bless you to actively seek right standing with God. I bless you to be completely satisfied in Him. I bless you with the joy this brings being nourished by God's goodness and being completely satisfied in Him.

I bless you to see God. I bless you with anticipating His presence. I bless you with a pure heart that grows in spiritual maturity, reflecting integrity, moral courage and godly character.

I bless you to be a peace maker and maintainer. I bless you to know spiritual calmness and life-joy - knowing and living in and from His favour. I bless to walk as a son of God.

I bless you in times of persecution to be comforted by inner peace and being rooted in God's love. I bless you to always do what is morally right - finding your answers from His Kingdom example.

My child when you are insulted and people say all kinds of false and evil things against you because of your association with Him - I bless you to stand morally courageous and spiritually alive with life-joy in God's goodness.

My child I bless you to be glad and exceedingly joyful, for your reward in heaven is great [absolutely inexhaustible]; for in this same way they persecuted the prophets who were before you.

I bless you that these words of Math 5 will be written on your heart, being ever before you. Sealed by the blood of the Lamb.

Overcome my child, this is your portion.

Amen

Prepare them to wear their Kingdom crowns

Father, today my heart as mother is crying out, prepare them, prepare them for their crowns of glory! Prepare them to consider it wholly joyful when they face hardships. Prepare them to bear their crosses. Do not spare them their spiritual growing pains, train them up my King!

So, Father, I come in agreement with your Word as I bless my children's spiritual growth.

So, my child, prepare your mind for action, be completely sober [in spirit--steadfast, self-disciplined, spiritually and morally alert], fix your hope completely on the grace [of God] that is coming to you when Jesus Christ is revealed. 1 PETER 1:13 AMP

My child here are the keys to enjoying life and to see good days! Write these on the tablet of your hearts, incline and memorize the Godly advice given to you.

In the name of Yeshua, I bless you to keep your tongue from evil and your lips from speaking treachery.

Turn away from wickedness and do what is right.

Search out peace with God, with self, with others and pursue it eagerly, actively--not merely desiring it. 1 PETER 3:10-12 AMP

My child, do not be surprised at the fiery ordeal which is taking place to test you [that is, to test the quality of your faith], as though something strange or unusual were happening to you. But insofar as you are sharing Christ's sufferings, keep on rejoicing, so that when His glory [filled with His radiance and splendour] is revealed, you may rejoice with great joy. If you are insulted and reviled for [bearing] the name of Christ, you are blessed [happy, with life-joy and comfort in God's salvation regardless of your circumstances], because the Spirit of glory and of God is resting on you [and indwelling you--He whom they curse, you glorify].

1 PETER 4:12-14

Therefore, humble yourselves under the mighty hand of God [set aside self-righteous pride], so that He may exalt you [to a place of honour in His service] at the appropriate time, casting all your cares [all your anxieties, all your worries, and all your concerns, once and for all] on Him, for He cares about you [with deepest affection, and watches over you very carefully]. Be sober [well balanced and self-disciplined], be alert and cautious at all times. That enemy of yours, the devil, prowls around like a roaring lion [fiercely hungry], seeking someone to devour. But resist him, be firm in your faith [against his attack--rooted, established, immovable], knowing that the same experiences of suffering are being experienced by your brothers and sisters throughout the world. [You do not suffer alone.] After you have suffered for a little while, the God of all grace [who imparts His blessing and favour], who called you to His own eternal glory in Christ, will Himself complete, confirm, strengthen, and establish you [making you what you ought to be]. 1 PETER 5:6-11

To Him be dominion (power, authority, sovereignty) forever and ever. Amen.

Trust, lean on and rely upon Him

Father, thank you for wanting to bless our children. Thank you for asking us to stand for a month in prayer before you to bless our kids. Thank you for your Word that has sharpened their spiritual senses. Today we conclude this specific time of blessing by speaking your Word as given in John 14 over them.

My child listen with your spirit to the Word of God:

Do not let your heart be troubled (afraid, cowardly). Believe [confidently] in God and trust in Him, [have faith, hold on to it, rely on it, keep going and] believe also in Me. In My Father's house are many dwelling places. If it were not so, I would have told you, because I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back again and I will take you to Myself, so that where I am you may be also.

Remember this, I am the [only] Way [to God] and the [real] Truth and the [real] Life; no one comes to the Father but through Me. If you had [really] known Me, you would also have known My Father.

I assure you and most solemnly say to you, anyone who believes in Me [as Saviour] will also do the things that I do; and he will do even greater things than these [in extent and outreach], because I am going to the Father. And I will do whatever you ask in My name [as My representative], this I will do, so that the Father may be glorified and celebrated in the Son. If you ask Me anything in My name [as My representative], I will do it.

If you [really] love Me, you will keep and obey My commandments. And I will ask the Father, and He will give you another Helper (Comforter, Advocate, Intercessor-- Counsellor, Strengthened, Standby), to be with you forever-- the Spirit of Truth, whom the world cannot receive [and take to its heart] because it does not see Him or know Him, but you know Him because He (the Holy Spirit) remains with you continually and will be in you.

I will not leave you as orphans [comfortless, bereaved, and helpless]; I will come [back] to you. After a little while the world will no longer see Me, but you will see Me; because I live, you will live also. On that day [when that time comes] you will know for yourselves that I am in My Father, and you are in Me, and I am in you.

The person who has My commandments and keeps them is the one who [really] loves Me; and whoever [really] loves Me will be loved by My Father, and I will love him and reveal Myself to him [I will make Myself real to him].

If anyone [really] loves Me, he will keep My word (teaching); and My Father will love him, and We will come to him and make Our dwelling place with him.

I have told you these things while I am still with you. But the Helper (Comforter, Advocate, Intercessor--Counsellor, Strengthened, Standby), the Holy Spirit, whom

the Father will send in My name [in My place, to represent Me and act on My behalf], He will teach you all things. And He will help you remember everything that I have told you.

Peace I leave with you; My [perfect] peace I give to you; not as the world gives do I give to you. Do not let your heart be troubled, nor let it be afraid. [Let My perfect peace calm you in every circumstance and give you courage and strength for every challenge.]

Sela
Amen
